

The background of the image is a fiery, orange and yellow scene, likely a fire. In the upper left corner, a portion of the American flag is visible, showing the stars and stripes. The overall atmosphere is intense and urgent.

BATTLEFIELD™

HARDLINE

1
00:00:10,370 --> 00:00:09,049
hey everyone this conquest match could

2
00:00:15,410 --> 00:00:10,380
be one of the quickest ones I've ever

3
00:00:17,029 --> 00:00:15,420
played it's a at the bank job and we are

4
00:00:19,099 --> 00:00:17,039
holding down the door at the front of

5
00:00:21,769 --> 00:00:19,109
the bank a lot of flames a lot of

6
00:00:24,890 --> 00:00:21,779
silliness please enjoy like the video

7
00:00:27,920 --> 00:00:24,900
and subscribe talk to you later bye you

8
00:00:30,439 --> 00:00:27,930
have an enforcer I can look at I'll give

9
00:00:32,810 --> 00:00:30,449
it a shot it's no vehicles i did buy a

10
00:00:36,170 --> 00:00:32,820
spa us yeah i got one of those they're

11
00:00:39,740 --> 00:00:36,180
really nice mmm I should probably

12
00:00:44,510 --> 00:00:39,750
upgraded to handgun yeah I'll get him da

13
00:00:46,880 --> 00:00:44,520

gun time for some flame a breach would

14

00:00:52,250 --> 00:00:46,890

be better actually already have a gas

15

00:00:55,670 --> 00:00:52,260

mask should i buy a ballistic shield or

16

00:00:57,110 --> 00:00:55,680

breaching charge um I like the ballistic

17

00:00:59,599 --> 00:00:57,120

shield because you put on your back and

18

00:01:02,540 --> 00:00:59,609

it's harder for them to kill you so it's

19

00:01:05,090 --> 00:01:02,550

actually is good for cover breaching

20

00:01:07,010 --> 00:01:05,100

charges i really don't use too many of

21

00:01:09,020 --> 00:01:07,020

but i mean they're nice they're c4 you

22

00:01:10,880 --> 00:01:09,030

can blow up a lot of [h__h] then I'll try

23

00:01:15,170 --> 00:01:10,890

the breaching chair I'll try it it's fun

24

00:01:17,420 --> 00:01:15,180

I've got a i bet i have 40,000 after

25

00:01:20,450 --> 00:01:17,430

buying a [h__h] ton of stuff I'm spawning

26

00:01:24,200 --> 00:01:20,460

on you yeah I have a spat I've spots

27

00:01:27,800 --> 00:01:24,210

with a red dot okay let's go down here

28

00:01:30,560 --> 00:01:27,810

so secure be and then we'll make our way

29

00:01:32,600 --> 00:01:30,570

over has won a Glock 40 Cal be you

30

00:01:34,460 --> 00:01:32,610

secure a secure what don't we have we

31

00:01:37,789 --> 00:01:34,470

have everything let's move to the front

32

00:01:43,840 --> 00:01:37,799

of the library I'm gonna put some c4

33

00:01:53,410 --> 00:01:50,920

I bought myself a desert eagle the only

34

00:01:56,620 --> 00:01:53,420

UT breaching charges yeah but you can

35

00:01:58,030 --> 00:01:56,630

hand out more ammo and you're good you

36

00:02:00,450 --> 00:01:58,040

just put more animal on the ground and

37

00:02:03,370 --> 00:02:00,460

replenish her and they don't disappear

38

00:02:07,240 --> 00:02:03,380

well I mean it takes a second for your C

39

00:02:08,710 --> 00:02:07,250

forted to replenish but no but the old

40

00:02:12,940 --> 00:02:08,720

charges don't disappear like in some

41

00:02:15,010 --> 00:02:12,950

games ah you know I don't know you can't

42

00:02:18,370 --> 00:02:15,020

like wind up putting down like 40 of

43

00:02:27,460 --> 00:02:18,380

them at a time yeah that one yeah I make

44

00:02:29,530 --> 00:02:27,470

the whole battlefield explode so they

45

00:02:31,240 --> 00:02:29,540

were they going for they they're going

46

00:02:33,130 --> 00:02:31,250

for I don't even know that we have

47

00:02:37,960 --> 00:02:33,140

everything right now so we're just kind

48

00:02:44,500 --> 00:02:42,360

damn me grenade yep comes close

49

00:02:47,020 --> 00:02:44,510

preaching shield I'm gonna go out here

50

00:02:55,330 --> 00:02:47,030

take some fire you can look over me guy

51
00:02:56,920 --> 00:02:55,340

60
00:03:40,369 --> 00:03:37,849
