

# Skyscraper Landing

1  
00:00:10,850 --> 00:00:07,610  
hello everyone and welcome back to some

2  
00:00:13,789 --> 00:00:10,860  
GTA Online gameplay in this episode

3  
00:00:16,670 --> 00:00:13,799  
clown baby and I are trying to land a

4  
00:00:18,890 --> 00:00:16,680  
plane on top of a skyscraper we try

5  
00:00:21,109 --> 00:00:18,900  
several times we're also streaming out

6  
00:00:24,529 --> 00:00:21,119  
live to Twitch uh there's a lot of

7  
00:00:27,170 --> 00:00:24,539  
background uh game chatter so I did what

8  
00:00:29,029 --> 00:00:27,180  
I could to try to taper that down but

9  
00:00:31,609 --> 00:00:29,039  
it's kind of hard when there's a couple

10  
00:00:34,790 --> 00:00:31,619  
of 12 year old kids yelling and

11  
00:00:38,110 --> 00:00:34,800  
screaming and being excited so enjoy and

12  
00:00:41,450 --> 00:00:38,120  
I will talk to you soon bye

13  
00:00:44,690 --> 00:00:41,460

I'm up for driving if you want but it's

14

00:00:48,549 --> 00:00:46,430

we lost the police

15

00:00:50,990 --> 00:00:48,559

yeah this propellers

16

00:00:54,410 --> 00:00:51,000

yes they really will this shows you if

17

00:01:00,010 --> 00:00:57,189

yes damn

18

00:01:02,630 --> 00:01:00,020

so much bounce back going on

19

00:01:05,810 --> 00:01:02,640

yeah someone needs to turn their uh TV

20

00:01:14,390 --> 00:01:07,330

hello

21

00:01:26,690 --> 00:01:16,789

hold up I'll do it

22

00:01:30,590 --> 00:01:28,490

this is not the best flying conditions

23

00:01:36,350 --> 00:01:30,600

if you can notice

24

00:01:41,149 --> 00:01:39,050

I like duh flying in the fog it's a new

25

00:01:46,450 --> 00:01:41,159

level excitement wow extreme Hatchet

26  
00:01:50,990 --> 00:01:49,249  
oh we got a buzzard on us we certainly

27  
00:01:52,969 --> 00:01:51,000  
do yeah

28  
00:01:54,530 --> 00:01:52,979  
now

29  
00:01:56,090 --> 00:01:54,540  
well I'm jumping if I get painted by

30  
00:01:59,090 --> 00:01:56,100  
radar yeah

31  
00:02:01,609 --> 00:01:59,100  
if you guys hear a beeping you guys we

32  
00:02:04,609 --> 00:02:01,619  
all gotta jump yeah big time I've tried

33  
00:02:06,950 --> 00:02:04,619  
to evade it doesn't work

34  
00:02:09,309 --> 00:02:06,960  
this is just beautiful it is it just

35  
00:02:12,470 --> 00:02:09,319  
looks Majestic

36  
00:02:14,510 --> 00:02:12,480  
is the word Compton is majestic when

37  
00:02:16,790 --> 00:02:14,520  
it's morning and foggy but when you

38  
00:02:19,250 --> 00:02:16,800

can't see it homeless people waking up

39

00:02:20,830 --> 00:02:19,260

hungover and puking yeah ah it's quite

40

00:02:23,930 --> 00:02:20,840

Majestic

41

00:02:26,030 --> 00:02:23,940

first person

42

00:02:27,890 --> 00:02:26,040

you think you can land this plane on top

43

00:02:30,729 --> 00:02:27,900

of one of these towers

44

00:02:36,170 --> 00:02:33,530

I mean I'm a pretty good yeah you might

45

