**Earth**

**Strike**

1  
00:00:07,770 --> 00:00:14,680  
Sergi we need another person to do this

2  
00:00:21,520 --> 00:00:17,770  
[Music]

3  
00:00:22,510 --> 00:00:21,530  
I mean a lot with like level 15 we

4  
00:00:24,370 --> 00:00:22,520  
should be able to take care of this we

5  
00:00:28,660 --> 00:00:24,380  
tried it when we were level 8 and got

6  
00:01:14,230 --> 00:00:28,670  
our asses handed so see if we can do it

7  
00:01:17,469 --> 00:01:14,240  
dart guns up endless darkness you still

8  
00:01:23,350 --> 00:01:17,479  
have a cooler ship than us I know well

9  
00:01:24,520 --> 00:01:23,360  
that's a \$90 chip dude be cool okay you

10  
00:01:27,819 --> 00:01:24,530  
guys already took off like a bunch of

11  
00:01:32,679 --> 00:01:27,829  
fools the insurance on that ship isn't

12  
00:01:34,539 --> 00:01:32,689  
saying you have Geico I have full

13  
00:01:36,910 --> 00:01:34,549

coverage yeah from Geico oh nice good

14

00:01:39,580 --> 00:01:36,920

for you looking like it's 130 glimmers

15

00:01:46,090 --> 00:01:39,590

Oh mom I only have liability on my piece

16

00:01:49,270 --> 00:01:46,100

of crap oh my god I can't do this for

17

00:01:56,920 --> 00:01:53,740

I'm not sensing that this is any easier

18

00:01:59,150 --> 00:01:56,930

it might be probably not gonna be

19

00:02:02,390 --> 00:01:59,160

there's a reason why there's a third

20

00:02:04,400 --> 00:02:02,400

person yeah we're all kind of the same

21

00:02:14,870 --> 00:02:04,410

level going back and doing this crap so

22

00:02:17,540 --> 00:02:14,880

this these creatures are so little nice

23

00:02:25,670 --> 00:02:17,550

that we got we got we got titan warlock

24

00:02:30,340 --> 00:02:25,680

hunter nice warlock kind of it well

25

00:02:35,470 --> 00:02:30,350

we're doing okay I don't feel scared

26

00:02:41,240 --> 00:02:38,260

yeah I'm usually terrified by this point

27

00:02:43,400 --> 00:02:41,250

is he my pants I'm pretty confident like

28

00:02:46,430 --> 00:02:43,410

I'm running in there I'm standing all

29

00:02:46,970 --> 00:02:46,440

the way I'm hiding I really grow into

30

00:02:50,120 --> 00:02:46,980

myself

31

00:02:53,000 --> 00:02:50,130

yeah really becoming confident coming

32

00:02:56,210 --> 00:02:53,010

becoming your own man I'm not a

33

00:02:57,890 --> 00:02:56,220

confident man plus it helps that I'm

34

00:03:08,930 --> 00:02:57,900

wearing women's trousers yeah that

35

00:03:09,620 --> 00:03:08,940

always helps okay where are you I'm over

36

00:03:17,930 --> 00:03:09,630

here

37

00:03:22,250 --> 00:03:17,940

I see I'm the green guy I see you're

38

00:03:23,840 --> 00:03:22,260

you're often at ease Jesus no I'm not I

39

00:03:25,310 --> 00:03:23,850

shouldn't be there you're right next to

40

00:03:28,760 --> 00:03:25,320

me yeah we got to go to the deloitte

41

00:03:34,100 --> 00:03:28,770

arrow I'm just digging around killing

42

00:03:36,080 --> 00:03:34,110

these guys yes that's fine I figured you

43

00:03:39,260 --> 00:03:36,090

know I figured clear out the area might

44

00:03:40,880 --> 00:03:39,270

as well but you but you're right cuz it

45

00:03:45,080 --> 00:03:40,890

takes a confident person just realized

46

00:03:47,630 --> 00:03:45,090

that this place [h\_\_\h] gotta give it

47

00:03:49,729 --> 00:03:47,640

up I've won the fight I've won the fight

48

00:04:03,300 --> 00:03:49,739

by not killing yeah but not by not

49

00:04:09,470 --> 00:04:05,830

now this tonight is no [h\_\_\h] [h\_\_\h] up

50

