

EMPIRE AT WAR™

1
00:00:10,320 --> 00:00:15,589
uh yes

2
00:00:19,349 --> 00:00:16,710
everyone

3
00:00:24,630 --> 00:00:22,230
if that goddamn luke skywalker's there

4
00:00:27,750 --> 00:00:24,640
i ain't holding back

5
00:00:33,350 --> 00:00:27,760
i'm back for akbar

6
00:00:37,510 --> 00:00:35,030
the enemy is approaching

7
00:00:40,709 --> 00:00:37,520
yeah new [h__\h]

8
00:00:42,869 --> 00:00:40,719
look at this look at this

9
00:00:44,709 --> 00:00:42,879
these favorites stand in our way

10
00:00:45,830 --> 00:00:44,719
eliminate them to prepare for our land

11
00:00:49,990 --> 00:00:45,840
invasion

12
00:00:53,910 --> 00:00:52,069
oh they got han solo over there

13
00:01:05,830 --> 00:00:53,920

holy [\h__\h] burgers

14

00:01:05,840 --> 00:01:12,070

he's quick though

15

00:01:19,510 --> 00:01:14,310

going on over here

16

00:01:24,710 --> 00:01:21,030

yes

17

00:01:30,069 --> 00:01:27,270

no losses

18

00:01:31,429 --> 00:01:30,079

not even han solo could save their sorry

19

00:01:34,230 --> 00:01:31,439

ass

20

00:01:35,350 --> 00:01:34,240

oh [\h__\h] ben kenobi versus these guys

21

00:01:37,510 --> 00:01:35,360

begin

22

00:01:38,830 --> 00:01:37,520

they're attacking my home base

23

00:01:40,469 --> 00:01:38,840

of

24

00:01:42,389 --> 00:01:40,479

uradu

25

00:01:47,350 --> 00:01:42,399

i think my stormtroopers can take on ben

26

00:01:50,389 --> 00:01:49,190

that old fool

27

00:01:53,429 --> 00:01:50,399

i mean if he tries to [h__h] with me i'm

28

00:01:55,510 --> 00:01:53,439

sending an emperor over there so

29

00:02:00,149 --> 00:01:55,520

yeah all these guys these guys can take

30

00:02:05,190 --> 00:02:02,950

oh i got all these guys too

31

00:02:07,350 --> 00:02:05,200

a small force of rebels has infiltrated

32

00:02:10,070 --> 00:02:07,360

our outer defenses and landed somewhere

33

00:02:14,229 --> 00:02:10,080

on the planet shitburgers

34

00:02:14,239 --> 00:02:21,430

retreat

35

00:02:21,440 --> 00:02:26,070

okay everyone

36

00:02:26,080 --> 00:02:38,390

oh we're up against c-3po in r2d2

37

00:02:51,830 --> 00:02:42,229

my barracks okay affirmative sir

38

00:02:51,840 --> 00:02:54,710

we have no

39

00:03:02,550 --> 00:02:56,229

oh there's ben kobe right there everyone

40

00:03:02,560 --> 00:03:05,430

targeting

41

00:03:05,440 --> 00:03:10,790

everyone attacked that [h__h]

42

00:03:15,350 --> 00:03:12,309

roger

43

00:03:24,070 --> 00:03:18,309

on this [h__h] c3 peel right there

44

00:03:24,080 --> 00:03:30,070

secondary position this could be a trap

45

00:03:35,830 --> 00:03:33,670

we're all just chasing 3po and ben canoe

46

00:03:36,869 --> 00:03:35,840

out into the woods this is not a good

47

00:03:38,550 --> 00:03:36,879

idea

48

00:03:41,350 --> 00:03:38,560

there he is

49

00:03:44,149 --> 00:03:41,360

get that [h__h]

50

00:03:52,390 --> 00:03:44,159

oh my god

51

00:04:07,110 --> 00:03:54,550

everybody get up

52

00:04:07,120 --> 00:04:14,710

get that [h__h]

53

00:04:14,720 --> 00:04:20,310

you guys take out these jerks

54

00:04:27,189 --> 00:04:21,830

you guys can take out ben kenobi no

55

00:04:32,710 --> 00:04:28,790

god damn it i really like know where ben

56

00:04:32,720 --> 00:04:40,230

piece of [h__h] thinks he can [h__h] with me

57

00:04:40,240 --> 00:04:45,189

ready to move

58

00:04:48,230 --> 00:04:46,390

when we

59

00:04:49,590 --> 00:04:48,240

take these goddamn [h__h] scout ships

60

00:05:00,870 --> 00:04:49,600

out

61

00:05:00,880 --> 00:05:09,990

i'm going crazy over here

62

00:05:16,070 --> 00:05:12,550

you got you [h__h] go down here and

63

00:05:19,110 --> 00:05:16,080

support i think kenobi is down here

64

00:05:26,150 --> 00:05:19,120
moving to secondary position oh [h__\h]

