hello everyone and welcome back to some

2  
00:00:15,030 --> 00:00:10,960  
gta online gameplay uh in this episode

3  
00:00:16,710 --> 00:00:15,040  
we are doing the humane lab raid heist i

4  
00:00:18,630 --> 00:00:16,720  
still have some people in the studio

5  
00:00:21,109 --> 00:00:18,640  
with me in real life here we're still

6  
00:00:23,830 --> 00:00:21,119  
drinking and partying a little bit

7  
00:00:27,349 --> 00:00:23,840  
i wasn't sure what i was expected to do

8  
00:00:29,990 --> 00:00:27,359  
in this heist i was a helicopter pilot i

9  
00:00:31,830 --> 00:00:30,000  
did my best to support my teammates we

10  
00:00:33,750 --> 00:00:31,840  
wound up failing a few times but i

11  
00:00:35,990 --> 00:00:33,760  
learned a lot it was really a lot of fun

12  
00:00:40,069 --> 00:00:36,000  
to do uh please like the video and

13  
00:00:41,510 --> 00:00:40,079

subscribe i will talk to you later bye

14

00:00:43,430 --> 00:00:41,520

all right this is okay so this is the

15

00:00:44,389 --> 00:00:43,440

last heist mission wow okay so we're

16

00:00:47,110 --> 00:00:44,399

good to go

17

00:00:49,029 --> 00:00:47,120

i think you've done great and this won't

18

00:00:51,029 --> 00:00:49,039

be a problem no one is going to want to

19

00:00:52,389 --> 00:00:51,039

admit that anything happened here

20

00:01:07,830 --> 00:00:52,399

according to my sources we look like a

21

00:01:12,870 --> 00:01:10,310

ground crew is going to jump into the

22

00:01:14,550 --> 00:01:12,880

labs set off the emp make their way

23

00:01:16,870 --> 00:01:14,560

toward the information we're after while

24

00:01:18,789 --> 00:01:16,880

the power is down shopper crew holds

25

00:01:20,070 --> 00:01:18,799

position in the air

26

00:01:22,390 --> 00:01:20,080

just thought you'd like to see what a

27

00:01:24,149 --> 00:01:22,400

skater's body really looks like

28

00:01:26,070 --> 00:01:24,159

you coordinate an event

29

00:01:27,990 --> 00:01:26,080

you do got a tight

30

00:01:30,149 --> 00:01:28,000

my butt is pretty amazing

31

00:01:32,630 --> 00:01:30,159

so remember if we never meet again we

32

00:01:34,710 --> 00:01:32,640

never met at all i love you all

33

00:01:37,350 --> 00:01:34,720

we just look like stupid [h\_\_h]