00:02:37,930 --> 00:02:36,180

a fighter jet maybe if you come in like

46

00:02:41,210 --> 00:02:37,940

a fighter jet

47

00:02:43,250 --> 00:02:41,220

here's what I'm gonna do it's possible

48

00:02:47,509 --> 00:02:43,260

I've landed a Titan on top of May's bank

49

00:02:52,089 --> 00:02:47,519

before so there you go see it's possible

50

00:02:54,650 --> 00:02:52,099

you've got to come in really slow yeah

51  
00:02:58,390 --> 00:02:54,660  
we're going from Maze Bank or somewhere

52  
00:03:00,290 --> 00:02:58,400  
else whatever you feel is appropriate

53  
00:03:02,229 --> 00:03:00,300  
go for it I think you're gonna have to

54  
00:03:24,190 --> 00:03:02,239  
go to the steeper

55  
00:03:24,200 --> 00:03:27,830  
all right all right

56  
00:03:34,190 --> 00:03:31,130  
it's gonna work I got full hope we

57  
00:03:36,170 --> 00:03:34,200  
believe in you this is Malaysian flight

58  
00:03:37,789 --> 00:03:36,180  
370 disappeared yeah they're trying to

59  
00:03:39,649 --> 00:03:37,799  
land on top of the skyscraper it's gonna

60  
00:03:41,990 --> 00:03:39,659  
work I've landed on this mountain before

61  
00:03:44,210 --> 00:03:42,000  
I swear to God

62  
00:03:47,509 --> 00:03:44,220  
I'm just gonna come in super slow okay

63  
00:03:50,690 --> 00:03:47,519

yeah okay okay okay you can do this I

64

00:03:52,850 --> 00:03:50,700

can do this I believe in you man

65

00:03:54,410 --> 00:03:52,860

believe in me uh no you're gonna have to

66

00:03:56,030 --> 00:03:54,420

come back at it

67

00:03:59,390 --> 00:03:56,040

you're not straight out with the runway

68

00:04:02,390 --> 00:03:59,400

this is the one stop the engines cut the

69

00:04:04,789 --> 00:04:02,400

engines oh no we're go for the other

70

00:04:06,490 --> 00:04:04,799

building no no

71

00:04:08,890 --> 00:04:06,500

no no no

72

00:04:12,190 --> 00:04:08,900

oh

73

00:04:23,290 --> 00:04:16,189

we had it no all right we gotta try it

74

00:04:28,129 --> 00:04:26,629

there's no pep talk this is our mission

75

00:04:30,050 --> 00:04:28,139

right now I'll be right back we're gonna

76

00:04:32,270 --> 00:04:30,060

land on top of a goddamn skyscraper

77

00:04:34,490 --> 00:04:32,280

that's gonna happen

78

00:04:38,450 --> 00:04:34,500

this is what's going to happen there's

79

00:04:41,810 --> 00:04:38,460

no maybe there's no if it's gonna happen

80

00:04:45,189 --> 00:04:41,820

yeah it's gonna happen right now

81

00:04:47,570 --> 00:04:45,199

I don't know don't don't leave yet

82

00:04:48,770 --> 00:04:47,580

we're already in the air don't worry

83

00:04:51,670 --> 00:04:48,780

we're gonna probably crash it's already

84

00:04:57,530 --> 00:04:54,950

right now oh my God yeah everything's

85

00:05:01,370 --> 00:04:59,330

can you hear me

86

00:05:03,230 --> 00:05:01,380

oh yes I can

87

00:05:05,230 --> 00:05:03,240

well I hope you guys don't land on a

88

00:05:07,430 --> 00:05:05,240

[h\_\_\h]

