00:00:25,340 --> 00:00:23,369  
know we're having fun we're switching

8  
00:00:27,290 --> 00:00:25,350  
back and forth between looking at maps

9  
00:00:29,779 --> 00:00:27,300  
on the internet and the game so we can

10  
00:00:31,400 --> 00:00:29,789  
actually find each other this is gonna

11  
00:00:33,680 --> 00:00:31,410  
be a series of videos we've had a lot of

12  
00:00:35,319 --> 00:00:33,690  
fun playing so far and we're going to

13  
00:00:38,360 --> 00:00:35,329

next yeah okay all right holy [h\_\_\h] ok so

18

00:00:52,220 --> 00:00:50,550

it's cold out it's snowing and I'm

19

00:00:56,569 --> 00:00:52,230

looking you're naked and I have a

20

00:00:58,880 --> 00:00:56,579

sweater on I gotta close this door hours

21

00:01:02,510 --> 00:00:58,890

windows are broken great yeah my windows

22

00:01:07,630 --> 00:01:02,520

are broken too um I've shoes in a pillow

23

00:01:13,070 --> 00:01:11,300

eggplant in a chicken alright I gotta

24

00:01:15,770 --> 00:01:13,080

take both of these my guys he's always

25

00:01:20,240 --> 00:01:15,780

hungry yeah he's got a hearty appetite

26

00:01:22,190 --> 00:01:20,250

that's for sure I gotta close that door

27

00:01:27,109 --> 00:01:22,200

me see what's in the fridge real fast we

28

00:01:32,440 --> 00:01:27,119

got a burger take it grab that grab the

29

00:01:37,010 --> 00:01:32,450

Solomon and on this bowl roasting pan I

30

00:01:38,899 --> 00:01:37,020

got to find some clothes i walk out

31

00:01:41,899 --> 00:01:38,909

there instantly gonna start to freeze

32

00:01:43,310 --> 00:01:41,909

there's no if i read it if i if i read

33

00:01:46,100 --> 00:01:43,320

the book of their mind he just goes away

34

00:01:49,090 --> 00:01:46,110

yeah thank you man you can learn things

35

00:01:52,940 --> 00:01:49,100

reading the book like certain skills

36

00:01:58,850 --> 00:01:52,950

okay is there a sink [h\_\_h] there's bleach

37

00:02:00,980 --> 00:01:58,860

drink some water I can drink bleach my

38

00:02:03,499 --> 00:02:00,990

guys a pretty thirsty man so at some

39

00:02:08,210 --> 00:02:03,509

lipstick I'm gonna quit lipstick as my

40

00:02:11,200 --> 00:02:08,220

primary weapon although I have I have a

41

00:02:14,640 --> 00:02:11,210

box and keys yeah you don't

42

00:02:18,820 --> 00:02:14,650

and what is I gotta find some clothes

43

00:02:21,430 --> 00:02:18,830

found a house so i think i'm going my

44

00:02:23,860 --> 00:02:21,440

characters barely as any breath left if

45

00:02:31,930 --> 00:02:23,870

the chill in this house or a minute yeah

46

00:02:37,220 --> 00:02:31,940

I uh me too I do up I have run into a

47

00:02:37,230 --> 00:02:43,110

with the drinking water for my toilet

48

00:02:51,270 --> 00:02:45,180

although there's curtains up all over

49

00:02:56,850 --> 00:02:51,280

this so oh [h\_\_\h] they're out front oh my

50

00:03:02,660 --> 00:02:56,860

god um the zombies found me it's not

51  
00:03:09,569 --> 00:03:05,839  
don't think they're going away Jeff

52  
00:03:13,649 --> 00:03:09,579  
Roger Roger beer Bauer that's not good

53  
00:03:16,770 --> 00:03:13,659  
Kevin look let me I'll be able to climb

54  
00:03:22,589 --> 00:03:16,780  
through the window in a but they're

55  
00:03:32,339 --> 00:03:22,599  
banging on my door go away there's

56  
00:03:37,259 --> 00:03:32,349  
nobody here I don't know what to do do I

57  
00:03:41,550 --> 00:03:37,269  
go out there and greet them I really

58  
00:03:45,539 --> 00:03:41,560  
don't know what to do wait I would suck

59  
00:03:50,069 --> 00:03:45,549  
in a zombie apocalypse well it sucks if

60  
00:03:53,190 --> 00:03:50,079  
you don't know where we're at yes that's

61  
00:03:56,879 --> 00:03:53,200  
kind of a problem you're in small

62  
00:03:59,069 --> 00:03:56,889  
storage near there I'm gonna start

63  
00:04:01,259 --> 00:03:59,079

making my way towards you on the all

64

00:04:05,300 --> 00:04:01,269

right the road between small storage and

65

00:04:13,009 --> 00:04:05,310

offices I will gradually find each other

66

00:04:16,800 --> 00:04:15,390

never periodically have to dip in the

67

00:04:23,159 --> 00:04:16,810

cover though because the rain's gonna

68

00:04:28,409 --> 00:04:23,169

kill us yeah and it's cold and I'm bored

69

00:04:33,210 --> 00:04:28,419

oh my god there's zombies around yeah

70

00:04:34,830 --> 00:04:33,220

I'm cold and I'm wet and I'm still Kevin

71

00:04:38,370 --> 00:04:34,840

pecker fields so I'm not very athletic

72

00:04:41,730 --> 00:04:38,380

oh my god the way I wanted to go I

73

00:04:45,240 --> 00:04:41,740

couldn't go I just jumped in some little

74

00:04:50,909 --> 00:04:45,250

shash [h\_\_h] i'm headed towards the main

75

00:04:56,670 --> 00:04:50,919

road because i'm [h\_\_h] cold and [h\_\_h]