00:04:09,480 --> 00:04:15,430

there's a couple of them I was

51  
00:04:15,440 --> 00:04:19,210  
tired of his crap though

52  
00:04:43,450 --> 00:04:23,950  
I agree he's strifing means he's got all

53  
00:04:45,550 --> 00:04:43,460  
the right moves done with him okay they

54  
00:04:51,570 --> 00:04:45,560  
go boy already ran off I think he did

55  
00:04:51,580 --> 00:04:56,910  
yeah he's like what are you guys doing

56  
00:05:02,620 --> 00:04:59,350  
dirty wasn't a mute

57  
00:05:05,970 --> 00:05:02,630  
if he wasn't a mute he was probably yeah

58  
00:05:08,410 --> 00:05:05,980  
he's he's frustrated with our

59  
00:05:14,710 --> 00:05:08,420  
lollygagging which is understandable

60  
00:05:19,210 --> 00:05:14,720  
we apologize I restricted spon

61  
00:05:26,490 --> 00:05:19,220  
restricted spawn zone right now very

62  
00:05:33,969 --> 00:05:30,730

74

00:06:38,230 --> 00:06:33,839

we ever get to the buck this level I

75

00:06:53,980 --> 00:06:41,210

leveled up [h\_\_h] that's right oh

76  
00:06:56,450 --> 00:06:53,990  
dang did you level up yeah well we gonna

77  
00:06:57,310 --> 00:06:56,460  
deploy the ghost and this is where it

78  
00:07:03,110 --> 00:06:57,320  
gets crazy

79  
00:07:07,310 --> 00:07:03,120  
where's our friend dark dart guns he's

the captain captain captain's angry

83

84  
00:07:41,270 --> 00:07:51,710  
place the captain article didn't

85  
00:08:00,790 --> 00:07:56,030

86  
00:08:00,800 --> 00:08:05,360

90

91

00:08:32,960 --> 00:08:23,590

shark bots Turks the best friend of Doug

92

00:08:39,690 --> 00:08:36,950

okay we're doing much wetter now than

93

00:08:41,010 --> 00:08:39,700

what we were like this is the same level

94

00:08:50,980 --> 00:08:41,020

that we were having so much trouble at

95

00:08:56,170 --> 00:08:52,540

come on strike because if there's a

96

00:09:03,310 --> 00:09:00,460

no this is different no it's the same

97

00:09:06,660 --> 00:09:03,320

one we don't know where does things or

98

00:09:09,010 --> 00:09:06,670

is not hiding it for these old rooms

99

00:09:15,259 --> 00:09:09,020

we're just not hiding like scared little

100

00:09:15,269 --> 00:09:27,090

stell FanDuel [h\_\_h] off

101  
00:09:27,100 --> 00:09:35,030  
so Faneuil BAM

102  
00:09:35,040 --> 00:09:45,200  
we're doing okay Oh

103  
00:09:45,210 --> 00:09:50,439  
[Applause]

104  
00:09:50,449 --> 00:09:58,960  
vampire no a little doctor vampire go on

105  
00:09:58,970 --> 00:10:10,350  
made a complete mess

106  
00:10:15,040 --> 00:10:14,500  
I'm in trouble big trouble yet what are

107  
00:10:19,420 --> 00:10:15,050  
you at

108  
00:10:29,210 --> 00:10:26,210  
I'm in big trouble I can't move now I'm

109  
00:10:33,620 --> 00:10:29,220  
supercharged Pandaria dark vampire they

110  
00:10:41,540 --> 00:10:33,630  
did have me pinned those two dr.

111  
00:10:48,220 --> 00:10:44,730  
my ears

112  
00:10:56,699 --> 00:10:48,230  
he's enjoying my gunfire I guess I'm

113  
00:11:01,329 --> 00:10:59,110

I'm like picking up weapons by accident

114

00:11:03,820 --> 00:11:01,339

I'm not trying to hog them all I'm just

115

00:11:05,470 --> 00:11:03,830

walking around just drop and dude

116

00:11:07,389 --> 00:11:05,480

Micra I'm not trying to take everything

117

00:11:09,550 --> 00:11:07,399

I'm just walking and grabbing [h\_\_h] you

118

00:11:22,470 --> 00:11:09,560

guys you gotta do what you gotta do man

119

00:11:26,460 --> 00:11:25,000

Peter Dinklage is a hurry up yeah no

120

00:11:28,810 --> 00:11:26,470

[h\_\_h]

