TRAIN YARD

1
00:00:23,509 --> 00:00:21,429
all right uh hey this is uh mike and jj

2
00:00:25,830 --> 00:00:23,519
we're playing battlefield i am running

3
00:00:28,070 --> 00:00:25,840
the john mcclane die hard kit

4
00:00:30,710 --> 00:00:28,080
uh i couldn't use the

5
00:00:33,750 --> 00:00:30,720
uh hk nine millimeter sub machine gun so

6
00:00:34,790 --> 00:00:33,760
i'm using the ump with the m9 technical

7
00:00:38,549 --> 00:00:34,800
tactical

8
00:00:40,229 --> 00:00:38,559
ammo box c4 explosives and squad sprint

9
00:00:42,790 --> 00:00:40,239
jj i'm not sure what you're what you're

10
00:00:45,110 --> 00:00:42,800
gonna be running with uh

11
00:00:47,350 --> 00:00:45,120
uh yeah i don't know

12
00:00:49,430 --> 00:00:47,360
i've uh i've got a pistol out does that

13
00:00:51,670 --> 00:00:49,440

count yeah that counts um

14

00:00:54,150 --> 00:00:51,680

yup we are now playing against i don't

15

00:00:56,069 --> 00:00:54,160

give a [h__h] uh you'll be my hans gruber

16

00:00:57,830 --> 00:00:56,079

i'll be john mcclane

17

00:00:59,910 --> 00:00:57,840

can i be hans gruber yeah you're hans

18

00:01:01,830 --> 00:00:59,920

gruber all right

19

00:01:03,990 --> 00:01:01,840

i'm a big fan of hans uber so we need to

20

00:01:06,469 --> 00:01:04,000

find the tallest building or the tallest

21

00:01:07,109 --> 00:01:06,479

structure we can climb up to the top of

22

00:01:09,670 --> 00:01:07,119

it

23

00:01:11,030 --> 00:01:09,680

and then i have to somehow throw you off

24

00:01:12,550 --> 00:01:11,040

while you shoot

25

00:01:14,550 --> 00:01:12,560

up at me

26

00:01:15,990 --> 00:01:14,560

okay i'm gonna go steal a helicopter

27

00:01:17,990 --> 00:01:16,000

okay and we'll

28

00:01:19,429 --> 00:01:18,000

we'll meet on the top of the uh the

29

00:01:21,190 --> 00:01:19,439

building over by

30

00:01:24,950 --> 00:01:21,200

b okay

31

00:01:28,710 --> 00:01:26,870

i'm trying to get my way over there but

32

00:01:30,390 --> 00:01:28,720

your teammates they keep killing me i

33

00:01:31,990 --> 00:01:30,400

gotta get over there

34

00:01:33,910 --> 00:01:32,000

oh no i don't i don't know if i have a

35

00:01:35,990 --> 00:01:33,920

helicopter either so

36

00:01:37,830 --> 00:01:36,000

well me and your team needs to land a

37

00:01:39,190 --> 00:01:37,840

helicopter all right i can actually

38

00:01:41,270 --> 00:01:39,200

spawn at b

39

00:01:42,310 --> 00:01:41,280

and um

40

00:01:44,390 --> 00:01:42,320

i'm gonna go

41

00:01:45,910 --> 00:01:44,400

up to

42

00:01:47,910 --> 00:01:45,920

um

43

00:01:50,230 --> 00:01:47,920

yeah i know here's i'm gonna go up these

44

00:01:53,109 --> 00:01:50,240

stairs behind b

45

00:01:55,670 --> 00:01:53,119

and this looks very reminiscent of like

46

00:01:58,469 --> 00:01:55,680

the inner workings of the building of

47

00:02:01,510 --> 00:01:58,479

nakatomi complex so

48

00:02:02,630 --> 00:02:01,520

i feel pretty positive about this and um

49

00:02:04,870 --> 00:02:02,640

yeah

50

00:02:07,749 --> 00:02:04,880

once you're by b

51
00:02:09,350 --> 00:02:07,759
and if you sneak behind the actual flag

52
00:02:10,469 --> 00:02:09,360
you should be good but there's an

53
00:02:15,589 --> 00:02:10,479
[h__\h]

