oh this is Newton strike is the artist

177

00:13:01,960 --> 00:13:00,649

strike Oh new [\h__\h] thanks for calling us

178

00:13:06,220 --> 00:13:01,970

that now we could have done a different

179

00:13:10,269 --> 00:13:06,230

[\h__\h] strike oh he's broke free he

180

00:13:13,060 --> 00:13:10,279

broke the chains of the bailout I'm

181

00:13:16,540 --> 00:13:13,070

coming to save everybody by running away

182

00:13:20,440 --> 00:13:16,550

I think there's a different room we can

183

00:13:24,130 --> 00:13:20,450

hide there's not a different room he

184

00:13:26,530 --> 00:13:24,140

just released the Knights I don't know

185

00:13:30,490 --> 00:13:26,540

what I'm doing I'm holy Toledo holy

186

00:13:34,690 --> 00:13:30,500

Toledo holy Toledo hi you're on the air

187

00:13:37,150 --> 00:13:34,700

with the twitch stream for destiny is a

188

00:13:43,660 --> 00:13:37,160

jai ho top hey Jay we are getting your

189

00:13:46,060 --> 00:13:43,670

asses kicked by this moon strike uh he

190

00:13:48,730 --> 00:13:46,070

was gonna get out of goo have you beaten

191

00:13:51,130 --> 00:13:48,740

us to demonstrate I got like twenty

192

00:13:54,280 --> 00:13:51,140

percent and then my team just [h__h] and

193

00:13:56,500 --> 00:13:54,290

died yeah that's a that's about what we

194

00:13:57,880 --> 00:13:56,510

got we actually got it maybe got him to

195

00:14:00,790 --> 00:13:57,890

thirty percent but I don't know the

196

00:14:02,440 --> 00:14:00,800

trick is here because we're doing pretty

197

00:14:04,360 --> 00:14:02,450

good at holding her own but I don't

198

00:14:07,569 --> 00:14:04,370

think if there's a certain kind of

199

00:14:10,329 --> 00:14:07,579

weapon we have to use or what those

200

00:14:12,370 --> 00:14:10,339

little walls that are like caging him in

201
00:14:13,930 --> 00:14:12,380
he can't go outside those yeah so if you

202
00:14:15,550 --> 00:14:13,940
if you just hide behind those walls he

203
00:14:18,460 --> 00:14:15,560
can't like lace bite me or whatever he's

204
00:14:25,720 --> 00:14:18,470
doing revive me were you give me

205
00:14:30,310 --> 00:14:25,730
mouth-to-mouth help me save me

206
00:14:34,620 --> 00:14:30,320
please I think there's a big delay i'm

207
00:14:37,689 --> 00:14:34,630
sure there is some it's just so hard

208
00:14:40,079 --> 00:14:37,699
yeah I knew that Matthew were getting on

209
00:14:42,639 --> 00:14:40,089
I knew you would have to face his boss

210
00:14:44,680 --> 00:14:42,649
because I try to do it like three times

211
00:14:46,360 --> 00:14:44,690
and I've got every time what the what

212
00:14:50,170 --> 00:14:46,370
character are using are using the

213
00:14:53,290 --> 00:14:50,180

Warlock using the Titan I died again um

214

00:14:56,230 --> 00:14:53,300

I'm the hunter i'm only level 20 or so

215

00:14:59,220 --> 00:14:56,240

and i don't like that Blade Dancer

216

00:15:02,800 --> 00:14:59,230

whatever I'm the gunslinger whatever yes

217

00:15:05,949 --> 00:15:02,810

your Titan I am a Titan I am enjoying it

218

00:15:09,129 --> 00:15:05,959

quite a lot he's a big bruiser I got my

219

00:15:11,290 --> 00:15:09,139

attack main class all the way up but now

220

00:15:13,660 --> 00:15:11,300

just killing oh my god but now I'm

221

00:15:16,480 --> 00:15:13,670

trying to level up his sub class which

222

00:15:17,889 --> 00:15:16,490

is all defense using shields and I was