34

00:01:40,310 --> 00:01:37,360

happened and if it did happen it wasn't

35

00:01:43,590 --> 00:01:40,320

me and it wasn't me because i was never

36

00:01:44,390 --> 00:01:43,600

here stay strong i love you all i love

37

00:01:51,270 --> 00:01:44,400

you

38

00:01:55,190 --> 00:01:52,950

all right

39

00:01:56,230 --> 00:01:55,200

wow now that that's what it is average

40

00:01:58,950 --> 00:01:56,240

rangers

41

00:02:00,149 --> 00:01:58,960

you're running this thing man

42

00:02:01,429 --> 00:02:00,159

yeah yeah

43

00:02:02,950 --> 00:02:01,439

all right so there's not actually as

44

00:02:03,830 --> 00:02:02,960

much money as i was hoping for all right

45

00:02:05,590 --> 00:02:03,840

so

46

00:02:07,910 --> 00:02:05,600

let me ask you a question how good is

47

00:02:09,749 --> 00:02:07,920

each one of your flying and or mid-air

48

00:02:12,070 --> 00:02:09,759

shooting skills uh flying i'm a pretty

49

00:02:13,990 --> 00:02:12,080

good flyer ground team

50

00:02:15,990 --> 00:02:14,000

is that sugar who's saying that yeah i'm

51  
00:02:17,830 --> 00:02:16,000  
better at ground team he said that the

52  
00:02:20,869 --> 00:02:17,840  
other guy said something else uh i think

53  
00:02:23,430 --> 00:02:20,879  
i'm a good pilot in my mind i am

54  
00:02:26,229 --> 00:02:23,440  
i'll tag along with obdm

55  
00:02:27,750 --> 00:02:26,239  
uh you guys want to be ground team

56  
00:02:30,150 --> 00:02:27,760  
i'll love you

57  
00:02:31,990 --> 00:02:30,160  
yeah i'll do whatever you think i'm best

58  
00:02:32,949 --> 00:02:32,000  
at man you're running this show all

59  
00:02:34,949 --> 00:02:32,959  
right

60  
00:02:37,110 --> 00:02:34,959  
here's the thing this okay

61  
00:02:40,309 --> 00:02:37,120  
to give you some perspective so

62  
00:02:42,309 --> 00:02:40,319  
the helicopter that we have here is

63  
00:02:44,390 --> 00:02:42,319

like it's some new [\h\_\_\h] basically it's

64

00:02:46,309 --> 00:02:44,400

got mini guns on either side like a

65

00:02:48,070 --> 00:02:46,319

cannon and [\h\_\_\h] but it's weak as a

66

00:02:49,670 --> 00:02:48,080

feather so like if you get hit a couple

67

00:02:51,589 --> 00:02:49,680

times you're gonna go down so sugar if

68

00:02:53,110 --> 00:02:51,599

you can avoid stuff then we'll be fine

69

00:02:55,030 --> 00:02:53,120

wait wait i wasn't supposed to be the

70

00:02:56,710 --> 00:02:55,040

pilot as the other guy

71

00:02:59,430 --> 00:02:56,720

oh wait who wanted to be pilot i could

72

00:03:01,830 --> 00:02:59,440

obdm can be pilot me i can be pilot

73

00:03:03,589 --> 00:03:01,840

oh okay if you want to change it up i

74

00:03:05,430 --> 00:03:03,599

can do it

75

00:03:07,830 --> 00:03:05,440

it's not very good yeah since uh jj you

76

00:03:10,309 --> 00:03:07,840

said you wanted to stick with uh ob

77

00:03:14,550 --> 00:03:10,319

sure that works all right so we'll be

78

00:03:14,560 --> 00:03:19,430

so you're saying this this helicopter is

79

00:03:22,149 --> 00:03:20,149

it's

80

00:03:23,190 --> 00:03:22,159

super powerful but it doesn't have much

81

00:03:25,030 --> 00:03:23,200

health

82

00:03:27,990 --> 00:03:25,040

oh good

83

00:03:29,830 --> 00:03:28,000

okay so who's in that wine

84

00:03:33,350 --> 00:03:29,840

i'm not

85

00:03:34,949 --> 00:03:33,360

of tempted because you're such a low

86

00:03:36,470 --> 00:03:34,959

level like you don't need this much

87

00:03:39,990 --> 00:03:36,480

money i'm kind of tempted to just knock

88

00:03:44,869 --> 00:03:42,309

no jj

89

00:03:48,229 --> 00:03:44,879

cause like for reference what i could do

90

00:03:48,239 --> 00:03:51,990

oh no i don't do that either

91

00:03:55,509 --> 00:03:53,110

i don't know

92

00:03:57,910 --> 00:03:55,519

that would be not fun jj's not easily

93

00:04:01,429 --> 00:03:57,920

offended so

94

00:04:04,070 --> 00:04:01,439

there all right look we'll go

95

00:04:06,309 --> 00:04:04,080

is there a way to pay me nothing and

96

00:04:07,910 --> 00:04:06,319

everybody else something he's very

97

00:04:09,270 --> 00:04:07,920

generous

98

00:04:12,149 --> 00:04:09,280

there you go all right

99

00:04:15,110 --> 00:04:12,159

here you guys get 20 20 and 60 then oh

100

00:04:17,110 --> 00:04:15,120

my god all right

101  
00:04:17,830 --> 00:04:17,120  
and we will hurt your sacrifice all

102  
00:04:22,069 --> 00:04:17,840  
right

103  
00:04:24,790 --> 00:04:22,079  
this i'm ready

104  
00:04:26,830 --> 00:04:24,800  
this is ridiculous

105  
00:04:29,350 --> 00:04:26,840  
this is bound to fail but here we

106  
00:04:35,270 --> 00:04:29,360  
go it's not gonna fail

107  
00:04:42,150 --> 00:04:37,670  
i don't know any money yeah jj is not

108  
00:04:46,150 --> 00:04:44,710  
move that mic closer to you yeah so you

109  
00:04:48,710 --> 00:04:46,160  
talk into it yeah yeah

110  
00:04:50,070 --> 00:04:48,720  
hey by the way sugar i am loving that

111  
00:04:52,390 --> 00:04:50,080  
that mustache

112  
00:04:56,550 --> 00:04:52,400  
that facial hair is beautiful

113  
00:04:58,230 --> 00:04:56,560

i was going for like a pilot villain

114

00:05:00,550 --> 00:04:58,240

yes you do have that kind of evil

115

00:05:02,629 --> 00:05:00,560

villain if only you had a monocle

116

00:05:04,629 --> 00:05:02,639

you see my pink broad hat

117

00:05:05,830 --> 00:05:04,639

yeah raw hair i see it trying to figure

118

00:05:07,749 --> 00:05:05,840

that out

119

00:05:09,270 --> 00:05:07,759

raw hair yeah

120

00:05:10,150 --> 00:05:09,280

see you guys can't see because here's

121

00:05:12,070 --> 00:05:10,160

the thing like you guys have your

122

00:05:13,909 --> 00:05:12,080

tattoos or whatever i keep it classy

123

00:05:15,590 --> 00:05:13,919

right yeah it all looks good but then on

124

00:05:17,749 --> 00:05:15,600

my back i've got the largest tattoo that

125

00:05:18,870 --> 00:05:17,759

you can get so

126

00:05:20,870 --> 00:05:18,880

oh

127

00:05:23,110 --> 00:05:20,880

but no one can see it no you're not

128

00:05:25,909 --> 00:05:23,120

you're a secret badass

129

00:05:28,310 --> 00:05:25,919

i am i got like enormous anchor and [h\_\_h]

