The Man Who Would Be Jack
Kill Jack's double:

0 / 4

49 / 791

1
00:00:19,029 --> 00:00:16,950
okay

2
00:00:21,750 --> 00:00:19,039
i guess i need help with the story

3
00:00:24,790 --> 00:00:22,870
um

4
00:00:26,950 --> 00:00:24,800
jack's double thing

5
00:00:28,710 --> 00:00:26,960
killing that guy that's

6
00:00:30,550 --> 00:00:28,720
that's where we were is that pretty

7
00:00:32,389 --> 00:00:30,560
close to the end no no no it's not i

8
00:00:36,069 --> 00:00:32,399
mean it's getting there kinda it's

9
00:00:42,229 --> 00:00:38,470
i mean we could yeah we can go do that

10
00:00:44,630 --> 00:00:42,239
because we're all ready to battle robots

11
00:00:46,470 --> 00:00:44,640
all right let's do it

12
00:00:49,750 --> 00:00:46,480
no i really

13
00:00:50,630 --> 00:00:49,760

i don't like robots you can't use the

14

00:00:52,389 --> 00:00:50,640

flame

15

00:00:53,590 --> 00:00:52,399

weapons on that much

16

00:00:55,670 --> 00:00:53,600

nah

17

00:00:57,350 --> 00:00:55,680

like the flame weapons in this in

18

00:00:59,189 --> 00:00:57,360

borderlands 2 is like

19

00:01:00,790 --> 00:00:59,199

nothing but you can use corrosive on

20

00:01:06,390 --> 00:01:00,800

pretty much anything

21

00:01:10,390 --> 00:01:08,710

all right

22

00:01:17,910 --> 00:01:10,400

good times

23

00:01:23,190 --> 00:01:19,670

let's see what is

24

00:01:26,710 --> 00:01:24,870

we're just running we gotta find him oh

25

00:01:28,870 --> 00:01:26,720

god yeah this is gonna be a bunch of

26

00:01:30,870 --> 00:01:28,880

[h__h] is that a badass that was a

27

00:01:31,990 --> 00:01:30,880

super badass slaughter all right let's

28

00:01:35,830 --> 00:01:32,000

take them out

29

00:01:40,069 --> 00:01:35,840

all right let's do it one two three

30

00:01:43,670 --> 00:01:41,749

that's what they did in the ghostbusters

31

00:01:53,109 --> 00:01:43,680

and it didn't it didn't work out too

32

00:02:00,630 --> 00:01:56,149

oops holy crap

33

00:02:00,640 --> 00:02:08,389

all right i think we just made him mad

34

00:02:25,430 --> 00:02:10,869

oh he's uh he's damaged he's got some

35

00:02:28,869 --> 00:02:27,270

hey my uh my little turn is doing some

36

00:02:32,229 --> 00:02:28,879

damage oh

37

00:02:36,070 --> 00:02:33,910

you sure yeah

38

00:02:38,390 --> 00:02:36,080

oh damn

39

00:02:40,070 --> 00:02:38,400

him

40

00:02:42,710 --> 00:02:40,080

he dropped a nice siren mod i'm gonna

41

00:02:46,550 --> 00:02:42,720

take it i understand yes i might be a

42

00:02:52,550 --> 00:02:49,509

uh look at that rocket launcher 45 level

43

00:02:54,790 --> 00:02:52,560

45 it's just explosive damage but

44

00:02:56,070 --> 00:02:54,800

almost 50 000 damage

45

00:02:58,630 --> 00:02:56,080

i got a little bit of a better one a few

46

00:02:59,910 --> 00:02:58,640

once i get to sell it go for it

47

00:03:04,630 --> 00:02:59,920

yeah

48

00:03:07,670 --> 00:03:06,309

all right that was cool that went well

49

00:03:10,869 --> 00:03:07,680

yeah if we just

50

00:03:13,030 --> 00:03:10,879

play it safe play it's safe stay back

51
00:03:15,350 --> 00:03:13,040
why no no need to be gung-ho we're not

52
00:03:16,630 --> 00:03:15,360
rambo around here

53
00:03:27,350 --> 00:03:16,640
oh up top

54
00:03:27,360 --> 00:03:35,670
turn time yeah

55
00:03:39,350 --> 00:03:37,830
yeah i got uh

56
00:03:41,670 --> 00:03:39,360
the sniper rifle i'm just gonna keep

57
00:03:43,990 --> 00:03:41,680
using that that seems to

58
00:03:46,630 --> 00:03:44,000
seems to be the way to go for me

59
00:03:49,830 --> 00:03:46,640
let you lead the way why stay back and

60
00:03:54,550 --> 00:03:49,840
just have a good time oh god war loader

61
00:03:58,390 --> 00:03:56,949
i'm going to get them

62
00:04:00,949 --> 00:03:58,400
oh you're going to get them

63
00:04:05,589 --> 00:04:00,959

yeah

64

00:04:06,869 --> 00:04:05,599

they're not those guys aren't that bad

65

00:04:09,190 --> 00:04:06,879

for me

66

00:04:12,229 --> 00:04:09,200

it says super badass letters that suck

67

00:04:15,110 --> 00:04:12,239

and uh constructors

68

00:04:16,789 --> 00:04:15,120

oh these guys resist um corrosion with

69

00:04:18,310 --> 00:04:16,799

their shields yeah when they have their

70

00:04:21,670 --> 00:04:18,320

shield but once you get through their

71

00:04:21,680 --> 00:04:25,110

goddamn [h__\h]

