

WINECRAFT

CONSPIRACY LAND

1
00:00:10,629 --> 00:00:07,510
ah

2
00:00:13,350 --> 00:00:10,639
welcome to conspiracy land

3
00:00:14,910 --> 00:00:13,360
conspiracy land

4
00:00:18,150 --> 00:00:14,920
where did as a

5
00:00:21,510 --> 00:00:18,160
jumble it's a cornucopia a potpourri if

6
00:00:23,910 --> 00:00:21,520
you will of genres mysteries

7
00:00:26,070 --> 00:00:23,920
paranormal experiences

8
00:00:27,750 --> 00:00:26,080
and real life

9
00:00:33,830 --> 00:00:27,760
horrors

10
00:00:37,190 --> 00:00:35,510
all right so what do we

11
00:00:38,630 --> 00:00:37,200
need to take care of well let's uh come

12
00:00:39,510 --> 00:00:38,640
over to skull mountain with me and let's

13
00:00:43,510 --> 00:00:39,520

uh

14

00:00:45,270 --> 00:00:43,520

where it's at

15

00:00:48,389 --> 00:00:45,280

what's going to become of this and the

16

00:00:52,069 --> 00:00:48,399

possibilities of skull mountain as it

17

00:00:55,990 --> 00:00:53,430

now

18

00:00:56,950 --> 00:00:56,000

overall

19

00:01:04,070 --> 00:00:56,960

i

20

00:01:06,789 --> 00:01:04,080

through

21

00:01:08,630 --> 00:01:06,799

the mouth uh down the throat and

22

00:01:10,310 --> 00:01:08,640

actually the throat will no longer go

23

00:01:12,950 --> 00:01:10,320

down perhaps we will have a like a

24

00:01:15,830 --> 00:01:12,960

trachea going down into a chamber

25

00:01:18,230 --> 00:01:15,840

um so perhaps

26
00:01:19,830 --> 00:01:18,240
uh eventually maybe not tonight we will

27
00:01:23,270 --> 00:01:19,840
start

28
00:01:26,230 --> 00:01:23,280
dynamiting a throat for skull mountain

29
00:01:29,109 --> 00:01:26,240
down into the pit of lava you know much

30
00:01:30,710 --> 00:01:29,119
like we did over at that waterfall how

31
00:01:34,550 --> 00:01:30,720
we just diamined it down into the ground

32
00:01:36,870 --> 00:01:34,560
we could do that for skull mountain

33
00:01:38,310 --> 00:01:36,880
that's not too too hard

34
00:01:40,149 --> 00:01:38,320
now do you want you want to try a little

35
00:01:42,390 --> 00:01:40,159
bit right now or do you want to uh go

36
00:01:44,469 --> 00:01:42,400
take a tour a little bit and show

37
00:01:45,990 --> 00:01:44,479
everybody what we currently have as it

38
00:01:47,670 --> 00:01:46,000

stands

39

00:01:49,990 --> 00:01:47,680

uh let's take a tour and then we can do

40

00:01:53,190 --> 00:01:50,000

some dynamiting 101 okay we start with

41

00:01:55,670 --> 00:01:53,200

skull mountain let's go to the first

42

00:01:58,870 --> 00:01:55,680

kind of stop we have some half-assed

43

00:02:01,510 --> 00:01:58,880

uh docks being built right here

44

00:02:03,749 --> 00:02:01,520

and we are that mean justin built these

45

00:02:05,910 --> 00:02:03,759

we haven't been able to replicate his uh

46

00:02:07,510 --> 00:02:05,920

technology yeah is his name online

47

00:02:09,589 --> 00:02:07,520

corbett or

48

00:02:11,430 --> 00:02:09,599

i forget his name yeah it is

49

00:02:14,229 --> 00:02:11,440

i think it is um

50

00:02:15,750 --> 00:02:14,239

an extremely good builder and he gave us

51

00:02:17,430 --> 00:02:15,760

a lot of good i don't want to

52

00:02:19,270 --> 00:02:17,440

mispronounce his name i'm gonna look him

53

00:02:21,430 --> 00:02:19,280

up real fast but i uh i don't know

54

00:02:23,510 --> 00:02:21,440

what's great to recreate

55

00:02:25,030 --> 00:02:23,520

go ahead i trade i tried to recreate

56

00:02:26,309 --> 00:02:25,040

what he did and i ended up destroying

57

00:02:27,670 --> 00:02:26,319

part of the dock

58

00:02:30,070 --> 00:02:27,680

oh really

59

00:02:31,830 --> 00:02:30,080

yeah it should be like connected here in

60

00:02:32,710 --> 00:02:31,840

one panel but it's not

61

00:02:34,229 --> 00:02:32,720

hmm

62

00:02:37,030 --> 00:02:34,239

well

63

00:02:38,630 --> 00:02:37,040

he did that with stairs in some fashion

64

00:02:41,509 --> 00:02:38,640

i believe that's what i was trying to

65

00:02:44,229 --> 00:02:41,519

stairs but i don't know

66

00:02:47,509 --> 00:02:44,239

he did it with stairs in some fashion

67

00:02:51,509 --> 00:02:47,519

um but what are we gonna do with the

68

00:02:53,030 --> 00:02:51,519

dock and this whole bay area

69

00:02:55,350 --> 00:02:53,040

you know we do you have any ideas we're

70

00:02:57,270 --> 00:02:55,360

going to do yet

71

00:02:58,229 --> 00:02:57,280

i mean i want to build another pier and

72

00:03:00,229 --> 00:02:58,239

then

73

00:03:02,470 --> 00:03:00,239

let me ditch that map

74

00:03:03,910 --> 00:03:02,480

let me i'll fly out

75

00:03:08,149 --> 00:03:03,920

i already started working on a little

76

00:03:09,990 --> 00:03:08,159

bit of a gatehouse over here you can see

77