130

00:05:29,830 --> 00:05:28,320

all right all right so valkyrie let's

131

00:05:31,270 --> 00:05:29,840

get to the valkyrie

132

00:05:32,870 --> 00:05:31,280

that's the name of the tank oh wait is

133

00:05:33,749 --> 00:05:32,880

this a four-seater oh well let's ride

134

00:05:35,029 --> 00:05:33,759

together

135

00:05:37,110 --> 00:05:35,039

yeah

136

00:05:38,950 --> 00:05:37,120

here let's all get in oh hold on let me

137

00:05:43,029 --> 00:05:38,960

make it so people get in my car oh is

138

00:05:46,469 --> 00:05:45,510

you got some stuff over there wow

139

00:05:48,550 --> 00:05:46,479

right there

140

00:05:50,830 --> 00:05:48,560

don't want to make it i'm seeing it like

141

00:05:52,790 --> 00:05:50,840

i think i did i think i did a lot of

142

00:05:54,230 --> 00:05:52,800

more can both get in this car but okay

143

00:05:57,590 --> 00:05:54,240

yeah i don't want to drive if i don't

144

00:05:59,909 --> 00:05:57,600

have to i'm very lazy

145

00:06:01,430 --> 00:05:59,919

you guys got this

146

00:06:03,350 --> 00:06:01,440

amazing driver

147

00:06:06,150 --> 00:06:03,360

he's a good motivator

148

00:06:08,230 --> 00:06:06,160

okay so the faster we do this mission

149

00:06:10,230 --> 00:06:08,240

the better the more money we get okay

150

00:06:11,830 --> 00:06:10,240

cool

151  
00:06:14,390 --> 00:06:11,840  
hey that's my oh wow there's a bike

152  
00:06:17,830 --> 00:06:14,400  
there oh no sorry

153  
00:06:21,430 --> 00:06:19,189  
so yeah there's like a bunch of bonuses

154  
00:06:23,830 --> 00:06:21,440  
you can get for doing heist like

155  
00:06:25,430 --> 00:06:23,840  
there's a bonus for doing all five

156  
00:06:26,950 --> 00:06:25,440  
heists in a row

157  
00:06:28,390 --> 00:06:26,960  
there's a bonus for like in

158  
00:06:30,390 --> 00:06:28,400  
chronological order there's bonus for

159  
00:06:36,309 --> 00:06:30,400  
doing all five heists in a row with the

160  
00:06:41,590 --> 00:06:38,390  
and there is like the ultimate bonus

161  
00:06:43,189 --> 00:06:41,600  
which is do all five heists same team

162  
00:06:47,110 --> 00:06:43,199  
first person view

163  
00:06:48,950 --> 00:06:47,120

and lock in order and never die holy

164

00:06:50,469 --> 00:06:48,960

[h\_\_h] yeah that would be ridiculous

165

00:06:55,670 --> 00:06:50,479

yes

166

00:06:59,830 --> 00:06:57,670

in real life and like tug you off yeah

167

00:07:01,990 --> 00:06:59,840

we're doing that he is

168

00:07:04,870 --> 00:07:02,000

okay

169

00:07:07,110 --> 00:07:04,880

so yeah you guys pilots get parachutes

170

00:07:09,110 --> 00:07:07,120

grenades and sticky bombs

171

00:07:11,110 --> 00:07:09,120

we get night vision goggles that's great

172

00:07:13,189 --> 00:07:11,120

this is going to be tough man like so

173

00:07:16,870 --> 00:07:13,199

what what am i flying to can you give me

174

00:07:19,670 --> 00:07:16,880

down low prints are 92 off 93 now

175

00:07:21,350 --> 00:07:19,680

okay seven percent

176

00:07:24,230 --> 00:07:21,360

okay there is a

177

00:07:27,270 --> 00:07:24,240

place humane labs they're developing a

178

00:07:28,790 --> 00:07:27,280

neurotoxin so

179

00:07:32,150 --> 00:07:28,800

we're gonna go in there and we're gonna

180

00:07:33,830 --> 00:07:32,160

[h\_\_\h] them up okay yeah somebody wants to

181

00:07:36,790 --> 00:07:33,840

put out a business what's the best thing

182

00:07:38,629 --> 00:07:36,800

for this helicopter to do

183

00:07:40,150 --> 00:07:38,639

like uh you guys

184

00:07:41,670 --> 00:07:40,160

your job after you think is you're

185

00:07:45,029 --> 00:07:41,680

dropping us in we're gonna parachute in

186

00:07:47,029 --> 00:07:45,039

oh okay and then as soon as that happens

187

00:07:49,589 --> 00:07:47,039

your job is to provide cover fire okay

188

00:07:53,029 --> 00:07:49,599

so hang back and try to provide long

189

00:07:54,629 --> 00:07:53,039

range cover fire with mini guns

190

00:07:57,270 --> 00:07:54,639

who controls the minigun

191

00:07:58,710 --> 00:07:57,280

would that be jj or myself the pilot

192

00:08:01,110 --> 00:07:58,720

the gunner will the gunner will be the

193

00:08:02,790 --> 00:08:01,120

one okay okay jj you're on the minigun

194

00:08:04,790 --> 00:08:02,800

i'll just be flying this [h\_\_h]