72

00:04:33,749 --> 00:04:29,749

all right

73

00:04:35,270 --> 00:04:33,759

was confused because down here i got an

74

00:04:37,030 --> 00:04:35,280

eye on him right now and he's really

75

00:04:38,550 --> 00:04:37,040

hard he kills you like a couple shots

76
00:04:40,390 --> 00:04:38,560
i'm gonna stay back right here and snipe

77
00:04:43,749 --> 00:04:40,400
him right now and he just slagged and

78
00:04:45,749 --> 00:04:43,759
now he's coming after us

79
00:04:47,670 --> 00:04:45,759
i am running up the stairs and i'm gonna

80
00:04:49,270 --> 00:04:47,680
go shopping while you take care of this

81
00:04:50,950 --> 00:04:49,280
okay

82
00:04:53,990 --> 00:04:50,960
let me know it's me he's coming after me

83
00:05:00,390 --> 00:04:54,000
he's looking right at me he loves me

84
00:05:04,150 --> 00:05:02,550
he's really tough isn't he yeah man he's

85
00:05:09,590 --> 00:05:04,160
a dick

86
00:05:13,990 --> 00:05:11,590
where are you at

87
00:05:16,310 --> 00:05:14,000
i spawned

88
00:05:18,469 --> 00:05:16,320

i uh i committed suicide

89

00:05:20,710 --> 00:05:18,479

well i was dying and then i chose to

90

00:05:22,710 --> 00:05:20,720

respond because i thought

91

00:05:24,629 --> 00:05:22,720

if i respond quick enough while you were

92

00:05:25,909 --> 00:05:24,639

you were dying we would we wouldn't lose

93

00:05:28,550 --> 00:05:25,919

any

94

00:05:30,710 --> 00:05:28,560

uh gain that you uh you got on jack

95

00:05:39,909 --> 00:05:30,720

stubble

96

00:05:43,909 --> 00:05:42,070

so far away good god i don't know if i'm

97

00:05:46,710 --> 00:05:43,919

not gonna be able to make it to you uh

98

00:05:46,720 --> 00:05:53,670

i died i died oh well

99

00:05:57,430 --> 00:05:55,990

uh you spawned closer than i did no you

100

00:05:59,590 --> 00:05:57,440

didn't

101
00:06:01,749 --> 00:05:59,600
i'll just wait for you right here

102
00:06:02,790 --> 00:06:01,759
massey asked if we were winning i said

103
00:06:07,830 --> 00:06:02,800
kinda

104
00:06:19,189 --> 00:06:11,430
i mean we keep on uh getting respawned

105
00:06:23,029 --> 00:06:20,629
man that dude is hard how the hell are

106
00:06:24,790 --> 00:06:23,039
we gonna get him down um

107
00:06:25,590 --> 00:06:24,800
well if we snipe him he comes right at

108
00:06:26,550 --> 00:06:25,600
us

109
00:06:27,830 --> 00:06:26,560
yes

110
00:06:32,230 --> 00:06:27,840
i was standing

111
00:06:35,029 --> 00:06:32,240
and uh he came right at me when i threw

112
00:06:36,070 --> 00:06:35,039
down the turret so i don't

113
00:06:37,909 --> 00:06:36,080

hmm

114

00:06:40,390 --> 00:06:37,919

i'd

115

00:06:42,309 --> 00:06:40,400

i don't know uh fire you know he's he's

116

00:06:44,870 --> 00:06:42,319

a human he hates fire

117

00:06:47,430 --> 00:06:44,880

all right let's okay you got any uh got

118

00:06:49,830 --> 00:06:47,440

any fire with you i do have like a super

119

00:06:51,590 --> 00:06:49,840

awesome fire machine gun

120

00:06:53,830 --> 00:06:51,600

so

121

00:06:56,150 --> 00:06:53,840

i got a a fire sniper rifle let's use

122

00:06:58,230 --> 00:06:56,160

fire in this [h__\h] because uh

123

00:07:00,309 --> 00:06:58,240

they've been wanting us to use corrosive

124

00:07:02,469 --> 00:07:00,319

and electric all the way through here

125

00:07:04,790 --> 00:07:02,479

banking on we wouldn't have fire so we

126

00:07:06,070 --> 00:07:04,800

let's let's get some fire going

127

00:07:09,110 --> 00:07:06,080

i'm going to get up in this knoll and

128

00:07:09,120 --> 00:07:13,510

all right

129

00:07:26,870 --> 00:07:15,589

where's it yeah

130

00:07:32,469 --> 00:07:29,830

oh my god there's robots too

131

00:07:34,390 --> 00:07:32,479

yeah it kind of sucks

132

00:07:36,390 --> 00:07:34,400

god there's robots and there's humans

133

00:07:46,870 --> 00:07:36,400

together come on what kind of world is

134

00:07:50,070 --> 00:07:48,070

hey

135

00:07:53,589 --> 00:07:50,080

[h__\h]