00:03:11,670 --> 00:03:10,000

i'm looking over at me at the at the

78

00:03:13,110 --> 00:03:11,680

mouth of the bay

79

00:03:15,430 --> 00:03:13,120

you want to have some kind of gatehouse

80

00:03:22,149 --> 00:03:15,440

here maybe another pier maybe a little

81

00:03:27,190 --> 00:03:23,830

well

82

00:03:28,070 --> 00:03:27,200

oh the justin his online name is

83

00:03:29,030 --> 00:03:28,080

core

84

00:03:30,470 --> 00:03:29,040

bellick

85

00:03:32,309 --> 00:03:30,480

corbellic

86

00:03:33,990 --> 00:03:32,319

phenomenal building

87

00:03:36,070 --> 00:03:34,000

get this kind of sea world thing going

88

00:03:38,710 --> 00:03:36,080

on yeah i was going to hopefully uh put

89

00:03:40,070 --> 00:03:38,720

shamu in there possibly a couple seals

90

00:03:41,750 --> 00:03:40,080

uh we don't know i don't know if there's

91

00:03:43,190 --> 00:03:41,760

any sea life in minecraft i don't think

92

00:03:46,070 --> 00:03:43,200

there is

93

00:03:48,869 --> 00:03:46,080

you do know orcas eat seals oh okay you

94

00:03:51,110 --> 00:03:48,879

don't put them together okay

95

00:03:53,430 --> 00:03:51,120

well i'm not a trained professional i

96

00:03:54,949 --> 00:03:53,440

don't know what i'm doing

97

00:03:56,789 --> 00:03:54,959

well we'll have to reconsider that but i

98

00:03:59,830 --> 00:03:56,799

do like the the glass right up against

99

00:04:01,910 --> 00:03:59,840

the water that is uh very fun uh this is

100

00:04:03,350 --> 00:04:01,920

a church road

101
00:04:04,869 --> 00:04:03,360
this is uh

102
00:04:06,550 --> 00:04:04,879
one two three flower street going

103
00:04:08,309 --> 00:04:06,560
straight to church

104
00:04:10,390 --> 00:04:08,319
and uh we got a little

105
00:04:12,470 --> 00:04:10,400
door right here could knock it open

106
00:04:14,309 --> 00:04:12,480
and this is where we come

107
00:04:15,589 --> 00:04:14,319
to

108
00:04:17,590 --> 00:04:15,599
discover

109
00:04:19,830 --> 00:04:17,600
all the secrets

110
00:04:22,069 --> 00:04:19,840
of the church our

111
00:04:23,749 --> 00:04:22,079
house of god and it's full of secrets

112
00:04:24,550 --> 00:04:23,759
yeah

113
00:04:26,550 --> 00:04:24,560

uh

114

00:04:28,230 --> 00:04:26,560

at this point i'm going to change my

115

00:04:30,550 --> 00:04:28,240

batteries in my controller i'll be right

116

00:04:32,870 --> 00:04:30,560

back i just got a a warning that uh it's

117

00:04:35,110 --> 00:04:32,880

low i don't want that to uh

118

00:04:36,950 --> 00:04:35,120

well i uh i got the same thing but you

119

00:04:38,550 --> 00:04:36,960

can still play for a couple hours at him

120

00:04:41,510 --> 00:04:38,560

oh you did okay

121

00:04:43,189 --> 00:04:41,520

yeah um let's go down

122

00:04:44,390 --> 00:04:43,199

that point after my controller goes

123

00:04:47,189 --> 00:04:44,400

that'll have to butcher the batteries

124

00:04:48,629 --> 00:04:47,199

out of the remote yeah i have i have

125

00:04:50,469 --> 00:04:48,639

numerous backups so i'm not worried

126

00:04:53,110 --> 00:04:50,479

about it but you i'm concerned about so

127

00:04:55,350 --> 00:04:53,120

um yeah i'll find some oops

128

00:04:57,189 --> 00:04:55,360

let us uh let's venture down oh you

129

00:04:59,990 --> 00:04:57,199

destroyed the trap door

130

00:05:03,510 --> 00:05:00,000

oh my god accident i got a new trap door

131

00:05:06,629 --> 00:05:03,520

involved here okay i got one

132

00:05:09,350 --> 00:05:06,639

i got it i got it i got it

133

00:05:12,710 --> 00:05:10,950

so let's go ahead

134

00:05:16,150 --> 00:05:12,720

and uh

135

00:05:18,230 --> 00:05:16,160

let's go down there bam so

136

00:05:19,590 --> 00:05:18,240

this is the underbelly of the church the

137

00:05:23,189 --> 00:05:19,600

side room

138

00:05:26,550 --> 00:05:23,199

um this is basically just

139

00:05:29,510 --> 00:05:26,560

like a holding station a holding pen for

140

00:05:31,110 --> 00:05:29,520

uh any miss koreans or naruto elves who

141

00:05:34,550 --> 00:05:31,120

happen to stumble across the church and

142

00:05:36,790 --> 00:05:34,560

the trap door which leads us down to

143

00:05:38,310 --> 00:05:36,800

the underground railroad

144

00:05:39,749 --> 00:05:38,320

which is literally an underground

145

00:05:41,830 --> 00:05:39,759

railroad

146

00:05:43,350 --> 00:05:41,840

now we don't have any cars here yeah

147

00:05:46,310 --> 00:05:43,360

so let's go ahead and get a car on the

148

00:05:47,909 --> 00:05:46,320

track and see if we can be one

149

00:05:50,150 --> 00:05:47,919

it should be one over at the other end i

150

00:05:51,990 --> 00:05:50,160

just think i called it

151
00:05:54,950 --> 00:05:52,000
