warlock warlock okay cool so yeah I'm uh

17

00:01:02,150 --> 00:01:00,480

I'm just like that I think a guardian

18

00:01:04,399 --> 00:01:02,160

fighter or some like that so I'm pretty

19

00:01:06,050 --> 00:01:04,409

good with a sword hey we're same level

20

00:01:11,179 --> 00:01:06,060

so that's good we can actually do

21

00:01:13,429 --> 00:01:11,189

something together yeah I know um duh we

22

00:01:16,429 --> 00:01:13,439

have the same mission there don't say

23

00:01:19,880 --> 00:01:16,439

yeah I think see Keith I'm the grocery

24

00:01:23,120 --> 00:01:19,890

28

00:01:31,789 --> 00:01:28,820

things in the ground that marked the way

29

00:01:35,090 --> 00:01:31,799

yeah over here all right i'll follow you

30

00:01:36,200 --> 00:01:35,100

31

00:01:42,490 --> 00:01:36,210

32

00:01:53,859 --> 00:01:45,200

37

00:02:23,240 --> 00:02:17,850

38

00:02:26,270 --> 00:02:23,250

yeah all right Terry butter foot knows

75

00:05:14,079 --> 00:05:11,959

how to use a sword oh there's something

76
00:05:23,430 --> 00:05:14,089
going on over here examine this symbol

77
00:05:31,159 --> 00:05:25,600

78
00:05:43,170 --> 00:05:35,700
stupid Archer have a sleigh you with my

79
00:05:47,250 --> 00:05:43,180
sword and my shield nice we should be

80
00:05:53,100 --> 00:05:47,260
getting combo bonuses but we're not was

81
00:05:54,990 --> 00:05:53,110
this some kind of scroll the worry it's

82
00:06:00,870 --> 00:05:55,000
a learning thing what isn't a I should

83
00:06:08,940 --> 00:06:00,880
probably learn something real quick yep

84
00:06:19,320 --> 00:06:10,710
oh my god you're taking on all these

85
00:06:28,189 --> 00:06:21,360
holy [h__\h] there's a lot of archers in

86
00:06:35,369 --> 00:06:31,290
can fly around like a freak that you can

87
00:06:38,129 --> 00:06:35,379
I think gonna say a fruit but fruit I

88
00:06:43,189 --> 00:06:38,139

can fly around the collateral ago I'm

89

00:06:48,110 --> 00:06:43,199

like a princess you know flying princess

90

00:06:52,189 --> 00:06:48,120

91

00:06:57,209 --> 00:06:52,199

92

00:07:00,930 --> 00:06:57,219

94

00:07:06,149 --> 00:07:02,319

over here oh damn there's some stuff

95

00:07:08,490 --> 00:07:06,159

over here okay so resident resource used

96

00:07:11,939 --> 00:07:08,500

in common crafting tasks can be found by

97

00:07:17,010 --> 00:07:11,949

completing skill checks okay um I don't

98

00:07:19,649 --> 00:07:17,020

want that mean I'm taking it though LG

99

00:07:21,439 --> 00:07:19,659

the forestry thing I guess I don't know

100

00:07:27,170 --> 00:07:21,449

what I did I have no idea what I'm doing

101

00:07:32,499 --> 00:07:29,420

all right I just feel a little just a

102

00:07:37,370 --> 00:07:32,509

little healing potion I'm ready to rock

103

00:07:44,600 --> 00:07:37,380

no god this guy's huge he's overweight

104

00:07:47,990 --> 00:07:44,610

me as diabetes [\h__\h] me he went in

105

00:07:53,070 --> 00:07:48,000

there oh my god bad things are gonna

106

00:07:53,080 --> 00:08:04,809

dance [\h__\h] him up

107

00:08:11,899 --> 00:08:09,110

damn collect that loot if you want dude

108

00:08:14,270 --> 00:08:11,909

I've been taking [\h__\h] we can both give

109

00:08:19,820 --> 00:08:14,280

it all you can't go outside yeah I think

110

00:08:22,010 --> 00:08:19,830

so nice like a nice sack really my sack

111

00:08:26,390 --> 00:08:22,020

Adventure is knapsack right there [\h__\h]