136

00:08:00,629 --> 00:07:55,510

i gotta retreat

137

00:08:08,309 --> 00:08:02,950

oh my god

138

00:08:15,270 --> 00:08:10,230

i'm right here

139

00:08:15,280 --> 00:08:19,909

oh no oh no oh no

140

00:08:24,869 --> 00:08:22,469

and there's there is an angelic guard

141

00:08:26,869 --> 00:08:24,879

right behind you out of here yeah oh run

142

00:08:32,870 --> 00:08:26,879

away

143

00:08:32,880 --> 00:08:39,029

oh my god i'm dying again

144

00:08:43,589 --> 00:08:41,829

we got the jack like within five seconds

145

00:08:45,910 --> 00:08:43,599

of last time

146

00:08:58,790 --> 00:08:45,920

i guess i guess all the other guys came

147

00:09:03,670 --> 00:09:02,150

oh my god he shot me once

148

00:09:05,110 --> 00:09:03,680

are you done again can you yeah can you

149

00:09:09,509 --> 00:09:05,120

take this guy out

150

00:09:09,519 --> 00:09:17,990

don't worry about me you kill him

151

00:09:23,110 --> 00:09:20,389

what's massey doing

152

00:09:26,150 --> 00:09:23,120

oh she's at home she doesn't feel too

153

00:09:29,269 --> 00:09:27,750

we're going to this big chicken wing

154

00:09:31,670 --> 00:09:29,279

party tomorrow at a brewery up in

155

00:09:33,829 --> 00:09:31,680

michigan so oh nice yeah it's gonna be

156

00:09:35,110 --> 00:09:33,839

awesome

157

00:09:37,910 --> 00:09:35,120

you know what there you know what it's

158

00:09:40,070 --> 00:09:37,920

called it's dark horse right yeah yeah

159

00:09:41,670 --> 00:09:40,080

our brewery's called dark horse uh the

160

00:09:42,630 --> 00:09:41,680

chicken thing is called chicken wing

161

00:09:46,790 --> 00:09:42,640

thing

162

00:09:47,910 --> 00:09:46,800

a good word in for battle axe we need a

163

00:09:48,829 --> 00:09:47,920

sponsor

164

00:09:52,230 --> 00:09:48,839

i

165

00:09:53,269 --> 00:09:52,240

play up there we have that horse song

166

00:09:55,350 --> 00:09:53,279

you know that would go along with you

167

00:09:58,150 --> 00:09:55,360

just say dark horse yeah take it to the

168

00:09:59,750 --> 00:09:58,160

horse take a demo along with you

169

00:10:02,230 --> 00:09:59,760

i will i'll take what we've been working

170

00:10:06,070 --> 00:10:02,240

on yeah

171

00:10:11,430 --> 00:10:08,790

there are [h__h] everywhere

172

00:10:14,310 --> 00:10:11,440

i try i came around the corner

173

00:10:16,470 --> 00:10:14,320

and this this darn robot

174

00:10:18,150 --> 00:10:16,480

um shot me and now he threw a grenade at

175

00:10:22,470 --> 00:10:18,160

me

176

00:10:25,269 --> 00:10:23,829

what a jerk

177

00:10:27,190 --> 00:10:25,279

no we're gonna get jack right now we're

178

00:10:28,230 --> 00:10:27,200

gonna get jax double

179

00:10:34,389 --> 00:10:28,240