are you called you can oh that the

152
00:05:56,950 --> 00:05:54,960
switch calls it let's see what happens i

153
00:05:58,469 --> 00:05:56,960
think i don't know though

154
00:06:01,110 --> 00:05:58,479
it should be here already let me run

155
00:06:02,469 --> 00:06:01,120
down here and take a look

156
00:06:04,390 --> 00:06:02,479
yeah i don't see it it should be here

157
00:06:05,510 --> 00:06:04,400
already so i'm gonna get another cart in

158
00:06:12,150 --> 00:06:05,520
here

159
00:06:13,350 --> 00:06:12,160
go take a ride

160
00:06:16,390 --> 00:06:13,360
uh you take your ride because you're

161
00:06:18,150 --> 00:06:16,400
recording oh yes i'm gonna take a ride

162
00:06:20,309 --> 00:06:18,160
there we go and i'll just i'll just

163
00:06:22,230 --> 00:06:20,319

catch up to you by flying there we go

164

00:06:25,189 --> 00:06:22,240

yay

165

00:06:27,590 --> 00:06:25,199

oh what a ride what a rush

166

00:06:30,309 --> 00:06:27,600

our ramshackle tunnel

167

00:06:32,469 --> 00:06:30,319

you know it's wide it's three wide it's

168

00:06:34,950 --> 00:06:32,479

three high but you're it used to be a

169

00:06:37,830 --> 00:06:34,960

lot worse it used to be like this

170

00:06:41,189 --> 00:06:37,840

prison escape tunnel yeah

171

00:06:42,950 --> 00:06:41,199

and this is only the start to our

172

00:06:44,550 --> 00:06:42,960

underground railroad

173

00:06:45,749 --> 00:06:44,560

um it's

174

00:06:48,070 --> 00:06:45,759

we're just calling that because it's

175

00:06:50,790 --> 00:06:48,080

just literally what it is there's no

176

00:06:53,350 --> 00:06:50,800

insinuation or anything like that it's

177

00:06:57,749 --> 00:06:55,270

help people free people in fact it's

178

00:06:59,830 --> 00:06:57,759

probably gonna be used to actually send

179

00:07:01,430 --> 00:06:59,840

people to a possible torture chamber

180

00:07:03,430 --> 00:07:01,440

which we'll show you here

181

00:07:05,990 --> 00:07:03,440

uh in a little bit

182

00:07:07,990 --> 00:07:06,000

uh are we going down to the other branch

183

00:07:10,469 --> 00:07:08,000

yeah uh i think we should go down and

184

00:07:14,230 --> 00:07:10,479

we're going to fly pretty fast over here

185

00:07:16,309 --> 00:07:14,240

so um there's so much to see and this is

186

00:07:18,150 --> 00:07:16,319

the offshoot

187

00:07:21,350 --> 00:07:18,160

and it just takes you down to the lava

188

00:07:25,990 --> 00:07:21,360

yeah this is a straight drop staircase

189

00:07:28,950 --> 00:07:26,000

to a pit of lava no fun down there

190

00:07:30,710 --> 00:07:28,960

you probably i mean unless you got like

191

00:07:31,749 --> 00:07:30,720

fire retardant suit which i don't think

192

00:07:33,589 --> 00:07:31,759

they make

193

00:07:36,150 --> 00:07:33,599

don't go down there although

194

00:07:40,710 --> 00:07:36,160

we might put some treasures down there

195

00:07:42,870 --> 00:07:40,720

uh swords daggers bows arrows um potions

196

00:07:46,070 --> 00:07:42,880

uh so it might be it might be a good

197

00:07:48,150 --> 00:07:46,080

hiding spot for loot

198

00:07:50,309 --> 00:07:48,160

and let's let's travel on

199

00:07:53,110 --> 00:07:50,319

all right

200

00:07:56,390 --> 00:07:53,120

this brings us to this area and where we

201

00:07:59,909 --> 00:07:57,749

uh

202

00:08:01,589 --> 00:07:59,919

we go straight up yes yeah if you look

203

00:08:04,869 --> 00:08:01,599

to the left there's a lava yeah

204

00:08:08,790 --> 00:08:07,189

and here we go straight up

205

00:08:11,990 --> 00:08:08,800

and we actually marked us off we're in a

206

00:08:13,749 --> 00:08:12,000

desert now

207

00:08:16,869 --> 00:08:13,759

yes

208

00:08:19,110 --> 00:08:16,879

and um if you look really you can't

209

00:08:21,909 --> 00:08:19,120

you can't see anything from no

210

00:08:23,510 --> 00:08:21,919

so but i know where we have to go

211

00:08:24,950 --> 00:08:23,520

so we're gonna go in this direction

212

00:08:28,710 --> 00:08:24,960

towards the

213

00:08:33,190 --> 00:08:30,629

and we didn't even take into account we

214

00:08:34,870 --> 00:08:33,200

had another branch that comes out

215

00:08:37,829 --> 00:08:34,880

we had another

216

00:08:39,029 --> 00:08:37,839

a mine it comes out into a mine yeah

217

00:08:41,350 --> 00:08:39,039

we actually

218

00:08:43,269 --> 00:08:41,360

i think we also dig um

219

00:08:46,949 --> 00:08:43,279

escape route to

220

00:08:48,949 --> 00:08:46,959

uh mushroom island over there didn't we

221

00:08:51,829 --> 00:08:48,959

yes something comes up on mushroom

222

00:08:55,110 --> 00:08:51,839

island so this is uh cloudy's attempt at

223

00:08:57,750 --> 00:08:55,120

a north korean monument uh we've got the