223

00:15:21,519 --> 00:15:17,899

hoping that this would work out a lot

224

00:15:23,800 --> 00:15:21,529

better playing a more defensive role

225

00:15:25,650 --> 00:15:23,810

against these a against a strike but

226

00:15:29,500 --> 00:15:25,660

it's really not working out any better

227

00:15:31,629 --> 00:15:29,510

patents anyway if you can just run away

228

00:15:33,069 --> 00:15:31,639

from things you could take away some of

229

00:15:34,900 --> 00:15:33,079

that armor and probably just go damage

230

00:15:36,579 --> 00:15:34,910

and just dodge everything or hype on

231

00:15:39,100 --> 00:15:36,589

balls that is all me and Bradford do is

232

00:15:41,650 --> 00:15:39,110

run away like little [\h__\h] girls yep

233

00:15:44,379 --> 00:15:41,660

that's what I've been doing there's I

234

00:15:46,809 --> 00:15:44,389

don't see like there's no like power up

235

00:15:48,670 --> 00:15:46,819

that I can get her I'm dead someone give

236

00:15:53,530 --> 00:15:48,680

him mouth to mouth or tongue to tongue

237

00:15:56,829 --> 00:15:53,540

whatever you gotta do revive me thank

238

00:16:00,730 --> 00:15:56,839

you thank you so have you beat have you

239

00:16:04,660 --> 00:16:00,740

beaten the game the campaign yeah yeah I

240

00:16:06,819 --> 00:16:04,670

think I did that's at the view ah yeah I

241

00:16:09,000 --> 00:16:06,829

did and I tell you what the campaign

242

00:16:11,500 --> 00:16:09,010

boss was nothing compared to the strike

243

00:16:13,480 --> 00:16:11,510

right this is this boss that I found to

244

00:16:14,800 --> 00:16:13,490

be the hardest because the other boss I

245

00:16:16,840 --> 00:16:14,810

just beat him unsought is there more

246

00:16:20,110 --> 00:16:16,850

like I didn't know if it was in it that

247

00:16:23,390 --> 00:16:20,120

was the Internet yeah it was kind of uh

248

00:16:26,920 --> 00:16:23,400

I beat the boss rounds like level 20

249

00:16:32,840 --> 00:16:26,930

one and I didn't really have a problem

250

00:16:38,840 --> 00:16:32,850

I'm dead again holy crap stay alive the

251
00:16:40,760 --> 00:16:38,850
final boss what's that I'm sorry the

252
00:16:43,220 --> 00:16:40,770
final boss is that black heart thing

253
00:16:49,370 --> 00:16:43,230
right yeah it was a the the robot that

254
00:16:53,180 --> 00:16:49,380
turns into a es the platen turns into

255
00:16:57,560 --> 00:16:53,190
the statue robot yeah yeah I did found

256
00:16:59,300 --> 00:16:57,570
this I did pretty well negotiating there

257
00:17:03,920 --> 00:16:59,310
i get i put the shield up blast this

258
00:17:06,440 --> 00:17:03,930
[h__\h] what are you finding the

259
00:17:09,800 --> 00:17:06,450
multi-player like super easy oh you mean

260
00:17:11,300 --> 00:17:09,810
the pvp yeah it spreads pretty

261
00:17:13,579 --> 00:17:11,310
well-balanced there's a lot of kill

262
00:17:16,699 --> 00:17:13,589
trading going on so that's not right i

263
00:17:19,520 --> 00:17:16,709

vest but preppers back ya see this

264

00:17:22,130 --> 00:17:19,530

[h__h] we can just drag her

265

00:17:25,310 --> 00:17:22,140

but it's as far as compared to

266

00:17:27,890 --> 00:17:25,320

Battlefield 4 they've been tweaking

267

00:17:29,210 --> 00:17:27,900

battlefield 4 incrementally so it's

268

00:17:31,970 --> 00:17:29,220

really good right now when it comes to

269

00:17:34,910 --> 00:17:31,980

like response on the server side but I