65

00:05:26,160 --> 00:05:33,029
what is this thing

66

00:05:37,430 --> 00:05:35,350
yeah they have an anti

67

00:05:44,550 --> 00:05:37,440
infantry turret set up

68

00:05:48,390 --> 00:05:46,310
who built that why would you let him

69

00:05:49,110 --> 00:05:48,400
build that thing

70

00:05:50,390 --> 00:05:49,120
hey

71

00:05:54,950 --> 00:05:50,400
droids

72

00:06:05,270 --> 00:05:57,510
yeah chase them

73

00:06:14,710 --> 00:06:08,710
i think i may have killed obi-wan kenobi

74

00:06:14,720 --> 00:06:21,029
so is that the last of them

75

00:06:21,039 --> 00:06:24,550
finally

76

00:06:30,710 --> 00:06:27,670

a rebellion retreat after i believe we

77

00:06:34,469 --> 00:06:30,720

killed obi-wan kenobi i believe

78

00:06:36,230 --> 00:06:34,479

and uh yeah look enemy losses although i

79

00:06:39,350 --> 00:06:36,240

don't i don't know if we actually killed

80

00:06:44,230 --> 00:06:42,469

we took over tatooine vader is on the

81

00:06:45,590 --> 00:06:44,240

surface building a hot palace and a

82

00:06:47,670 --> 00:06:45,600

cantina

83

00:06:49,350 --> 00:06:47,680

meanwhile i moved almost everyone

84

00:06:51,110 --> 00:06:49,360

including uh

85

00:06:53,110 --> 00:06:51,120

boba fett

86

00:06:54,469 --> 00:06:53,120

a couple of the moths the emperor

87

00:06:57,909 --> 00:06:54,479

himself

88

00:06:59,749 --> 00:06:57,919

some star destroyers over to naboo to

89

00:07:01,350 --> 00:06:59,759

punish them and it's probably not going

90

00:07:02,790 --> 00:07:01,360

to be an easy fight

91

00:07:04,070 --> 00:07:02,800

in fact this could

92

00:07:07,029 --> 00:07:04,080

completely

93

00:07:10,950 --> 00:07:07,039

ruin me so here we go

94

00:07:10,960 --> 00:07:14,830

hey this seems peaceful this seems

95

00:07:19,589 --> 00:07:17,350

nice well they just have uh show these

96

00:07:21,350 --> 00:07:19,599

dissidents who rules this galaxy yeah

97

00:07:23,909 --> 00:07:21,360

big time their influence from the system

98

00:07:25,830 --> 00:07:23,919

by destroying all their defenses

99

00:07:31,670 --> 00:07:25,840

i like your attitude

100

00:07:36,070 --> 00:07:34,070

and boba fett i'd wish you'd

101
00:07:38,070 --> 00:07:36,080
you would join us as well

102
00:07:39,589 --> 00:07:38,080
advancing

103
00:07:51,430 --> 00:07:39,599
i don't know i don't really have any

104
00:07:56,629 --> 00:07:54,230
you target that shield generator you

105
00:07:59,510 --> 00:07:56,639
target that shield generator

106
00:08:03,830 --> 00:07:59,520
superstar destroyer

107
00:08:03,840 --> 00:08:13,990
all right boba fett's doing some damage

108
00:08:14,000 --> 00:08:20,550
this thing's got to fall back

109
00:08:24,830 --> 00:08:21,990
i think these are all my ground troops i

110
00:08:28,469 --> 00:08:24,840
can't really afford to lose them

111
00:08:31,350 --> 00:08:28,479
yeah uh broadside cruiser i don't know

112
00:08:31,360 --> 00:08:40,709
maybe you can do some damage all right

113
00:08:40,719 --> 00:08:46,470

yes yes

114

00:08:46,480 --> 00:08:55,190

strong in the forest

115

00:08:55,200 --> 00:09:00,070

yes

116

00:09:00,080 --> 00:09:09,590

hang in turbo laser battery fire

117

00:09:09,600 --> 00:09:12,389

bam

118

00:09:20,829 --> 00:09:14,790

serious damage

119

00:09:24,150 --> 00:09:23,030

annihilated yeah get out of here
