

SKATAM

KILL everything!!1!

Episode 1

The New Beginning

1
00:00:25,350 --> 00:00:22,710
hello my name's Mike and I'm playing

2
00:00:29,070 --> 00:00:25,360
Skyrim and I haven't played Skyrim in

3
00:00:35,060 --> 00:00:29,080
quite a long time I have never beaten

4
00:00:37,500 --> 00:00:35,070
the game I tried I just couldn't do it

5
00:00:38,880 --> 00:00:37,510
so let's take a look at some of my stats

6
00:00:43,320 --> 00:00:38,890
I gotta figure out how to look at my

7
00:00:47,340 --> 00:00:43,330
stats I I'm level 30 and I am a dark elf

8
00:00:49,770 --> 00:00:47,350
and I like to use fire and one-handed

9
00:00:54,090 --> 00:00:49,780
weapons so I'm not gonna beat the game

10
00:01:02,700 --> 00:00:54,100
so I'm going to kill every person that I

11
00:01:12,540 --> 00:01:02,710
can in Skyrim so let's do this let's

12
00:01:14,760 --> 00:01:12,550
cool everybody we can Oh Oh Cicero

13
00:01:18,359 --> 00:01:14,770

he's on my side all right well then I

14

00:01:21,389 --> 00:01:18,369

need him let's see I probably should

15

00:01:28,590 --> 00:01:21,399

unlock this door and I forget how to

16

00:01:30,300 --> 00:01:28,600

play this game my god how do i okay I

17

00:01:32,969 --> 00:01:30,310

probably want to sneak in this house and

18

00:01:37,469 --> 00:01:32,979

and kill people I mean that's what I

19

00:01:39,750 --> 00:01:37,479

want to do I mean this someone has their

20

00:01:40,920 --> 00:01:39,760

door lock so that means there's probably

21

00:01:43,679 --> 00:01:40,930

somewhere behind there who locked the

22

00:01:47,820 --> 00:01:43,689

door so therefore they need to be killed

23

00:01:49,980 --> 00:01:47,830

I mean the lobby

24

00:01:55,350 --> 00:01:49,990

the logic is is impeccable so who's in

25

00:01:56,690 --> 00:01:55,360

here there's my friend sis hi Cicero my

26

00:02:07,069 --> 00:01:56,700

little oh here we go

27

00:02:07,079 --> 00:02:11,449

kill him

28

00:02:11,459 --> 00:02:26,059

you're us Oh run away really

29

00:02:30,649 --> 00:02:28,970

I don't know if I can uh oh I don't know

30

00:02:39,559 --> 00:02:30,659

if I can I don't know how to run how do

31

00:02:45,940 --> 00:02:39,569

I run I forget how to run no that's not

32

00:03:21,199 --> 00:03:17,379

I'd rather die die Imperials come

33

00:03:24,140 --> 00:03:21,209

all right thanks Cicero Oh Thank You

34

00:03:27,440 --> 00:03:24,150

Cicero all right we can go back to town

35

00:03:36,020 --> 00:03:27,450

here and continue the good work that

36

00:03:40,099 --> 00:03:36,030

we're doing chickens some kind of

37

00:03:42,949 --> 00:03:40,109

chicken there screw you chicken critical

38

00:03:45,830 --> 00:03:42,959

strike on chicken that's right but

39

00:03:56,210 --> 00:03:45,840

powerhouse fear my power

40

00:03:59,420 --> 00:03:56,220

ah the hmm novice lock shame you didn't

41

00:04:06,439 --> 00:03:59,430

do the upgrade because once I get in

42

00:04:10,039 --> 00:04:06,449

there oh I have really upgraded my

43

00:04:13,399 --> 00:04:10,049

lock-picking skills just for this

44

00:04:16,520 --> 00:04:13,409

instance okay let's sneak around no need

45

00:04:20,770 --> 00:04:16,530

to panic and do anything crazy when get

46

00:04:24,430 --> 00:04:20,780

in here things are gonna go as normal Oh

47

00:04:24,440 --> 00:04:39,740

wakey-wakey

48

00:04:51,510 --> 00:04:42,390

that couldn't have gone any better

49

00:04:56,630 --> 00:04:51,520

oh yes oh yes everything's going good in

50

00:04:59,730 --> 00:04:56,640

here what did you have on you some cold

51
