

BATTLEFIELD

HARDLINE

HEIST

FAIL

COVER THE BAG  
29

1  
00:00:10,390 --> 00:00:08,310  
worry clown baby fall hang back don't

2  
00:00:12,629 --> 00:00:10,400  
run in see ya i see you right there hey

3  
00:00:14,950 --> 00:00:12,639  
there you are stick close to me

4  
00:00:16,390 --> 00:00:14,960  
these uh these robbers are gonna try to

5  
00:00:17,670 --> 00:00:16,400  
take all the loot and we got to stop

6  
00:00:21,029 --> 00:00:17,680  
them

7  
00:00:28,830 --> 00:00:22,150  
hopefully there's one sneering and

8  
00:00:32,709 --> 00:00:30,630  
[h\_\_\h]

9  
00:00:34,229 --> 00:00:32,719  
are you all right you dead

10  
00:00:35,430 --> 00:00:34,239  
no they're coming at the back not the

11  
00:00:38,069 --> 00:00:35,440  
back but they're heading they're in the

12  
00:00:41,030 --> 00:00:39,430  
that was a damn trap it was like the

13  
00:00:48,470 --> 00:00:41,040

beginning of a [h\_\_h]

14

00:00:51,910 --> 00:00:50,310

did people just like

15

00:00:53,510 --> 00:00:51,920

call off from work for a week just to

16

00:00:55,350 --> 00:00:53,520

play this yes

17

00:00:56,549 --> 00:00:55,360

i believe so

18

00:00:58,869 --> 00:00:56,559

i just don't know how people are this

19

00:01:01,270 --> 00:00:58,879

good right already well they're good

20

00:01:02,790 --> 00:01:01,280

because uh they're battlefield fans and

21

00:01:07,910 --> 00:01:02,800

you know the mechanics god damn it it's

22

00:01:10,870 --> 00:01:08,950

all right their own way we're going to

23

00:01:12,310 --> 00:01:10,880

really be successful here is if we stick

24

00:01:17,270 --> 00:01:12,320

together and watch each other's backs

25

00:01:17,280 --> 00:01:22,950

all right

26  
00:01:27,190 --> 00:01:24,789  
let's go

27  
00:01:28,710 --> 00:01:27,200  
[h\_\_h] let's move up oh yo you were behind

28  
00:01:33,670 --> 00:01:28,720  
me yeah you could do that you can spawn

29  
00:01:39,670 --> 00:01:34,630  
down there

30  
00:01:43,830 --> 00:01:41,350  
go slow

31  
00:01:46,469 --> 00:01:43,840  
and if you press your left

32  
00:01:49,910 --> 00:01:46,479  
up top balcony yep left d button you can

33  
00:01:49,920 --> 00:01:52,469  
got him

34  
00:01:57,350 --> 00:01:54,950  
your left d-pad we'll throw down some uh

35  
00:01:59,429 --> 00:01:57,360  
medical equipment

36  
00:02:17,830 --> 00:01:59,439  
so we can heal

37  
00:02:20,150 --> 00:02:18,869  
let's go through here i think they're

38  
00:02:26,470 --> 00:02:20,160

going up to the roof

39

00:02:29,350 --> 00:02:28,150

look left look right

40

00:02:32,790 --> 00:02:29,360

behind

41

00:02:36,470 --> 00:02:32,800

[h\_\_\h] good call can you get that [h\_\_\h]

42

00:02:37,270 --> 00:02:36,480

no he got me did he come behind us yeah

43

00:02:38,790 --> 00:02:37,280

okay

44

00:02:40,229 --> 00:02:38,800

[h\_\_\h]