all right

180

00:10:46,710 --> 00:10:36,550

you were literally inches away that was

181

00:10:53,190 --> 00:10:51,670

i have lost probably a total of uh

182

00:10:55,990 --> 00:10:53,200

i want to say

183

00:10:58,069 --> 00:10:56,000

20 000 credits

184

00:11:00,550 --> 00:10:58,079

i've lost a lot too

185

00:11:02,710 --> 00:11:00,560

i don't mind i can get it back yeah it's

186

00:11:03,990 --> 00:11:02,720

money's everywhere in this game once we

187

00:11:05,590 --> 00:11:04,000

can

188

00:11:07,509 --> 00:11:05,600

get all these little peons out of the

189

00:11:10,790 --> 00:11:07,519

way and get the jack i'm

190

00:11:13,750 --> 00:11:10,800

whatever that's that's all matters

191

00:11:17,269 --> 00:11:15,269

all this experience is worth more than

192

00:11:18,389 --> 00:11:17,279

money anyhow

193

00:11:20,710 --> 00:11:18,399

you know

194

00:11:22,949 --> 00:11:20,720

yeah absolutely

195

00:11:41,190 --> 00:11:22,959

it's hard to get experience

196

00:11:45,670 --> 00:11:43,750

d is eating um what is this cheese what

197

00:11:47,750 --> 00:11:45,680

kind of cheese is that is that

198

00:11:49,990 --> 00:11:47,760

baby swiss cheese right now

199

00:11:52,069 --> 00:11:50,000

oh that sounds good yeah oh the baby

200

00:11:57,190 --> 00:11:52,079

swiss cheese from giant eagle

201
00:12:00,550 --> 00:11:58,630
all right i like the way this turret is

202
00:12:12,389 --> 00:12:00,560
this is helping a lot actually it's just

203
00:12:17,750 --> 00:12:15,509
why do you feel bad for bogey d

204
00:12:20,310 --> 00:12:17,760
you can come up here

205
00:12:28,389 --> 00:12:21,990
bogey we went we went to the park we'll

206
00:12:37,670 --> 00:12:30,790
how's buggy baby

207
00:12:37,680 --> 00:12:40,790
i bored i can't blame him

208
00:12:45,030 --> 00:12:42,470
after after he killed this jack double

209
00:12:48,870 --> 00:12:45,040
i'm i'm done but we this is this is the

210
00:12:55,829 --> 00:12:51,990
oh my god there's so many guys stop i

211
00:13:13,829 --> 00:13:01,030
oh my god

212
00:13:16,790 --> 00:13:15,430
they are horrible

213
00:13:19,269 --> 00:13:16,800

these people are

214

00:13:22,470 --> 00:13:19,279

to micromanage them all it is

215

00:13:27,030 --> 00:13:25,990

these guys they just don't stop

216

00:13:29,350 --> 00:13:27,040

oh my

217

00:13:31,750 --> 00:13:29,360

i can get two shots in and then they

218

00:13:33,829 --> 00:13:31,760

take down my shields and that's that

219

00:13:36,310 --> 00:13:33,839

you slag them but my my stuff is not

220

00:13:40,710 --> 00:13:36,320

doing much

221

00:13:46,470 --> 00:13:43,269

warflicon 2000 that is him

222

00:13:51,910 --> 00:13:48,389

can you slag that piece of [h__h]

