76

00:04:10,949 --> 00:04:09,840

b

77

00:04:11,990 --> 00:04:10,959

okay

78

00:04:14,470 --> 00:04:12,000

well

79

00:04:15,350 --> 00:04:14,480

this is definitely the long ball they

80

00:04:18,629 --> 00:04:15,360

got me

81

00:04:20,469 --> 00:04:18,639

i picked it up and they instantly shot

82

00:04:22,629 --> 00:04:20,479

me

83

00:04:24,150 --> 00:04:22,639

because it returned or no no uh one of

84

00:04:25,590 --> 00:04:24,160

our guys has it so let's go out this

85

00:04:32,710 --> 00:04:25,600

door follow me

86

00:04:37,030 --> 00:04:33,990

oh my god

87

00:04:39,909 --> 00:04:37,040

you're everywhere [h__h] watch out

88

00:04:43,590 --> 00:04:39,919

i got a multi-kill with my molotov

89

00:04:45,030 --> 00:04:43,600

oh my god there's so many holy [\h__\h]

90

00:04:47,110 --> 00:04:45,040

there were like six of them we turned

91

00:04:49,110 --> 00:04:47,120

the corner oh my lord

92

00:04:54,550 --> 00:04:49,120

they're all right there yeah

93

00:04:59,030 --> 00:04:56,310

just keep throwing i'm going right

94

00:05:00,150 --> 00:04:59,040

around to that corner again

95

00:05:02,629 --> 00:05:00,160

yeah

96

00:05:05,189 --> 00:05:02,639

they're still there

97

00:05:08,230 --> 00:05:05,199

burning them up right now

98

00:05:18,230 --> 00:05:11,270

thrown in another one too oh man they

99

00:05:18,240 --> 00:05:32,390

all right follow me

100

00:05:36,790 --> 00:05:34,390

did you run in there yeah there's no one

101
00:05:39,909 --> 00:05:36,800
in here damn okay yeah well someone's

102
00:05:42,550 --> 00:05:41,110
he's written years out of this wall he's

103
00:05:46,629 --> 00:05:42,560
on the other side of the wall all right

104
00:05:49,830 --> 00:05:47,830
spawn on me

105
00:05:51,909 --> 00:05:49,840
i turned on my back for two seconds and

106
00:05:53,270 --> 00:05:51,919
the [h__\h] opens the door shoots me

107
00:05:56,310 --> 00:05:53,280
spawn on me

108
00:05:58,629 --> 00:05:56,320
uh yeah trying

109
00:06:06,390 --> 00:05:58,639
in one

110
00:06:06,400 --> 00:06:09,830
just some pre-emptive flames

111
00:06:13,749 --> 00:06:11,270
we got another guy out there we got to

112
00:06:16,950 --> 00:06:13,759
stay here and recover this bag

113
00:06:16,960 --> 00:06:23,909

keep your eye on the bag

114

00:06:33,270 --> 00:06:25,110

all right

115

00:06:41,029 --> 00:06:35,990

hey ammo yep they're right there here i

116

00:06:45,430 --> 00:06:43,510

i think i lit myself on fire but i

117

00:06:53,430 --> 00:06:45,440

flamed the doorway you sure did and

118

00:06:57,590 --> 00:06:55,350

nope all right i'm coming up in the

119

00:06:59,430 --> 00:06:57,600

sports sedan yeah park it out front so

120

00:07:05,189 --> 00:06:59,440

we don't have to run back

121

00:07:11,270 --> 00:07:07,110

isn't an idiot about it

122

00:07:17,990 --> 00:07:12,870

we can always count on other players for

123

00:07:18,000 --> 00:07:21,589

uh see there we go

124

00:07:24,790 --> 00:07:24,070

so what's what's up it's stuck in the

125

00:07:26,150 --> 00:07:24,800

yep

126
00:07:27,749 --> 00:07:26,160
see

127
00:07:29,749 --> 00:07:27,759
damn it

128
00:07:32,950 --> 00:07:29,759
look at that stuck in the sand that was

129
00:07:35,029 --> 00:07:32,960
look at that [\h__\h] on cue

130
00:07:36,710 --> 00:07:35,039
oh he'll [\h__\h] it up yep but there it is

131
00:07:49,670 --> 00:07:36,720