45

00:02:42,550 --> 00:02:40,239

i'm pinned down behind this concrete

46

00:02:44,470 --> 00:02:42,560

thing i see me too i'm behind the

47

00:02:47,589 --> 00:02:44,480

[h\_\_\h] bus they're gonna be coming over

48

00:02:49,110 --> 00:02:47,599

here though the fbi party van yeah

49

00:02:51,990 --> 00:02:49,120

we gotta get that sniper off there we

50

00:03:01,030 --> 00:02:53,750

[h\_\_\h]

51

00:03:05,509 --> 00:03:03,350

helicopter's coming follow me

52

00:03:11,830 --> 00:03:05,519

advance

53

00:03:16,550 --> 00:03:14,149

all right stay stick close over here

54

00:03:20,390 --> 00:03:16,560

yeah the handbag store yeah hide over

55

00:03:20,400 --> 00:03:25,030

they're gonna be coming towards b

56

00:03:29,270 --> 00:03:26,869

so we gotta stick around here we might

57

00:03:41,910 --> 00:03:29,280

be able to

58

00:03:45,030 --> 00:03:43,430

[h\_\_h] someone's got this we have to stick

59

00:04:00,869 --> 00:03:45,040

around back here

60

00:04:06,710 --> 00:04:02,149

pop out here

61

00:04:17,830 --> 00:04:08,630

looks like they're coming to be

62

00:04:20,629 --> 00:04:19,749

[h\_\_h] they got me stick stay alive fall

63

00:04:23,350 --> 00:04:20,639

back

64

00:04:28,230 --> 00:04:23,360

i'm gonna spawn on you

65

00:04:31,590 --> 00:04:29,670

all right good

66

00:04:32,870 --> 00:04:31,600

i saw the [h\_\_h] package carrier too

67

00:04:39,670 --> 00:04:32,880

yeah he's coming around he's coming out

68

00:04:42,870 --> 00:04:40,950

he fumbled

69

00:04:44,629 --> 00:04:42,880

i think i [h\_\_h] got him

70

00:04:47,270 --> 00:04:44,639

you may have let's move up oh [h\_\_h]

71

00:04:51,590 --> 00:04:47,280

flashbang flashbang

72

00:05:05,590 --> 00:04:52,790

they're recovering it right now we've

73

00:05:10,070 --> 00:05:07,990

yeah we got it well i collapsed i jumped

74

00:05:12,230 --> 00:05:10,080

on top of it

75

00:05:13,909 --> 00:05:12,240

three kills six deaths

76  
00:05:17,029 --> 00:05:13,919  
hey you know what who gives a [\h\_\_\h] we

77  
00:05:21,990 --> 00:05:19,510  
it's gonna be a real uh [\h\_\_\h] show as

78  
00:05:24,950 --> 00:05:22,000  
soon as we go in here

79  
00:05:27,029 --> 00:05:24,960  
all right stick with me

80  
00:05:28,790 --> 00:05:27,039  
yep

81  
00:05:31,029 --> 00:05:28,800  
i follow me it's going to be a real [\h\_\_\h]

