Episode 2

Riverwood Destruction

1
00:00:02,080 --> 00:00:16,310
you can write the wrongs of yesterday

2
00:00:21,429 --> 00:00:19,429
riverwood it looks lovely

3
00:00:23,750 --> 00:00:21,439
i've never seen a better dead

4
00:00:28,150 --> 00:00:23,760
riverwood

5
00:00:29,669 --> 00:00:28,160
an attitude problem

6
00:00:32,790 --> 00:00:29,679
what up chicken oh you think you're a

7
00:00:38,229 --> 00:00:32,800
real man chicken hell no

8
00:00:42,229 --> 00:00:40,470
oh this

9
00:00:50,389 --> 00:00:42,239
certainly did escalate much more quickly

10
00:00:50,399 --> 00:00:54,470
oh yep i gotta help my buddy

11
00:00:58,069 --> 00:00:56,229
oh

12
00:01:00,709 --> 00:00:58,079
i did not realize i'm battling the storm

13
00:01:02,389 --> 00:01:00,719

cloaks as of right now but here we go

14

00:01:04,950 --> 00:01:02,399

there's no turning back there's no

15

00:01:06,710 --> 00:01:04,960

turning back what's happened now this

16

00:01:09,429 --> 00:01:06,720

this is what's happening

17

00:01:12,149 --> 00:01:09,439

there's that smarmy dog that just poops

18

00:01:14,149 --> 00:01:12,159

and pee-pees everywhere

19

00:01:17,030 --> 00:01:14,159

i just it's just really unsightly and

20

00:01:18,870 --> 00:01:17,040

there's no goddamn chicken up there

21

00:01:21,590 --> 00:01:18,880

oh three chickens

22

00:01:26,070 --> 00:01:21,600

they killed my father

23

00:01:32,550 --> 00:01:28,469

maybe they haven't heard

24

00:01:36,550 --> 00:01:35,270

quite the bounty on me yes let's let's

25

00:01:38,950 --> 00:01:36,560

retreat

26

00:01:38,960 --> 00:01:46,230

oh sorry cicero

27

00:01:52,069 --> 00:01:47,350

i didn't

28

00:01:56,310 --> 00:01:54,469

oh that was a good one

29

00:01:59,990 --> 00:01:56,320

okay all right everything's going pretty

30

00:02:03,670 --> 00:02:00,000

good here much better than rifton

31

00:02:05,830 --> 00:02:03,680

you doing okay is this a real oh

32

00:02:10,550 --> 00:02:05,840

who dares

33

00:02:12,470 --> 00:02:10,560

at me

34

00:02:20,150 --> 00:02:12,480

who

35

00:02:30,150 --> 00:02:24,470

what's his name fendal hey findle

36

00:02:30,160 --> 00:02:33,030

yeah

37

00:02:36,710 --> 00:02:34,790

all right

38

00:02:39,190 --> 00:02:36,720

that worked out pretty well

39

00:02:40,229 --> 00:02:39,200

i have i think a thousand dollar bounty

40

00:02:41,509 --> 00:02:40,239

on me

41

00:02:43,589 --> 00:02:41,519

but that'll go away once i kill

42

00:02:44,869 --> 00:02:43,599

everybody hopefully once i erase all

43

00:02:47,750 --> 00:02:44,879

witnesses

44

00:02:49,589 --> 00:02:47,760

um to the justices that i'm performing

45

00:02:51,190 --> 00:02:49,599

on a minute-by-minute basis i think the

46

00:02:52,229 --> 00:02:51,200

bounty will go down and people will

47

00:02:58,229 --> 00:02:52,239

understand

48

00:03:13,350 --> 00:03:00,470

is that dorth how do i run

49

00:03:18,390 --> 00:03:14,869

yes

50

00:03:25,509 --> 00:03:18,400

no good storm clubs

51
00:03:28,630 --> 00:03:27,190
oh i want to kill this kid he's up the