stuck it right in the sand look at this

132
00:07:49,680 --> 00:08:08,150
it's always mine

133
00:08:10,790 --> 00:08:09,350
they're all in the hallway right there

134
00:08:13,830 --> 00:08:10,800
they're all

135
00:08:15,430 --> 00:08:13,840
room down there if i can distract them

136
00:08:17,029 --> 00:08:15,440
when i'm looking down the hallway other

137
00:08:19,589 --> 00:08:17,039
people can go around back and just wipe

138
00:08:21,110 --> 00:08:19,599

them all out

139

00:08:22,150 --> 00:08:21,120

at least that's the plan i have in my

140

00:08:26,469 --> 00:08:22,160

head

141

00:08:31,670 --> 00:08:27,670

um and they're already on the roof of

142

00:08:31,680 --> 00:08:36,709

i'm trying to burn them alive

143

00:08:40,310 --> 00:08:38,469

they're still in there i'm bringing the

144

00:08:42,550 --> 00:08:40,320

mobile command post up so the whole

145

00:08:44,230 --> 00:08:42,560

freaking team can spawn up close i'm

146

00:08:49,509 --> 00:08:44,240

just firing randomly through the

147

00:08:55,030 --> 00:08:51,590

oh god they didn't like i'm just

148

00:08:57,190 --> 00:08:55,040

throwing them blind so sick [\h__\h]

149

00:08:59,190 --> 00:08:57,200

those animals yeah they're hanging out

150

00:09:00,470 --> 00:08:59,200

right by the safe

151
00:09:03,190 --> 00:09:00,480
and they're in

152
00:09:05,990 --> 00:09:03,200
spawning on you i'm gonna i'm coming up

153
00:09:08,389 --> 00:09:06,000
i'm coming up with an interceptor

154
00:09:15,269 --> 00:09:08,399
so if they're on the move we can just uh

155
00:09:18,550 --> 00:09:16,470
all right the

156
00:09:21,590 --> 00:09:18,560
package is being recovered keep your own

157
00:09:21,600 --> 00:09:28,630
all right here we go

158
00:09:33,590 --> 00:09:31,430
oh [h__h] i can't drive through the glass

159
00:09:37,430 --> 00:09:33,600
i thought you could i'm trying to drive

160
00:09:38,870 --> 00:09:37,440
through the the building the house

161
00:09:42,870 --> 00:09:38,880
packages

162
00:09:42,880 --> 00:09:46,310
this is nice right here

163
00:09:48,630 --> 00:09:47,750

here we go

164

00:09:50,790 --> 00:09:48,640

i don't think they're ever gonna find

165

00:09:52,150 --> 00:09:50,800

that satellite thrown in that truck oh

166

00:09:53,590 --> 00:09:52,160

wow we're getting so many teammates up

167

00:09:55,670 --> 00:09:53,600

on it because they can spawn in that i

168

00:09:58,630 --> 00:09:55,680

have a strategically placed van

169

00:09:59,910 --> 00:09:58,640

there they go they're going

170

00:10:02,070 --> 00:09:59,920

we've got someone

171

00:10:03,670 --> 00:10:02,080

that's a gun turret on them

172

00:10:16,630 --> 00:10:03,680

all right

173

00:10:16,640 --> 00:10:29,190

oh

174

00:10:29,200 --> 00:10:33,990

how did i not hit this [h__\h]

175

00:10:36,470 --> 00:10:35,269

god damn it

176

00:10:42,389 --> 00:10:36,480

there it is

177

00:10:42,399 --> 00:10:55,030

coming in where are they coming

178

00:10:55,040 --> 00:10:58,470

drive this car in here

179

00:11:04,150 --> 00:11:02,069

just driving around in the house yep

180

00:11:04,949 --> 00:11:04,160

spawning me if you can

181

00:11:23,509 --> 00:11:04,959

i'm

182

00:11:29,430 --> 00:11:26,790

come on this is badass

183

00:11:34,230 --> 00:11:29,440

oh no we're taking we're taking fire get

184

00:11:37,110 --> 00:11:35,670

then you got a car in your living room