54
00:02:17,430 --> 00:02:15,599
and he might shoot you

55
00:02:20,150 --> 00:02:17,440
yeah i definitely think with the way

56
00:02:22,630 --> 00:02:20,160
this uh the way this game is playing out

57
00:02:24,550 --> 00:02:22,640
um you definitely have the hans gruber

58
00:02:25,750 --> 00:02:24,560
yeah i certainly do like with the way

59
00:02:28,869 --> 00:02:25,760
the maps

60
00:02:29,670 --> 00:02:28,879
sort of lock down yes um

61
00:02:33,430 --> 00:02:29,680
i'm

62
00:02:35,110 --> 00:02:33,440
pistol out

63
00:02:37,270 --> 00:02:35,120

running around in the background yeah

64

00:02:38,790 --> 00:02:37,280

you certainly are like i'm trying to

65

00:02:40,710 --> 00:02:38,800

trying to get to a place where i can

66

00:02:42,550 --> 00:02:40,720

throw you off the building i think that

67

00:02:44,710 --> 00:02:42,560

would that actually works a lot better

68

00:02:46,550 --> 00:02:44,720

since i'm already high up and in command

69

00:02:48,710 --> 00:02:46,560

of most of this board

70

00:02:50,470 --> 00:02:48,720

um spoiler alert

71

00:02:53,509 --> 00:02:50,480

we don't want to mess up die hard one

72

00:02:54,790 --> 00:02:53,519

for anybody that was born after 1988.

