33
00:02:30,720 --> 00:02:28,239

34
00:02:32,729 --> 00:02:30,730
not to find a found of government

35
00:02:38,640 --> 00:02:32,739

36
00:02:42,120 --> 00:02:38,650
Act and sorry we just set up in all her

37
00:02:45,030 --> 00:02:42,130
students we're not cartoonist we're not

38
00:02:46,949 --> 00:02:45,040

illustrate is we're just doing the good

39

00:02:50,130 --> 00:02:46,959

work of the administration making sure

40

00:02:55,440 --> 00:02:50,140

everyone signed up and a good health

41

00:03:00,530 --> 00:02:55,450

care they need yeah I look pretty

42

00:03:03,060 --> 00:03:00,540

seductive if I sit yeah very city is

43

00:03:06,479 --> 00:03:03,070

seductive government workers now yes

44

00:03:10,140 --> 00:03:06,489

well you know so that noise helps be

45

00:03:13,170 --> 00:03:10,150

handsome we're in an undisclosed parking

46

00:03:15,390 --> 00:03:13,180

garage formulating a plan to come check

47

00:03:21,150 --> 00:03:15,400

up on some some people make sure they're

48

00:03:22,979 --> 00:03:21,160

insured I think let's get a picture I

49

00:03:24,930 --> 00:03:22,989

got picture good oh we're good we got

50

00:03:27,240 --> 00:03:24,940

them we got the golden picture I think

51
00:03:31,110 --> 00:03:27,250
the best way to do this pause here for a

52
00:03:33,390 --> 00:03:31,120
second kalam baby the airport no we're

53
00:03:34,920 --> 00:03:33,400
not the airport or not there no we're

54
00:03:37,830 --> 00:03:34,930
not at the airport we are by the

55
00:03:40,440 --> 00:03:37,840
construction site you think of somebody

56
00:03:42,720 --> 00:03:40,450
else here they got that big red X on

57
00:03:44,789 --> 00:03:42,730
your head that's not out that's the

58
00:03:46,470 --> 00:03:44,799
other that's the guy in the IRS he works

59
00:03:49,289 --> 00:03:46,480
by the construction site you don't want

60
00:03:50,819 --> 00:03:49,299
it you don't that's like that's a people

61
00:03:54,629 --> 00:03:50,829
keep calling me about my student loans

62
00:03:56,550 --> 00:03:54,639
man yeah coming could it's a different

63
00:03:57,780 --> 00:03:56,560

Department it's a clerical error where

64

00:03:58,970 --> 00:03:57,790

you're seeing is not a bounty as a

65

00:04:02,039 --> 00:03:58,980

clerical error

66

00:04:04,949 --> 00:04:02,049

it's a positive as a glitcher is

67

00:04:08,100 --> 00:04:04,959

cheating no it's not a cheap I mean it

68

00:04:12,360 --> 00:04:08,110

is a body Jeff could you but please take

69

00:04:14,819 --> 00:04:12,370

off the the way point and let me

70

00:04:17,460 --> 00:04:14,829

establish something here please yeah I'm

71

00:04:19,620 --> 00:04:17,470

okay my can I mean it's one passive mode

72

00:04:22,020 --> 00:04:19,630

anyways okay they're going to kill me

73

00:04:24,900 --> 00:04:22,030

I'd oh yes who gave me the nine thousand

74

00:04:26,370 --> 00:04:24,910

dollar bounty I don't know but I bet it

75

00:04:28,620 --> 00:04:26,380

was that too goddamn little kid in his

76
00:04:32,370 --> 00:04:28,630
family I'm gonna set a waypoint here and

77
00:04:35,010 --> 00:04:32,380
we're gonna go to heaven twice we're

78
00:04:36,719 --> 00:04:35,020
gonna go to this intersection that seems

79
00:04:38,250 --> 00:04:36,729
you have a lot of activity a lot of

80
00:04:42,990 --> 00:04:38,260
people there that we could talk to and

81
00:04:44,640 --> 00:04:43,000
make sure that all signed up and have

82
00:04:48,840 --> 00:04:44,650
their papers in order make sure they get

83
00:04:52,529 --> 00:04:48,850
the health care they need well you see

84
00:04:54,750 --> 00:04:52,539
that a ramp right here oh yeah you know

85
00:04:57,360 --> 00:04:54,760
we wouldn't be able to do this ramp if

86
00:04:59,250 --> 00:04:57,370
we did not have health insurance that's

87
00:05:02,520 --> 00:04:59,260
why I health insurances so I would never

88
00:05:04,800 --> 00:05:02,530

do that XD let's go get this a sedan I

89

00:05:10,189 --> 00:05:04,810

like will be easier to like I like your

90

00:05:17,779 --> 00:05:10,199

style ah Amiata it must know us oh oh

91

00:05:20,790 --> 00:05:17,789

this one is quite sporty nice lot more

92

00:05:25,700 --> 00:05:20,800

intimate oh yes a lot of room in this

93

00:05:29,970 --> 00:05:25,710

thing Fedor UKISS lobbying piece of [h__h]