82  
00:05:36,230 --> 00:05:33,830  
when you rob banks look at everyone

83  
00:05:43,350 --> 00:05:36,240  
i'm throwing smoke thrown frags here he

84  
00:05:47,990 --> 00:05:45,110  
i killed one of them just firing blindly

85  
00:05:52,070 --> 00:05:49,909  
it was like a copper scum it was like

86  
00:05:54,150 --> 00:05:52,080  
pickett's charge

87  
00:05:57,990 --> 00:05:54,160  
yeah he's exactly

88  
00:06:03,430 --> 00:06:01,189

leave my brother alone

89

00:06:09,350 --> 00:06:03,440

oh man fall back

90

00:06:12,790 --> 00:06:10,790

let's hold this position

91

00:06:17,670 --> 00:06:12,800

oh

92

00:06:23,590 --> 00:06:19,110

i think we're holding them back sorry

93

00:06:26,469 --> 00:06:25,590

fall back

94

00:06:29,430 --> 00:06:26,479

off

95

00:06:34,950 --> 00:06:31,110

[h\_\_\h] there by the way

96

00:06:37,110 --> 00:06:34,960

yeah they got me too i saw him

97

00:06:38,710 --> 00:06:37,120

there's about four of them in there now

98

00:06:41,749 --> 00:06:38,720

there's five

99

00:06:43,350 --> 00:06:41,759

five in that parking garage

100

00:06:44,550 --> 00:06:43,360

i think that's where we're headed so

101  
00:06:47,430 --> 00:06:44,560  
let's go ahead and clear it out i don't

102  
00:06:50,550 --> 00:06:47,440  
even know if we have the package

103  
00:06:53,189 --> 00:06:51,909  
[h\_\_h] burgers yeah there's like five

104  
00:06:56,790 --> 00:06:53,199  
there's five of them in that [h\_\_h] we

105  
00:06:59,990 --> 00:06:58,469  
you go for the package i'm heading to

106  
00:07:04,790 --> 00:07:00,000  
i'm gonna go pay a little visit all

107  
00:07:04,800 --> 00:07:14,390  
i gotta get that package

108  
00:07:19,909 --> 00:07:18,230  
never mind we looks like we had a few

109  
00:07:21,270 --> 00:07:19,919  
robber buddies cleared up

110  
00:07:26,550 --> 00:07:21,280  
good good good

111  
00:07:26,560 --> 00:07:34,070  
got that one

112  
00:07:36,950 --> 00:07:36,070  
[h\_\_h] they're guarding this thing in the

113  
00:07:38,629 --> 00:07:36,960

vault

114

00:07:40,870 --> 00:07:38,639

they're actually just camping on the

115

00:07:43,029 --> 00:07:40,880

package in the vault

116

00:07:44,710 --> 00:07:43,039

spawning you as an enforcer mechanic has

117

00:07:49,830 --> 00:07:44,720

a grenade launcher

118

00:07:49,840 --> 00:07:56,390

i think we're getting through that door

119

00:08:02,309 --> 00:07:59,350

going in there setting this setting this

120

00:08:13,670 --> 00:08:04,950

watch my back watch my back

121

00:08:22,869 --> 00:08:16,070

yeah i'm not going back to prison either

122

00:08:26,230 --> 00:08:23,830

they're gonna be on the other side of

123

00:08:29,589 --> 00:08:26,240

this [h\_\_\h] wall

124

00:08:29,599 --> 00:08:33,269

here here we go

125

00:08:33,279 --> 00:08:39,190

i'm going in first

126  
00:08:39,200 --> 00:08:41,909  
threw a frag in there

127  
00:08:41,919 --> 00:08:46,470  
[h\_\_\h] we're back

128  
00:08:51,110 --> 00:08:48,150  
let's go

129  
00:08:54,150 --> 00:08:51,120  
oh [h\_\_\h] god damn it

130  
00:08:59,670 --> 00:08:54,160  
they hit us from both sides

131  
00:09:03,430 --> 00:09:02,230  
god damn it still the package we do

132  
00:09:05,190 --> 00:09:03,440  
fantastic

133  
00:09:06,630 --> 00:09:05,200  
now they're recovering right now [h\_\_\h]

