he throw down grenade or something we

48

00:04:25,410 --> 00:04:22,540

had a lot of people on board I can't

49

00:04:29,430 --> 00:04:25,420

effing discussion all right position

50

00:04:34,470 --> 00:04:29,440

[h__h] I'm just driving driving about

57
00:05:14,080 --> 00:05:20,340

58
00:05:26,790 --> 00:05:24,900

63
00:06:02,050 --> 00:05:57,250

oops in her boat

64

00:06:04,420 --> 00:06:02,060

ah uncle Paul to send me a picture on

65

00:06:07,990 --> 00:06:04,430

Twitter of his uh his alcohol for the

66

00:06:09,280 --> 00:06:08,000

night he's got the bacardi gold you

67

00:06:11,980 --> 00:06:09,290

drinking a straight are you mixing with

68

00:06:14,790 --> 00:06:11,990

some that's what I want to know I've had

69

00:06:17,500 --> 00:06:14,800

that before you dismiss time it's okay

70

00:06:21,760 --> 00:06:17,510

I've usually mix it with like a a cola

71

00:06:24,130 --> 00:06:21,770

RC Cola royal crown Cola you know funny

72

00:06:27,280 --> 00:06:24,140

enough RC calls the official Cola of the

73

00:06:28,840 --> 00:06:27,290

Pittsburgh Penguins their arena is it oh

74

00:06:32,950 --> 00:06:28,850

this ours hey are you in the banana van

75

00:06:34,360 --> 00:06:32,960

I'm in the airboat okay we are on the

76

00:06:36,250 --> 00:06:34,370

highway though our she calls the

77

00:06:38,380 --> 00:06:36,260

official sponsor of pittsburgh penguins

78

00:06:39,910 --> 00:06:38,390

see official call us all they sound

79

00:06:41,170 --> 00:06:39,920

there's the only Cola they actually had

80

00:06:47,490 --> 00:06:41,180

besides like mountain dew and shits

81

00:06:47,500 --> 00:07:01,430

Oh smack right into that motorbike damn

82

00:07:14,060 --> 00:07:07,820

you mentioned lots of care of that you

83

00:07:21,990 --> 00:07:18,330

our cars fine going back around we're

84

00:07:24,750 --> 00:07:22,000

jasti few spots i'll spot on you these

85

00:07:26,520 --> 00:07:24,760

suits be fine three people get so

86

00:07:29,280 --> 00:07:26,530

disturbed and upset that the airboat was

87

00:07:31,350 --> 00:07:29,290

killing people I'm sure they came after

88

00:07:33,930 --> 00:07:31,360

it immediately it's such a it has no

89

00:07:36,570 --> 00:07:33,940

armor it'll explode almost an impact but

90

00:07:38,820 --> 00:07:36,580

it's got a minigun attached to it yeah

91

00:07:40,590 --> 00:07:38,830

he said he mixes it until he gets good

92

00:07:44,070 --> 00:07:40,600

and buzzed and then he's too lazy to add

93

00:07:46,590 --> 00:07:44,080

cook all right that means he mixes it

94

00:07:48,630 --> 00:07:46,600

until he's good and buzz then he's too

95

00:07:50,460 --> 00:07:48,640

lazy to add coke so he just ends up a

96

00:07:53,430 --> 00:07:50,470

sipping drinking straight liquor that's

97

00:07:55,380 --> 00:07:53,440

fine fine this was going to happen in

98

00:08:00,580 --> 00:07:55,390

about three hours not for me yeah for me

99

00:08:05,170 --> 00:08:03,460

out of the way we should just drop out

100

00:08:08,020 --> 00:08:05,180

of school and quit my job and just drive

101
00:08:11,590 --> 00:08:08,030
around and be a robber like hang out of

102
00:08:13,690 --> 00:08:11,600
a window with a grenade launcher got a

103
00:08:19,330 --> 00:08:13,700
bike coming up here can actually do that

104
00:08:26,010 --> 00:08:19,340
in Somalia problem just gritty second I

105
00:08:28,810 --> 00:08:26,020
don't know what happened to Dan kill

106
00:08:31,860 --> 00:08:28,820
let's get out of here uh-uh you drop the

107
00:08:48,840 --> 00:08:39,840
we got d around here it's carmageddon my

108
00:08:53,570 --> 00:08:48,850
bad oh my god he's a dirt bike we're

109
00:08:56,940 --> 00:08:53,580
going to proceed on foot to d eaten up e

110
00:09:00,350 --> 00:08:56,950
you're going to eat okay it's a long way

111
00:09:03,810 --> 00:09:00,360
away we're probably done any good thing

112
00:09:09,300 --> 00:09:03,820
the native animals hit me got jumped

113
00:09:16,690 --> 00:09:09,310

right over my head I'm in the helicopter

114

00:09:23,380 --> 00:09:19,390

your knee okay I just let the banana van

115

00:09:29,230 --> 00:09:23,390

on fire excellent this is a pretty even

116

00:09:31,660 --> 00:09:29,240

game right now we're winning I just I

117

00:09:36,790 --> 00:09:31,670

just drew a very spiteful Molotov on top

118

00:09:40,820 --> 00:09:36,800

I thought it went up the track yeah they

119

00:09:45,890 --> 00:09:42,860

Thanks doing a pretty goddamn good job

120

00:09:52,720 --> 00:09:50,120

Hey look at that we won Wow good

121

00:10:00,230 --> 00:09:52,730

comeback Wow the almost 9,000 point [h__\h]