121

00:11:31,660 --> 00:11:28,820

although I'm feeling really good above

122

00:11:38,350 --> 00:11:31,670

this run this is probably some pretty

123

00:11:39,520 --> 00:11:38,360

solid run that's good oh you like that

124

00:11:50,850 --> 00:11:39,530

knife nice

125

00:11:58,269 --> 00:11:53,290

now we know at the five levels above

126

00:12:01,950 --> 00:11:58,279

strike you write that strike comfortably

127

00:12:06,580 --> 00:12:01,960

yeah we want to strike very comfortably

128

00:12:15,610 --> 00:12:12,600

oh god I'm hurt I'm down Oh what is that

129

00:12:16,180 --> 00:12:15,620

it's naughty captain I'm down so someone

130

00:12:19,660 --> 00:12:16,190

come get me

131

00:12:25,560 --> 00:12:19,670

what were you how much time you got

132

00:12:28,420 --> 00:12:25,570

by Dinklage everything bye-bye Dinklage

133

00:12:31,480 --> 00:12:28,430

like I took that guy on who almost

134

00:12:35,260 --> 00:12:31,490

killed us by myself I got him down to

135

00:12:40,170 --> 00:12:35,270

like half health but you're brave man

136

00:12:50,610 --> 00:12:40,180

I'm very brave probably the bravest

137

00:12:53,769 --> 00:12:52,930

I'll pick up some orbs dude there's tons

138

00:12:58,780 --> 00:12:53,779

of orbs around

139

00:13:03,210 --> 00:12:58,790

I already got my there's tons of stuff I

140

00:13:07,960 --> 00:13:03,220

was like green orbs all around grab them

141

00:13:09,250 --> 00:13:07,970

grab the screen arms oh we got to go

142

00:13:19,170 --> 00:13:09,260

this way you guys already took off

143

00:13:26,319 --> 00:13:24,060

well dark guns and went on without us

144

00:13:27,819 --> 00:13:26,329

wait we were still in the darkness that

145

00:13:29,499 --> 00:13:27,829

means there is the bosses right there's

146

00:13:33,990 --> 00:13:29,509

147

00:13:39,579 --> 00:13:38,530

150

00:14:17,710 --> 00:14:12,400

Julius the lair is up ahead what's that

152

00:14:36,270 --> 00:14:32,280

I just take I just tickled it with a

153

00:14:52,130 --> 00:14:36,280

rocket good I think you have to hit the

154

00:14:59,870 --> 00:14:56,420

lonnis one of blood yeah you a goddamn

155

00:15:11,720 --> 00:15:08,090

he sees me Oh God excuse me you did know

156

00:15:16,519 --> 00:15:11,730

the airs just they're coming all over me

157

00:15:20,240 --> 00:15:16,529

no okay that's normal then they're

158

00:15:21,530 --> 00:15:20,250

making me gay well that's not just

159

00:15:36,210 --> 00:15:21,540

because someone comes on he doesn't like

160

00:15:42,710 --> 00:15:39,970

trying getting a little closer cos it

161

00:15:44,780 --> 00:15:42,720

took over my sniping area

162

00:15:56,300 --> 00:15:44,790

I'm up close and personal to this guy

163

00:16:06,170 --> 00:15:56,310

holy [\h\_\_\h] yeah I don't know if I could

164

00:16:16,880 --> 00:16:10,600

all right that did not much

165

00:16:26,600 --> 00:16:19,640

and if you strike forces are no joke man

166

00:16:27,860 --> 00:16:26,610

no they're not [\h\_\_\h] yeah maybe we hold

167

00:16:31,970 --> 00:16:27,870

off on the moon until we take care of

168

00:16:34,040 --> 00:16:31,980

them some others do that I'm telling you

169

00:16:38,060 --> 00:16:34,050

the dude on the moon is [\h\_\_\h] insanely

170

00:16:39,590 --> 00:16:38,070

time I'm running out of ammo yeah that's

171

00:16:42,410 --> 00:16:39,600

a problem that's what happens on the

172

00:16:44,750 --> 00:16:42,420

moon see now we're gonna kill these run

173

00:16:47,480 --> 00:16:44,760

174

00:16:51,110 --> 00:16:47,490

lit hey yeah I'm going for the leg I

175

00:16:59,860 --> 00:16:51,120

seem to be doing critical damage crit

176

00:17:08,199 --> 00:17:01,340

stop moving

177

00:17:18,470 --> 00:17:12,619