195

00:08:06,469 --> 00:08:04,800

the pilot has i fairly certain i'm not

196

00:08:08,550 --> 00:08:06,479

sure i haven't flown this i'm fairly

197

00:08:14,790 --> 00:08:08,560

sure the pilot gets access to cannons

198

00:08:18,070 --> 00:08:16,070

in the passenger seat they couldn't get

199

00:08:20,070 --> 00:08:18,080

like a cannon as well yeah they they

200

00:08:22,469 --> 00:08:20,080

played another call of duty it's like a

201  
00:08:23,270 --> 00:08:22,479  
call of duty thing kind of thing okay

202  
00:08:25,749 --> 00:08:23,280  
but

203  
00:08:27,110 --> 00:08:25,759  
yeah jj can handle that i believe he's

204  
00:08:29,029 --> 00:08:27,120  
got a good eye he's got a good shot he

205  
00:08:31,029 --> 00:08:29,039  
might be low level but he's certainly an

206  
00:08:34,149 --> 00:08:31,039  
experienced player

207  
00:08:37,190 --> 00:08:35,430  
30 minutes now

208  
00:08:38,230 --> 00:08:37,200  
i i don't know jj probably just picked

209  
00:08:41,430 --> 00:08:38,240  
up the game not too long ago i don't

210  
00:08:45,509 --> 00:08:41,440  
know if he played on 360 or not

211  
00:08:48,710 --> 00:08:47,190  
i enjoy you guys speculating yeah

212  
00:08:49,990 --> 00:08:48,720  
exactly we can just ask him where we're

213  
00:08:51,430 --> 00:08:50,000

talking about him he's in the car with

214

00:08:54,070 --> 00:08:51,440

us

215

00:08:55,590 --> 00:08:54,080

legend has it that jj is the best player

216

00:08:57,590 --> 00:08:55,600

never mind yeah he's right next to me

217

00:08:59,509 --> 00:08:57,600

i'm looking at him

218

00:09:06,829 --> 00:08:59,519

bang your head

219

00:09:11,750 --> 00:09:09,269

oh i tried to haunt my horns i should

220

00:09:14,949 --> 00:09:11,760

have done that i saw that

221

00:09:18,150 --> 00:09:14,959

i saw what happened don't honk your horn

222

00:09:23,110 --> 00:09:20,949

she's just capping off rounds back here

223

00:09:24,070 --> 00:09:23,120

so let's be honest this car is basically

224

00:09:25,990 --> 00:09:24,080

like

225

00:09:28,070 --> 00:09:26,000

a subaru batmobile

226

00:09:29,430 --> 00:09:28,080

i love it that's pretty awesome

227

00:09:31,430 --> 00:09:29,440

like if you go first person on this

228

00:09:33,269 --> 00:09:31,440

thing it's freaking beast

229

00:09:35,509 --> 00:09:33,279

you can't see out of it

230

00:09:37,590 --> 00:09:35,519

it looks [h\_\_h] sweet on this that's

231

00:09:39,190 --> 00:09:37,600

weird actually i do because i did that

232

00:09:40,470 --> 00:09:39,200

you used the car in the first heist and

233

00:09:42,389 --> 00:09:40,480

that's what we did

234

00:09:44,790 --> 00:09:42,399

yeah that's how i forgot this card we

235

00:09:47,990 --> 00:09:44,800

had no we had a first person locked

236

00:09:49,269 --> 00:09:48,000

on hard oh gosh that's a terrible idea

237

00:09:52,710 --> 00:09:49,279

we screwed up the first time but the

238

00:09:56,389 --> 00:09:54,790

don't you do that no no i'm just i'm

239

00:09:57,829 --> 00:09:56,399

just adding a little bit of spice to the

240

00:10:01,590 --> 00:09:57,839

ride yeah

241

00:10:01,600 --> 00:10:06,710

all right you can basically just drive

242

00:10:10,150 --> 00:10:09,190

oh [h\_\_h] oh god damn

243

00:10:13,110 --> 00:10:10,160

see

244

00:10:14,949 --> 00:10:13,120

holy [h\_\_h] i i actually meant farther up

245

00:10:15,750 --> 00:10:14,959

like here you can just turn down this

246

00:10:30,710 --> 00:10:15,760

side

247

00:10:37,990 --> 00:10:32,230

well we're in heist jeff we're going to

248

00:10:42,470 --> 00:10:40,630

[h\_\_h] up spectacularly i gotta get this

249

00:10:44,829 --> 00:10:42,480

circus

250

00:10:47,190 --> 00:10:44,839

goddammit you guys are running

251

00:10:49,750 --> 00:10:47,200

late she's running late

252

00:10:51,910 --> 00:10:49,760

all right uh pilot i'm coming i just

253

00:10:52,949 --> 00:10:51,920

gotta have a goddamn car that flew into

254

00:10:54,790 --> 00:10:52,959

the ocean

255

00:10:57,910 --> 00:10:54,800

give me a break

256

00:11:02,389 --> 00:10:57,920

all right nice helicopter oh

257

00:11:04,550 --> 00:11:02,399

gosh check out this gun oh my god

258

00:11:05,670 --> 00:11:04,560

side facing all right so how do you fly

259

00:11:07,190 --> 00:11:05,680

this thing

260

00:11:08,550 --> 00:11:07,200

i'm joking i don't know how to play

261

00:11:09,829 --> 00:11:08,560

the people don't shoot any of the people

262

00:11:12,470 --> 00:11:09,839

that are around me i'm joking i know how

263

00:11:12,480 --> 00:11:37,910

dude

264

00:11:40,310 --> 00:11:39,030

there's a slight glitch where it'll make

265

00:11:41,750 --> 00:11:40,320

it seem as if you're falling out but

266

00:11:43,110 --> 00:11:41,760

like whatever you do don't press a

267

00:11:44,150 --> 00:11:43,120

because that'll make you actually fall

268

00:11:45,350 --> 00:11:44,160

out

269

00:11:47,110 --> 00:11:45,360

no yeah

270

00:11:49,030 --> 00:11:47,120

i read i read about all of the the

271

00:11:50,630 --> 00:11:49,040

server issues so i know it's probably

272

00:11:53,350 --> 00:11:50,640

just lagged

273

00:11:54,710 --> 00:11:53,360

yeah there's some latency errors

274

00:11:55,910 --> 00:11:54,720

it probably has something to do with the

275

00:11:59,509 --> 00:11:55,920

net code you're gonna want to gain some

276

00:12:04,550 --> 00:12:02,630

oh this this gun's amazing

277

00:12:05,829 --> 00:12:04,560

and yet the secondary gunner is not in

278

00:12:07,509 --> 00:12:05,839

it

279

00:12:08,550 --> 00:12:07,519

well i mean

280

00:12:10,870 --> 00:12:08,560

oops

281

00:12:13,190 --> 00:12:10,880

oh so late i'm probably gonna have a

282

00:12:14,310 --> 00:12:13,200

location probably once you guys drop out

283

00:12:16,230 --> 00:12:14,320

i'm gonna head to the top of the

284

00:12:19,190 --> 00:12:16,240

mountain and jj should be able to fire

285

00:12:26,550 --> 00:12:20,790

we're not we have to get higher up to

286

00:12:30,790 --> 00:12:28,710

you have to go collect that sonic ring

