1
00:00:11,120 --> 00:00:08,150
hello everyone welcome back to another

2
00:00:13,430 --> 00:00:11,130
the log or video log as i like to call

3
00:00:15,320 --> 00:00:13,440
them it's been a while since I've done

4
00:00:17,420 --> 00:00:15,330
one of these one-on-one i think the last

5
00:00:19,609 --> 00:00:17,430
time i did when i was in Grand Theft

6
00:00:23,210 --> 00:00:19,619
Auto driving around and driving very

7
00:00:25,310 --> 00:00:23,220
horribly so I'm back when I want with

8
00:00:27,859 --> 00:00:25,320
you try to talk to you a little bit then

9
00:00:31,160 --> 00:00:27,869
give you a little update since that time

10
00:00:32,440 --> 00:00:31,170
I have recorded quite a few videos and

11
00:00:35,000 --> 00:00:32,450
put them up online I hope you've enjoyed

12
00:00:38,840 --> 00:00:35,010
some if not all please can we like if

13
00:00:42,470 --> 00:00:38,850

you do i also i did one more more

14

00:00:46,819 --> 00:00:42,480

recently called teamspeak live which is

15

00:00:49,850 --> 00:00:46,829

a little game or talk show through

16

00:00:53,180 --> 00:00:49,860

twitch that i set up so i stream live to

17

00:00:56,479 --> 00:00:53,190

twitch and people who are watching can

18

00:00:59,090 --> 00:00:56,489

call in to this broadcast and talk to

19

00:01:02,080 --> 00:00:59,100

people in the game and people in the

20

00:01:04,939 --> 00:01:02,090

game can talk to the people on the phone

21

00:01:07,070 --> 00:01:04,949

it worked out and i'm sure the people in

22

00:01:08,960 --> 00:01:07,080

game were probably what the hell's going

23

00:01:11,660 --> 00:01:08,970

on how can someone use their phone to

24

00:01:13,969 --> 00:01:11,670

call into a game and how is that even

25

00:01:15,530 --> 00:01:13,979

possible i think it confused the one or

26

00:01:18,710 --> 00:01:15,540

two of the players in game probably

27

00:01:21,950 --> 00:01:18,720

annoyed some people in Game two but it

28

00:01:24,920 --> 00:01:21,960

worked and I probably needed to edit

29

00:01:28,179 --> 00:01:24,930

some of that down so then dragged on so

30

00:01:32,749 --> 00:01:28,189

long but listen we're not a big channel

31

00:01:36,050 --> 00:01:32,759

and I have far fewer twitch viewers and

32

00:01:37,310 --> 00:01:36,060

I do subscribers here on youtube so if

33

00:01:38,780 --> 00:01:37,320

someone calls up I'm gonna keep them on

34

00:01:40,969 --> 00:01:38,790

the phone as long as possible quite

35

00:01:42,710 --> 00:01:40,979

frankly uh that's what you do we had

36

00:01:46,399 --> 00:01:42,720

really nothing else going on it was kind

37

00:01:48,800 --> 00:01:46,409

of just kind of a betta run for what's

38

00:01:50,539 --> 00:01:48,810

to come hopefully we'll continue to get

39

00:01:52,249 --> 00:01:50,549

more viewers continue to get more

40

00:01:55,460 --> 00:01:52,259

callers and it might be a little more

41

00:01:59,450 --> 00:01:55,470

engaging in fun and do a lot more quick

42

00:02:01,730 --> 00:01:59,460

calls topics and opinions going so I'm

43

00:02:05,959 --> 00:02:01,740

looking forward to doing more teamspeak

44

00:02:08,150 --> 00:02:05,969

live and trying to set up a definite

45

00:02:11,150 --> 00:02:08,160

definite kind of date like every

46

00:02:12,710 --> 00:02:11,160

Saturday night at ten o'clock or every

47

00:02:16,040 --> 00:02:12,720

Friday night it's

48

00:02:17,960 --> 00:02:16,050

Bob since I don't do gaming for a living

49

00:02:20,750 --> 00:02:17,970

or I really have to kind of sketch

50

00:02:24,200 --> 00:02:20,760

around my work and personal life walking

51
00:02:26,360 --> 00:02:24,210
my dog um so it's really whenever I can

52
00:02:30,290 --> 00:02:26,370
make time to do it and and get into it

53
00:02:32,180 --> 00:02:30,300
and have fun but it worked out um if you

54
00:02:34,940 --> 00:02:32,190
liked it if you want to participate I

55
00:02:36,050 --> 00:02:34,950
will let you know when that's when

56
00:02:37,700 --> 00:02:36,060
that's going to happen I'll try to put

57
00:02:39,440 --> 00:02:37,710
up a YouTube video to kind of make an

58
00:02:43,640 --> 00:02:39,450