122

00:10:08,570 --> 00:10:06,020

let me in here we go let's go I got

123

00:10:13,850 --> 00:10:08,580

I got the blowtorch to heal us if that

124

00:10:17,630 --> 00:10:13,860

jump Stephanie Lee there here we go yo

125

00:10:23,120 --> 00:10:20,840

damn it hit him this is like road

126

00:10:28,130 --> 00:10:23,130

warrior a launcher yeah this is like

127

00:10:31,500 --> 00:10:28,140

root for repairing you go head back

128

00:10:41,560 --> 00:10:35,160

try not to hit B she's coming let's go

129

00:10:50,910 --> 00:10:47,200

oh [h__\h] the gummy damn well I'm gonna

130

00:10:53,530 --> 00:10:50,920

try and stay alive here [h__\h] Salih i

131

00:10:57,160 --> 00:10:53,540

Frankenstein and Frankenstein's army

132

00:11:00,370 --> 00:10:57,170

both on netflix will be both about

133

00:11:04,090 --> 00:11:00,380

Frankenstein kindest oh i Frankenstein

134

00:11:06,850 --> 00:11:04,100

was but Frankenstein army was more about

135

00:11:09,550 --> 00:11:06,860

the history of Frankenstein it was

136

00:11:11,830 --> 00:11:09,560

actually really good horror movies Abby

137

00:11:17,380 --> 00:11:11,840

horror movie hop in here clown baby I'm

138

00:11:19,180 --> 00:11:17,390

not in there I mean I'm in the tanker I

139

00:11:25,660 --> 00:11:19,190

know somebody else is in there with you

140

00:11:28,210 --> 00:11:25,670

oh the chaff yes keep going oh the i

141

00:11:30,850 --> 00:11:28,220

Frankenstein was a big-budget piece of

142

00:11:34,120 --> 00:11:30,860

[h__h] Frankenstein's army awesome movie

143

00:11:36,280 --> 00:11:34,130

both on Netflix I've never heard of my

144

00:11:40,300 --> 00:11:36,290

practice but I never was it came out

145

00:11:44,140 --> 00:11:40,310

like last year maybe and high big-budget

146

00:11:45,640 --> 00:11:44,150

super big effects Britta Thea leave

147

00:11:48,900 --> 00:11:45,650

actors name but he's pretty popular it's

148

00:11:51,280 --> 00:11:48,910

just rope it was turned into like

149

00:11:54,100 --> 00:11:51,290

Frankenstein was in the middle of a war

150

00:11:57,090 --> 00:11:54,110

between gargoyles and vampires or demons

151

00:12:05,290 --> 00:11:57,100

that sounds to the only Frankenstein

152

00:12:10,270 --> 00:12:05,300

could solve the crowd so this is really

153

00:12:12,340 --> 00:12:10,280

convoluted like the entire I got ran

154

00:12:14,380 --> 00:12:12,350

over damn him in taxing the entire movie

155

00:12:16,560 --> 00:12:14,390

like Frankenstein like Franco the

156

00:12:20,170 --> 00:12:16,570

creature of Frankenstein was trying to

157

00:12:22,560 --> 00:12:20,180

find someone who could make him like a

158

00:12:24,990 --> 00:12:22,570

lover or mates he would be alone

159

00:12:27,540 --> 00:12:25,000

cuz he didn't have a soul but it turned

160

00:12:30,780 --> 00:12:27,550

out he had a soul all along all he

161

00:12:32,820 --> 00:12:30,790

needed to do was find love he found a

162

00:12:35,640 --> 00:12:32,830

love really really stupid I was a good

163

00:12:41,190 --> 00:12:35,650

movie it's a really good movie on

164

00:12:46,320 --> 00:12:41,200

Netflix Frankenstein's army on the other

165

00:12:49,320 --> 00:12:46,330

hand amazing movie that it's kind of

166

00:12:51,420 --> 00:12:49,330

film like you know first person kind of

167

00:12:55,560 --> 00:12:51,430

shaky cam it's about the Russians

168

00:12:57,990 --> 00:12:55,570

invading Nazi Germany and this Nazi

169

00:13:00,210 --> 00:12:58,000

scientist went crazy and started

170

00:13:04,500 --> 00:13:00,220

creating like these crazy frankenstein

171

00:13:06,470 --> 00:13:04,510

creatures and its really today yeah it's

172

00:13:08,520 --> 00:13:06,480

really cool and glory and all that stuff

173

00:13:11,580 --> 00:13:08,530

definitely recommend that one because

174

00:13:15,390 --> 00:13:11,590

all the effects are real these different

175

00:13:17,280 --> 00:13:15,400

costumes and they you can tell us they

176

00:13:21,960 --> 00:13:17,290

found a really good location just shot

177

00:13:25,550 --> 00:13:21,970

at it so I liked it good I'm trying to

178

00:13:27,500 --> 00:13:25,560

save this helicopter from going down by

179

00:13:29,390 --> 00:13:27,510

I repin it they have four other

180

00:13:31,580 --> 00:13:29,400

therefore the cars this is ridiculous

181

00:13:37,100 --> 00:13:31,590

I'm trying to I see you you're going

182