112

00:08:31,329 --> 00:08:26,400

yeah it does oh [\h__\h] i sees a punishment

113

00:08:36,170 --> 00:08:31,339

accident oh we do have a map do we were

114

00:08:37,490 --> 00:08:36,180

you hit the lb button and then that left

115

00:08:39,440 --> 00:08:37,500

side right there if you use your

116

00:08:42,440 --> 00:08:39,450

directional like if you get out on the

117

00:08:46,040 --> 00:08:42,450

directional pad oh nice ok yeah and then

118

00:08:49,430 --> 00:08:46,050

your bags to the left yep there you got

119

00:08:53,000 --> 00:08:49,440

no you're more than one bag interesting

120

00:08:55,639 --> 00:08:53,010

ok nice i'm a bag of i have a greater

121

00:08:59,090 --> 00:08:55,649

bag of holding 2 i'm a too bad kind of

122

00:09:05,160 --> 00:08:59,100

guy i got three [h__\h] we got this [h__\h]

123

00:09:05,170 --> 00:09:20,130

um yeah exit now

124

00:09:27,919 --> 00:09:25,049

neverwinter neverwinter

125

00:09:35,969 --> 00:09:27,929

alright hey we did that [h__\h] mission

126

00:09:38,339 --> 00:09:35,979

watch out nine hells yes level seven I'm

127

00:09:41,309 --> 00:09:38,349

gonna run in there and scream and use my

128

00:09:52,159 --> 00:09:41,319

special ability you too except for the

129

00:09:56,789 --> 00:09:52,169

screaming I'm coming for you I'm coming

130

00:10:03,639 --> 00:09:56,799

damn got him big time focused all

131

00:10:08,470 --> 00:10:06,609

oh [\h__\h] he's that holy [\h__\h] what the

132

00:10:23,370 --> 00:10:08,480

hell's that move spinning around

133

00:10:37,559 --> 00:10:29,410

ain't playin around mr. dant what the

134

00:10:39,790 --> 00:10:37,569

hell's that the trap what is that I

135

00:10:46,290 --> 00:10:39,800

recovered the crown but it was like a

136

00:10:51,280 --> 00:10:46,300

trap good crowds right damn longsword

137

00:10:54,780 --> 00:10:51,290

tech blade others want stuff reading

138

00:10:58,329 --> 00:10:54,790

some Scrolls man I love three Scrolls I

139

00:11:04,920 --> 00:10:58,339

look I be not loving its role huh man I

140

00:11:07,210 --> 00:11:04,930

love Scrolls man I love his girl feet

141

00:11:11,110 --> 00:11:07,220

the other fees I don't understand the

142

00:11:14,920 --> 00:11:11,120

feats I think those are okay and let's

143

00:11:18,850 --> 00:11:14,930

figure that out so heroic conquering the

144

00:11:22,660 --> 00:11:18,860

living skills I think it's just stuff

145

00:11:26,829 --> 00:11:22,670

that you do as you do the game so let's

146

00:11:29,920 --> 00:11:26,839

shield yeah I don't get it yet either by

147

00:11:35,889 --> 00:11:29,930

retaining token yeah I don't get it so

148

00:11:40,600 --> 00:11:35,899

you Paragon tree and so you press down

149

00:11:42,639 --> 00:11:40,610

on the are analog it'll tell you I don't

150

00:11:46,900 --> 00:11:42,649

know that is either looks incredibly

151
00:11:51,579 --> 00:11:46,910
complex yeah there's the boons and no

152
00:11:54,009 --> 00:11:51,589
idea what the boons are a little bit so

153
00:11:56,079 --> 00:11:54,019
photo it's all Greek to me man and then

154
00:11:58,960 --> 00:11:56,089
companions which I don't think I [h__h]

155
00:12:01,749 --> 00:11:58,970
have then I don't have a league of that

156
00:12:05,410 --> 00:12:01,759
damn I gotta get a companion I'm lonely

157
00:12:09,249 --> 00:12:05,420
man this could take a while yes stop

158
00:12:15,160 --> 00:12:09,259
live online scourge warlock so far so

159
00:12:17,379 --> 00:12:15,170
good stats are looking pretty titty okay

160
00:12:24,030 --> 00:12:17,389
I got the high charisma dog with your

161
00:12:34,230 --> 00:12:29,220

162
00:12:36,840 --> 00:12:34,240