287

00:12:34,870 --> 00:12:30,800

got to go fast

288

00:12:36,470 --> 00:12:34,880

i'm i am getting up there

289

00:12:38,069 --> 00:12:36,480

go go go

290

00:12:39,670 --> 00:12:38,079

the the fate of the united states

291

00:12:41,990 --> 00:12:39,680

depends on it

292

00:12:44,629 --> 00:12:42,000

they get that santa crank i'm getting it

293

00:12:48,710 --> 00:12:46,629

this thing is very wobbly you know it

294

00:12:50,829 --> 00:12:48,720

was a fun heist getting onto an aircraft

295

00:12:52,389 --> 00:12:50,839

carrier and stealing a

296

00:12:54,629 --> 00:12:52,399

harrier

297

00:12:56,870 --> 00:12:54,639

i haven't done this like this and there

298

00:12:58,629 --> 00:12:56,880

we go be part of the setup

299

00:13:00,389 --> 00:12:58,639

we got it

300

00:13:02,150 --> 00:13:00,399

okay guys make sure that you just do

301  
00:13:10,790 --> 00:13:02,160  
really good

302  
00:13:14,790 --> 00:13:12,790  
i'm gonna get there first

303  
00:13:16,310 --> 00:13:14,800  
i doubt that that

304  
00:13:23,829 --> 00:13:16,320  
yeah you're probably right

305  
00:13:27,350 --> 00:13:25,110  
all right

306  
00:13:29,509 --> 00:13:27,360  
if you have a pistol with a suppressor

307  
00:13:32,310 --> 00:13:29,519  
use that actually i have a machine gun

308  
00:13:34,470 --> 00:13:32,320  
with a suppressor

309  
00:13:35,590 --> 00:13:34,480  
do you need me to put a bomb on that

310  
00:13:39,509 --> 00:13:35,600  
yeah

311  
00:13:42,790 --> 00:13:41,670  
all right jj you guys you got eyes down

312  
00:13:46,470 --> 00:13:42,800  
there

313  
00:13:52,310 --> 00:13:46,480

i've got eyes here

314

00:13:57,030 --> 00:13:54,310

we got movement on the west never mind

315

00:13:58,629 --> 00:13:57,040

about going quiet now we go hot and loud

316

00:14:00,949 --> 00:13:58,639

well i mean they're gonna get alerted

317

00:14:02,470 --> 00:14:00,959

anyway no problem

318

00:14:05,670 --> 00:14:02,480

all right guys still alive if you look

319

00:14:09,829 --> 00:14:05,680

out there jj there should be

320

00:14:14,629 --> 00:14:12,949

reloading all right got him

321

00:14:17,110 --> 00:14:14,639

looks like some systems are running on

322

00:14:18,790 --> 00:14:17,120

an emergency

323

00:14:21,030 --> 00:14:18,800

all right

324

00:14:23,910 --> 00:14:21,040

i can't see much you can't see much okay

325

00:14:24,629 --> 00:14:23,920

okay i'll get in closer i'm getting shot

326

00:14:26,389 --> 00:14:24,639

yeah

327

00:14:28,230 --> 00:14:26,399

i'm shooting at the red dots based on

328

00:14:29,829 --> 00:14:28,240

the mini map all right well it's time

329

00:14:31,670 --> 00:14:29,839

for the automatic shotgun i'm just

330

00:14:35,350 --> 00:14:31,680

trying to be careful about not getting

331

00:14:39,670 --> 00:14:35,360

too close and taking fire so

332

00:14:39,680 --> 00:14:44,069

here we go

333

00:14:49,110 --> 00:14:47,670

we're closer than we were before

334

00:14:49,990 --> 00:14:49,120

we're good we're good okay just be

335

00:14:52,470 --> 00:14:50,000

careful

336

00:14:59,829 --> 00:14:54,550

we aren't tanks we're taking a little

337

00:15:02,470 --> 00:15:01,110

this guy on the radio is complaining we

338

00:15:04,310 --> 00:15:02,480

should take down these [\h\_\_\h] but

339

00:15:07,350 --> 00:15:04,320

i'm trying to maintain altitude

340

00:15:09,189 --> 00:15:07,360

and make sure this thing stays alive

341

00:15:10,710 --> 00:15:09,199

i believe in my ground team i believe in

342

00:15:13,189 --> 00:15:10,720

him

343

00:15:15,670 --> 00:15:13,199

oh yeah i believe in me too

344

00:15:17,269 --> 00:15:15,680

i believe in me

345

00:15:18,550 --> 00:15:17,279

[\h\_\_\h]

346

00:15:21,269 --> 00:15:18,560

there's a helicopter yeah we got a

347

00:15:24,550 --> 00:15:21,279

helicopter behind us

348

00:15:26,310 --> 00:15:24,560

all right crap you're here [\h\_\_\h] i guess

349

00:15:29,110 --> 00:15:26,320

we took a direct missile hit from a

350

00:15:33,910 --> 00:15:31,910

y'all are fine y'all are fine

351

00:15:36,949 --> 00:15:33,920

if we have to restart it's no big deal

352

00:15:43,670 --> 00:15:36,959

yeah you need to evade and bail no we're

353

00:15:49,829 --> 00:15:46,710

i am in game wrecked bud

354

00:15:58,629 --> 00:15:52,710

man i almost died there that was their

355

00:16:02,949 --> 00:16:00,150

that's good because i don't like running

356

00:16:05,990 --> 00:16:04,550

we made it to the lab

357

00:16:09,749 --> 00:16:06,000

all right good we're trying to get this

358

00:16:13,590 --> 00:16:09,759

helicopter off our ass

359

00:16:17,269 --> 00:16:13,600

nice nice good job jj hang on

360

00:16:24,710 --> 00:16:19,590

i believe from the east

361

00:16:30,710 --> 00:16:26,150

yeah i think he's gonna probably below

362

00:16:34,150 --> 00:16:32,470

i could get oh wow

363

00:16:35,829 --> 00:16:34,160

where did i just get shot from there's

364

00:16:38,150 --> 00:16:35,839

no one there that's crap yeah he's right

365

00:16:48,550 --> 00:16:45,440

i don't know

369

00:16:52,470 --> 00:16:51,189

check out this automatic shotgun

370

00:16:55,030 --> 00:16:52,480

371

00:16:56,870 --> 00:16:55,040

helicopter anymore do you jj

372

00:16:59,670 --> 00:16:56,880

379

00:17:18,789 --> 00:17:14,319

we still have one we're not planning on

380

00:17:24,390 --> 00:17:21,110

yeah we do all right two choppers coming

381

00:17:25,270 --> 00:17:24,400

382

00:17:28,230 --> 00:17:25,280

okay

383

00:17:29,750 --> 00:17:28,240

i think

384

00:17:31,430 --> 00:17:29,760

wait uh okay

385

00:17:35,029 --> 00:17:31,440

all right [h\_\_h] this guy's coming in

386

00:17:36,549 --> 00:17:35,039

387

00:17:40,070 --> 00:17:36,559

388

00:17:44,870 --> 00:17:41,110

[h\_\_h]

389

00:17:48,950 --> 00:17:47,669

we got two helicopters on us

390

00:17:51,430 --> 00:17:48,960

kick that [h\_\_h] there's one guy's chair

391

00:17:53,830 --> 00:17:51,440

kick nice chair

392

00:17:55,510 --> 00:17:53,840

i don't give a [h\_\_h]