223

00:13:51,920 --> 00:13:57,509

there you go there we go yeah

224

00:14:00,389 --> 00:13:59,269

i like running around stuff tricking

225

00:14:03,829 --> 00:14:00,399

them

226

00:14:05,269 --> 00:14:03,839

oh [\h__\h]

227

00:14:08,230 --> 00:14:05,279

i don't know

228

00:14:12,550 --> 00:14:08,240

where are you there's a robot behind me

229

00:14:12,560 --> 00:14:16,629

i didn't know you care

230

00:14:16,639 --> 00:14:25,750

tired of all these star wars

231

00:14:31,269 --> 00:14:28,629

what how did i die

232

00:14:36,230 --> 00:14:31,279

ridiculous

233

00:14:39,509 --> 00:14:38,230

oh you're you're all right yeah i'm all

234

00:14:41,910 --> 00:14:39,519

right they killed me somehow i don't

235

00:14:44,230 --> 00:14:41,920

know i didn't get it

236

00:14:46,949 --> 00:14:44,240

okay now we killed all those [\h__\h]

237

00:14:49,189 --> 00:14:46,959

now we can go and

238

00:14:52,069 --> 00:14:49,199

oh my god

239

00:14:54,629 --> 00:14:52,079

i don't know what happened

240

00:15:02,389 --> 00:14:54,639

why would you do that

241

00:15:08,550 --> 00:15:06,069

why can't we just kill jack's double

242

00:15:10,629 --> 00:15:08,560

why are they making it so impossible to

243

00:15:23,670 --> 00:15:10,639

do things

244

00:15:23,680 --> 00:15:32,310

pure insanity right here

245

00:15:36,710 --> 00:15:34,710

got him

246

00:15:39,110 --> 00:15:36,720

i i gotta switch over to my other sniper

247

00:15:43,269 --> 00:15:39,120

rifle because uh the cross we we haven't

248

00:15:43,279 --> 00:15:47,430

there's there's still so much

249

00:15:47,440 --> 00:15:51,590

that the crescent could take uh

250

00:15:54,710 --> 00:15:52,829

can take down

251
00:15:55,910 --> 00:15:54,720
so i thought we were just going to come

252
00:15:58,069 --> 00:15:55,920
up here and

253
00:16:00,069 --> 00:15:58,079
fight jack again and use fire but no

254
00:16:05,670 --> 00:16:00,079
it's all like corrosive

255
00:16:12,389 --> 00:16:09,670
where is he where's jack hey jack

256
00:16:17,110 --> 00:16:12,399
how you doing how you doing jack there's

257
00:16:26,790 --> 00:16:19,189
run

258
00:16:28,949 --> 00:16:26,800
he's coming up the stairs oh my god

259
00:16:31,829 --> 00:16:28,959
i just slagged him

260
00:16:42,470 --> 00:16:31,839
oh i see him he's running after me

261
00:16:42,480 --> 00:16:52,069
he's running after me again

262
00:16:52,079 --> 00:16:54,790
you dying

263
00:16:57,590 --> 00:16:56,389

no i'm all right

264

00:16:58,949 --> 00:16:57,600

i'm just kind of picking at him and

265

00:17:02,629 --> 00:16:58,959

running away than picking out him right

266

00:17:04,470 --> 00:17:02,639

away i just threw um a turret down there

267

00:17:06,870 --> 00:17:04,480

okay cool throw all your grenades in

268

00:17:08,630 --> 00:17:06,880

that you can

269

00:17:13,350 --> 00:17:08,640

i did i did i got almost got shields

270

00:17:17,110 --> 00:17:15,750

oh [h__h] found me found me [h__h] [h__h] [h__h]

271

00:17:19,110 --> 00:17:17,120

get out of there get out of there these

272

00:17:21,110 --> 00:17:19,120

wrist isn't he's resisting my fire if

273

00:17:31,590 --> 00:17:21,120

you can get that shield off him i can

274

00:17:36,789 --> 00:17:33,590

i shield back up oh god he's looking at

275

00:17:36,799 --> 00:17:39,990

he killed me

276

00:17:43,190 --> 00:17:40,950

sorry

277

00:17:48,789 --> 00:17:43,200

it's okay keep going i'll i'm gonna come

278

00:17:53,350 --> 00:17:50,549

man the shields work with predators real

279

00:17:55,270 --> 00:17:53,360

quick yeah they certainly do

280

00:17:57,510 --> 00:17:55,280

i'm gonna come back with um lightning

281

00:17:59,669 --> 00:17:57,520

and just

282

00:18:01,669 --> 00:17:59,679

yeah yeah try to take that [h__h] down as

283

00:18:03,669 --> 00:18:01,679

much as possible you know that's what i

284

00:18:10,390 --> 00:18:03,679

should do right now to switch to like an

285

00:18:10,400 --> 00:18:15,029

[h__h]

