

**Destiny**

**Daily**

**Heroic**

1  
00:00:13,190 --> 00:00:09,669  
awesome

2  
00:00:16,550 --> 00:00:14,629  
and we were trying to get bradford some

3  
00:00:22,150 --> 00:00:16,560  
light armor we figured this heroic daily

4  
00:00:27,269 --> 00:00:23,349  
all right

5  
00:00:27,279 --> 00:00:34,950  
let's try to do this heroic daily

6  
00:00:43,190 --> 00:00:37,270  
all right so

7  
00:00:50,470 --> 00:00:45,510  
jj what's your class

8  
00:00:56,549 --> 00:00:51,910  
gross

9  
00:01:00,549 --> 00:00:59,430  
all right we can pretty much dominate

10  
00:01:03,830 --> 00:01:00,559  
through here

11  
00:01:08,469 --> 00:01:05,910  
it's just when we got to that goddamn

12  
00:01:10,469 --> 00:01:08,479  
cave when we started getting trouble

13  
00:01:13,670 --> 00:01:10,479

it's not a cave with the spaceship oh

14

00:01:16,390 --> 00:01:13,680

space cave

15

00:01:20,950 --> 00:01:18,710

i'm hurt

16

00:01:21,990 --> 00:01:20,960

i'm running

17

00:01:25,350 --> 00:01:22,000

no

18

00:01:29,830 --> 00:01:26,870

i need to get out of here i'm making

19

00:01:31,590 --> 00:01:29,840

some bad choices i just died

20

00:01:33,510 --> 00:01:31,600

i think you're just um

21

00:01:34,630 --> 00:01:33,520

people overzealous

22

00:01:35,670 --> 00:01:34,640

i think you're right i'm being full

23

00:01:38,149 --> 00:01:35,680

hearty

24

00:01:40,789 --> 00:01:38,159

um

25

00:01:43,429 --> 00:01:40,799

i don't know my weaknesses i'm doing a

26

00:01:44,550 --> 00:01:43,439

very bad job job i have uh judgment

27

00:01:45,590 --> 00:01:44,560

issues

28

00:01:48,789 --> 00:01:45,600

um

29

00:01:51,670 --> 00:01:50,310

that's correct

30

00:01:56,389 --> 00:01:51,680

okay

31

00:02:00,870 --> 00:01:58,870

everyone load up your super ammo your

32

00:02:07,350 --> 00:02:00,880

super duper ammo we'll go up the hill

33

00:02:07,360 --> 00:02:10,949

come in my bubble i'll protect you

34

00:02:13,270 --> 00:02:11,990

i mean

35

00:02:15,910 --> 00:02:13,280

if you want

36

00:02:20,949 --> 00:02:17,190

no one's forced me to come into the

37

00:02:27,270 --> 00:02:23,030

there we go

38

00:02:34,869 --> 00:02:29,510

damn

39

00:02:39,030 --> 00:02:36,630

jj's is up there

40

00:02:40,869 --> 00:02:39,040

bad ass in a way what's your primary

41

00:02:42,869 --> 00:02:40,879

weapon

42

00:02:45,750 --> 00:02:42,879

we've got a

43

00:02:48,550 --> 00:02:45,760

an auto rifle that's what i got

44

00:02:50,710 --> 00:02:48,560

i got one of those too

45

00:02:52,949 --> 00:02:50,720

but i'm not nearly as good

46

00:02:57,830 --> 00:02:52,959

with it as you are

47

00:02:57,840 --> 00:03:01,509

i'll protect you

48

00:03:06,070 --> 00:03:04,070

put the woman down yeah travel with two

49

00:03:07,270 --> 00:03:06,080

women get behind me women i'll protect

50

00:03:11,589 --> 00:03:07,280

you

51

00:03:11,599 --> 00:03:16,710

lay off some steam bennett

52

00:03:19,350 --> 00:03:18,229

you're moving around like a lot over

53

00:03:20,630 --> 00:03:19,360

there you gotta answer your pants or

54

00:03:22,229 --> 00:03:20,640

something

55

00:03:23,990 --> 00:03:22,239

who you

56

00:03:26,550 --> 00:03:24,000

i just gotta keep on doing [h\_\_\h] some

57

00:03:29,190 --> 00:03:26,560

[h\_\_\h] yeah like ants in your pants

58

00:03:32,149 --> 00:03:29,200

hurt the fan on

59

00:03:33,589 --> 00:03:32,159

make sure the dog is not dying that's

60

00:03:35,670 --> 00:03:33,599

the most important one are both those

61

00:03:36,789 --> 00:03:35,680

taken care of

62

00:03:39,509 --> 00:03:36,799

yes

63

00:03:41,030 --> 00:03:39,519

the fan is on and the dog is still not

64

00:03:43,830 --> 00:03:41,040

dead

65

00:03:47,270 --> 00:03:45,270

yeah i died and placed your dog this

66

00:03:51,430 --> 00:03:47,280