73

00:02:57,589 --> 00:02:54,800

yes uh

74

00:03:00,150 --> 00:02:57,599

yeah spoiler alert hans gruber does die

75

00:03:01,350 --> 00:03:00,160

well spoiler alert snape dies because if

76

00:03:03,589 --> 00:03:01,360

they haven't seen him by now that's

77

00:03:05,990 --> 00:03:03,599

probably how they they know hans gruber

78

00:03:07,430 --> 00:03:06,000

they know hans gruber yeah

79

00:03:09,830 --> 00:03:07,440

um

80

00:03:12,309 --> 00:03:09,840

actually what it's worth

81

00:03:13,750 --> 00:03:12,319

your guys just captured b so i think

82

00:03:16,550 --> 00:03:13,760

you're you're capturing b right now

83

00:03:18,070 --> 00:03:16,560

actually we're capturing it back so

84

00:03:20,390 --> 00:03:18,080

that's all right buddy we're gonna you

85

00:03:22,790 --> 00:03:20,400

were playing uh where'd you go i just

86

00:03:24,309 --> 00:03:22,800

saw you a second ago

87

00:03:26,309 --> 00:03:24,319

yeah hey buddy

88

00:03:27,830 --> 00:03:26,319

hey

89

00:03:31,589 --> 00:03:27,840

yeah all right let's see if we can

90

00:03:33,270 --> 00:03:31,599

reenact the scene from die hard

91

00:03:35,509 --> 00:03:33,280

is there a throw mechanic in battlefield

92

00:03:37,270 --> 00:03:35,519

3 i don't think there is

93

00:03:38,630 --> 00:03:37,280

so you're you're uh

94

00:03:41,670 --> 00:03:38,640

all right we're gonna have to do some

95

00:03:43,350 --> 00:03:41,680

your john mcclane i hey mike yes

96

00:03:46,789 --> 00:03:43,360

like outside of the video game we're

97

00:03:48,309 --> 00:03:46,799

gonna do some playful editing yes where

98

00:03:50,470 --> 00:03:48,319

there isn't a throw mechanic where

99

00:03:53,190 --> 00:03:50,480

you're just gonna have to jump off yes

100

00:03:54,949 --> 00:03:53,200

and then shoot up at me you know

101
00:03:56,710 --> 00:03:54,959
i'm gonna have to jump off and shoot up

102
00:03:59,350 --> 00:03:56,720
at you because you're the one capturing

103
00:04:01,030 --> 00:03:59,360
video yeah but no yeah i guess i could

104
00:04:03,190 --> 00:04:01,040
but yeah that would that would work so

105
00:04:05,110 --> 00:04:03,200
now you're hans gruber

106
00:04:08,390 --> 00:04:05,120
um there's a

107
00:04:12,830 --> 00:04:10,550
hans

108
00:04:15,509 --> 00:04:14,550
dude

109
00:04:25,350 --> 00:04:15,519
you

110
00:04:29,270 --> 00:04:26,830
he ruined our

111
00:04:33,830 --> 00:04:29,280
scene we're trying to do some acting

112
00:04:37,590 --> 00:04:35,670
this piece of [h__\h] we're trying to do

113
00:04:41,430 --> 00:04:37,600

some serious play acting here and this

114

00:04:43,510 --> 00:04:41,440

guy totally ruined our scene

115

00:04:45,430 --> 00:04:43,520

that's like if we were like acting in

116

00:04:48,070 --> 00:04:45,440

real life and all of a sudden some guy

117

00:04:50,469 --> 00:04:48,080

just came up and shot you

118

00:04:51,590 --> 00:04:50,479

and then the scene's over the actor's

119

00:04:53,909 --> 00:04:51,600

dead

120

00:04:57,030 --> 00:04:53,919

but no at least you can respawn

121

00:04:59,350 --> 00:04:57,040

all right

122

00:05:01,350 --> 00:04:59,360

i guess i could go read to my kids

123

00:05:03,670 --> 00:05:01,360

i guess you could if you really want to

124

00:05:06,790 --> 00:05:03,680

i mean but it is friday night they

125

00:05:11,029 --> 00:05:09,029

11 and 7. okay

126

00:05:12,950 --> 00:05:11,039

they can read on their own at this point

127

00:05:15,590 --> 00:05:12,960

exactly let's get those chapter books

128

00:05:16,710 --> 00:05:15,600

kids did you get into terran

129

00:05:18,550 --> 00:05:16,720

yeah

130

00:05:20,950 --> 00:05:18,560

all right i'm still running the uh john

131

00:05:23,990 --> 00:05:20,960

mcclane hardware here

132

00:05:25,990 --> 00:05:24,000

and uh

133

00:05:27,830 --> 00:05:26,000

you are you're not on my squad not at

134

00:05:30,710 --> 00:05:27,840

all and

135

00:05:33,110 --> 00:05:30,720

we're on the same [h__h] oh my god

136

00:05:35,350 --> 00:05:33,120

oh we were on the same squad we just

137

00:05:37,830 --> 00:05:35,360