52
00:03:30,309 --> 00:03:28,640
new good

53
00:03:34,149 --> 00:03:30,319
news

54
00:03:37,430 --> 00:03:35,589
all right

55
00:03:38,470 --> 00:03:37,440
i figured out how to run again it's been

56
00:03:41,110 --> 00:03:38,480
a while

57
00:03:43,030 --> 00:03:41,120
okay i guess i can't kill kids

58
00:03:45,350 --> 00:03:43,040
boo

59
00:03:51,509 --> 00:03:45,360
but i can still have fun

60
00:03:56,309 --> 00:03:54,390
stupid kid oh i hate you stupid

61
00:03:58,550 --> 00:03:56,319
foreigner

62
00:04:00,710 --> 00:03:58,560
oh tavern

63
00:04:03,670 --> 00:04:00,720

this should be fun taverns i love

64

00:04:06,390 --> 00:04:03,680

taverns there's always beer and

65

00:04:08,630 --> 00:04:06,400

uh spirits and ale and good times and

66

00:04:10,710 --> 00:04:08,640

drinking and singing

67

00:04:11,589 --> 00:04:10,720

it's really a lot of fun

68

00:04:13,589 --> 00:04:11,599

oh

69

00:04:35,350 --> 00:04:13,599

what are you singing are you singing my

70

00:04:40,790 --> 00:04:37,830

that's how you do it

71

00:04:43,909 --> 00:04:40,800

i'm like this guy kneeling over there

72

00:04:45,110 --> 00:04:43,919

who's over here what's going on

73

00:04:46,629 --> 00:04:45,120

i'm gonna

74

00:04:48,950 --> 00:04:46,639

take some cheese

75

00:04:49,830 --> 00:04:48,960

thank you very much

76

00:04:53,830 --> 00:04:49,840

and

77

00:04:56,870 --> 00:04:53,840

everything on the ground because that's

78

00:04:59,350 --> 00:04:56,880

the kind of guy i am

79

00:05:02,950 --> 00:04:59,360

oh um perhaps

80

00:05:02,960 --> 00:05:09,350

who's in here

81

00:05:12,950 --> 00:05:11,270

mm-hmm

82

00:05:18,230 --> 00:05:12,960

standard

83

00:05:20,070 --> 00:05:18,240

this before

84

00:05:21,990 --> 00:05:20,080

perhaps someone's rusting perhaps

85

00:05:23,350 --> 00:05:22,000

someone needs

86

00:05:24,710 --> 00:05:23,360

awoken

87

00:05:26,790 --> 00:05:24,720

awaken

88

00:05:28,550 --> 00:05:26,800

awoken

89

00:05:31,350 --> 00:05:28,560

nothing but

90

00:05:32,629 --> 00:05:31,360

empty rooms oh

91

00:05:35,830 --> 00:05:32,639

look a patron

92

00:05:36,830 --> 00:05:35,840

cicero get out of my way cicero

93

00:05:43,510 --> 00:05:36,840

thank

94

00:05:43,520 --> 00:05:47,110

yes we are

95

00:05:52,469 --> 00:05:48,310

all right

96

00:06:00,469 --> 00:05:52,479

can't kill that guy but we must exit

97

00:06:04,469 --> 00:06:02,870

all right things are looking pretty up

98

00:06:06,870 --> 00:06:04,479

pretty good

99

00:06:08,950 --> 00:06:06,880

let's see

100

00:06:11,510 --> 00:06:08,960

i do detect an enemy

101
00:06:13,430 --> 00:06:11,520
but i probably can go in here and

102
00:06:14,710 --> 00:06:13,440
see what's going on perhaps you can get

103
00:06:18,710 --> 00:06:14,720
some loot

104
00:06:21,510 --> 00:06:18,720
sell some items or perhaps steal some

105
00:06:25,029 --> 00:06:21,520
they'll learn

106
00:06:28,309 --> 00:06:26,790
oh yes

107
00:06:30,469 --> 00:06:28,319
i can't believe he

108
