188

00:11:41,990 --> 00:11:39,829

all right we're gonna hit this highway

189

00:11:43,350 --> 00:11:42,000

over here

190

00:11:45,670 --> 00:11:43,360

headed north

191

00:11:49,590 --> 00:11:47,829

i think i made a tactical error actually

192

00:11:50,630 --> 00:11:49,600

follow me it's fine it's all good we can

193

00:11:51,910 --> 00:11:50,640

make it

194

00:11:54,790 --> 00:11:51,920

we're going to take a little bit of a

195

00:12:00,310 --> 00:11:56,389

for people in this convoy someone's

196

00:12:05,030 --> 00:12:02,310

whatever gets the job done

197

00:12:07,030 --> 00:12:05,040

can i join in with these guys

198

00:12:10,629 --> 00:12:07,040

oh yes oh he needs a truck

199

00:12:17,670 --> 00:12:10,639

get yourself a box truck and join up

200

00:12:26,310 --> 00:12:21,030

i i uh i'm having trouble uh steering i

201
00:12:32,150 --> 00:12:29,110
keeps plenty of trucks

202
00:12:33,590 --> 00:12:32,160
god damn it retro bush

203
00:12:35,030 --> 00:12:33,600
i think he's shooting at my tires he's

204
00:12:37,670 --> 00:12:35,040
trying to prevent this convoy from

205
00:12:43,350 --> 00:12:39,590
i i have uh

206
00:12:48,150 --> 00:12:44,790
it's gonna take more than that stop this

207
00:12:49,829 --> 00:12:48,160
load from going down come on

208
00:12:57,030 --> 00:12:49,839
listen thirsty hillbillies that need the

209
00:12:59,990 --> 00:12:58,230
how you doing up there clown baby

210
00:13:02,629 --> 00:13:00,000
holding in

211
00:13:05,590 --> 00:13:03,750
over

212
00:13:08,790 --> 00:13:05,600
god damn it

213
00:13:14,870 --> 00:13:08,800

just trying to ruin this convoy

214

00:13:18,550 --> 00:13:16,870

you don't have to rage

215

00:13:20,310 --> 00:13:18,560

i'm barely hanging in there

216

00:13:21,829 --> 00:13:20,320

i think uh clown baby's leading the way

217

00:13:25,269 --> 00:13:21,839

actually the guy in passive mode is

218

00:13:29,350 --> 00:13:26,550

catching

219

00:13:32,069 --> 00:13:29,360

hey what's up dude hey right next to you

220

00:13:34,870 --> 00:13:32,079

221

00:13:38,790 --> 00:13:34,880

222

00:13:38,800 --> 00:13:51,750

228

00:14:25,750 --> 00:14:22,959

00:14:43,189 --> 00:14:27,279

some kid

231

00:14:48,870 --> 00:14:44,790

keep holding

232

00:14:52,150 --> 00:14:50,310

around

233

00:14:55,269 --> 00:14:52,160

the explosions

234

00:14:59,350 --> 00:14:55,279

oh my gosh keep moving

235

00:15:04,629 --> 00:15:00,949

237

00:15:10,949 --> 00:15:08,959

246

00:16:00,310 --> 00:15:58,320

we're hauling beer

247

00:16:02,550 --> 00:16:00,320

252

00:16:22,230 --> 00:16:18,880

look at this have you seen this tunnel

259

00:16:47,910 --> 00:16:46,720

this looks like [\h__\h] independence day

260

00:16:49,749 --> 00:16:47,920

this tunnel looks like my

261

00:16:51,829 --> 00:16:49,759

ex-girlfriend's [\h__\h] it's all clogged

262

00:16:54,069 --> 00:16:51,839

up it's all wrecked

263

00:16:57,749 --> 00:16:54,079

it's all horrible it looks awful in here

264

00:16:57,759 --> 00:17:17,270

get out the plane

265

00:17:22,069 --> 00:17:19,990

movie the tunnel

266

00:17:26,390 --> 00:17:22,079

this is it

267

00:17:28,150 --> 00:17:26,400

you want to fly this [\h__\h]