00:05:02,250 --> 00:04:59,740
lockpicks I'll take back lock back I'll

52
00:05:03,450 --> 00:05:02,260
take your house key you never know it's

53
00:05:13,950 --> 00:05:03,460
a nice house you got here

54
00:05:22,980 --> 00:05:13,960
oh gold and a lockpick alright this is

55
00:05:27,960 --> 00:05:25,260
Alton Skyrim we go there's a few more

56
00:05:28,890 --> 00:05:27,970
houses we we must take a look at we

57
00:05:33,780 --> 00:05:28,900
should probably take a look at the map

58
00:05:36,990 --> 00:05:33,790
right now just to give indication what

59
00:05:39,810 --> 00:05:37,000
we're doing and how far we've really

60
00:05:41,880 --> 00:05:39,820
come on this mission so far so current

61
00:05:44,730 --> 00:05:41,890
location we're at the Dragon Bridge for

62
00:05:47,250 --> 00:05:44,740
some reason we're starting at Dragon

63
00:05:51,030 --> 00:05:47,260

Bridge I I would have liked to have had

64

00:05:54,060 --> 00:05:51,040

the opportunity to start oh boy

65

00:05:57,020 --> 00:05:54,070

and where's my favorite place to kill

66

00:05:58,590 --> 00:05:57,030

people I'd like to kill people that

67

00:06:02,310 --> 00:05:58,600

would be nice

68

00:06:04,610 --> 00:06:02,320

Calgon but we'll finish shall we we

69

00:06:07,680 --> 00:06:04,620

started here I'm not gonna be

70

00:06:10,230 --> 00:06:07,690

multitasking too much one one step at a

71

00:06:14,010 --> 00:06:10,240

time here and I'm sure we can take this

72

00:06:23,730 --> 00:06:14,020

on so I think we we did that one that is

73

00:06:23,740 --> 00:06:33,710

the tavern is time for a drink maybe

74

00:06:38,700 --> 00:06:36,330

speaking of I'm having a little cocktail

75

00:06:49,520 --> 00:06:38,710

myself a little kettle on in fruit juice

76

00:06:57,000 --> 00:06:52,910

hope no one saw that even it was very

77

00:07:04,170 --> 00:06:57,010

flamboyant my CAC was very flamboyant I

78

00:07:06,270 --> 00:07:04,180

must say I do say oh hello um hold on

79

00:07:08,060 --> 00:07:06,280

one second let me come around here I

80

00:07:19,710 --> 00:07:08,070

can't hear you from over there miss I

81

00:07:22,050 --> 00:07:19,720

was wondering do you have a sword no no

82

00:07:24,570 --> 00:07:22,060

you don't have a sword

83

00:07:30,360 --> 00:07:24,580

do you not anymore no he most certainly

84

00:07:37,890 --> 00:07:30,370

85

00:07:43,590 --> 00:07:37,900

bed I know what a bed does oh my oh I

86

00:07:44,930 --> 00:07:43,600

did personally did I kill this person I

87

00:07:47,220 --> 00:07:44,940

88

00:07:51,660 --> 00:07:47,230

89

00:08:03,210 --> 00:07:51,670

91

00:08:16,610 --> 00:08:05,260

92

00:08:18,900 --> 00:08:16,620

oh the outpost of course yes the outpost

93

00:08:25,580 --> 00:08:18,910

94

00:08:27,480 --> 00:08:25,590

just say hello what's the owns just

95

00:08:38,839 --> 00:08:27,490

96

00:08:49,640 --> 00:08:45,570

well there anymore houses she like visit

97

00:08:54,000 --> 00:08:49,650

more people spreading the good cheer

98

00:08:57,000 --> 00:08:54,010

there's so many people in Skyrim I can't

99

00:09:02,220 --> 00:08:57,010

bear to live and Skyrim when there's so

100

00:09:03,240 --> 00:09:02,230

many people up inside it's tired me up

101
00:09:09,690 --> 00:09:03,250
inside

102
00:09:17,220 --> 00:09:09,700
I mean nots oh this looks like a nice

103
00:09:21,050 --> 00:09:17,230
door huh I sure did pick that lock I

104
00:09:31,320 --> 00:09:21,060
hope no one in here's I don't know

105
00:09:38,760 --> 00:09:31,330
living because how could oh there's a

106
00:09:49,250 --> 00:09:38,770