lost right at the end holy good at this

138

00:05:39,350 --> 00:05:37,840

mike holy [h__h] yeah okay we're gonna

139

00:05:42,150 --> 00:05:39,360

hang on here maybe we'll get into the

140

00:05:44,629 --> 00:05:42,160

same squad again

141

00:05:45,909 --> 00:05:44,639

my god can we get a few good minutes of

142

00:05:48,469 --> 00:05:45,919

footage or is this gonna be all

143

00:05:50,469 --> 00:05:48,479

bullshitting and talking

144

00:05:52,310 --> 00:05:50,479

that's right talking's fun

145

00:06:05,270 --> 00:05:52,320

that's fine well i mean there's a lot of

146

00:06:07,909 --> 00:06:06,150

thought he was going gameplay be the

147

00:06:10,150 --> 00:06:07,919

next like rooster teeth

148

00:06:11,590 --> 00:06:10,160

we're like i don't have to get a job i

149

00:06:12,950 --> 00:06:11,600

can just sit at home and play video

150

00:06:14,790 --> 00:06:12,960

games and

151

00:06:16,790 --> 00:06:14,800

but he never wanted to like actually

152

00:06:18,790 --> 00:06:16,800

play video games yeah

153

00:06:20,469 --> 00:06:18,800

and record it was always like it was a

154

00:06:22,309 --> 00:06:20,479

giant hassle

155

00:06:24,390 --> 00:06:22,319

but a couple of times i was able to get

156

00:06:25,350 --> 00:06:24,400

together with him and play

157

00:06:27,189 --> 00:06:25,360

and just

158

00:06:29,430 --> 00:06:27,199

just chit chat just be

159

00:06:33,029 --> 00:06:29,440

like [h__h] playing video games

160

00:06:35,189 --> 00:06:33,039

it's hilarious yeah it's fun to do

161

00:06:37,270 --> 00:06:35,199

why not record it i mean what else you

162

00:06:39,510 --> 00:06:37,280

gonna do but i mean i'm sure there's

163

00:06:41,029 --> 00:06:39,520

pressure on you to try to be witty or

164

00:06:42,950 --> 00:06:41,039

funny or whatever but

165

00:06:45,510 --> 00:06:42,960

whatever that mean you can edit that

166

00:06:47,189 --> 00:06:45,520

[h__\h] out okay here we go [h__\h] it most

167

00:06:49,909 --> 00:06:47,199

people aren't witty or funny no they're

168

00:06:52,150 --> 00:06:49,919

not no they're not

169

00:06:54,070 --> 00:06:52,160

uh i on this map to be honest with you

170

00:06:56,710 --> 00:06:54,080

on on the highway i should not be using

171

00:06:59,110 --> 00:06:56,720

a submachine gun this is actually a good

172

00:07:00,830 --> 00:06:59,120

sniper map if you can get away with it

173

00:07:03,830 --> 00:07:00,840

if you knew what you're doing

174

00:07:05,029 --> 00:07:03,840

um yeah i don't know what i'm doing i i

175

00:07:08,150 --> 00:07:05,039

play support

176

00:07:09,589 --> 00:07:08,160

almost 100 percent of the time really

177

00:07:10,710 --> 00:07:09,599

okay well

178

00:07:12,309 --> 00:07:10,720

and the other

179

00:07:14,710 --> 00:07:12,319

the other like three percent hey where

180

00:07:18,469 --> 00:07:14,720

are you there you are hey oh

181

00:07:22,950 --> 00:07:20,550

did you see that there was yes like back

182

00:07:24,230 --> 00:07:22,960

to what i was saying like not being good

183

00:07:26,710 --> 00:07:24,240

at this game

184

00:07:27,589 --> 00:07:26,720

there were like seven people you died by

185

00:07:29,350 --> 00:07:27,599

the way

186

00:07:31,189 --> 00:07:29,360

i'm the one that died you died by the

187

00:07:33,189 --> 00:07:31,199

honda the white honda

188

00:07:37,029 --> 00:07:33,199

okay now i'm gonna go hide by the white

189

00:07:39,589 --> 00:07:37,039

honda right where you died come find me

190

00:07:41,830 --> 00:07:39,599

this is my favorite car

191

00:07:44,870 --> 00:07:41,840

and i'm gonna put

192

00:07:46,150 --> 00:07:44,880

c4 all over this car stop shooting me

193

00:07:47,510 --> 00:07:46,160

i'm trying to figure out what year this

194

00:07:51,189 --> 00:07:47,520

is here we go

195

00:07:53,270 --> 00:07:51,199

what what kind of what models look like

196

00:07:55,589 --> 00:07:53,280

dude that looks like a late 80s

197

00:07:57,350 --> 00:07:55,599

hell yeah it does can you put some c4 in

198

00:08:00,950 --> 00:07:57,360

this [h__\h]