393

00:17:57,270 --> 00:17:55,520

he's a nice chair kick

394

00:17:58,830 --> 00:17:57,280

all right we got the data

395

00:18:01,750 --> 00:17:58,840

you got the

396

00:18:04,390 --> 00:18:01,760

data we got the data

397

00:18:07,190 --> 00:18:04,400

there's going to be like one guy i think

398

00:18:11,830 --> 00:18:07,200

it's like everybody there are at least

399

00:18:15,830 --> 00:18:13,190

oh my god

400

00:18:19,270 --> 00:18:15,840

[h\_\_h] we just took

401  
00:18:23,669 --> 00:18:22,150  
we are on fire we're still flying though

402  
00:18:27,990 --> 00:18:23,679  
there are three helicopters out here

403  
00:18:31,510 --> 00:18:28,000  
stay strong stay strong

404  
00:18:35,430 --> 00:18:33,830  
come on go go go go go how much health

405  
00:18:37,190 --> 00:18:35,440  
do you have

406  
00:18:39,590 --> 00:18:37,200  
uh three quarters

407  
00:18:43,830 --> 00:18:39,600  
you need to use some q's and p's

408  
00:18:48,150 --> 00:18:46,150  
this guy's really [h\_\_\h] close jj we're

409  
00:18:50,789 --> 00:18:48,160  
swimming through

410  
00:18:52,710 --> 00:18:50,799  
[h\_\_\h] free breather dude

411  
00:18:55,909 --> 00:18:52,720  
have you done this before

412  
00:18:57,909 --> 00:18:55,919  
no but they're a lot better than we are

413  
00:18:59,750 --> 00:18:57,919

again they are oh god i don't even know

414

00:19:02,150 --> 00:18:59,760

where i'm going just go straight there

415

00:19:05,350 --> 00:19:02,160

we go yeah go straight down i'm go i'm

416

00:19:07,029 --> 00:19:05,360

ducking down i'm coming back up

417

00:19:10,549 --> 00:19:07,039

we are literally

418

00:19:15,430 --> 00:19:12,710

no i have not but this is nuts

419

00:19:17,270 --> 00:19:15,440

follow me i have a mustache

420

00:19:19,990 --> 00:19:17,280

where you guys at

421

00:19:22,390 --> 00:19:20,000

i'm also a tryout so

422

00:19:25,110 --> 00:19:22,400

i'm a triathlon

423

00:19:27,190 --> 00:19:25,120

goddamn actual event

424

00:19:29,190 --> 00:19:27,200

okay come on there we go we're headed up

425

00:19:31,190 --> 00:19:29,200

that's always a good sign so we're gonna

426  
00:19:32,630 --> 00:19:31,200  
like go get picked up [h\_\_h] and then

427  
00:19:34,789 --> 00:19:32,640  
we're gonna they're still in the air the

428  
00:19:36,150 --> 00:19:34,799  
helicopter warning sounds

429  
00:19:39,190 --> 00:19:36,160  
losing power

430  
00:19:40,070 --> 00:19:39,200  
we are we have lost power

431  
00:19:41,669 --> 00:19:40,080  
oh

432  
00:19:43,190 --> 00:19:41,679  
if you have to bail if you have to you

433  
00:19:44,789 --> 00:19:43,200  
do not die

434  
00:19:47,350 --> 00:19:44,799  
all right bail out

435  
00:19:50,070 --> 00:19:47,360  
[h\_\_h] let's get out of here

436  
00:19:56,070 --> 00:19:50,080  
and i think we're done we're good

437  
00:20:01,110 --> 00:19:57,990  
you know what the fact that we made it

438  
00:20:02,150 --> 00:20:01,120

this far that's incredible

439

00:20:03,510 --> 00:20:02,160

damn

440

00:20:04,870 --> 00:20:03,520

for people that have never done a heist

441

00:20:06,230 --> 00:20:04,880

before also if you guys hit your thumb

442

00:20:10,710 --> 00:20:06,240

thumbsticks you can buy your ammo and

443

00:20:13,590 --> 00:20:11,909

i got a duck out here because my

444

00:20:15,590 --> 00:20:13,600

brother's in the real game jeff you

445

00:20:17,270 --> 00:20:15,600

still on the line

446

00:20:18,470 --> 00:20:17,280

you can't wait like three

447

00:20:20,310 --> 00:20:18,480

minutes

448

00:20:21,590 --> 00:20:20,320

we can try where do we respond from

449

00:20:24,310 --> 00:20:21,600

where we are

450

00:20:25,350 --> 00:20:24,320

uh we'll spawn there oh we'll okay then

451  
00:20:26,950 --> 00:20:25,360  
either

452  
00:20:28,149 --> 00:20:26,960  
we're spawning at the helicopter okay

453  
00:20:30,710 --> 00:20:28,159  
then if we respond to the helicopter

454  
00:20:32,950 --> 00:20:30,720  
then we have to try it one more time

455  
00:20:36,950 --> 00:20:32,960  
yeah we can totally do it

456  
00:20:40,710 --> 00:20:38,870  
i believe i'll let somebody get into the

457  
00:20:42,950 --> 00:20:40,720  
passenger gun this time because that

458  
00:20:44,310 --> 00:20:42,960  
one's actually really powerful

459  
00:20:45,350 --> 00:20:44,320  
yeah

460  
00:20:46,870 --> 00:20:45,360  
all right

461  
00:20:49,190 --> 00:20:46,880  
we have some pretty high potential cuts

462  
00:20:56,950 --> 00:20:49,200  
here lads

463  
00:20:56,960 --> 00:21:01,590

let's do

464

00:21:04,630 --> 00:21:03,430

this it thing is like this whole heist

465

00:21:05,909 --> 00:21:04,640

seems kind of ridiculous they could have

466

00:21:07,909 --> 00:21:05,919

done it like much more stealthily

467

00:21:10,230 --> 00:21:07,919

instead of like getting a huge like

468

00:21:11,750 --> 00:21:10,240