224

00:09:00,630 --> 00:08:57,760

hammer sickle and the eternal flame of

225

00:09:03,509 --> 00:09:00,640

the north korean people uh depicted here

226

00:09:05,750 --> 00:09:03,519

we're actually gonna probably do

227

00:09:07,670 --> 00:09:05,760

maybe i will re-sculpt the sickle i'm

228

00:09:09,509 --> 00:09:07,680

not very happy with the

229

00:09:11,990 --> 00:09:09,519

design direction

230

00:09:14,070 --> 00:09:12,000

uh you only can do so much

231

00:09:17,829 --> 00:09:14,080

with blocks but uh we can we can tighten

232

00:09:21,990 --> 00:09:19,990

let us go

233

00:09:23,829 --> 00:09:22,000

to the

234

00:09:26,070 --> 00:09:23,839

tower now this tower is going to be

235

00:09:28,150 --> 00:09:26,080

great for defensive purposes it oversees

236

00:09:29,430 --> 00:09:28,160

a lot you can see skull mountain you can

237

00:09:32,070 --> 00:09:29,440

see the church

238

00:09:34,710 --> 00:09:32,080

you can see the monument and the

239

00:09:37,670 --> 00:09:34,720

half-assed castle that clown baby built

240

00:09:39,829 --> 00:09:37,680

over there and uh you can fire arrows

241

00:09:43,030 --> 00:09:39,839

there will be uh

242

00:09:45,670 --> 00:09:43,040

bow and arrows the the uh the castle was

243

00:09:47,990 --> 00:09:45,680

made out of a mountain i blew up

244

00:09:50,470 --> 00:09:48,000

the mountain to make it

245

00:09:52,389 --> 00:09:50,480

yeah it looks exactly like that it looks

246

00:09:53,670 --> 00:09:52,399

crappy

247

00:09:55,750 --> 00:09:53,680

it looks like a piece of yeah this

248

00:09:57,590 --> 00:09:55,760

looks like a pile of rocks we'll go take

249

00:09:59,269 --> 00:09:57,600

a look at your pile of rocks aka the

250

00:10:01,750 --> 00:09:59,279

castle here in a second

251

00:10:05,190 --> 00:10:01,760

um

252

00:10:07,990 --> 00:10:05,200

but yeah this uh this little uh

253

00:10:08,870 --> 00:10:08,000

tower fortress is uh it's gonna be great

254

00:10:11,590 --> 00:10:08,880

for

255

00:10:13,030 --> 00:10:11,600

uh defensive purposes and uh

256

00:10:14,630 --> 00:10:13,040

and there's a

257

00:10:17,590 --> 00:10:14,640

secret button right there oh we gotta

258

00:10:19,670 --> 00:10:17,600

close it oh it closes from the inside i

259

00:10:24,230 --> 00:10:19,680

believe yeah

260

00:10:29,430 --> 00:10:26,470

open close

261

00:10:31,670 --> 00:10:29,440

oh you you took off my metal door

262

00:10:37,030 --> 00:10:31,680

i didn't do anything

263

00:10:40,310 --> 00:10:38,470

tired of fixing up this place ain't got

264

00:10:42,870 --> 00:10:40,320

that kind of money contractors coming

265

00:10:46,150 --> 00:10:42,880

back tomorrow

266

00:10:47,670 --> 00:10:46,160

all right um

267

00:10:50,069 --> 00:10:47,680

go over to the bridge and walk up to the

268

00:10:53,110 --> 00:10:50,079

castle and check out our okay castle

269

00:10:55,509 --> 00:10:53,120

let's uh take a stroll down

270

00:10:56,710 --> 00:10:55,519

flower road

271

00:10:59,030 --> 00:10:56,720

this is a

272

00:11:03,590 --> 00:10:59,040

clown baby's castle

273

00:11:08,310 --> 00:11:05,829

let's uh let's start at the take us take

274

00:11:10,069 --> 00:11:08,320

us upstairs yes it's very small upstairs

275

00:11:13,750 --> 00:11:10,079

it's

276

00:11:15,030 --> 00:11:13,760

this is the the smallest bar yeah the

277

00:11:16,870 --> 00:11:15,040

art bar

278

00:11:19,590 --> 00:11:16,880

uh the smallest

279

00:11:21,509 --> 00:11:19,600

uh crappiest bar in minecraft and i'm

280

00:11:22,949 --> 00:11:21,519

sticking by that assumption right now it

281

00:11:24,790 --> 00:11:22,959

is horrible

282

00:11:26,230 --> 00:11:24,800

it's uncomfortable it serves virtually

283

00:11:27,910 --> 00:11:26,240

no one like i'm back here behind the bar

284

00:11:29,190 --> 00:11:27,920

hey come on come on down here and get a

285

00:11:31,110 --> 00:11:29,200

drink

286

00:11:32,630 --> 00:11:31,120

what do you have

287

00:11:35,910 --> 00:11:32,640

uh uh

288

00:11:37,430 --> 00:11:35,920

black russian don't have it what else

289

00:11:39,509 --> 00:11:37,440

uh beer

290

00:11:41,590 --> 00:11:39,519

don't got it we got this fluid on the

291

00:11:43,670 --> 00:11:41,600

floor over here

292

00:11:45,590 --> 00:11:43,680

and i took one of those it's my brew

293

00:11:47,030 --> 00:11:45,600

stand so i'm gonna brew something up for

294

00:11:48,870 --> 00:11:47,040

you

295

00:11:50,949 --> 00:11:48,880

let's go up to the tower

296

00:11:53,829 --> 00:11:50,959

let's go up here uh there's far too many

297

00:11:57,590 --> 00:11:53,839

bookcases up here far too many i'm

298

00:12:00,949 --> 00:11:57,600