stupid wizard up there

67

00:03:54,869 --> 00:03:53,350

yeah

68

00:03:59,190 --> 00:03:54,879

i know you can do that you can make

69

00:03:59,200 --> 00:04:04,390

this kind of guy i am

70

00:04:12,869 --> 00:04:06,229

god damn

71

00:04:16,870 --> 00:04:14,630

oh my god

72

00:04:18,310 --> 00:04:16,880

i look how epic the music is though

73

00:04:19,909 --> 00:04:18,320

these are the guys that [h\_\_\h] us up to

74

00:04:21,670 --> 00:04:19,919

begin with yep these little [h\_\_\h]

75

00:04:23,670 --> 00:04:21,680

turds

76

00:04:25,990 --> 00:04:23,680

[h\_\_\h] turd burglars

77

00:04:29,270 --> 00:04:26,000

i got no time for these turd burglars

78

00:04:33,590 --> 00:04:29,280

the primavera captain up here yep

79

00:04:37,670 --> 00:04:35,350

oh he sounds delicious

80

00:04:39,430 --> 00:04:37,680

he's amazing

81

00:04:43,030 --> 00:04:39,440

putting that little mushroom sauce on

82

00:04:47,510 --> 00:04:45,590

captain primavera what are you doing

83

00:04:51,110 --> 00:04:47,520

shooting oregano

84

00:04:54,550 --> 00:04:51,120

i got the primavera hey

85

00:04:56,070 --> 00:04:54,560

captain primavera oh god he oh captain

86

00:04:59,270 --> 00:04:56,080

freeman very just killed me i thought he

87

00:05:05,189 --> 00:05:02,790

he's moonwalking down the stairs

88

00:05:08,830 --> 00:05:05,199

he's so happy he killed me

89

00:05:15,110 --> 00:05:11,510

dead premium watch out for the captain

90

00:05:16,390 --> 00:05:15,120

dude fall back this is stupid

91

00:05:19,909 --> 00:05:16,400

yeah i don't know why you guys ran in

92

00:05:25,110 --> 00:05:23,110

i got this guy he's mine

93

00:05:29,189 --> 00:05:25,120

i feel like he's not battle

94

00:05:29,199 --> 00:05:34,070

watch out ladies

95

00:05:36,950 --> 00:05:35,990

i'm going in because i'm that kind of

96

00:05:38,629 --> 00:05:36,960

guy

97

00:05:45,270 --> 00:05:38,639

well he's dead so you can go ahead and

98

00:05:49,510 --> 00:05:47,590

oh this guy lives forever dude

99

00:05:51,350 --> 00:05:49,520

he's like so

100

00:05:53,990 --> 00:05:51,360

my heart's annoying i shot him in the

101

00:05:54,000 --> 00:05:57,510

i killed him that was me

102

00:05:57,520 --> 00:06:01,909

i did it i got him

103

00:06:09,590 --> 00:06:05,189

i got it all the loot's mine thank you

104

00:06:13,749 --> 00:06:10,870

um

105

00:06:15,430 --> 00:06:13,759

okay that wasn't so bad

106

00:06:18,070 --> 00:06:15,440

that was awful and that wasn't even a

107

00:06:23,670 --> 00:06:20,629

we are in the darkness

108

00:06:26,950 --> 00:06:23,680

do we stand any sort of chance against

109

00:06:26,960 --> 00:06:31,029

if we can't hide and run away

110

00:06:34,390 --> 00:06:32,309

are we [h\_\_\h]

111

00:06:39,189 --> 00:06:34,400

that's my only military tactic is to

112

00:06:40,309 --> 00:06:39,199

hide and run away surrender if possible

113

00:06:41,830 --> 00:06:40,319

google

114

00:06:46,830 --> 00:06:41,840

if you can't hide in space are you

115

00:06:51,189 --> 00:06:49,510

thieves all right

116

00:06:53,110 --> 00:06:51,199

we're doing our right there we cleared

117

00:06:54,790 --> 00:06:53,120

up the hallway pretty well

118

00:06:56,469 --> 00:06:54,800

just pulled all the rocket for like no

119

00:07:00,710 --> 00:06:56,479

reason

120

00:07:00,720 --> 00:07:03,749

doo

121

00:07:08,870 --> 00:07:05,990

oh my god watch out jj

122

00:07:12,230 --> 00:07:08,880

oh these are space monkeys

123

00:07:15,990 --> 00:07:12,240

the space monkeys everywhere

124

00:07:18,790 --> 00:07:16,000

space dogs space monkeys

125

00:07:22,550 --> 00:07:18,800

i thought we were in a sand bar

126  
00:07:27,189 --> 00:07:24,309  
i haven't found a lot of treasure chests

127  
00:07:34,469 --> 00:07:27,199  
lately i haven't found [\h\_\_\h]