199

00:08:02,629 --> 00:08:00,960

yeah i put some c4 on that [h__\h] yeah

200

00:08:05,430 --> 00:08:02,639

all right you got let's get away from

201
00:08:08,790 --> 00:08:07,749
run back towards the uh the concrete

202
00:08:11,110 --> 00:08:08,800
wall

203
00:08:12,550 --> 00:08:11,120
i'm gonna put some c4 on the on the

204
00:08:15,270 --> 00:08:12,560
accord

205
00:08:17,510 --> 00:08:15,280
yeah do that oh god run away

206
00:08:23,909 --> 00:08:17,520
i'm running away

207
00:08:28,710 --> 00:08:26,309
okay we're to go get that goddamn car

208
00:08:33,750 --> 00:08:28,720
right now

209
00:08:36,790 --> 00:08:33,760
just going to blow up the [h__h] a bit

210
00:08:38,829 --> 00:08:36,800
i'm taking heavy fire

211
00:08:41,430 --> 00:08:38,839
all

212
00:08:43,509 --> 00:08:41,440
right gonna go ahead and say

213
00:08:45,430 --> 00:08:43,519

everybody on this server

214

00:08:47,750 --> 00:08:45,440

is probably somebody that was born in

215

00:08:51,110 --> 00:08:47,760

the mid 80s oh you have a

216

00:08:53,430 --> 00:08:51,120

they have like an affinity for

217

00:08:55,509 --> 00:08:53,440

like late 80s honda accord i would say

218

00:08:58,310 --> 00:08:55,519

so they love them they have to have them

219

00:09:02,870 --> 00:08:58,320

okay i laid down my c4

220

00:09:06,310 --> 00:09:05,190

i blew it i already blew it up

221

00:09:08,630 --> 00:09:06,320

all right i'm gonna blow up the other

222

00:09:15,590 --> 00:09:08,640

one yes

223

00:09:19,190 --> 00:09:17,110

yeah these are exactly what i'm doing

224

00:09:21,509 --> 00:09:19,200

now yeah i'm running around looking for

225

00:09:23,590 --> 00:09:21,519

white honda accord

226

00:09:25,269 --> 00:09:23,600

it's their time to die they've had it

227

00:09:29,590 --> 00:09:25,279

good for so long

228

00:09:32,070 --> 00:09:30,550

okay

229

00:09:33,269 --> 00:09:32,080

i see you

230

00:09:39,350 --> 00:09:33,279

hey buddy

231

00:09:42,949 --> 00:09:41,030

okay by avenge you did does that mean

232

00:09:45,269 --> 00:09:42,959

blow up a honda accord yes i totally

233

00:09:46,949 --> 00:09:45,279

just did that yes blow up a car that's

234

00:09:48,829 --> 00:09:46,959

how you avenge me okay i see where

235

00:09:50,949 --> 00:09:48,839

you're at i'm coming straight towards

236

00:09:52,550 --> 00:09:50,959

you and we're gonna blow up some more

237

00:09:54,949 --> 00:09:52,560

cars just gonna go down the street and

238

00:09:58,630 --> 00:09:54,959

try to blow up as many cars we can

239

00:10:02,470 --> 00:10:00,630

oh my god oh

240

00:10:04,470 --> 00:10:02,480

it really seems like everybody's camping

241

00:10:06,150 --> 00:10:04,480

out the honda okay yeah they really are

242

00:10:08,470 --> 00:10:06,160

i mean it actually is a pretty nice

243

00:10:09,750 --> 00:10:08,480

place where you can get to cover if

244

00:10:11,430 --> 00:10:09,760

you're a sniper

245

00:10:14,310 --> 00:10:11,440

don't get me wrong i had some good times

246

00:10:15,430 --> 00:10:14,320

in honda accords in high school oh yeah

247

00:10:18,470 --> 00:10:15,440

however

248

00:10:21,030 --> 00:10:18,480

that was 15 years ago yeah i think we

249

00:10:22,310 --> 00:10:21,040

should move on as a society we moved on

250

00:10:25,110 --> 00:10:22,320

to prius's

251
00:10:30,870 --> 00:10:28,230
oh i just found two three hundred chords

252
00:10:34,470 --> 00:10:30,880
in here oh god

253
00:10:37,910 --> 00:10:34,480
there is an armageddon of honda accords

254
00:10:40,310 --> 00:10:37,920
very close to the spawn point for uh

255
00:10:47,430 --> 00:10:40,320
no no that's that's exactly where i died

256
00:10:49,990 --> 00:10:48,710
i just uh

257
00:10:52,790 --> 00:10:50,000
i'm not playing very well i'm just

258
00:10:55,110 --> 00:10:52,800
trying to get these goddamn hunter cords

259
00:10:56,949 --> 00:10:55,120