286

00:18:21,110 --> 00:18:18,390

i'm coming it's going to take a second

287

00:18:24,070 --> 00:18:21,120

i'm going to throw down my uh turn if

288

00:18:26,310 --> 00:18:24,080

he's still in that little stairwell um

289

00:18:27,669 --> 00:18:26,320

right on the uh the stair like the

290

00:18:30,150 --> 00:18:27,679

stairs

291

00:18:35,990 --> 00:18:30,160

yeah yeah if he's still there

292

00:18:40,470 --> 00:18:38,150

i'll come in from the same side i was on

293

00:18:43,270 --> 00:18:40,480

and see if we can

294

00:18:45,830 --> 00:18:43,280

take this [h__h] down okay i'm gonna

295

00:18:48,070 --> 00:18:45,840

when i see him there he is

296

00:18:53,350 --> 00:18:48,080

i see him right now i'm gonna slag him

297

00:18:56,789 --> 00:18:54,950

and then i'm gonna switch to electrical

298

00:18:58,630 --> 00:18:56,799

i got i got electric i got electrics i

299

00:18:59,590 --> 00:18:58,640

got electric going on and he come up the

300

00:19:01,590 --> 00:18:59,600

stairs

301

00:19:13,669 --> 00:19:01,600

he ran in my turn

302

00:19:13,679 --> 00:19:21,270

this shield is almost down

303

00:19:25,430 --> 00:19:24,310

oh kill me it's go keep going he's right

304

00:19:27,590 --> 00:19:25,440

there

305

00:19:31,350 --> 00:19:27,600

his shields are almost done

306

00:19:34,150 --> 00:19:31,360

he shows her down you can fry him

307

00:19:45,430 --> 00:19:34,160

and i'm looking right at him

308

00:19:45,440 --> 00:19:49,190

[h__\h] god damn it

309

00:20:00,710 --> 00:19:51,270

how do you like this

310

00:20:07,510 --> 00:20:02,070

you dying too

311

00:20:13,029 --> 00:20:09,669

he's running away from me

312

00:20:21,510 --> 00:20:13,039

oh man we almost had him too holy [h__\h]