128  
00:07:38,710 --> 00:07:35,909  
strangely enough that's about a

129  
00:07:41,510 --> 00:07:38,720  
spaceship in a desert exactly

130  
00:07:42,710 --> 00:07:41,520  
you don't find [\h\_\_\h] in the desert

131  
00:07:44,629 --> 00:07:42,720  
that's true

132  
00:07:46,070 --> 00:07:44,639  
you find yogurt in the desert that you

133  
00:07:47,589 --> 00:07:46,080  
do

134  
00:07:50,309 --> 00:07:47,599  
i wish i would have killed it i haven't

135  
00:07:54,150 --> 00:07:50,319  
gotten any uh items

136  
00:07:58,230 --> 00:07:54,160  
not even much ammo for crying out loud

137  
00:08:00,390 --> 00:07:58,240  
chris a lot of heartbreak jesus christ

138  
00:08:05,909 --> 00:08:00,400

we got a big eyeball over here

139

00:08:05,919 --> 00:08:15,189

one eye willy over there

140

00:08:18,390 --> 00:08:16,550

there we go

141

00:08:20,790 --> 00:08:18,400

look at that though

142

00:08:23,670 --> 00:08:20,800

see the eyeball

143

00:08:24,830 --> 00:08:23,680

because he's no longer with her oh

144

00:08:30,550 --> 00:08:24,840

i killed

145

00:08:33,350 --> 00:08:30,560

one shot one kill pretty good

146

00:08:36,630 --> 00:08:34,630

what is this thing is this like a

147

00:08:40,070 --> 00:08:36,640

scanner you see this thing up here it's

148

00:08:43,990 --> 00:08:41,589

sure you're the correct

149

00:08:45,430 --> 00:08:44,000

person for the deposit they want to make

150

00:08:47,269 --> 00:08:45,440

sure uh you can still purchase all the

151

00:08:50,710 --> 00:08:47,279

products you need out here

152

00:08:52,630 --> 00:08:50,720

this is my show i'm in the spotlight

153

00:08:56,310 --> 00:08:52,640

yeah you dance

160

00:09:18,880 --> 00:09:27,110

161

00:09:47,670 --> 00:09:30,070

let's uh let's go die

162

00:09:47,680 --> 00:09:51,910

oh man

163

00:09:56,470 --> 00:09:54,070

164

00:09:59,990 --> 00:09:56,480

which one's draxler guys please speak to

165

00:10:04,790 --> 00:10:01,990

damn

166

00:10:06,630 --> 00:10:04,800

those guards up there ain't no joke i'm

167

00:10:09,750 --> 00:10:06,640

i'm shoveling bullets in their face and

168

00:10:17,110 --> 00:10:12,630

oh god that music that's some bad music

169

00:10:22,389 --> 00:10:19,590

yes i do

170

00:10:24,550 --> 00:10:22,399

i put up a shield

171

00:10:26,230 --> 00:10:24,560

oh my god

172

00:10:30,550 --> 00:10:26,240

oh i got my golden gun i forgot about

173

00:10:30,560 --> 00:10:35,030

retreat

174

00:10:50,710 --> 00:10:38,550

i punched him in the balls

175

00:10:55,829 --> 00:10:53,590

somebody helped me oh god he killed me

176

00:10:57,590 --> 00:10:55,839

but i punched him

177

00:11:00,630 --> 00:10:57,600

178

00:11:01,590 --> 00:11:00,640

179

00:11:03,750 --> 00:11:01,600

his balls so hard

185

00:11:24,710 --> 00:11:22,399

wow i was really proud of myself i

186

00:11:26,310 --> 00:11:24,720

normally don't fight dirty like that

187

00:11:28,069 --> 00:11:26,320

but man

188

00:11:29,670 --> 00:11:28,079

189

00:11:31,829 --> 00:11:29,680

you gonna do

190

00:11:35,910 --> 00:11:31,839

but he stepped into my bubble of pain

191

00:11:35,920 --> 00:11:39,509

i just punched him in the balls again

192

00:11:45,430 --> 00:11:41,829

i couldn't i couldn't resist punching

193

00:11:51,670 --> 00:11:46,949

i'll play more serious when like when

194

00:11:56,470 --> 00:11:55,110

i couldn't get to you oh my god

195

00:11:58,389 --> 00:11:56,480

yeah i'm talking down to you there's

196

00:12:00,710 --> 00:11:58,399

like thing he's got like dudes

197

00:12:02,630 --> 00:12:00,720

like guarding you

198

00:12:04,790 --> 00:12:02,640

yeah he's got dudes guarding his dudes

199

00:12:08,069 --> 00:12:04,800

around him

200

00:12:13,269 --> 00:12:08,079

yeah they're kind of guarding my ghost