maybe we should meet at the spawn point

260
00:10:59,030 --> 00:10:56,959
well i mean did you

261
00:11:01,750 --> 00:10:59,040
hear what the obama administration had

262
00:11:03,829 --> 00:11:01,760
said about honda how they don't pay

263
00:11:05,750 --> 00:11:03,839

union wages yeah i didn't hear that and

264

00:11:07,430 --> 00:11:05,760

help how we shouldn't support them i

265

00:11:09,110 --> 00:11:07,440

didn't hear that no

266

00:11:12,069 --> 00:11:09,120

i guess the the best way we can support

267

00:11:13,590 --> 00:11:12,079

obama is by blowing up hondura accords

268

00:11:15,509 --> 00:11:13,600

exactly that's how you know you're a

269

00:11:17,269 --> 00:11:15,519

real american okay i'm making my way

270

00:11:19,110 --> 00:11:17,279

back to

271

00:11:21,910 --> 00:11:19,120

come find me because there's like three

272

00:11:23,910 --> 00:11:21,920

of them right here okay i see

273

00:11:25,990 --> 00:11:23,920

i see where you're at you're

274

00:11:30,069 --> 00:11:26,000

you're way over yonder i'm running

275

00:11:33,590 --> 00:11:31,910

i don't know about the cash for clunkers

276

00:11:35,430 --> 00:11:33,600

but there's definitely some c4 for

277

00:11:36,790 --> 00:11:35,440

clunkers going yes

278

00:11:40,230 --> 00:11:36,800

yes

279

00:11:49,110 --> 00:11:41,350

go

280

00:11:52,710 --> 00:11:51,110

cash for funders dude that's a 2009

281

00:11:53,990 --> 00:11:52,720

reference right there

282

00:12:00,230 --> 00:11:54,000

all right you must spin around with a

283

00:12:00,240 --> 00:12:05,430

oh no

284

00:12:10,550 --> 00:12:08,310

she's ruining her fun goddamn

285

00:12:11,829 --> 00:12:10,560

that [h__h] shot us because we're we're

286

00:12:14,389 --> 00:12:11,839

celebrating

287

00:12:16,230 --> 00:12:14,399

all right uh spawn beacon

288

00:12:17,670 --> 00:12:16,240

one

289

00:12:20,069 --> 00:12:17,680

r2

290

00:12:21,590 --> 00:12:20,079

if you can do it and uh i'll come get

291

00:12:23,190 --> 00:12:21,600

you we'll go get some more cars let's

292

00:12:26,389 --> 00:12:23,200

blow up all these goddamn cars that's

293

00:12:31,750 --> 00:12:29,350

oh i found one come to me

294

00:12:37,269 --> 00:12:31,760

hold on i found two on my way did you

295

00:12:42,470 --> 00:12:38,550

like

296

00:12:43,990 --> 00:12:42,480

if you didn't do this yeah

297

00:12:47,269 --> 00:12:44,000

i understand

298

00:12:49,990 --> 00:12:47,279

i can get two in one shot right here

299

00:12:55,829 --> 00:12:50,000

if someone doesn't kill me

300

00:12:59,190 --> 00:12:57,190

i don't know if this was i don't know if

301
00:13:01,430 --> 00:12:59,200
this one's completely gone yet there's

302
00:13:03,590 --> 00:13:01,440
another one over here but it's bridge

303
00:13:06,790 --> 00:13:03,600
you ever watch rising sun with wesley

304
00:13:09,269 --> 00:13:06,800
snipes i have not

305
00:13:12,470 --> 00:13:09,279
it's a movie that shows you that

306
00:13:13,590 --> 00:13:12,480
japanese influence in our economy is bad

307
00:13:17,829 --> 00:13:13,600
oh really

308
00:13:23,269 --> 00:13:19,750
granted it was made in the early 90s

309
00:13:25,430 --> 00:13:23,279
before you know china kind of

310
00:13:28,550 --> 00:13:25,440
started asserting dominance but

311
00:13:32,069 --> 00:13:30,470
we don't have to talk about actual no

312
00:13:33,750 --> 00:13:32,079
political science

313
00:13:36,150 --> 00:13:33,760

it said i committed suicide there but

314

00:13:38,389 --> 00:13:36,160

you blew up the bomb you blew up to c4 i

315

00:13:40,470 --> 00:13:38,399

didn't do that

316

00:13:42,710 --> 00:13:40,480

i totally showed that guy that we're not

317

00:13:44,629 --> 00:13:42,720

going to accept cheap

318

00:13:45,829 --> 00:13:44,639

asian

319

00:13:48,470 --> 00:13:45,839

like

320

00:13:50,470 --> 00:13:48,480

products no not at all especially white

321