saying that right now i'm on record

299

00:12:02,630 --> 00:12:00,959

too much readings being done

300

00:12:05,430 --> 00:12:02,640

too much too much book learning you

301
00:12:07,350 --> 00:12:05,440
destroyed another trap door didn't you

302
00:12:10,870 --> 00:12:07,360
i keep hitting the wrong trigger all

303
00:12:12,389 --> 00:12:10,880
right i'll fix this trap door okay

304
00:12:13,750 --> 00:12:12,399
now i mean probably not necessarily to

305
00:12:16,150 --> 00:12:13,760
have a trap door right there but it's

306
00:12:17,990 --> 00:12:16,160
just for aesthetic purposes

307
00:12:19,350 --> 00:12:18,000
so

308
00:12:21,590 --> 00:12:19,360
there we go

309
00:12:23,269 --> 00:12:21,600
all right there's an awful

310
00:12:25,670 --> 00:12:23,279
awful guard tower i made you can't see

311
00:12:27,190 --> 00:12:25,680
down below no it's horrible by the tower

312
00:12:29,030 --> 00:12:27,200
if you really take a look

313
00:12:31,509 --> 00:12:29,040

you can't do anything up here it

314

00:12:33,590 --> 00:12:31,519

absolutely has almost zero visibility of

315

00:12:35,509 --> 00:12:33,600

anything that's important

316

00:12:36,829 --> 00:12:35,519

you see the church you can kind of see

317

00:12:39,910 --> 00:12:36,839

skull

318

00:12:42,470 --> 00:12:39,920

mountain uh but it's it's just

319

00:12:44,069 --> 00:12:42,480

it's just atrocious it's not good

320

00:12:45,910 --> 00:12:44,079

we can do better

321

00:12:47,430 --> 00:12:45,920

or maybe we just leave it as crappy as

322

00:12:50,069 --> 00:12:47,440

this is we just leave it this is what it

323

00:12:51,750 --> 00:12:50,079

is and we'll make another uh castle

324

00:12:53,509 --> 00:12:51,760

somewhere down the line

325

00:12:56,069 --> 00:12:53,519

after all this is conspiracy land there

326

00:12:59,670 --> 00:12:56,079

will be many castles many secrets

327

00:13:03,829 --> 00:12:59,680

all right we're gonna go down through to

328

00:13:08,790 --> 00:13:06,790

the basement of secrets

329

00:13:12,550 --> 00:13:08,800

but you can see we did uh have the

330

00:13:14,230 --> 00:13:12,560

thought to actually put uh paintings

331

00:13:16,310 --> 00:13:14,240

and perhaps even some tapestries and

332

00:13:17,829 --> 00:13:16,320

murals in the future to

333

00:13:20,310 --> 00:13:17,839

take people's mind off the fact that

334

00:13:21,910 --> 00:13:20,320

they potentially may be tortured when

335

00:13:23,990 --> 00:13:21,920

they get down here

336

00:13:25,509 --> 00:13:24,000

it's basement two

337

00:13:26,790 --> 00:13:25,519

is this bait so that was basement one up

338

00:13:28,710 --> 00:13:26,800

there technically or is that just a kind

339

00:13:30,230 --> 00:13:28,720

of a yeah okay that's basically one

340

00:13:32,790 --> 00:13:30,240

that's blue ground i thought it was kind

341

00:13:34,470 --> 00:13:32,800

of like you know

342

00:13:37,110 --> 00:13:34,480

just kind of like a little platform okay

343

00:13:38,870 --> 00:13:37,120

let's go down basement too

344

00:13:39,910 --> 00:13:38,880

now this is the actual this is the

345

00:13:44,389 --> 00:13:39,920

bottom

346

00:13:45,750 --> 00:13:44,399

this is as low as we go

347

00:13:47,509 --> 00:13:45,760

yep

348

00:13:48,710 --> 00:13:47,519

we just came out up this is our train

349

00:13:50,790 --> 00:13:48,720

thing we were at here let's go take a

350

00:13:53,110 --> 00:13:50,800

look okay yeah here is the train track

351
00:13:54,629 --> 00:13:53,120
that connected um this castle crap

352
00:13:55,910 --> 00:13:54,639
castle to

353
00:13:58,870 --> 00:13:55,920
uh

354
00:14:02,069 --> 00:13:58,880
to the through the church

355
00:14:04,629 --> 00:14:02,079
now we have our

356
00:14:07,110 --> 00:14:04,639
secret tunnel well not so secret but

357
00:14:09,110 --> 00:14:07,120
yeah i mean i mean it's kind of like it

358
00:14:11,189 --> 00:14:09,120
looks just like a hallway there's no

359
00:14:12,710 --> 00:14:11,199
secret about it

360
00:14:15,110 --> 00:14:12,720
but we will call everything a secret

361
00:14:18,949 --> 00:14:15,120
here's a secret light over here

362
00:14:18,959 --> 00:14:22,870
everything's a secret

363
00:14:25,990 --> 00:14:23,670

and

364

00:14:29,110 --> 00:14:26,000

down here is our satanic uh chapel

365

00:14:30,230 --> 00:14:29,120

secret satanic chapel

366

00:14:32,389 --> 00:14:30,240

boy we really gotta do something about

367

00:14:33,189 --> 00:14:32,399

these stairs

368

00:14:35,990 --> 00:14:33,199

yeah

369

00:14:37,750 --> 00:14:36,000

they're not stairs they're just blocks

370

00:14:39,750 --> 00:14:37,760

you just fall from

371

00:14:42,069 --> 00:14:39,760

one thing like

372

00:14:44,310 --> 00:14:42,079