268

00:17:30,830 --> 00:17:28,160

pardon my language you have to intercept

269

00:17:35,270 --> 00:17:34,310

yeah gotta do this [\h__\h] up right

270

00:17:37,669 --> 00:17:35,280

all right you know where the

271

00:17:44,310 --> 00:17:37,679

pistolizer's at it's crossed away i'll

272

00:17:48,310 --> 00:17:46,390

oh i see a box truck down there you see

273

00:17:49,830 --> 00:17:48,320

down there to the left

274

00:17:53,590 --> 00:17:49,840

it's a cola truck you're absolutely

275

00:18:06,789 --> 00:17:55,669

but if we go down now we could uh what's

276

00:18:06,799 --> 00:18:11,750

hey there's a box truck right there

277

00:18:21,750 --> 00:18:14,470

let's grab this cola truck yeah let's go

278

00:18:21,760 --> 00:18:35,669

snagged it up

279

00:18:39,669 --> 00:18:38,070

oh my god it's on fire

280

00:18:40,830 --> 00:18:39,679

i think it's

281

00:18:43,510 --> 00:18:40,840

all

282

00:18:45,190 --> 00:18:43,520

right uh i think there's a piss water

283

00:18:49,029 --> 00:18:45,200

down there here you see that actually

284

00:18:49,039 --> 00:18:54,830

go ahead and see if we can snag that

285

00:18:59,750 --> 00:18:57,510

up all right

286

00:19:02,310 --> 00:18:59,760

here we go

287

00:19:04,549 --> 00:19:02,320

coming in nice and easy

288

00:19:06,150 --> 00:19:04,559

oh no

289

00:19:07,909 --> 00:19:06,160

a little bit too far back from this

290

00:19:10,710 --> 00:19:07,919

[h__\h]

291

00:19:14,230 --> 00:19:10,720

oh we got one coming right at us again

292

00:19:14,240 --> 00:19:17,350

gps

293

00:19:23,190 --> 00:19:20,310

we have to get ahead of this thing

294

00:19:25,029 --> 00:19:23,200

let it come to us

295

00:19:29,909 --> 00:19:25,039

there we go some beer

296

00:19:29,919 --> 00:19:34,870

nice all right

297

00:19:40,230 --> 00:19:36,310

perfect

298

00:19:46,390 --> 00:19:42,070

get some altitude before we try to do

299

00:19:50,390 --> 00:19:48,390

all right i'll mark off the military

300

00:19:53,190 --> 00:19:50,400

base on the map

301
00:19:55,750 --> 00:19:53,200
we can go ahead and uh

302
00:19:59,190 --> 00:19:55,760
go ahead and get this to the good people

303
00:20:04,230 --> 00:20:00,470
all right

304
00:20:07,590 --> 00:20:04,240
um i think it's somewhere

305
00:20:09,510 --> 00:20:07,600
really dips when she's a

306
00:20:13,430 --> 00:20:09,520
box truck when you're on a heavy load

307
00:20:16,549 --> 00:20:15,110
i don't know where the military base is

308
00:20:21,029 --> 00:20:16,559
you might have to mark that off i don't

309
00:20:25,270 --> 00:20:22,789
whatever you do do not lose this load

310
00:20:27,029 --> 00:20:25,280
we're going down heavy and fast

311
00:20:33,110 --> 00:20:27,039
pull up

312
00:20:37,270 --> 00:20:35,110
that's i was trying to mark it in the

313
00:20:40,070 --> 00:20:37,280

map mike it's here i'll just go by and

314

00:20:46,149 --> 00:20:40,080

i'll see the market myself god damn it

315

00:20:46,159 --> 00:20:52,950

this is a disaster

316

00:20:57,990 --> 00:20:54,470

greatest marks

317

00:20:59,510 --> 00:20:58,000

god damn it i'm a horrible navigator

318

00:21:01,190 --> 00:20:59,520

hey there's a there's a box truck down

319

00:21:03,270 --> 00:21:01,200

there right down there at the cross

320

00:21:06,230 --> 00:21:03,280

wagon looks like a bit of a fight broke

321

00:21:09,190 --> 00:21:06,240

out down there getting painted

322

00:21:12,310 --> 00:21:09,200

oh [h__h] burgers

323

00:21:15,350 --> 00:21:12,320

oh god damn it who killed us