downstairs let us let us sneak yes let

107
00:09:57,630 --> 00:09:54,090
ah yes a soldier

108
00:09:59,270 --> 00:09:57,640
I can use that to kill somebody all

109
00:10:02,070 --> 00:09:59,280
right

110
00:10:05,130 --> 00:10:02,080
our mission is far from over

111
00:10:06,840 --> 00:10:05,140
they must go back out then to sky to him

112
00:10:20,640 --> 00:10:06,850
yes of course

113
00:10:24,750 --> 00:10:20,650

sky to him ie well what is that what are

114

00:10:32,600 --> 00:10:24,760

115

00:10:34,890 --> 00:10:32,610

some garbage my bad it was just a goat I

116

00:10:37,230 --> 00:10:34,900

didn't know it was a goat at the time

117

00:10:42,930 --> 00:10:37,240

but now I know that the goat is burnt I

118

00:10:45,930 --> 00:10:42,940

know that goat died it was a goat I I

119

00:10:46,940 --> 00:10:45,940

apologize for that it was my bad thank

120

00:10:51,360 --> 00:10:46,950

you

121

00:10:55,320 --> 00:10:51,370

pardon no look is this another house

122

00:10:57,960 --> 00:10:55,330

perhaps a a house Shire or a perhaps a

123

00:11:04,500 --> 00:10:57,970

manner of some sort that I need to gain

124

00:11:11,160 --> 00:11:04,510

entrance to where's another house where

125

00:11:21,990 --> 00:11:11,170

are the travelers well I I think there's

126

00:11:35,640 --> 00:11:24,850

the people over here by the the

127

00:11:43,890 --> 00:11:40,980

hmm now I don't see any woodcutters over

128

00:11:49,050 --> 00:11:43,900

here not at all not at least time to

129

00:11:52,170 --> 00:11:49,060

travel travel beyond wildest

130

00:12:02,280 --> 00:11:52,180

imagination that's right folks we are

131

00:12:08,040 --> 00:12:02,290

going to well Rifton because Rifton is a

132

00:12:10,200 --> 00:12:08,050

town full of people lines desperate to

133

00:12:14,370 --> 00:12:10,210

be taken that's right

134

00:12:23,220 --> 00:12:14,380

I will take them because they need to be

135

00:12:31,500 --> 00:12:23,230

taken oh yes Rifton heard there's good

136

00:12:33,480 --> 00:12:31,510

Killian drifting you sir I am assuming

137

00:12:38,190 --> 00:12:33,490

there's a bounty in my head and keep

138

00:12:43,530 --> 00:12:38,200

your axe out my friend Cicero we shall

139

00:12:46,260 --> 00:12:43,540

go killed hmm well actually I am upon my

140

00:12:50,010 --> 00:12:46,270

lap it away and walk into a bar

141

00:12:51,720 --> 00:12:50,020

cuz nothing says friendly like walking

142

00:12:55,560 --> 00:12:51,730

to a bar without a sword in your hand

143

00:12:57,449 --> 00:12:55,570

that says hey that guy's a gentleman he

144

00:12:59,880 --> 00:12:57,459

doesn't have a sword in his hand he

145

00:13:02,550 --> 00:12:59,890

wants to have a cocktail instead but

146

00:13:04,350 --> 00:13:02,560

little they do they know that I soon

147

00:13:07,260 --> 00:13:04,360

will have a sword in my hand

148

00:13:12,480 --> 00:13:07,270

did I kill everybody here already I see

149

00:13:15,269 --> 00:13:12,490

a foot trousers of some sort whose

150

00:13:18,949 --> 00:13:15,279

trousers are these some boots and

151

00:13:22,380 --> 00:13:18,959

possibly a headpiece it is late

152

00:13:29,279 --> 00:13:22,390

where is it ah buddy there should be a

153

00:13:43,499 --> 00:13:33,069

I'm not sure if you've heard about the

154

00:13:45,869 --> 00:13:43,509

word you stupid piece of crap I

155

00:13:50,909 --> 00:13:45,879

shouldn't have done that

156

00:14:01,929 --> 00:13:50,919

my anger has gotten the best o save me

157

00:14:22,620 --> 00:14:01,939

save me daddy save me daddy that's what