you have to jump i mean i guess i mean

373

00:14:45,509 --> 00:14:44,320

they technically do work as some sort of

374

00:14:47,990 --> 00:14:45,519

stare

375

00:14:49,269 --> 00:14:48,000

but uh they're not the best

376

00:14:51,030 --> 00:14:49,279

um

377

00:14:53,350 --> 00:14:51,040

shot of this tell you what i'm not happy

378

00:14:55,350 --> 00:14:53,360

about this satanic temple but

379

00:14:57,509 --> 00:14:55,360

we got a trap door down there this is

380

00:14:59,030 --> 00:14:57,519

the pit of despair

381

00:15:00,550 --> 00:14:59,040

oh god

382

00:15:02,389 --> 00:15:00,560

i just fell down the pit of despair and

383

00:15:03,590 --> 00:15:02,399

there's two zombies zombie heads down

384

00:15:08,150 --> 00:15:03,600

here

385

00:15:10,829 --> 00:15:09,910

now i'm not happy with

386

00:15:14,470 --> 00:15:10,839

the way

387

00:15:16,470 --> 00:15:14,480

this alter is not very

388

00:15:17,509 --> 00:15:16,480

pronounced

389

00:15:18,949 --> 00:15:17,519

do you understand what i'm saying you

390

00:15:21,350 --> 00:15:18,959

sacrificed it in front of the upside

391

00:15:23,350 --> 00:15:21,360

down cross so i think that's the idea

392

00:15:25,829 --> 00:15:23,360

no there's a lot there's like too much

393

00:15:28,710 --> 00:15:25,839

area back here we gotta we want to have

394

00:15:29,829 --> 00:15:28,720

enough people uh we want just to be like

395

00:15:31,269 --> 00:15:29,839

kind of like a

396

00:15:32,870 --> 00:15:31,279

a work room where

397

00:15:34,470 --> 00:15:32,880

a couple guys can get around the the

398

00:15:35,670 --> 00:15:34,480

sacrifice and just get a lot of good

399

00:15:37,350 --> 00:15:35,680

work done

400

00:15:39,350 --> 00:15:37,360

not just two people at the small table

401
00:15:40,949 --> 00:15:39,360
you notice tonight the nice step ceiling

402
00:15:42,230 --> 00:15:40,959
this is like a card table people come

403
00:15:43,590 --> 00:15:42,240
down here and play cards they're not

404
00:15:45,430 --> 00:15:43,600
going to think

405
00:15:49,269 --> 00:15:45,440
that they can sacrifice anybody it's not

406
00:15:54,230 --> 00:15:51,269
here i am for scale

407
00:15:57,910 --> 00:15:54,240
yeah you could two people can play cards

408
00:16:02,470 --> 00:16:00,230
sacrifice that's just not gonna work hey

409
00:16:04,550 --> 00:16:02,480
shoot another arrow

410
00:16:06,389 --> 00:16:04,560
maybe put a dart board up over there

411
00:16:08,230 --> 00:16:06,399
i kind of like that

412
00:16:09,990 --> 00:16:08,240
there you go yeah we can hang people in

413
00:16:11,590 --> 00:16:10,000

front of this we haven't made the little

414

00:16:12,790 --> 00:16:11,600

structure so they can

415

00:16:14,629 --> 00:16:12,800

put people in the middle of it and we

416

00:16:16,949 --> 00:16:14,639

shoot arrows at them possibly throw

417

00:16:19,990 --> 00:16:16,959

things at them

418

00:16:25,030 --> 00:16:20,000

okay what kind of rock did you use to

419

00:16:25,040 --> 00:16:28,790

what about a nice spruce

420

00:16:32,389 --> 00:16:30,069

what do you think about a nice spruce

421

00:16:34,790 --> 00:16:32,399

wood or maybe is it this

422

00:16:38,150 --> 00:16:34,800

i use chiseled stone bricks chiseled

423

00:16:40,629 --> 00:16:38,160

stone bricks okay

424

00:16:43,509 --> 00:16:40,639

second on the block it's the second menu

425

00:16:46,790 --> 00:16:43,519

upper left first one ah yes the good old

426
00:16:50,949 --> 00:16:49,110
i'm gonna get rid of that too much blood

427
00:16:54,949 --> 00:16:50,959
right now

428
00:16:54,959 --> 00:16:59,670
yeah i like a nice long table

429
00:16:59,680 --> 00:17:02,310
and

430
00:17:09,110 --> 00:17:05,909
perhaps i mean the sacrificing really

431
00:17:13,270 --> 00:17:09,120
should be taking that place right here

432
00:17:18,150 --> 00:17:16,309
and this should be for dining purposes

433
00:17:20,390 --> 00:17:18,160
uh with the person sitting here at the

434
00:17:22,470 --> 00:17:20,400
head of the table able to view

435
00:17:25,029 --> 00:17:22,480
the sacrifice for his entertainment

436
00:17:31,110 --> 00:17:25,039
during meal time

437
00:17:33,909 --> 00:17:32,710
of course i'm a bit of a stickler i'm a

438
00:17:36,070 --> 00:17:33,919

stickler when it comes to my human

439

00:17:38,070 --> 00:17:36,080

sacrifices everyone knows this so

440

00:17:41,190 --> 00:17:38,080

yeah maybe have something here very

441

00:17:44,630 --> 00:17:42,870

all right we can go where else do we

442

00:17:46,630 --> 00:17:44,640

have left

443

00:17:48,230 --> 00:17:46,640

oh we have we have to go to fema camp

444

00:17:49,990 --> 00:17:48,240

one

445

00:17:52,710 --> 00:17:50,000