announcement hey I'm going live on

59
00:02:45,940 --> 00:02:43,650
twitch TV tomorrow night please you and

60
00:03:02,230 --> 00:02:45,950
call in and have a good time and

61
00:03:06,980 --> 00:03:02,240
participate time for a transition so uh

62
00:03:11,600 --> 00:03:06,990
i'm a big nerd and leonard nimoy died

63
00:03:12,710 --> 00:03:11,610

and Spock and yeah it was a big deals

64

00:03:13,880 --> 00:03:12,720

all over the news I don't know if you

65

00:03:17,330 --> 00:03:13,890

heard about this year about this you

66

00:03:21,170 --> 00:03:17,340

know Spock is yeah um when I was growing

67

00:03:23,600 --> 00:03:21,180

up Star Trek the original series was in

68

00:03:25,759 --> 00:03:23,610

syndication and my dad used to watch it

69

00:03:27,350 --> 00:03:25,769

all the time I wasn't a big fan used to

70

00:03:31,040 --> 00:03:27,360

keep asking hey Michael you'll like it

71

00:03:33,259 --> 00:03:31,050

and I never did because that all the

72

00:03:35,540 --> 00:03:33,269

episodes that I that he said hey come

73

00:03:38,270 --> 00:03:35,550

join me watch this with me I'd walk in

74

00:03:40,190 --> 00:03:38,280

and it looks so fake and stupid and

75

00:03:42,440 --> 00:03:40,200

super fake and I was like dad just looks

76

00:03:44,500 --> 00:03:42,450

stupid why are you watching this it

77

00:03:46,759 --> 00:03:44,510

looks awful I couldn't get behind it

78

00:03:50,420 --> 00:03:46,769

wasn't real enough for me damn it and

79

00:03:52,699 --> 00:03:50,430

then um Star Trek The Next Generation

80

00:03:55,190 --> 00:03:52,709

came out and I was like now this is

81

00:03:57,800 --> 00:03:55,200

something I can get behind this looks

82

00:04:01,580 --> 00:03:57,810

real Captain Picard looks like a

83

00:04:04,280 --> 00:04:01,590

competent captain he has his command

84

00:04:07,060 --> 00:04:04,290

staff in order they all follow orders

85

00:04:10,550 --> 00:04:07,070

there's a clear-cut chain of command

86

00:04:13,070 --> 00:04:10,560

captain kirk barely looked like he could

87

00:04:15,020 --> 00:04:13,080

keep his ship running he had Scotty the

88

00:04:18,530 --> 00:04:15,030

drunk down there barely got at the warp

89

00:04:21,289 --> 00:04:18,540

10 uh you had Spock doing his own thing

90

00:04:23,719 --> 00:04:21,299

bones was cursing all time barely saving

91

00:04:25,219 --> 00:04:23,729

lives quite frankly I don't Holly in the

92

00:04:26,490 --> 00:04:25,229

original series that the whole ship has

93

00:04:28,680 --> 00:04:26,500

didn't deteriorate into

94

00:04:30,570 --> 00:04:28,690

to one big drunken orgy every episode

95

00:04:33,080 --> 00:04:30,580

look at the sacchi to push over the

96

00:04:36,780 --> 00:04:33,090

walls looked horrendous stupid and fake

97

00:04:39,300 --> 00:04:36,790

awful the next generation that's when I

98

00:04:42,840 --> 00:04:39,310

hopped on board with the whole Star Trek

99

00:04:44,610 --> 00:04:42,850

thing and that's where I kind of started

100

00:04:48,530 --> 00:04:44,620

to like Spock as a character because he

101
00:04:54,150 --> 00:04:48,540
did do some some guest appearances on

102
00:04:57,350 --> 00:04:54,160
Star Trek next generation one of a note

103
00:05:00,720 --> 00:04:57,360
is where Spock took it upon himself to

104
00:05:03,900 --> 00:05:00,730
try to broker a peace deal between the

105
00:05:09,090 --> 00:05:03,910
Romulans and the Vulcans and so he went

106
00:05:11,940 --> 00:05:09,100
down to Romulus undercover to try to

107
00:05:15,090 --> 00:05:11,950
spread the word that the Vulcans are

108
00:05:17,070 --> 00:05:15,100
open to a negotiation and meanwhile he

109
00:05:18,659 --> 00:05:17,080
had no permission to do this so per car

110
00:05:20,130 --> 00:05:18,669
was like what the dude you're

111
00:05:22,830 --> 00:05:20,140
totally undermining the diplomatic

112
00:05:24,840 --> 00:05:22,840
process you have no authority to speak

113
00:05:26,310 --> 00:05:24,850

on behalf of the Federation quite

114

00:05:28,980 --> 00:05:26,320

frankly you're being a rebel your

115

00:05:32,250 --> 00:05:28,990