313

00:20:21,520 --> 00:20:28,710

all right um

314

00:20:28,720 --> 00:20:41,350

i need some ammo

315

00:20:44,470 --> 00:20:42,870

we had the right idea i was taking the

316

00:20:46,830 --> 00:20:44,480

shields down first and then we just got

317

00:20:48,870 --> 00:20:46,840

to switch immediately to

318

00:20:53,270 --> 00:20:48,880

like fire

319

00:21:02,310 --> 00:20:55,190

let's go back there hopefully the robots

320

00:21:11,029 --> 00:21:04,149

uh this way which way we get the line

321

00:21:11,039 --> 00:21:16,149

here we go let's do this

322

00:21:20,950 --> 00:21:18,549

i guess i leveled up in that time

323

00:21:22,789 --> 00:21:20,960

oh that's good you did yeah

324

00:21:27,430 --> 00:21:22,799

it's all right

325

00:21:32,870 --> 00:21:28,549

okay

326

00:21:32,880 --> 00:21:35,590

let us

327

00:21:35,600 --> 00:21:39,669

talk to jack's double yeah

328

00:21:43,990 --> 00:21:41,190

we gotta provoke him to come out the

329

00:21:45,909 --> 00:21:44,000

stairwell is actually pretty nice

330

00:21:53,110 --> 00:21:45,919

point for him to

331

00:21:53,120 --> 00:21:58,390

where's this jerk off

332

00:22:02,310 --> 00:21:59,909

there he is

333

00:22:04,310 --> 00:22:02,320

if you hit him retreat

334

00:22:18,870 --> 00:22:04,320

got it i'm coming back upstairs come

335

00:22:32,870 --> 00:22:21,590

it's robots down there again

336

00:22:32,880 --> 00:22:45,669

[h__h] burgers

337

00:22:52,549 --> 00:22:48,230

oh you you [h__h] nailed that guy

338

00:22:56,870 --> 00:22:55,110

uh jack is down there hanging out i see

339

00:22:59,510 --> 00:22:56,880

him he's in this

340

00:23:01,750 --> 00:22:59,520

kind of center area

341

00:23:04,789 --> 00:23:01,760

kind of milling about like a jerk

342

00:23:10,149 --> 00:23:06,630

we got half his energy down which is

343

00:23:12,070 --> 00:23:10,159

cool they left us that so wow

344

00:23:13,669 --> 00:23:12,080

he's gotta get his shields down now okay

345

00:23:17,669 --> 00:23:13,679

we've got half his energy down that

346

00:23:31,990 --> 00:23:20,830

that means he's weak and he's trying to

347

00:23:57,190 --> 00:23:34,390

i'm going after him dude

348

00:24:01,830 --> 00:23:59,350

mike i almost got home i see it i i got

349

00:24:13,750 --> 00:24:01,840

it i'm right there with you

350

00:24:13,760 --> 00:24:28,950

holy [h__\h] we did it that [h__\h] him up

351

00:24:28,960 --> 00:24:35,190

use the kiosk yeah so let's do that

352

00:24:57,350 --> 00:24:36,470

so i want to get you your points for

353

00:24:57,360 --> 00:25:09,830

all right

354

00:25:16,149 --> 00:25:13,350

so did he did he drop any good loot

355

00:25:17,350 --> 00:25:16,159

no he didn't didn't he no he just kind

356

00:25:19,990 --> 00:25:17,360

of

357

00:25:21,669 --> 00:25:20,000

didn't do [\h__\h]

358

00:25:23,909 --> 00:25:21,679

did you know your chances of being all

359

00:25:25,909 --> 00:25:23,919

right that's one

360

00:25:27,110 --> 00:25:25,919

thousand percent upon leaving

361

00:25:27,830 --> 00:25:27,120

opportunity

362

00:25:31,590 --> 00:25:27,840

why

363

00:25:33,110 --> 00:25:31,600

damn it i almost have what i need

364

00:25:35,750 --> 00:25:33,120

okay that's one

365

00:25:36,789 --> 00:25:35,760

i got it yeah

366

00:25:37,590 --> 00:25:36,799

yeah

367

00:25:40,230 --> 00:25:37,600

dick

368

00:25:41,510 --> 00:25:40,240

all right oh [\h__\h] stupid robot he's

369

00:25:43,830 --> 00:25:41,520

gonna die

370

00:25:49,269 --> 00:25:43,840

stupid france

371

00:25:49,279 --> 00:26:02,950

oh god

372

00:26:13,110 --> 00:26:04,549

thank god for my turn

373

00:26:19,029 --> 00:26:17,669

i saved you but i sacrificed myself

374

00:26:28,549 --> 00:26:19,039

you can take care of these [\h__\h]

375

00:26:41,029 --> 00:26:30,149

you get these [\h__\h]

376

00:26:44,149 --> 00:26:42,630

all right good

377

00:26:45,350 --> 00:26:44,159

let's get the hell out of here and go do

378

00:26:47,269 --> 00:26:45,360

the thing

379

00:26:48,950 --> 00:26:47,279

the mission something's going on here

380

00:26:49,909 --> 00:26:48,960

they don't want us to complete this

381

00:26:53,190 --> 00:26:49,919

mission

382

00:26:59,350 --> 00:26:53,200

no they do not

383

00:27:04,630 --> 00:27:02,390

i'm running and screaming

384

00:27:08,710 --> 00:27:04,640

just get away from him

385

00:27:16,230 --> 00:27:11,029

there you go i see it coming towards me

386

00:27:16,240 --> 00:27:20,310

it is all good

387

00:27:20,320 --> 00:27:23,990

all right

388

00:27:28,470 --> 00:27:26,070

i'm really in the outskirts here i don't

389

00:27:31,830 --> 00:27:28,480

even know where i am i'm out of sand

390

00:27:34,870 --> 00:27:31,840

all right watch out there's [\h__\h]

