halfway I think we can make it all the

21

00:01:12,590 --> 00:01:09,180

way with a little willpower you know

22

00:01:16,190 --> 00:01:12,600

like the book the little engine that old

23

00:01:18,800 --> 00:01:16,200

old smells that good worth a little but

24

00:01:20,179 --> 00:01:18,810

worth a little liver that could well i'm

25

00:01:23,960 --> 00:01:20,189

going to get my limo right now and we're

26
00:01:30,230 --> 00:01:23,970

31
00:01:47,090 --> 00:01:43,110
oh and she mark it off for me while we

32
00:01:48,950 --> 00:01:47,100
have a long way to go okay the journey

33
00:01:52,940 --> 00:01:48,960
begins

34
00:01:56,210 --> 00:01:52,950
I think it's snowing and this thing

35
00:01:58,070 --> 00:01:56,220
doesn't handle very well in snow I don't

36
00:02:01,880 --> 00:01:58,080
I actually don't like the snow in this

37
00:02:04,130 --> 00:02:01,890
game I don't like it not only why it's

38
00:02:07,190 --> 00:02:04,140

nice change of pace I don't see me snow

39

00:02:09,109 --> 00:02:07,200

blocks obvious it's different yeah I

40

00:02:12,500 --> 00:02:09,119

wonder who sold the roads who's paying

41

00:02:17,690 --> 00:02:12,510

54
00:03:04,130 --> 00:02:58,380

55
00:03:07,130 --> 00:03:04,140

60
00:03:31,470 --> 00:03:30,100
letter do it style we have one star on

61
00:03:43,830 --> 00:03:31,480
us from me accidentally hitting a car

62
00:03:48,720 --> 00:03:43,840
that's [h__\h] all right to sit back

63
00:03:51,360 --> 00:03:48,730

64

00:03:55,350 --> 00:03:51,370

66

00:03:58,740 --> 00:03:56,890

67

00:04:02,610 --> 00:03:58,750

69

00:04:08,280 --> 00:04:18,480

101
00:06:29,330 --> 00:06:25,169
really exactly sure where I set the

102
00:06:32,480 --> 00:06:29,340
coordinates for we're climbing upwards

103
00:06:37,059 --> 00:06:32,490
so that's good ok I'll go the right way

104
00:06:41,689 --> 00:06:37,069

107
00:06:52,010 --> 00:06:49,909
please stop please stop oh please ok

108
00:06:53,570 --> 00:06:52,020
yeah I see the guy in dune buggy he's

109
00:06:56,089 --> 00:06:53,580
honest he's probably at some stars on

110
00:07:00,740 --> 00:06:56,099
them right now too so it's all good nope

111
00:07:02,270 --> 00:07:00,750

112
00:07:08,020 --> 00:07:02,280
she can get in your vehicle sure point a

113
00:07:12,499 --> 00:07:08,030

gun man ya nah nah she's there we go

114

00:07:14,240 --> 00:07:12,509

I've got stars damn it he hit me I hate

115

00:07:19,490 --> 00:07:14,250

that one to chase somebody hit she's

116

00:07:21,499 --> 00:07:19,500

like oh wait you hit me yeah she's

117

00:07:22,879 --> 00:07:21,509

wearing what she's pointing guns at

118

00:07:24,469 --> 00:07:22,889

people you can you know you can just

119

00:07:25,730 --> 00:07:24,479

lift evil off girl if you just want to

120

00:07:29,420 --> 00:07:25,740

antagonize the cops you can flick him

121

00:07:30,709 --> 00:07:29,430

off like that that works too i think

122

00:07:35,390 --> 00:07:30,719

that gives you some stars there you go

123

00:07:40,790 --> 00:07:35,400

thank you yes fantastic now she's just

124

00:07:53,159 --> 00:07:43,590

kahoka hey we're doing it we're heading

125

00:07:56,850 --> 00:07:53,169

up the mountain holy [h__h] why have you

126

00:08:01,439 --> 00:07:56,860

never been up here no I've had no reason

127

00:08:04,170 --> 00:08:01,449

to come up here this this is hard as

128

00:08:11,490 --> 00:08:04,180

crap with the snow it's much easier if

129

00:08:14,640 --> 00:08:11,500