troublemaker and this has got to come to

116

00:05:36,480 --> 00:05:32,260

a stop so Picabo goes down

117

00:05:38,520 --> 00:05:36,490

to Romulan or Romulus it's a rhyming Lin

118

00:05:40,560 --> 00:05:38,530

of Romulus I don't know he goes down

119

00:05:42,630 --> 00:05:40,570

there with data he already looks kind of

120

00:05:44,430 --> 00:05:42,640

like a Romulan they go undercover and

121

00:05:47,580 --> 00:05:44,440

try to convince him hey this isn't gonna

122

00:05:52,170 --> 00:05:47,590

work and Spock wouldn't have it at all

123

00:05:55,260 --> 00:05:52,180

and obviously the peace deal fell apart

124

00:05:57,240 --> 00:05:55,270

because the Romulans never wanted peace

125

00:05:58,980 --> 00:05:57,250

they don't want peace with it with the

126

00:06:02,400 --> 00:05:58,990

Vulcans no matter what some of the

127

00:06:05,550 --> 00:06:02,410

underlying population said they are very

128

00:06:07,850 --> 00:06:05,560

angry the higher ups they wanted war war

129

00:06:11,580 --> 00:06:07,860

is good for the economy when it comes to

130

00:06:14,010 --> 00:06:11,590

Vulcans versus Romulans it's great it's

131

00:06:15,750 --> 00:06:14,020

how those two cultures its existing you

132

00:06:17,850 --> 00:06:15,760

know how the the Romulans got started

133

00:06:21,200 --> 00:06:17,860

they were once Vulcans and I that think

134

00:06:24,240 --> 00:06:21,210

they were exiled or they fled from

135

00:06:25,650 --> 00:06:24,250

Vulcan years and years ago way back I

136

00:06:29,010 --> 00:06:25,660

think in the seven years of something

137

00:06:30,900 --> 00:06:29,020

like that so there's that's where I

138

00:06:34,200 --> 00:06:30,910

first learned of Leonard Nimoy and that

139

00:06:37,200 --> 00:06:34,210

actually um caused me to go back and

140

00:06:40,230 --> 00:06:37,210

look at some of the older Star Trek to

141

00:06:42,390 --> 00:06:40,240

the original series and then

142

00:06:44,850 --> 00:06:42,400

and I actually I started watching next

143

00:06:46,980 --> 00:06:44,860

generation before I even saw the Star

144

00:06:50,430 --> 00:06:46,990

Trek the original motion picture which

145

00:06:54,360 --> 00:06:50,440

is where the theme from next generation

146

00:06:56,490 --> 00:06:54,370

comes from so I I kind of got familiar i

147

00:06:57,870 --> 00:06:56,500

started liking the original series after

148

00:07:00,360 --> 00:06:57,880

I watched it more and more and then

149

00:07:03,629 --> 00:07:00,370

which becomes a fan of Star Trek he's

150

00:07:06,360 --> 00:07:03,639

kind of by default and in my opinion

151

00:07:09,300 --> 00:07:06,370

kind of become a fan of all of it I even

152

00:07:12,150 --> 00:07:09,310

watch voyager over and over again and

153

00:07:15,059 --> 00:07:12,160

deep space 9 which is I think severely

154

00:07:19,499 --> 00:07:15,069

underrated and I'm right now I'm going

155

00:07:21,029 --> 00:07:19,509

back and watching the next generation

156

00:07:22,980 --> 00:07:21,039

again it's kind of how I time up some of

157

00:07:26,100 --> 00:07:22,990

my how I time out some of my freelance

158

00:07:29,839 --> 00:07:26,110

work that I do I'll put on a 40 minute

159

00:07:33,570 --> 00:07:29,849

episode of Star Trek The Next Generation

160

00:07:35,670 --> 00:07:33,580

and watch the inner light for the

161

00:07:37,499 --> 00:07:35,680

12-time that's where a card finds his

162

00:07:42,960 --> 00:07:37,509

flute one of the greatest episodes ever

163

00:07:44,189 --> 00:07:42,970

watch it I think it's a season 6 and so

164

00:07:46,379 --> 00:07:44,199

I'll put it on episode and I'll coat

165

00:07:49,439 --> 00:07:46,389

away hack out some websites and that's

166

00:07:52,499 --> 00:07:49,449

what I myself and it's great it's a

167

00:07:55,499 --> 00:07:52,509

great day a great time tracking tool for

168

00:07:59,040 --> 00:07:55,509

myself Netflix and Star Trek but it was

169

00:08:02,640 --> 00:07:59,050

very sad that the that the linen email

170

00:08:05,060 --> 00:08:02,650

learn anymore did die one of the one of

171