391

00:27:39,029 --> 00:27:34,880

dudes all over this [\h__\h] pieces

392

00:27:51,590 --> 00:27:40,950

oh my lord

393

00:27:51,600 --> 00:27:56,950

he's talking all weird to me

394

00:28:00,630 --> 00:27:58,310

there we go

395

00:28:02,630 --> 00:28:00,640

got that [\h__\h]

396

00:28:05,350 --> 00:28:02,640

there's so many [\h__\h]

397

00:28:15,269 --> 00:28:07,750

i'm backing off yeah

398

00:28:15,279 --> 00:28:23,430

switching to a sniper

399

00:28:28,310 --> 00:28:26,149

but my sniper won't work on these

400

00:28:29,669 --> 00:28:28,320

[\h__\h] because hey

401
00:28:31,990 --> 00:28:29,679
they are

402
00:28:33,269 --> 00:28:32,000
robots so i gotta switch over my

403
00:28:35,909 --> 00:28:33,279
corrosive

404
00:28:38,070 --> 00:28:35,919
holy [h__h] man

405
00:28:40,230 --> 00:28:38,080
man we gotta fight all these guys over

406
00:28:45,750 --> 00:28:40,240
again

407
00:28:48,950 --> 00:28:47,350
yeah we have to fight all these [h__h]

408
00:28:54,870 --> 00:28:48,960
again

409
00:29:01,590 --> 00:28:57,830
i want a piece of [h__h]

410
00:29:05,110 --> 00:29:03,190
well that worked out nice

411
00:29:08,230 --> 00:29:05,120
it did man

412
00:29:10,310 --> 00:29:08,240
it's gotta fall back can't be afraid to

413
00:29:19,990 --> 00:29:10,320

retreat every once in a while

414

00:29:26,389 --> 00:29:23,510

all right let's run to the next one

415

00:29:27,269 --> 00:29:26,399

this should be the last one correct yeah

416

00:29:29,990 --> 00:29:27,279

then maybe

417

00:29:31,830 --> 00:29:30,000

like do one thing

418

00:29:32,710 --> 00:29:31,840

and then i think this mission's over i

419

00:29:44,470 --> 00:29:32,720

think

420

00:29:44,480 --> 00:29:54,470

oh god i died i couldn't do it

421

00:29:59,669 --> 00:29:57,990

remember we should all love our parents

422

00:30:02,149 --> 00:29:59,679

all right you're alive i'm alive very

423

00:30:02,159 --> 00:30:15,830

god damn it

424

00:30:19,430 --> 00:30:17,590

all right

425

00:30:22,149 --> 00:30:19,440

oh [h__h] we gotta get the [h__h] out of

426
00:30:42,310 --> 00:30:22,159
here

427
00:30:46,230 --> 00:30:42,320
the stairway is right is to your left so

428
00:30:50,470 --> 00:30:48,230
dude there's so many was slowing down i

429
00:30:54,310 --> 00:30:50,480
know we got a door right here here we go

430
00:30:54,320 --> 00:30:59,510
stuff first holy [\h__\h]

431
00:31:02,950 --> 00:31:01,909
uh it looks nice

432
00:31:06,710 --> 00:31:02,960
pistol

433
00:31:10,389 --> 00:31:06,720
oh [\h__\h]

434
00:31:10,399 --> 00:31:15,750
oh my god

435
00:31:21,269 --> 00:31:17,510
holy [\h__\h]

436
00:31:27,909 --> 00:31:23,350
we were looting and looking at stuff and

437
00:31:33,430 --> 00:31:30,149
all right you grabbed what you wanted

438
00:31:42,230 --> 00:31:35,029

not good

439

00:31:47,990 --> 00:31:44,870

can't use

440

00:32:00,549 --> 00:31:48,000

huh all right i see the file size oh

441

00:32:06,549 --> 00:32:04,230

where the [h__\h] is the voice modulator

442

00:32:07,830 --> 00:32:06,559

i just i just activated it

443

00:32:10,070 --> 00:32:07,840

all right let's turn this [h__\h] in and

444

00:32:11,830 --> 00:32:10,080

get some points yeah so you can

445

00:32:14,789 --> 00:32:11,840

take bogey on a walk

446

00:32:15,830 --> 00:32:14,799

yeah poor buggy