00:13:51,509 --> 00:13:50,480

asian products

322

00:13:53,269 --> 00:13:51,519

oh

323

00:13:54,069 --> 00:13:53,279

sorry i just actually

324

00:13:56,949 --> 00:13:54,079

rent

325

00:13:56,959 --> 00:14:00,629

i'm just gonna look at that for a while

326

00:14:03,590 --> 00:14:02,710

yeah there you go all right there we go

327

00:14:05,350 --> 00:14:03,600

uh

328

00:14:07,189 --> 00:14:05,360

there's a guy there's a sniper looking

329

00:14:12,069 --> 00:14:07,199

at us down there how's that sniper

330

00:14:15,350 --> 00:14:14,069

all right oh god

331

00:14:17,509 --> 00:14:15,360

i don't i don't think they fully

332

00:14:20,389 --> 00:14:17,519

understand our mission that we're we're

333

00:14:21,910 --> 00:14:20,399

not against them we're against white

334

00:14:25,110 --> 00:14:21,920

hondas

335

00:14:29,110 --> 00:14:25,120

man

336

00:14:31,189 --> 00:14:29,120

ah why honda yeah wait honda

337

00:14:32,629 --> 00:14:31,199

ah yes

338

00:14:36,710 --> 00:14:32,639

i found another white honda it doesn't

339

00:14:40,710 --> 00:14:38,550

oh jeez

340

00:14:42,150 --> 00:14:40,720

that guy's killed me a lot

341

00:14:43,110 --> 00:14:42,160

there's been a lot of guys that kill me

342

00:14:44,629 --> 00:14:43,120

a lot i don't even know where they're

343

00:14:46,230 --> 00:14:44,639

coming from

344

00:14:47,430 --> 00:14:46,240

i think they're actually glitching out

345

00:14:51,030 --> 00:14:47,440

some of them

346

00:14:53,910 --> 00:14:52,150

let's just go ahead and blame it on

347

00:14:56,470 --> 00:14:53,920

cheating yes

348

00:14:57,829 --> 00:14:56,480

okay um

349

00:14:59,189 --> 00:14:57,839

i see you you're right in front of me

350

00:15:01,910 --> 00:14:59,199

keep running

351

00:15:03,750 --> 00:15:01,920

running running green all right uh

352

00:15:05,189 --> 00:15:03,760

let's go up here to the uh maybe surface

353

00:15:06,710 --> 00:15:05,199

street oh yeah i like it good spot

354

00:15:08,710 --> 00:15:06,720

perfect

355

00:15:10,069 --> 00:15:08,720

like the idea

356

00:15:14,470 --> 00:15:10,079

there's probably plenty cars up here we

357

00:15:17,430 --> 00:15:16,230

oh no

358

00:15:19,829 --> 00:15:17,440

oh

359

00:15:21,110 --> 00:15:19,839

watch out sniper jeez

360

00:15:26,870 --> 00:15:21,120

oh you died

361

00:15:31,910 --> 00:15:28,790

oh god

362

00:15:32,790 --> 00:15:31,920

we ran right basically into their spawn

363

00:15:34,629 --> 00:15:32,800

point

364

00:15:36,949 --> 00:15:34,639

but you know what

365

00:15:39,910 --> 00:15:36,959

i always find that silver lining mm-hmm

366

00:15:41,030 --> 00:15:39,920

i spawned right next to a white honda no

367

00:15:43,430 --> 00:15:41,040

nice

368

00:15:45,430 --> 00:15:43,440

you can't beat that

369

00:15:47,509 --> 00:15:45,440

and i killed a guy

370

00:15:49,189 --> 00:15:47,519

did you just blow up a white honda yeah

371

00:15:51,670 --> 00:15:49,199

hell yeah dude

372

00:15:54,790 --> 00:15:51,680

i blew up a white honda sucker

373

00:15:56,389 --> 00:15:54,800

i'm jumping on top of this [h__h] yeah

374

00:15:58,230 --> 00:15:56,399

come look at this guy he tried to kill

375

00:15:59,749 --> 00:15:58,240

me [h__h] party dude oh i just got

376

00:16:02,150 --> 00:15:59,759

knifed

377

00:16:04,949 --> 00:16:02,160

avenge me

378

00:16:10,790 --> 00:16:04,959

and i t bagged you too

379

00:16:16,069 --> 00:16:13,189

[h__h] party police came around

380

00:16:21,670 --> 00:16:16,079

didn't like me partying so hard

381

00:16:21,680 --> 00:16:23,269

all god

382

00:16:27,430 --> 00:16:25,189

all these guys need to go on to

383

00:16:30,629 --> 00:16:27,440

build destroy build and hang out with

384

00:16:31,670 --> 00:16:30,639

andrew wk for an afternoon and then

385

00:16:32,790 --> 00:16:31,680

then they'll know what it's like to

386