00:08:08,969 --> 00:08:05,070

the best things that I did hear him do

172

00:08:13,469 --> 00:08:08,979

was when he was on stage as Spock

173

00:08:14,969 --> 00:08:13,479

debating Q if you are familiar koo so it

174

00:08:17,879 --> 00:08:14,979

was like a hour long conversation

175

00:08:21,959 --> 00:08:17,889

between I forget the actors name of like

176

00:08:27,240 --> 00:08:21,969

you but is Q and mr. Spock going back

177

00:08:28,860 --> 00:08:27,250

and forth with a very elegant wordplay

178

00:08:31,230 --> 00:08:28,870

and dialogue the reading off the script

179

00:08:32,639 --> 00:08:31,240

but it it was very well written and you

180

00:08:35,430 --> 00:08:32,649

can look that up on YouTube just type in

181

00:08:38,550 --> 00:08:35,440

Spock versus Q and if you're a nerdy

182

00:08:41,279 --> 00:08:38,560

Star Trek fan and you like it all and

183

00:08:43,529 --> 00:08:41,289

all that stuff you like Spock and Q and

184

00:08:47,040 --> 00:08:43,539

everybody else you'll get a big kick out

185

00:08:48,510 --> 00:08:47,050

of that as always I was hungover i

186

00:08:51,240 --> 00:08:48,520

believe on

187

00:08:55,500 --> 00:08:51,250

on Sunday and I rolled over and I was

188

00:08:58,980 --> 00:08:55,510

like my god my head hurts so bad I gotta

189

00:09:00,930 --> 00:08:58,990

listen to Spock versus Q because there's

190

00:09:04,350 --> 00:09:00,940

nothing more soothing to a hangover

191

00:09:06,600 --> 00:09:04,360

headache than listening to two science

192

00:09:09,390 --> 00:09:06,610

fiction icons go back and forth for an

193

00:09:11,600 --> 00:09:09,400

hour and a half I think I'm being

194

00:09:15,630 --> 00:09:11,610

sarcastic there i don't know if i am but

195

00:09:19,620 --> 00:09:15,640

it seemed to cure my hangover all right

196

00:09:22,820 --> 00:09:19,630

enough droning on please subscribe to

197

00:09:24,660 --> 00:09:22,830

the channel please like the videos and

198

00:09:26,190 --> 00:09:24,670

i'm only added like a hundred

199

00:09:28,320 --> 00:09:26,200

subscribers right now I'm trying to

200

00:09:30,810 --> 00:09:28,330

march my way to the top of this

201

00:09:32,820 --> 00:09:30,820

YouTube thing I'm trying

202

00:09:36,680 --> 00:09:32,830

hard just every way back around back

203

00:09:40,080 --> 00:09:36,690

here I took down old Mel I took down

204

00:09:41,430 --> 00:09:40,090

Jamie Farr and I took down some other

205

00:09:42,900 --> 00:09:41,440

pictures I just have like a white

206

00:09:44,730 --> 00:09:42,910

background back here so it's like a

207

00:09:46,850 --> 00:09:44,740

professional studio even though there's

208

00:09:49,470 --> 00:09:46,860

no luge it's that professional studio

209

00:09:53,970 --> 00:09:49,480

just by my bedroom with a bunch of

210

00:09:55,470 --> 00:09:53,980

monitors and ton of equipment but

211

00:09:58,050 --> 00:09:55,480

i'm still trying to march my way to top

212

00:09:59,550 --> 00:09:58,060

and i've been taking notes to from

213

00:10:01,980 --> 00:09:59,560

youtube on what they what you shouldn't

214

00:10:04,590 --> 00:10:01,990

shouldn't do and people say you

215

00:10:05,760 --> 00:10:04,600

shouldn't smoke um because it's a bad

216

00:10:07,230 --> 00:10:05,770

influence and it makes you look

217

00:10:08,910 --> 00:10:07,240

unprofessional but I'm smoking

218

00:10:12,810 --> 00:10:08,920

e-cigarettes oh that that's out the

219

00:10:15,960 --> 00:10:12,820

window and they also said you shouldn't

220

00:10:18,150 --> 00:10:15,970

drink too I think this is all this goes

221

00:10:20,430 --> 00:10:18,160

for twitch streaming as well but goddamn

222

00:10:21,960 --> 00:10:20,440

it I like to drink alcohol it's fun but

223

00:10:24,420 --> 00:10:21,970

I know I shouldn't drink that much I

224

00:10:25,890 --> 00:10:24,430

couldn't get that wasted but it's tough

225

00:10:28,530 --> 00:10:25,900

not to be on camera and drink always

226

00:10:31,430 --> 00:10:28,540

want a little drinky takes the edge off

227

00:10:35,280 --> 00:10:31,440

all right I'm getting out here thank you