00:06:34,150 --> 00:06:30,479
this

109
00:06:37,749 --> 00:06:34,160
he's already caught me

110
00:06:44,390 --> 00:06:38,790
oh

111
00:06:47,350 --> 00:06:44,400
how appealing

112
00:06:51,350 --> 00:06:49,590
you know what for his

113
00:06:53,270 --> 00:06:51,360

for his un

114

00:06:56,309 --> 00:06:53,280

swarthy nature

115

00:06:57,430 --> 00:06:56,319

of of spotting me when i come in the

116

00:06:58,629 --> 00:06:57,440

door

117

00:07:00,230 --> 00:06:58,639

he doesn't give me the right to

118

00:07:02,150 --> 00:07:00,240

pickpocket him

119

00:07:03,830 --> 00:07:02,160

i'm gonna take off his clothes show him

120

00:07:05,670 --> 00:07:03,840

what kind of man he is look at look it's

121

00:07:07,749 --> 00:07:05,680

look all stupid laying there all naked

122

00:07:09,510 --> 00:07:07,759

and [h__h]

123

00:07:13,909 --> 00:07:09,520

oh yeah

124

00:07:17,830 --> 00:07:13,919

i'll rub you blind man i'll rob you

125

00:07:22,150 --> 00:07:20,950

oh look at that in the current oh yeah

126
00:07:24,309 --> 00:07:22,160
take this [h__h] too because i don't give

127
00:07:27,350 --> 00:07:24,319
a [h__h]

128
00:07:30,950 --> 00:07:29,430
it's payment me treating you so good all

129
00:07:45,029 --> 00:07:30,960
these years

130
00:07:45,039 --> 00:07:50,150
oh

131
00:07:53,830 --> 00:07:52,070
stupid kid

132
00:08:00,790 --> 00:07:53,840
where's your stupid father the

133
00:08:07,510 --> 00:08:02,710
i'm gonna show him something about iron

134
00:08:12,230 --> 00:08:10,309
where the hell is your fat blacksmith

135
00:08:25,029 --> 00:08:12,240
father

136
00:08:30,790 --> 00:08:26,950
where's your fat

137
00:08:34,790 --> 00:08:33,430
where is he

138
00:08:36,149 --> 00:08:34,800

i know there's some more people around

139

00:08:45,670 --> 00:08:36,159

here

140

00:08:56,230 --> 00:08:47,670

stupid cow

141

00:09:01,910 --> 00:08:58,550

this [h__h] but let me in

142

00:09:04,150 --> 00:09:01,920

pardon my part my language

143

00:09:05,509 --> 00:09:04,160

144

00:09:07,110 --> 00:09:05,519

what i want

145

00:09:10,150 --> 00:09:07,120

some good things i've done to you over

146

00:09:14,710 --> 00:09:10,160

the years and you refuse to pay me back

147

00:09:14,720 --> 00:09:19,829

this is bs

148

00:09:26,070 --> 00:09:22,710

yes i'll take your money

149

00:09:33,829 --> 00:09:26,080

yes i will and i'll read this too

150

00:09:39,430 --> 00:09:36,389

take that i'll take that too

151

00:09:43,750 --> 00:09:39,440

this kind of guy i am all right

152

00:09:49,350 --> 00:09:47,670

153

00:09:56,790 --> 00:09:49,360

well i'ma show you what that does to me

154

00:10:07,430 --> 00:09:58,230

oh

155

00:10:11,990 --> 00:10:10,310

you better let me in here

156

00:10:14,310 --> 00:10:12,000

157

00:10:15,750 --> 00:10:14,320

lock the door knowing i was coming

158

00:10:18,710 --> 00:10:15,760

that's trouble

159

00:10:22,550 --> 00:10:18,720

that's real big trouble

160

00:10:22,560 --> 00:10:26,310

162

00:10:36,389 --> 00:10:34,630

163

00:10:39,910 --> 00:10:36,399