00:16:35,189 --> 00:16:32,800

party

387

00:16:37,829 --> 00:16:35,199

you know andy wk opened up for ozzy

388

00:16:39,749 --> 00:16:37,839

osbourne or on a few dates

389

00:16:42,150 --> 00:16:39,759

like or not even ozzy osbourne black

390

00:16:43,670 --> 00:16:42,160

sabbath

391

00:16:44,870 --> 00:16:43,680

like legit

392

00:16:46,629 --> 00:16:44,880

yeah like

393

00:16:48,949 --> 00:16:46,639

before black sabbath on their most

394

00:16:51,509 --> 00:16:48,959

recent tour uh before they played andrew

395

00:16:56,949 --> 00:16:51,519

wk played and he didn't even do his full

396

00:16:59,910 --> 00:16:58,230

i don't get that

397

00:17:02,829 --> 00:16:59,920

like straight up a guy just like playing

398

00:17:05,189 --> 00:17:02,839

like the the back track yeah i think so

399

00:17:07,270 --> 00:17:05,199

like hard or no he just i don't even

400

00:17:09,110 --> 00:17:07,280

think he did his party hard stuff he

401

00:17:10,630 --> 00:17:09,120

just played

402

00:17:12,230 --> 00:17:10,640

dj music i think he's trying to be the

403

00:17:15,990 --> 00:17:12,240

next skrillex

404

00:17:18,150 --> 00:17:16,000

or centipede or some [h__h] like that

405

00:17:19,990 --> 00:17:18,160

like it's bizarre like i i heard about

406

00:17:22,470 --> 00:17:20,000

that and i was like why would ozzy

407

00:17:24,069 --> 00:17:22,480

osborne have a dj

408

00:17:26,789 --> 00:17:24,079

open up for him

409

00:17:28,710 --> 00:17:26,799

let alone andrew wk and i like this

410

00:17:30,630 --> 00:17:28,720

party hard album

411

00:17:32,310 --> 00:17:30,640

but uh why wouldn't you just hire a band

412

00:17:33,750 --> 00:17:32,320

to do that because that would have been

413

00:17:36,070 --> 00:17:33,760

i i would i wouldn't mind seeing that

414

00:17:37,510 --> 00:17:36,080

before ozzie but

415

00:17:40,230 --> 00:17:37,520

hey

416

00:17:43,909 --> 00:17:40,240

who that is that's crazy weird it's

417

00:17:48,630 --> 00:17:46,230

it makes zero sense makes zeros i mean

418

00:17:51,909 --> 00:17:48,640

it really does i don't know any sabbath

419

00:17:54,950 --> 00:17:51,919

people that uh are hardcore into uh

420

00:17:56,710 --> 00:17:54,960

andrew wk let alone um

421

00:17:58,390 --> 00:17:56,720

dj's

422

00:18:00,549 --> 00:17:58,400

well i mean i remember like kiss had

423

00:18:01,990 --> 00:18:00,559

like smashing pumpkins

424

00:18:03,029 --> 00:18:02,000

open up for them

425

00:18:05,669 --> 00:18:03,039

you're right yeah

426

00:18:08,390 --> 00:18:05,679

we've got to get the young kids in

427

00:18:12,070 --> 00:18:08,400

the ground makes zero sense because like

428

00:18:14,390 --> 00:18:12,080

andrew wk unless i'm missing something

429

00:18:15,590 --> 00:18:14,400

he was big in like 2001

430

00:18:17,350 --> 00:18:15,600

yes

431

00:18:18,310 --> 00:18:17,360

the one album

432

00:18:20,549 --> 00:18:18,320

yeah

433

00:18:22,870 --> 00:18:20,559

that's where he's repeated himself

434

00:18:26,070 --> 00:18:22,880

like over and over again like that's my

435

00:18:28,789 --> 00:18:27,750

yeah that's that's what he did i mean

436

00:18:31,190 --> 00:18:28,799

that's

437

00:18:33,830 --> 00:18:31,200

exactly what happened

438

00:18:35,990 --> 00:18:33,840

all right did we run out of white cars

439

00:18:37,990 --> 00:18:36,000

because this game is gonna end i've died

440

00:18:40,390 --> 00:18:38,000

like four times looking for him okay

441

00:18:43,510 --> 00:18:41,590

okay we're doing

442

00:18:46,549 --> 00:18:43,520

i think we did i think we blew up most

443

00:18:49,830 --> 00:18:46,559

of the cars on that board we had a goal

444

00:18:53,029 --> 00:18:49,840

uh we set a goal we tried to achieve it

445

00:18:55,190 --> 00:18:53,039

and by the way we didn't come in last

446

00:18:56,950 --> 00:18:55,200

right we got the equal number of kills i
