8
00:00:49,740 --> 00:00:46,989
big deal let's not do people do people

9
00:00:51,630 --> 00:00:49,750
usually oh [\h__\h] they just ran me I saw

10
00:00:53,280 --> 00:00:51,640
that I think they were playing nice at

11
00:00:56,610 --> 00:00:53,290
first and then you opened fired on them

12
00:00:58,200 --> 00:00:56,620
and that kind of set it off okay we

13
00:01:04,170 --> 00:00:58,210

didn't think people actually played nice

14

00:01:07,889 --> 00:01:04,180

I do see you hey there you are right

15

00:01:22,720 --> 00:01:07,899

17

00:01:45,710 --> 00:01:51,970

19

00:02:01,430 --> 00:01:59,790

20

00:02:09,170 --> 00:02:01,440

23

00:02:22,350 --> 00:02:14,970

they'll never expect us to turn round

24

00:02:27,630 --> 00:02:23,760

although you're doing a pretty good job

25

00:02:32,450 --> 00:02:27,640

of losing these cops punch it rounds

26
00:02:35,040 --> 00:02:32,460

27
00:02:41,480 --> 00:02:35,050

32
00:03:04,460 --> 00:03:01,770

54
00:05:19,650 --> 00:05:13,950