vietnam helicopter

469

00:21:13,830 --> 00:21:11,760

with many guns they could just like

470

00:21:15,350 --> 00:21:13,840

snuck in like no way maybe slowed

471

00:21:17,190 --> 00:21:15,360

everything

472

00:21:19,270 --> 00:21:17,200

but i don't tell you one thing though i

473

00:21:21,750 --> 00:21:19,280

want this helicopter now

474

00:21:23,909 --> 00:21:21,760

yeah it's a nice helicopter

475

00:21:25,190 --> 00:21:23,919

what was the point of stealing the hvy

476

00:21:26,390 --> 00:21:25,200

insurgent thing at the beginning why

477

00:21:27,830 --> 00:21:26,400

didn't they just use like a normal truck

478

00:21:28,630 --> 00:21:27,840

why'd they have to like go steal one

479

00:21:30,310 --> 00:21:28,640

because

480

00:21:31,750 --> 00:21:30,320

the thing is it has to match their stuff

481

00:21:34,310 --> 00:21:31,760

so it doesn't allow suspicion because we

482

00:21:36,789 --> 00:21:34,320

planted that in the last one

483

00:21:39,029 --> 00:21:36,799

last mission we had to like that was the

484

00:21:39,909 --> 00:21:39,039

most frustrating mission ever because it

485

00:21:42,310 --> 00:21:39,919

was like

486

00:21:44,390 --> 00:21:42,320

yeah the stealth oh god

487

00:21:45,590 --> 00:21:44,400

yeah that was really annoying we just

488

00:21:47,909 --> 00:21:45,600

figured out how to kill everybody really

489

00:21:49,510 --> 00:21:47,919

fast so it wasn't that bad

490

00:21:51,830 --> 00:21:49,520

yeah we figured it out and the problem

491

00:21:54,149 --> 00:21:51,840

is we had the guy who didn't have a mic

492

00:22:02,070 --> 00:21:54,159

so we're trying to coordinate and

493

00:22:06,789 --> 00:22:04,789

it's an impressive amount of firepower

494

00:22:08,870 --> 00:22:06,799

all right so what are we trying to do

495

00:22:10,230 --> 00:22:08,880

well we're uh redoing that we failed on

496

00:22:11,830 --> 00:22:10,240

the heist mission and we're going to do

497

00:22:13,590 --> 00:22:11,840

it one more time if this doesn't work

498

00:22:15,750 --> 00:22:13,600

then i'm going to come back into regular

499

00:22:18,470 --> 00:22:15,760

game

500

00:22:20,390 --> 00:22:18,480

well why don't i get to end on that

501  
00:22:24,470 --> 00:22:20,400  
heist because it's a four-person only

502  
00:22:29,909 --> 00:22:28,070  
all right sorry but sorry buddy but

503  
00:22:32,230 --> 00:22:29,919  
we gotta we we had to start this while

504  
00:22:33,270 --> 00:22:32,240  
you're loading up your

505  
00:22:35,590 --> 00:22:33,280  
um

506  
00:22:38,789 --> 00:22:35,600  
your updates for gta you're ready man

507  
00:22:40,549 --> 00:22:38,799  
all right i'm uh i'm ready to roll i'm

508  
00:22:42,390 --> 00:22:40,559  
in the pistolizer truck i'm already in

509  
00:22:44,230 --> 00:22:42,400  
the ground i just stole it

510  
00:22:45,590 --> 00:22:44,240  
all right

511  
00:22:54,070 --> 00:22:45,600  
we'll be there in

512  
00:22:58,470 --> 00:22:57,190  
jj you stolen a passenger

513  
00:23:00,310 --> 00:22:58,480

i've landed

514

00:23:01,590 --> 00:23:00,320

yep okay

515

00:23:04,149 --> 00:23:01,600

so now you gotta point at the

516

00:23:06,149 --> 00:23:04,159

helicopters yeah so you got the don't

517

00:23:07,510 --> 00:23:06,159

die

518

00:23:14,149 --> 00:23:07,520

so it sounds like you got a grenade

519

00:23:17,270 --> 00:23:15,590

i don't know if that's close enough but

520

00:23:18,549 --> 00:23:17,280

we'll see

521

00:23:20,950 --> 00:23:18,559

yeah i think you can do more damage with

522

00:23:23,350 --> 00:23:20,960

this thing

523

00:23:32,470 --> 00:23:23,360

yeah we'll see how it works out

524

00:23:36,549 --> 00:23:34,870

okay to the west

525

00:23:38,549 --> 00:23:36,559

i'm going to be much more sneaky on this

526

00:23:41,909 --> 00:23:38,559

one

527

00:23:44,789 --> 00:23:41,919

that's the opposite of east

528

00:23:47,110 --> 00:23:44,799

well it's perpendicular to north and

529

00:23:49,590 --> 00:23:47,120

south

530

00:23:52,789 --> 00:23:49,600

this alarm sounds like an iphone it sure

531

00:23:54,230 --> 00:23:52,799

does i hear it

532

00:23:55,590 --> 00:23:54,240

all right everybody it's time to get up

533

00:23:59,350 --> 00:23:55,600

don't run don't run

534

00:24:02,870 --> 00:24:00,710

oh god

535

00:24:14,470 --> 00:24:02,880

how do i have zero dollars

536

00:24:17,190 --> 00:24:16,149

we have somebody in charge of that main

537

00:24:23,430 --> 00:24:17,200

switch

538

00:24:23,440 --> 00:24:25,830

all right

539

00:24:35,510 --> 00:24:29,350

i'm going to get that auto shoddy up

540

00:24:40,310 --> 00:24:37,909

coming from the uh looks like the south

541

00:24:42,870 --> 00:24:40,320

right in front of us jj

542

00:24:50,870 --> 00:24:42,880

it's a little bit high yeah i'm gonna

543

00:24:50,880 --> 00:24:54,470

[h\_\_h] burgers [h\_\_h]