134  
00:09:08,389 --> 00:09:06,640  
leaking like a sieve there's money

135  
00:09:10,150 --> 00:09:08,399  
everywhere coming out yeah it's almost

136  
00:09:11,350 --> 00:09:10,160  
not even worth it at this point

137  
00:09:13,509 --> 00:09:11,360  
let's get up there and recover in the

138  
00:09:15,110 --> 00:09:13,519

package always stole was seventeen

139

00:09:17,030 --> 00:09:15,120

hundred dollars

140

00:09:20,630 --> 00:09:17,040

it hardly seemed considering all the

141

00:09:20,640 --> 00:09:25,110

800 people died for 1700

142

00:09:30,310 --> 00:09:27,430

can we mail them a bomb let's put a bomb

143

00:09:32,070 --> 00:09:30,320

in the elevator and send it up to him

144

00:09:37,750 --> 00:09:32,080

perhaps a large man that says now i have

145

00:09:37,760 --> 00:09:41,190

i marked it off

146

00:09:44,949 --> 00:09:42,949

we have to be heroes it's our time to

147

00:09:49,990 --> 00:09:44,959

shine

148

00:09:50,000 --> 00:09:54,790

we're going for it

149

00:09:54,800 --> 00:10:01,590

[h\_\_\h] burgers

150

00:10:07,430 --> 00:10:03,590

got it

151  
00:10:07,440 --> 00:10:10,710  
batman's on the move

152  
00:10:13,910 --> 00:10:11,750  
[h\_\_\h]

153  
00:10:22,710 --> 00:10:13,920  
let's go back the other way follow me if

154  
00:10:25,910 --> 00:10:23,910  
yep

155  
00:10:27,990 --> 00:10:25,920  
did the old pump fake

156  
00:10:29,829 --> 00:10:28,000  
you're easy to follow you're leaking 100

157  
00:10:40,630 --> 00:10:29,839  
bills oh fantastic

158  
00:10:49,350 --> 00:10:44,150  
you're taking fire i'm taking heavy fire

159  
00:10:51,910 --> 00:10:51,190  
ready got the grenade launcher out yep

160  
00:10:58,150 --> 00:10:51,920  
go

161  
00:10:58,160 --> 00:11:04,710  
what the hell

162  
00:11:08,630 --> 00:11:06,790  
i'm going back downstairs

163  
00:11:10,310 --> 00:11:08,640

mike why didn't you drop why aren't you

164

00:11:12,470 --> 00:11:10,320

today because i had to go back

165

00:11:14,870 --> 00:11:12,480

downstairs

166

00:11:16,710 --> 00:11:14,880

i'm going back up

167

00:11:21,430 --> 00:11:16,720

we're gonna capture the package i'm

168

00:11:26,710 --> 00:11:23,829

i'll spawn it on you

169

00:11:26,720 --> 00:11:30,069

i'm on top

170

00:11:35,829 --> 00:11:31,910

it's here got it

171

00:11:47,910 --> 00:11:37,829

[h\_\_\h] oh my god

172

00:11:53,430 --> 00:11:51,030

damn it that was [h\_\_\h] chaos

173

00:11:55,590 --> 00:11:53,440

i [h\_\_\h] up big time holy [h\_\_\h] that i

174

00:11:56,790 --> 00:11:55,600

[h\_\_\h] up jeff

175

00:11:58,310 --> 00:11:56,800

yeah why'd you go back down to the

176

00:12:00,629 --> 00:11:58,320

elevator because i panicked and i got

177

00:12:04,949 --> 00:12:00,639

scared

178

00:12:07,670 --> 00:12:04,959

it's still up there the package is still

179

00:12:10,949 --> 00:12:07,680

up there they're recovering it right now

180

00:12:12,310 --> 00:12:10,959

oh [\h\_\_\h] burgers

181

00:12:14,470 --> 00:12:12,320

you take the elevator i'm gonna pay a

182

00:12:16,470 --> 00:12:14,480

little visitor

183

00:12:17,790 --> 00:12:16,480

oh they were [\h\_\_\h] returned yeah god

184

00:12:33,350 --> 00:12:17,800

damn

185

00:12:37,590 --> 00:12:34,550

[\h\_\_\h] man

186

00:12:38,870 --> 00:12:37,600

we i really [\h\_\_\h] up there

187

00:12:42,069 --> 00:12:38,880

man

188

00:12:43,110 --> 00:12:42,079

i'm such a piece of [h\_\_h] for doing that

189

00:12:44,870 --> 00:12:43,120

because you cleared it out up there

190

00:12:46,870 --> 00:12:44,880

didn't you