ah that's right

446

00:17:54,630 --> 00:17:52,720

and uh detention center

447

00:17:56,710 --> 00:17:54,640

yes we have to go to fema camp one in

448

00:17:58,710 --> 00:17:56,720

conspiracy land uh this is just the

449

00:18:01,750 --> 00:17:58,720

start of conspiracy land there will be

450

00:18:06,150 --> 00:18:01,760

many more illuminati secrets uh we're

451
00:18:08,390 --> 00:18:06,160
planning on doing chemtrails as well

452
00:18:09,909 --> 00:18:08,400
any environmental disaster

453
00:18:11,270 --> 00:18:09,919
we can do chemtrails really easy we

454
00:18:12,950 --> 00:18:11,280
should just get like the emerald and

455
00:18:13,750 --> 00:18:12,960
like diamond and red power blocks and

456
00:18:15,909 --> 00:18:13,760
just

457
00:18:17,270 --> 00:18:15,919
build up to the sky and make trails and

458
00:18:24,230 --> 00:18:17,280
get rid of the supports they'll just

459
00:18:34,870 --> 00:18:26,630
what the hell is that thing

460
00:18:37,029 --> 00:18:35,909
nice

461
00:18:38,230 --> 00:18:37,039
here we are at the entrance to the

462
00:18:40,390 --> 00:18:38,240
castle

463
00:18:43,270 --> 00:18:40,400

it's raining was it raining it's always

464

00:18:45,029 --> 00:18:43,280

raining oh yeah

465

00:18:46,549 --> 00:18:45,039

i'm tired of rain

466

00:18:48,310 --> 00:18:46,559

all right let's go to the camp you know

467

00:18:51,830 --> 00:18:48,320

how to get the fema camp one but yeah

468

00:18:57,590 --> 00:18:53,909

let's see how they're doing

469

00:18:59,430 --> 00:18:57,600

now uh yesterday we did find a village

470

00:19:03,830 --> 00:18:59,440

of

471

00:19:05,830 --> 00:19:03,840

and oh

472

00:19:07,909 --> 00:19:05,840

i can see the wall in the distance

473

00:19:10,870 --> 00:19:07,919

and we didn't like their attitude uh

474

00:19:12,470 --> 00:19:10,880

their way of life uh generally what they

475

00:19:15,750 --> 00:19:12,480

stood for

476
00:19:17,990 --> 00:19:15,760
so clown baby decided to wall off their

477
00:19:19,750 --> 00:19:18,000
their village to separate them from the

478
00:19:21,750 --> 00:19:19,760
outside world to protect them

479
00:19:24,230 --> 00:19:21,760
essentially from all the evils going on

480
00:19:25,510 --> 00:19:24,240
out there let's see if we can talk to

481
00:19:28,070 --> 00:19:25,520
one of them

482
00:19:29,350 --> 00:19:28,080
we usually don't have much to say

483
00:19:30,390 --> 00:19:29,360
no

484
00:19:32,070 --> 00:19:30,400
they're

485
00:19:33,750 --> 00:19:32,080
pretty nondescript and what they want is

486
00:19:35,669 --> 00:19:33,760
there anybody here

487
00:19:38,070 --> 00:19:35,679
oh yeah here they are yeah

488
00:19:39,350 --> 00:19:38,080

hey come here buddy come here oh what do

489

00:19:40,470 --> 00:19:39,360

they do oh they're pretty pissed come

490

00:19:42,549 --> 00:19:40,480

here

491

00:19:44,630 --> 00:19:42,559

look we provided you a good life you

492

00:19:46,870 --> 00:19:44,640

have a wall of protection plenty of

493

00:19:49,110 --> 00:19:46,880

water protection coming from the sky

494

00:19:50,549 --> 00:19:49,120

i don't

495

00:19:51,909 --> 00:19:50,559

it's him in the head with my sword i

496

00:19:55,110 --> 00:19:51,919

don't want to mess around with him hey

497

00:19:56,470 --> 00:19:55,120

and he's trying to close this door on me

498

00:19:58,950 --> 00:19:56,480

what are they talking about

499

00:20:01,830 --> 00:19:58,960

these people are conspiring against us

500

00:20:05,029 --> 00:20:01,840

look at these these big nose fools they

501
00:20:06,150 --> 00:20:05,039
look like muppets

502
00:20:07,830 --> 00:20:06,160
look at him

503
00:20:10,630 --> 00:20:07,840
i just broke the door

504
00:20:11,990 --> 00:20:10,640
you broke their door

505
00:20:13,750 --> 00:20:12,000
oh my god

506
00:20:26,870 --> 00:20:13,760
wall them in

507
00:20:32,070 --> 00:20:29,270
shut up i don't want to hear it

508
00:20:32,830 --> 00:20:32,080
yeah we got we've had enough of you pal

509
00:20:34,390 --> 00:20:32,840
be

510
00:20:39,990 --> 00:20:34,400
thankful

511
00:20:43,830 --> 00:20:41,669
anytime you see one inside of a

512
00:20:46,149 --> 00:20:43,840
structure

513
00:20:48,310 --> 00:20:46,159

block them in

514

00:20:55,750 --> 00:20:48,320

they are they are officially under house

515

00:20:55,760 --> 00:21:02,230

martial law

516

00:21:02,240 --> 00:21:09,270

they can escape out here nope

517

00:21:15,669 --> 00:21:11,430

oh this guy's this farmer is offering to

518

00:21:18,789 --> 00:21:15,679

trade arrows no trade you die

519

00:21:20,870 --> 00:21:18,799

oh god dang it

520

00:21:23,510 --> 00:21:20,880

they don't have it back to their house

521

00:21:25,830 --> 00:21:23,520