544

00:24:58,630 --> 00:24:56,549

stay strong you got him no he we got him

545

00:25:00,070 --> 00:24:58,640

we we took that [h\_\_h] down thank

546

00:25:04,149 --> 00:25:00,080

i think jj made the right call by

547

00:25:04,159 --> 00:25:07,110

um

548

00:25:10,870 --> 00:25:08,950

i can't really get around you so i'll

549

00:25:13,350 --> 00:25:10,880

just uh

550

00:25:15,350 --> 00:25:13,360

oh god i'm sorry i mean you don't have

551  
00:25:18,230 --> 00:25:15,360  
to eat a shipper if you don't want to oh

552  
00:25:20,789 --> 00:25:18,240  
gosh you douchebag no no i'll feed that

553  
00:25:22,630 --> 00:25:20,799  
everybody out yeah you you sh you serve

554  
00:25:25,590 --> 00:25:22,640  
that [\h\_\_\h] burger

555  
00:25:33,909 --> 00:25:25,600  
i need to eat some pizza cues

556  
00:25:41,190 --> 00:25:37,430  
oh sweet i had a p and q

557  
00:25:41,200 --> 00:25:45,990  
okay no helicopter coming in

558  
00:25:53,510 --> 00:25:47,669  
and it's straight straight ahead of us

559  
00:25:57,029 --> 00:25:54,870  
where did you go

560  
00:25:59,190 --> 00:25:57,039  
no i'm already up here

561  
00:26:01,669 --> 00:25:59,200  
i could eat some health though

562  
00:26:04,390 --> 00:26:01,679  
no oh there you are i just forgot where

563  
00:26:04,400 --> 00:26:07,590

nice

564

00:26:13,110 --> 00:26:10,789

no no no not today well if we can trade

565

00:26:15,510 --> 00:26:13,120

one for one one missile shot for one

566

00:26:17,990 --> 00:26:15,520

chopper down we'll be okay

567

00:26:20,070 --> 00:26:18,000

but uh they're really landing stuff we

568

00:26:22,630 --> 00:26:20,080

have a fire

569

00:26:32,230 --> 00:26:22,640

on the helicopter but it's manageable at

570

00:26:32,240 --> 00:26:40,149

all right we're clear get to the keypads

571

00:26:45,029 --> 00:26:41,590

all right all right

572

00:26:46,870 --> 00:26:45,039

three two two one one

573

00:26:49,830 --> 00:26:46,880

well all right just go on your kill

574

00:26:54,070 --> 00:26:52,230

fine shut your face because you're

575

00:26:58,870 --> 00:26:54,080

counting all right two more helicopters

576

00:27:17,990 --> 00:27:02,549  
right in front of us probably two

577

00:27:22,710 --> 00:27:20,870  
apache helicopter pilot oh nice

578

00:27:24,710 --> 00:27:22,720  
stopping the competition sounds like a

579

00:27:26,470 --> 00:27:24,720  
good movie

580

00:27:30,950 --> 00:27:26,480  
and i gotta have some ps and q's it's

581

00:27:30,960 --> 00:27:35,830  
is that the bb's runners

582

00:27:35,840 --> 00:27:39,510  
all right we're taking some [h\_\_h]

583

00:27:43,350 --> 00:27:41,430  
[h\_\_h]

584

00:27:45,029 --> 00:27:43,360  
if only one of you is just stuck after

585

00:27:47,110 --> 00:27:45,039  
that's still fine because we have enough

586

00:27:48,310 --> 00:27:47,120  
lives for that so if it looks like it's

587

00:27:49,830 --> 00:27:48,320  
going to go down make sure one of you

588

00:27:52,390 --> 00:27:49,840

makes it out

589

00:27:53,510 --> 00:27:52,400

it's um it's not it's very difficult

590

00:27:55,190 --> 00:27:53,520

right now

591

00:27:57,510 --> 00:27:55,200

i'm going to turn jj

592

00:27:59,269 --> 00:27:57,520

helicopter in order to get out of there

593

00:28:01,510 --> 00:27:59,279

i'm

594

00:28:02,789 --> 00:28:01,520

running low on air

595

00:28:04,310 --> 00:28:02,799

no you have you have multiple

596

00:28:06,710 --> 00:28:04,320

rebreathers [h\_\_h]

597

00:28:09,269 --> 00:28:06,720

[h\_\_h] are you still in the heist

598

00:28:11,430 --> 00:28:09,279

yeah let's get turned around

599

00:28:14,149 --> 00:28:11,440

just go as fast as you can

600

00:28:26,070 --> 00:28:14,159

uh holiday ass all right you get turned

601  
00:28:29,269 --> 00:28:27,590  
so it's for people that are just really

602  
00:28:30,950 --> 00:28:29,279  
slow

603  
00:28:33,510 --> 00:28:30,960  
i mean yeah i guess

604  
00:28:35,029 --> 00:28:33,520  
people might get lost or something

605  
00:28:38,149 --> 00:28:35,039  
yeah see we're like basically at the end

606  
00:28:41,909 --> 00:28:40,630  
oh no i'm stuck

607  
00:28:45,350 --> 00:28:41,919  
oh no

608  
00:28:48,630 --> 00:28:45,360  
this is the end you turn to your right a

609  
00:28:53,830 --> 00:28:51,750  
there we go i we did it okay

610  
00:28:56,630 --> 00:28:53,840  
pretty good at the beach bro

611  
00:28:59,029 --> 00:28:56,640  
yeah go shoot i wanna i got a flare gun

612  
00:29:00,389 --> 00:28:59,039  
so don't worry okay listen and if you

613  
00:29:01,830 --> 00:29:00,399

guys are having trouble with attack

614

00:29:03,750 --> 00:29:01,840

helicopters let me know because i've got

615

00:29:05,110 --> 00:29:03,760

a homing launcher so let's fly

616

00:29:06,549 --> 00:29:05,120

on them right now they're not on them

617

00:29:07,909 --> 00:29:06,559

anymore they're gonna we're gonna get

618

00:29:09,990 --> 00:29:07,919

the helicopter and then there's gonna be

619

00:29:11,350 --> 00:29:10,000

more attack helicopters that come chases

620

00:29:14,389 --> 00:29:11,360

down but we're gonna have all four of us

621

00:29:19,430 --> 00:29:15,590

and we're going to be faster than them

622

00:29:19,440 --> 00:29:22,310

look out

623

00:29:27,750 --> 00:29:24,789

don't just trust me i'm a professional

624

00:29:29,909 --> 00:29:27,760

okay let's go let's go

625

00:29:31,110 --> 00:29:29,919

okay just just just fly there don't

626

00:29:32,870 --> 00:29:31,120

worry about killing everybody just fly

627

00:29:36,070 --> 00:29:32,880

there we'll kill we gotta go to the

628

00:29:38,149 --> 00:29:36,080

melting pot we're all gonna have fondue

629

00:29:41,269 --> 00:29:38,159

i can't shoot any of these people

630

00:29:43,190 --> 00:29:41,279

they're all on the other side

631

00:29:48,549 --> 00:29:43,200

don't worry about it

632

00:29:48,559 --> 00:29:54,710

wreckage

633

00:29:59,110 --> 00:29:56,789

oh don't hurt me

634

00:30:00,710 --> 00:29:59,120

okay so we should can we shoot down the

635

00:30:02,549 --> 00:30:00,720

missiles

636

00:30:03,909 --> 00:30:02,559

i tried i couldn't get it

637

00:30:15,830 --> 00:30:03,919

all right so i guess you'll just have to

638

00:30:15,840 --> 00:30:20,230

oh damn just [\h\_\_\h]

639

00:30:25,110 --> 00:30:23,510

i'm dead [\h\_\_\h] i don't know

640

00:30:26,950 --> 00:30:25,120

it'll if it restarts us we probably will

641

00:30:30,549 --> 00:30:26,960

restart from that point so oh but will

642

00:30:33,110 --> 00:30:30,559

we start at the beach fail we will if we

643

00:30:34,630 --> 00:30:33,120

if we restart at the beach

644

00:30:36,230 --> 00:30:34,640

we gotta try again

645

00:30:38,470 --> 00:30:36,240

i gotta get out of here are you okay i

646

00:30:39,830 --> 00:30:38,480

uh i have people here i gotta get out of

647

00:30:43,110 --> 00:30:39,840

here

648

00:30:44,470 --> 00:30:43,120

anyway oh no i'm sorry guys i gotta get