89

00:05:11,510 --> 00:05:07,440

I'm actually I'm actually calling

90

00:05:11,520 --> 00:05:14,469

um

91

00:05:19,610 --> 00:05:16,990

the

92

00:05:29,650 --> 00:05:19,620

air pump

93

00:05:47,170 --> 00:05:32,390

no it's really not we got freaking yeah

94

00:05:52,150 --> 00:05:50,029

we'll be back

95

00:05:55,129 --> 00:05:52,160

we love you we

96

00:05:57,710 --> 00:05:55,139

have to land this on the skyscraper any

97

00:06:00,170 --> 00:05:57,720

at all cost okay yeah

98

00:06:03,110 --> 00:06:00,180

planes on the skyscraper at all costs

99

00:06:05,570 --> 00:06:03,120

okay please work worry about that gang

100

00:06:07,330 --> 00:06:05,580

it was the only option we had left we

101  
00:06:10,430 --> 00:06:07,340  
all needed to do this

102  
00:06:12,409 --> 00:06:10,440  
I have a seafoam green

103  
00:06:14,689 --> 00:06:12,419  
plane okay

104  
00:06:15,650 --> 00:06:14,699  
she found green that's how it's true to

105  
00:06:17,990 --> 00:06:15,660  
be Massacre down there at the airport

106  
00:06:20,870 --> 00:06:18,000  
but we're up in the air Now it only took

107  
00:06:23,930 --> 00:06:20,880  
30 minutes to get a new plane yeah

108  
00:06:28,150 --> 00:06:23,940  
really that was awesome well like I'm

109  
00:06:40,210 --> 00:06:30,710  
checking the beach dirty Kung Fu

110  
00:06:45,050 --> 00:06:42,890  
yeah you guys all left me I'm the only

111  
00:06:46,990 --> 00:06:45,060  
one here there was absolutely no cars so

112  
00:07:01,210 --> 00:06:47,000  
I had to walk you can take on 50 cops

113  
00:07:05,450 --> 00:07:03,469

I think there's a lot of people in the

114

00:07:07,249 --> 00:07:05,460

air to watch this event go down this is

115

00:07:10,749 --> 00:07:07,259

a lifetime once in a lifetime event

116

00:07:14,089 --> 00:07:10,759

that's gonna happen right now

117

00:07:20,689 --> 00:07:14,099

so it doesn't look like I'm that

118

00:07:24,469 --> 00:07:22,610

no we're not gonna miss

119

00:07:31,390 --> 00:07:24,479

oh my God we're missing we are the only

120

00:07:35,029 --> 00:07:33,409

the building too I have to get hit

121

00:07:41,830 --> 00:07:35,039

together I hope you guys are here to

122

00:07:41,840 --> 00:07:45,589

didn't happen

123

00:07:49,850 --> 00:07:47,869

let's get in here guys

124

00:07:51,890 --> 00:07:49,860

yo come on

125

00:07:54,409 --> 00:07:51,900

all right we're in come on baby let's go

126

00:07:56,210 --> 00:07:54,419

Ryan's passenger with you again open em

127

00:07:57,610 --> 00:07:56,220

just go to first person I'm staring dead

128

00:08:01,450 --> 00:07:57,620

at you we're just looking at each other

129

00:08:01,460 --> 00:08:05,710

yo what's up

130

00:08:09,529 --> 00:08:07,850

they're Landing this jet on top of the

131

00:08:12,710 --> 00:08:09,539

skyscraper is going to be a bit trickier

132

00:08:14,270 --> 00:08:12,720

than the Cessna or the the cargo plane

133

00:08:20,689 --> 00:08:14,280

this has got a lot of speed to it it's

134

00:08:20,699 --> 00:08:22,990

um

135

00:08:26,629 --> 00:08:25,070

stalking some chick on the beach I don't

136

00:08:30,050 --> 00:08:26,639

know where Kung Fu dirty kung fu is

137

00:08:32,389 --> 00:08:30,060

that's that's that's a dedication there

138

00:08:34,610 --> 00:08:32,399

who's committed why are you firing guns

139

00:08:36,709 --> 00:08:34,620

out of a plane you are that's right Jeff

140

00:08:38,930 --> 00:08:36,719

you're driving like or flying like a

141

00:08:41,209 --> 00:08:38,940

drunk Madman

142

00:08:42,529 --> 00:08:41,219

bring it in hot all right hopefully we

143

00:08:45,110 --> 00:08:42,539

don't die I think you start cutting

144

00:08:47,030 --> 00:08:45,120

engines right about here and glide in

145

00:08:49,070 --> 00:08:47,040

can we Glide in from here

146

00:08:50,570 --> 00:08:49,080

I think we start cutting the engines you

147

00:08:52,070 --> 00:08:50,580

have to you have to go towards the

148

00:08:55,130 --> 00:08:52,080

bottom like yeah you have to have to

149

00:08:56,990 --> 00:08:55,140

kind of nose dive and then and then like

150

00:08:59,090 --> 00:08:57,000

bring it up I'm dead up so it's like

151  
00:09:01,310 --> 00:08:59,100  
you're stalling yeah so stalling and

152  
00:09:04,550 --> 00:09:01,320  
then it just it just like slowly like

153  
00:09:05,949 --> 00:09:04,560  
lands on the building all right here we

154  
00:09:09,230 --> 00:09:05,959  
go

155  
00:09:13,730 --> 00:09:09,240  
come back around

156  
00:09:15,949 --> 00:09:13,740  
You're Gonna Want That landing gear up

157  
00:09:22,550 --> 00:09:15,959  
if I don't feel right

158  
00:09:27,829 --> 00:09:25,310  
all right you can do this clown baby

159  
00:09:30,170 --> 00:09:27,839  
even though your blood alcohol level is

160  
00:09:31,790 --> 00:09:30,180  
far above the legal limit for flying or

161  
00:09:34,190 --> 00:09:31,800  
driving I believe that you can do this

162  
00:09:36,470 --> 00:09:34,200  
even though 40 is there one for flying

163  
00:09:38,570 --> 00:09:36,480

oh yeah you can't fly driving we're

164

00:09:40,730 --> 00:09:38,580

flying yeah I mean technically you

165

00:09:45,710 --> 00:09:40,740

shouldn't it's frowned upon

166

00:09:49,070 --> 00:09:46,910

what's going on in the background I've

167

00:09:51,490 --> 00:09:49,080

never seen a movie Flight uh I've seen

168

00:09:57,350 --> 00:09:53,389

I mean that's pretty much all you need

169

00:10:00,710 --> 00:09:57,360

to know yeah I think this is it uh error

170

00:10:02,630 --> 00:10:00,720

the gears are down we're lining up he is

171

00:10:05,509 --> 00:10:02,640

cutting power

172

00:10:06,829 --> 00:10:05,519

just oh just [h\_\_\h] Stall oh yeah isn't

173

00:10:15,730 --> 00:10:06,839

that silence

174

00:10:21,410 --> 00:10:19,250

oh yeah oh yeah oh we're on fire time to

175

00:10:22,790 --> 00:10:21,420

leave uh I don't know let's get out of

176

00:10:27,470 --> 00:10:22,800

here

177

00:10:27,480 --> 00:10:34,009

oh my God my parachute broke oh