it wasn't snowing oh the cops yeah

130

00:08:18,330 --> 00:08:14,650

they're all here with me thanks for

131

00:08:19,860 --> 00:08:18,340

traveling fires should punch attack have

132

00:08:22,290 --> 00:08:19,870

to come back down and pick you up oh oh

133

00:08:29,210 --> 00:08:22,300

my god let us see if we can make this

134

00:08:32,339 --> 00:08:29,220

rock climb we can do it oh no God no

135

00:08:33,690 --> 00:08:32,349

damn it there's a path to the right we

136

00:08:38,409 --> 00:08:33,700

can take up we don't have to go that way

137

00:08:41,130 --> 00:08:38,419

hey don't roll backwards you

138

00:08:45,030 --> 00:08:41,140

ah no jeez

139

00:08:49,730 --> 00:08:45,040

mmm get out and push we got that too

140

00:08:54,420 --> 00:08:49,740

much weight in here we just keep [h__h]

141

00:09:00,810 --> 00:08:54,430

I'm getting out and pushing fudge there

142

00:09:04,920 --> 00:09:00,820

you go yeah I'm pleasure beyond stuff

143

00:09:11,750 --> 00:09:04,930

right here nice oh god no oh god you're

144

00:09:24,960 --> 00:09:11,760

right over me I'm fine I'm good okay

145

00:09:26,880 --> 00:09:24,970

good chunk all right push ready oh there

146

00:09:29,460 --> 00:09:26,890

you go that's what we needed yeah I'm

147

00:09:33,710 --> 00:09:29,470

trying to wait the front down what's it

148

00:09:39,210 --> 00:09:33,720

let me we just back up a little bit go

149

00:09:41,520 --> 00:09:39,220

there we go oh it's all good it's fine

150

00:09:43,800 --> 00:09:41,530

oh oh my god no don't vote on the mound

151
00:09:48,570 --> 00:09:43,810
here in the playground all right now you

152
00:09:58,860 --> 00:09:48,580
got it yeah the plant and plan worked

153
00:10:02,250 --> 00:09:58,870
somehow all right all right wow you're

154
00:10:11,250 --> 00:10:02,260
like an amount as gosh all right let's

155
00:10:13,360 --> 00:10:11,260
rock here we go at godrej yeah nice

156
00:10:17,079 --> 00:10:13,370
first I get stuck on the mountain now

157
00:10:18,579 --> 00:10:17,089
came climb back of it depressed areas

158
00:10:21,340 --> 00:10:18,589
parachutes up here so that's one way we

159
00:10:28,510 --> 00:10:21,350
can get off here that's how I ended up

160
00:10:39,690 --> 00:10:34,720
nice cop car won't climb the cop car

161
00:10:45,580 --> 00:10:43,510
we're almost there oh jeez oh jeez you

162
00:10:59,860 --> 00:10:45,590
can do this just narrow pain you can do

163
00:11:02,190 --> 00:10:59,870

this Wow okay what oh my lord let's

164

00:11:08,500 --> 00:11:02,200

don't follow me on don't fall now you go

165

00:11:10,150 --> 00:11:08,510

wow I guess it's the past oh wait we

166

00:11:16,870 --> 00:11:10,160

don't have a waypoint anymore so just

167

00:11:22,630 --> 00:11:16,880

following go with it but holy [h__h] you

168

00:11:33,650 --> 00:11:22,640

did it Wow and none of us died like that

169

00:11:39,800 --> 00:11:37,730

Mickey Wow we still got a suit I guess

170

00:11:41,420 --> 00:11:39,810

we could won't go up there I guess so I

171

00:11:47,230 --> 00:11:41,430

mean that's the very top of the mountain

172

00:11:49,790 --> 00:11:47,240

technically yes this is it all right

173

00:11:58,730 --> 00:11:49,800

[h__h] yeah I need a drink after that I

174

00:12:00,590 --> 00:11:58,740

brought back I'm going into vodka what's

175

00:12:03,770 --> 00:12:00,600

a great idea she got she's got the

176

00:12:09,490 --> 00:12:03,780

Christmas spirit oh she's blowing up her

177

00:12:13,820 --> 00:12:12,200