201  
00:12:17,590 --> 00:12:15,430  
people want to kill me right now i bet

202  
00:12:19,750 --> 00:12:17,600  
if i like if i get revived i brought it

203  
00:12:26,069 --> 00:12:19,760  
i probably can kill him pretty easily

204  
00:12:30,389 --> 00:12:28,389  
okay i'm gonna go run and hide

205  
00:12:36,629 --> 00:12:30,399  
knife at him

206  
00:12:40,310 --> 00:12:38,949  
so he's not happy about the night no

207  
00:12:42,949 --> 00:12:40,320  
he's

208  
00:12:44,949 --> 00:12:42,959  
he killed me again

209  
00:12:48,150 --> 00:12:44,959  
are all of you dead you're all [\h\_\_\h]

210  
00:12:50,629 --> 00:12:48,160  
dead dude [\h\_\_\h] off i just died

211  
00:12:52,310 --> 00:12:50,639  
save me daddy

212  
00:13:00,550 --> 00:12:52,320  
well

213  
00:13:00,560 --> 00:13:02,870

okay

214

00:13:07,509 --> 00:13:04,829

what do we do wrong and what do we do

215

00:13:09,670 --> 00:13:07,519

right i'd say less ball punching this

216

00:13:11,670 --> 00:13:09,680

time well dude i swear to god i think i

217

00:13:14,230 --> 00:13:11,680

took him down to half health with that

218

00:13:16,150 --> 00:13:14,240

all the balls i i punched but can we

219

00:13:17,829 --> 00:13:16,160

keep this door open

220

00:13:20,389 --> 00:13:17,839

i think we hang back here we don't leave

221

00:13:21,670 --> 00:13:20,399

this door area i think we're good

222

00:13:23,910 --> 00:13:21,680

yeah i think if we can keep the door

223

00:13:26,949 --> 00:13:23,920

open we'll be fine because we can hide

224

00:13:30,069 --> 00:13:28,310

i think as soon as we go in there that

225

00:13:32,230 --> 00:13:30,079

door shuts we're [h\_\_h] yeah as soon as

226

00:13:36,949 --> 00:13:32,240

we're forced to confront anybody it's

227

00:13:36,959 --> 00:13:40,150

how's everyone's ammo

228

00:13:43,269 --> 00:13:41,509

uh

229

00:13:45,590 --> 00:13:43,279

i think that's pretty all right

230

00:13:48,310 --> 00:13:45,600

all right is he felt is he he's not even

231

00:13:49,990 --> 00:13:48,320

out yet no he's not even out he's just

232

00:13:51,670 --> 00:13:50,000

hanging back someone's

233

00:13:54,150 --> 00:13:51,680

stay back i'm gonna go

234

00:13:56,150 --> 00:13:54,160

find him yeah go call him some names to

235

00:14:02,870 --> 00:13:56,160

draw him out here

236

00:14:06,310 --> 00:14:04,870

oh

237

00:14:08,389 --> 00:14:06,320

my grenade missed

238

00:14:10,470 --> 00:14:08,399

as always

239

00:14:13,269 --> 00:14:10,480

too

240

00:14:14,710 --> 00:14:13,279

maybe if i can let people run into it

241

00:14:17,350 --> 00:14:14,720

i'm gonna unload some machine gun rounds

242

00:14:20,870 --> 00:14:17,360

and do it because that's what i do

243

00:14:31,509 --> 00:14:20,880

oh he's right there yes he is

244

00:14:36,310 --> 00:14:32,470

okay

245

00:14:39,189 --> 00:14:37,829

this shield's pretty good come back here

246

00:14:41,750 --> 00:14:39,199

and hang out a little bit smoke with

247

00:14:43,430 --> 00:14:41,760

some smoke without your [h\_\_h] muffin i

248

00:14:46,470 --> 00:14:43,440

[h\_\_h] him up good

249

00:14:49,590 --> 00:14:46,480

i just killed him i killed him

250

00:14:56,150 --> 00:14:52,310

first kill first kill one shot one kill

251  
00:15:09,189 --> 00:14:56,160  
actually my machine gun [h\_\_h] him up

252  
00:15:13,750 --> 00:15:11,590  
nice

253  
00:15:15,350 --> 00:15:13,760  
so look at that uh i guess jj was right

254  
00:15:18,150 --> 00:15:15,360  
all that ball punching really did hurt

255  
00:15:22,069 --> 00:15:19,590  
why what happened i didn't punch his

256  
00:15:24,949 --> 00:15:22,079  
balls this time

257  
00:15:27,829 --> 00:15:24,959  
oh i hung back with everybody else

258  
00:15:31,910 --> 00:15:27,839  
probably makes him super mad