did you know this

522

00:21:27,750 --> 00:21:25,840

uh i think i would have seen it it looks

523

00:21:29,669 --> 00:21:27,760

like it was kind of blown up

524

00:21:30,950 --> 00:21:29,679

the back of their house is completely uh

525

00:21:32,230 --> 00:21:30,960

gone

526

00:21:34,950 --> 00:21:32,240

oh that might have happened when i was

527

00:21:39,590 --> 00:21:34,960

dynamiting the mountain away

528

00:21:45,990 --> 00:21:41,029

i think they knew we're trying to wall

529

00:21:49,909 --> 00:21:48,149

he wants to trade arrows

530

00:21:52,230 --> 00:21:49,919

uh yeah

531

00:21:55,590 --> 00:21:52,240

see farmer trade

532

00:21:57,909 --> 00:21:55,600

required items uh

533

00:22:01,029 --> 00:21:57,919

emeralds i don't have any emeralds pal

534

00:22:06,149 --> 00:22:03,510

beat it muppet

535

00:22:07,909 --> 00:22:06,159

anybody in this house

536

00:22:09,750 --> 00:22:07,919

no oh they have a treasure chest back

537

00:22:12,870 --> 00:22:09,760

here

538

00:22:14,789 --> 00:22:12,880

they holding out on this

539

00:22:24,390 --> 00:22:14,799

are you boxing their ears

540

00:22:31,830 --> 00:22:27,350

red stone yeah

541

00:22:35,909 --> 00:22:33,350

let me see if anybody else is uh doing

542

00:22:39,590 --> 00:22:37,110

i'm gonna make sure they kept the

543

00:22:41,430 --> 00:22:39,600

monster wasn't that one uh

544

00:22:43,350 --> 00:22:41,440

yeah i want to make sure uh these people

545

00:22:45,430 --> 00:22:43,360

are up to uh

546

00:22:48,149 --> 00:22:45,440

all up to code

547

00:22:50,070 --> 00:22:48,159

all their papers are on order here

548

00:22:53,510 --> 00:22:50,080

uh these people are still walled off in

549

00:22:55,110 --> 00:22:53,520

there there's two of them freaking out

550

00:22:56,789 --> 00:22:55,120

they're just they're just in there

551
00:22:58,549 --> 00:22:56,799
freaking out

552
00:23:00,390 --> 00:22:58,559
they don't have to do themselves hey

553
00:23:01,830 --> 00:23:00,400
buddy you're not getting out anytime

554
00:23:03,430 --> 00:23:01,840
soon

555
00:23:04,630 --> 00:23:03,440
you should have came clean protection

556
00:23:06,549 --> 00:23:04,640
should have came clean with what you had

557
00:23:08,310 --> 00:23:06,559
back there in the uh the treasure chest

558
00:23:10,230 --> 00:23:08,320
we know you're hiding bread we know

559
00:23:15,350 --> 00:23:10,240
you're hiding gems

560
00:23:18,310 --> 00:23:15,360
in fact your water supply is cut off

561
00:23:20,549 --> 00:23:18,320
i get a better idea i just cut off their

562
00:23:22,549 --> 00:23:20,559
well don't blow up their well

563
00:23:24,230 --> 00:23:22,559

okay don't blow it off

564

00:23:25,110 --> 00:23:24,240

i wanna i wanna be able to come back and

565

00:23:33,110 --> 00:23:25,120

uh

566

00:23:34,310 --> 00:23:33,120

back and allow them to drink water again

567

00:23:38,710 --> 00:23:34,320

but they don't i mean there's plenty of

568

00:23:41,990 --> 00:23:40,390

but that'll be fine

569

00:23:43,270 --> 00:23:42,000

so this is fema camp one you can see

570

00:23:45,909 --> 00:23:43,280

they're obviously being treated and

571

00:23:47,190 --> 00:23:45,919

inspected uh with the

572

00:23:50,230 --> 00:23:47,200

with

573

00:23:51,669 --> 00:23:50,240

very much uh respect

574

00:23:54,390 --> 00:23:51,679

and uh

575

00:23:56,470 --> 00:23:54,400

an honor we care about these people

576

00:23:58,390 --> 00:23:56,480

in uh fema camp one

577

00:24:02,230 --> 00:23:58,400

although they do have a few too many

578

00:24:04,549 --> 00:24:02,240

crops uh jeff just go ahead and uh

579

00:24:06,070 --> 00:24:04,559

this dynamite this one dynamite on one

580

00:24:09,590 --> 00:24:06,080

of their crops

581

00:24:10,549 --> 00:24:09,600

just uh all right let's just uh

582

00:24:13,990 --> 00:24:10,559

yeah

583

00:24:16,390 --> 00:24:14,000

just one one little piece of dynamite

584

00:24:17,669 --> 00:24:16,400

just a teeny piece of dynamite there we

585

00:24:22,310 --> 00:24:17,679

go

586

00:24:22,320 --> 00:24:26,470

isn't that blowing

587

00:24:30,830 --> 00:24:28,630

oh it's going

588

00:24:32,390 --> 00:24:30,840

oh my god

589

00:24:36,470 --> 00:24:32,400

oh

590

00:24:40,549 --> 00:24:38,950

that's not gonna make him happy

591

00:24:41,990 --> 00:24:40,559

we flooded uh

592

00:24:43,909 --> 00:24:42,000

their fields

593

00:24:45,190 --> 00:24:43,919

at least off-field

594

00:24:48,950 --> 00:24:45,200

the cow is freaking out doesn't know

595

00:24:53,430 --> 00:24:51,029

we'll be back um

596

00:24:55,669 --> 00:24:53,440

all right

597

00:24:58,310 --> 00:24:55,679

well that concludes episode one of

598

00:25:01,190 --> 00:24:58,320