270

00:17:37,760 --> 00:17:34,920

enjoy the PvP on destiny it's balanced

271

00:17:41,180 --> 00:17:37,770

it's no one's run too powerful it's fun

272

00:17:43,760 --> 00:17:41,190

it's quick if they get a lot of things

273

00:17:45,740 --> 00:17:43,770

right about it but the server refresh is

274

00:17:49,480 --> 00:17:45,750

a big issue because what about afford

275

00:17:52,820 --> 00:17:49,490

melee kills I have isn't is a kill trade

276

00:17:54,410 --> 00:17:52,830

mm-hmm the first week I played it I

277

00:17:56,540 --> 00:17:54,420

noticed everyone stuck and now

278

00:17:59,810 --> 00:17:56,550

everyone's getting good so you know

279

00:18:04,400 --> 00:17:59,820

getting harder I uh I have mainly played

280

00:18:08,270 --> 00:18:04,410

control I'm dead oh I've made me play

281

00:18:10,520 --> 00:18:08,280

control and i will use a lot of shotguns

282

00:18:12,460 --> 00:18:10,530

I mean that is my thing is just use that

283

00:18:15,470 --> 00:18:12,470

shotgun as what it was possible but well

284

00:18:17,800 --> 00:18:15,480

and if you're the hunter II of that

285

00:18:19,880 --> 00:18:17,810

golden gun I don't know what the titan

286

00:18:22,370 --> 00:18:19,890

ultimate ability or whatever but the

287

00:18:25,490 --> 00:18:22,380

hunter I like his golden gun with you

288

00:18:28,250 --> 00:18:25,500

it's it like a guaranteed kill ya we

289

00:18:30,560 --> 00:18:28,260

shoot it that's good for control I got

290

00:18:33,010 --> 00:18:30,570

the the golden gun for the titan is a

291

00:18:35,450 --> 00:18:33,020

pulse rifle like the end of the game gun

292

00:18:37,700 --> 00:18:35,460

and all right it's pretty good i mean

293

00:18:40,880 --> 00:18:37,710

i'm not a big fan of it like the fusion

294

00:18:45,600 --> 00:18:40,890

rifles i like machine guns and for PDI

295

00:18:51,510 --> 00:18:45,610

use the auto rifle so I'm false records

296

00:18:56,940 --> 00:18:51,520

oh my god I'm dead did we get so close

297

00:19:02,190 --> 00:18:56,950

oh my god drew my team to hold up for

298

00:19:04,500 --> 00:19:02,200

like 18 seconds yes just come on over

299

00:19:08,310 --> 00:19:04,510

the [h__\h] that is running to you we need

300

00:19:11,789 --> 00:19:08,320

better teammates we I was thinking time

301

00:19:14,610 --> 00:19:11,799

I was like yo fanatic I won't do it

302

00:19:17,400 --> 00:19:14,620

doesn't join my team I'll suck your dick

303

00:19:19,590 --> 00:19:17,410

yeah you can [h__h] me or get [h__h] by me

304

00:19:21,390 --> 00:19:19,600

you can watch me [h__h] something just

305

00:19:23,430 --> 00:19:21,400

something in the room and I'll [h__h] it

306

00:19:27,570 --> 00:19:23,440

for you come on just tell me what you

307

00:19:31,110 --> 00:19:27,580

want me to [h__h] Jesus Christ tell me you

308

00:19:34,770 --> 00:19:31,120

love me [h__h] this guy that was dead we

309

00:19:36,860 --> 00:19:34,780

can do that we can do this having so

310

00:19:39,450 --> 00:19:36,870

close to being dead this is focus

311

00:19:44,690 --> 00:19:39,460

actually this beat is track did not care

312

00:19:48,130 --> 00:19:44,700

I think that's when we win oh my god oh

313

00:19:51,430 --> 00:19:48,140

my god you'd be like retreat

314

00:19:54,580 --> 00:19:51,440

take turns getting that laser beam from

315

00:19:56,680 --> 00:19:54,590

the big hug off dude that's what I did