94

00:05:37,800 --> 00:05:32,280

all right to health care to health care

95

00:05:52,380 --> 00:05:37,810

and beyond look nice good landing way to

96

00:05:54,970 --> 00:05:52,390

stick it tear ass clown baby yeah blues

97

00:05:57,250 --> 00:05:54,980

if I hedges

98

00:05:59,890 --> 00:05:57,260

yeah it looks like the the workers are

99

00:06:06,370 --> 00:05:59,900

pretty slow to get the the trimmings

100

00:06:08,950 --> 00:06:06,380

done out here actually looking do you

101
00:06:12,720 --> 00:06:08,960
think it would behoove us to go get a

102
00:06:15,850 --> 00:06:12,730
helicopter just father oh we've got a

103
00:06:18,220 --> 00:06:15,860
passive fellow hey nice car that a

104
00:06:20,410 --> 00:06:18,230
hearse nice hearse well I mean

105
00:06:23,200 --> 00:06:20,420
healthcare nowadays is not what he used

106
00:06:25,660 --> 00:06:23,210
to be so he's doing the Lord's work Gold

107
00:06:28,120 --> 00:06:25,670
hers though yeah like Obamacare is

108
00:06:29,980 --> 00:06:28,130
kicking in yeah it is we're gonna give

109
00:06:32,170 --> 00:06:29,990
it a helicopter he's probably got like

110
00:06:33,460 --> 00:06:32,180
tripping quicker 8020 coverage and

111
00:06:35,710 --> 00:06:33,470
probably like a five-thousand-dollar

112
00:06:39,250 --> 00:06:35,720
deductible so you can probably afford

113
00:06:41,260 --> 00:06:39,260

that hers although yeah probably ten ten

114

00:06:45,760 --> 00:06:41,270

twenty percent co-insurance yeah that I

115

00:06:47,890 --> 00:06:45,770

stole we just got nice gonna fill that

116

00:06:51,790 --> 00:06:47,900

job I laid it back doesn't I take jumps

117

00:06:58,990 --> 00:06:51,800

200 he following us and McGarrett

118

00:07:00,580 --> 00:06:59,000

offense not do the jump nothing I'm

119

00:07:04,940 --> 00:07:00,590

think we should take his neck he was big

120

00:07:08,720 --> 00:07:06,770

and then we can do Bob's a little bit

121

00:07:11,420 --> 00:07:08,730

slower well we can take the car with us

122

00:07:12,470 --> 00:07:11,430

though we can pick up the hearse yeah we

123

00:07:14,990 --> 00:07:12,480

don't want it up the hearse we don't

124

00:07:19,850 --> 00:07:15,000

want to lose that miata or hers oh the

125

00:07:21,950 --> 00:07:19,860

backflip listen top of the beer son he's

126

00:07:24,080 --> 00:07:21,960

at the beer sign okay hey he's written

127

00:07:27,350 --> 00:07:24,090

grows down he wants to pick you up in

128

00:07:28,970 --> 00:07:27,360

the down he wants to pick you up if you

129

00:07:30,830 --> 00:07:28,980

can pick this stuff out of here yeah

130

00:07:33,110 --> 00:07:30,840

sure yeah I need a pickup let's go get

131

00:07:35,270 --> 00:07:33,120

him mercy ahead we're here I don't see

132

00:07:38,510 --> 00:07:35,280

an America the beer side in front of the

133

00:07:41,810 --> 00:07:38,520

parking garage okay he's that that you

134

00:07:47,120 --> 00:07:41,820

said that X right there that the white

135

00:07:48,470 --> 00:07:47,130

cross out over there to the left pull up

136

00:07:51,740 --> 00:07:48,480

clown baby we're gonna crash into this

137

00:07:55,280 --> 00:07:51,750

thing hey there traffic in trouble can

138

00:07:56,900 --> 00:07:55,290

[h__\h] off all right I don't know I don't

139

00:08:00,980 --> 00:07:56,910

even eat with the FAA get right down

140

00:08:04,100 --> 00:08:00,990

there I see him I see him who is now

141

00:08:09,200 --> 00:08:04,110

whatever you do stay in your car I can't

142

00:08:10,400 --> 00:08:09,210

get back dimuth damn it oh I don't know

143

00:08:13,100 --> 00:08:10,410

if we're gonna be able to call Danny

144

00:08:15,140 --> 00:08:13,110

what happened to you can we we can pick

145

00:08:19,900 --> 00:08:15,150

147

00:08:28,460 --> 00:08:24,510

government to the rescue as always as

148

00:08:31,100 --> 00:08:28,470

always this is costing taxpayers 11

149

00:08:35,390 --> 00:08:31,110

billion dollars right now and there we

150

00:08:39,140 --> 00:08:35,400

go can we release that thing or do you

151

00:08:40,610 --> 00:08:39,150

want to hop in and just ride in it we

152

00:08:44,000 --> 00:08:40,620

wouldn't recommend it if you're insured

153

00:08:46,970 --> 00:08:44,010

162

00:09:26,820 --> 00:09:24,140

to help you health insurance one of

163

00:09:32,470 --> 00:09:26,830

better check it again it's our job they

165

00:09:37,150 --> 00:09:34,250

seem displeased that we landed on their

166

00:09:43,060 --> 00:09:37,160

green I'll go talk to them with open

167

00:09:44,290 --> 00:09:43,070

fists wait he's running away hmm you

168

00:09:48,520 --> 00:09:44,300

174

00:10:17,920 --> 00:10:15,410

frenzy when I talk about health health

175

00:10:20,290 --> 00:10:17,930

insurance I'm sorry i get so passionate

176

00:10:24,940 --> 00:10:20,300

177

00:10:27,550 --> 00:10:24,950

obamacare all right well uh we've

178

00:10:30,220 --> 00:10:27,560

officially ruins golf game he did not

179

00:10:32,970 --> 00:10:30,230

have insurance but he requires a

180

00:10:35,530 --> 00:10:32,980

catastrophic coverage at this point

181
