1
00:00:10,490 --> 00:00:07,550
hey everyone this is mike i'm back with

2
00:00:12,440 --> 00:00:10,500
some more GTA online gameplay still a

3
00:00:15,680 --> 00:00:12,450
little hungover throughout this but

4
00:00:18,890 --> 00:00:15,690
things really pick up when I hop into a

5
00:00:20,750 --> 00:00:18,900
jet immediately and we crash then a

6
00:00:24,800 --> 00:00:20,760
bunch of us around I think almost 10

7
00:00:29,480 --> 00:00:24,810
people hop in a bus and chaos ensues

17

00:01:15,320 --> 00:01:11,700

18

00:01:21,170 --> 00:01:15,330