316

00:19:58,480 --> 00:19:56,690

there's a laser beam we would like yeah

317

00:20:00,310 --> 00:19:58,490

like the big dude has a laser beam

318

00:20:01,720 --> 00:20:00,320

tangle shoot at you and like you and

319

00:20:03,460 --> 00:20:01,730

your teammates spread out and like

320

00:20:05,170 --> 00:20:03,470

distract them and then let the other to

321

00:20:07,390 --> 00:20:05,180

attack him while he's and then he'll

322

00:20:08,980 --> 00:20:07,400

like go on than one of the other two and

323

00:20:10,980 --> 00:20:08,990

always have two people attacking them we

324

00:20:13,720 --> 00:20:10,990

are complete while I'm doing that at all

325

00:20:16,210 --> 00:20:13,730

but you're not the way we're doing it

326

00:20:19,330 --> 00:20:16,220

the very difficult bonehead caveman way

327

00:20:21,870 --> 00:20:19,340

which is using a lot of bullets and no

328

00:20:25,510 --> 00:20:21,880

strategy a lot of screaming and yelling

329

00:20:28,420 --> 00:20:25,520

I'm dead I'm dead I was cursed goes

330

00:20:30,820 --> 00:20:28,430

ahead I said I've never seen those

331

00:20:32,380 --> 00:20:30,830

traitors in the game I think they put

332

00:20:35,350 --> 00:20:32,390

him back here because we're hiding back

333

00:20:36,550 --> 00:20:35,360

here like [h__\h] Mary's and so they're

334

00:20:38,560 --> 00:20:36,560

just putting him back there to kind of

335

00:20:50,120 --> 00:20:38,570

prompt us to get out of here oh god

336

00:20:55,400 --> 00:20:52,580

take that here's a shield yeah this

337

00:20:57,470 --> 00:20:55,410

battle is there we go I got to shield up

338

00:21:10,419 --> 00:20:57,480

blast me in the face oh my god there's a

339

00:21:20,310 --> 00:21:12,669

this is actually going pretty good got

340

00:21:25,580 --> 00:21:22,620

okay that that my shield kind of worked

341

00:21:28,940 --> 00:21:25,590

for a second it bought us some time to

342

00:21:28,950 --> 00:21:34,350

let's do this come on

343

00:21:39,600 --> 00:21:37,890

you feel so incompetent doing this

344

00:21:42,840 --> 00:21:39,610

like Bradford and I are not the best

345

00:21:46,440 --> 00:21:42,850

gamers obviously

346

00:21:48,060 --> 00:21:46,450

in either mind is play yeah it's fun

347

00:21:49,800 --> 00:21:48,070

i've been playing battlefield for like a

348

00:21:51,780 --> 00:21:49,810

year and a half or ever since it came

349

00:21:54,570 --> 00:21:51,790

out right so probably a solid year and

350

00:21:57,120 --> 00:21:54,580

that's all I really know and so to jump

351

00:22:01,160 --> 00:21:57,130

into this which is a completely new

352

00:22:03,810 --> 00:22:01,170

style of like bosses and no and

353

00:22:05,220 --> 00:22:03,820

generator weapons it's it's it's fun

354

00:22:07,200 --> 00:22:05,230

it's a nice change of pace definitely

355

00:22:10,140 --> 00:22:07,210

that it's counted yeah it's definitely

356

00:22:12,110 --> 00:22:10,150

faster pace yeah it is in battle feel

357

00:22:15,720 --> 00:22:12,120

you can hang back and snipe if you want

358

00:22:19,350 --> 00:22:15,730

you can get up and personal with the

359

00:22:23,310 --> 00:22:19,360

infantry but here God what's going on

360

00:22:24,630 --> 00:22:23,320

with this boss yeah I want see if he

361

00:22:31,800 --> 00:22:24,640

drops me anything good because I haven't

362

00:22:31,810 --> 00:22:34,780

this [h__\h]

363

00:22:39,140 --> 00:22:37,100

Jesus man

364

00:22:46,070 --> 00:22:39,150

you get in it if you get in the shield

365

00:22:48,680 --> 00:22:46,080

oh god I just nights in that shield yep

366

00:22:50,560 --> 00:22:48,690

well trying to take care of some

367

00:22:55,169 --> 00:22:50,570

business right now for my for my homies

368

00:23:01,090 --> 00:22:59,110

aim for the head maybe the most exciting

369

00:23:04,860 --> 00:23:01,100

podcast we've ever done this is very

370

00:23:06,970 --> 00:23:04,870

intense I'm shrieking I'm screaming

371

00:23:12,930 --> 00:23:06,980

paranoid I don't know what's going on

372

00:23:16,060 --> 00:23:12,940

I'm dead again revived me thank you oh

373

00:23:18,549 --> 00:23:16,070

374

00:23:23,730 --> 00:23:18,559

375

00:23:27,730 --> 00:23:23,740

damage oh my god dude oh my lord that

376

00:23:32,070 --> 00:23:27,740

377

00:23:37,299 --> 00:23:32,080

381

00:24:09,580 --> 00:24:08,140

where did our friend goes he's still

382

00:24:13,060 --> 00:24:09,590

around he's out there taking care of

383

00:24:17,170 --> 00:24:13,070

[h__h] I think we're actually helping him

384

00:24:21,760 --> 00:24:17,180

by distracting them so on no we're not

385

00:24:22,780 --> 00:24:21,770

we know we're not all right Bradford it

386

00:24:46,320 --> 00:24:22,790

when you come up here in the shield

387

00:24:53,650 --> 00:24:48,610

you can fire out of the shield but you

388

00:25:03,200 --> 00:24:56,890

unload spray everything you have on his

389

00:25:12,710 --> 00:25:06,500

I do this it's [h__h] rocks and get out

390

00:25:12,720 --> 00:25:18,740

almost dead almost dead

391

00:25:18,750 --> 00:25:23,620

Krieger

392

00:25:23,630 --> 00:25:29,400

oh my god

393

00:25:35,750 --> 00:25:32,150

he's gonna love it or neither did my god

394

00:25:38,520 --> 00:25:35,760

sanity who gods would be [h__h] did it

395

00:25:40,920 --> 00:25:38,530

holy [h__h] we got that [h__h] I

396

00:25:43,860 --> 00:25:40,930

don't know if we got him our friends

397

00:25:45,360 --> 00:25:43,870

certainly down here did it he'll tell

398

00:25:51,060 --> 00:25:45,370

you like the whoever killed the most and

399

00:25:52,560 --> 00:25:51,070

whatnot I gave him a salute and I don't

400

00:25:56,460 --> 00:25:52,570

we have someone on the show I can hear

401
00:25:57,750 --> 00:25:56,470
now yeah we had another person that we

402
00:26:01,950 --> 00:25:57,760
at Jared's been on the show for the

403
00:26:06,590 --> 00:26:01,960
entire battle oh yeah mmhmm yeah you

404
00:26:12,150 --> 00:26:06,600
have been watching you are so scared

405
00:26:17,190 --> 00:26:12,160
Brad was petrified I can't believe we

406
00:26:19,740 --> 00:26:17,200
beat that ass hole holy crap if I still

407
00:26:21,720 --> 00:26:19,750
had a bounty on him I know I'd like I

408
00:26:27,960 --> 00:26:21,730
left I don't think i'ma go no I didn't

409
00:26:31,860 --> 00:26:27,970
either my god holy crap well I'm glad we

410
00:26:34,800 --> 00:26:31,870
recorded that one and that's how you do

411
00:26:37,260 --> 00:26:34,810
that he is her big dumb walkthroughs all

412
00:26:39,960 --> 00:26:37,270
we did was hide back and cower the girls

413
00:26:42,510 --> 00:26:39,970

while the other guy killed him that's a

414

00:26:44,850 --> 00:26:42,520

strategy way that's how you go [\h__\h]