76  
00:05:11,719 --> 00:04:56,680  
sucks right now [\h\_\_\h] canopy I guess I'll

77  
00:05:11,729 --> 00:05:17,559  
yeah i'm in big-time deep [\h\_\_\h] oh my god

78  
00:05:23,149 --> 00:05:20,989  
let's keep running i'm headed toward

79  
00:05:28,489 --> 00:05:23,159  
your direction but i'm more towards the

80  
00:05:30,140 --> 00:05:28,499  
main road than out than what I was all

81  
00:05:33,309 --> 00:05:30,150  
right I'm about I'm out of the elements

82  
00:05:35,480 --> 00:05:33,319  
so I'm gonna head back out oh [\h\_\_\h] I

83  
00:05:37,549 --> 00:05:35,490  
haven't I had no choice but to go

84  
00:05:41,059 --> 00:05:37,559  
towards the main road a little bit more

85  
00:05:42,890 --> 00:05:41,069  
because well okay there's so many

86  
00:05:44,540 --> 00:05:42,900  
zombies the other way and now there's

87  
00:05:47,360 --> 00:05:44,550  
body parts everywhere that's clothing

88  
00:05:52,869 --> 00:05:47,370

everywhere I'll head out towards the

89  
00:05:59,679 --> 00:05:52,879  
main road to do I am in some deep [h\_\_h]

90  
00:06:09,499 --> 00:06:05,559  
nothing to see here I'm cutting back in

91  
00:06:15,439 --> 00:06:09,509  
going down a street away from the main

92  
00:06:20,179 --> 00:06:15,449  
road some headed south east and there's

93  
00:06:24,189 --> 00:06:20,189  
tons of zombies tons of zombies lots of

94  
00:06:29,959 --> 00:06:24,199  
zombies I gotta get out of the elements

95  
00:06:34,070 --> 00:06:29,969  
yeah I gotta find I have to find

96  
00:06:47,010 --> 00:06:38,520  
so my lungs are hurrying I'm fat I'm

97  
00:06:48,540 --> 00:06:47,020  
overweight and so I am uh I'm still

98  
00:06:50,159 --> 00:06:48,550  
headed in your direction yeah there's a

99  
00:06:53,629 --> 00:06:50,169  
zombie pounded on the door but I can

100  
00:06:55,969 --> 00:06:53,639  
just leave through the back okay good I

101  
00:06:59,020 --> 00:06:55,979  
just gotta get all the elements until

102  
00:07:03,730 --> 00:07:01,240  
so how far away did you travel from the

103  
00:07:05,800 --> 00:07:03,740  
small storage facility there's a group

104  
00:07:10,180 --> 00:07:05,810  
of houses just to the north and east of

105  
00:07:11,260 --> 00:07:10,190  
it I ducked into one of them okay I'm in

106  
00:07:17,020 --> 00:07:11,270  
the one with the zombie pounding on the

107  
00:07:19,950 --> 00:07:17,030  
door okay that's helpful are they brick

108  
00:07:26,440 --> 00:07:19,960  
buildings with a brick houses now there

109  
00:07:33,610 --> 00:07:26,450  
would plaster rain's gone away but i'm

110  
00:07:37,570 --> 00:07:33,620  
still chilly okay I gotta figure out

111  
00:07:39,490 --> 00:07:37,580  
where I'm at yeah okay if you if you see

112  
00:07:41,200 --> 00:07:39,500  
your driveway how kind of the big open

113  
00:07:43,120 --> 00:07:41,210

spill part goes straight down that road

114

00:07:46,930 --> 00:07:43,130

looking out of your front window in

115

00:07:49,420 --> 00:07:46,940

front door uh yeah that dotted one and

116

00:07:51,910 --> 00:07:49,430

then it dead ends and it zigs up and

117

00:07:56,170 --> 00:07:51,920

then zigs left mm-hmm keep following

118

00:07:59,950 --> 00:07:56,180

that down until you get to go past the

119

00:08:01,120 --> 00:07:59,960

church and then they'll be you can go

120

00:08:02,830 --> 00:08:01,130

left or right where you can see some

121

00:08:05,320 --> 00:08:02,840

shitty houses if you opened it up into

122

00:08:08,440 --> 00:08:05,330

the right one two three on the right in

123

00:08:11,470 --> 00:08:08,450

a shitty White House yeah it's me ok I

124

00:08:13,920 --> 00:08:11,480

think I might be able to start I

125

00:08:19,480 --> 00:08:13,930

actually have two zombies outside now so

126

00:08:25,720 --> 00:08:19,490

um we'll have to make a move in duck in

127

00:08:29,110 --> 00:08:25,730

somewhere so yeah so I believe my head

128

00:08:30,900 --> 00:08:29,120

south down that zigzaggy road and do you

129

00:08:35,320 --> 00:08:30,910

see that house with the purple interior

130

00:08:39,400 --> 00:08:35,330

let me look yes let's say if we can meet

131

00:08:42,400 --> 00:08:39,410

there let me just recalibrate on the map

132

00:08:46,150 --> 00:08:42,410

here okay it's about halfway that's

133

00:08:47,680 --> 00:08:46,160

about a halfway point what do you say

134

00:08:50,440 --> 00:08:47,690

I'm gonna try to go for it so I gotta go

135

00:08:54,910 --> 00:08:50,450

yeah I gotta okay I gotta come out go

136

00:08:56,980 --> 00:08:54,920

south make a quick turn and then follow

137

00:08:58,510 --> 00:08:56,990

that all the way down until hit the road

138

00:09:00,550 --> 00:08:58,520

and then you'll be on the right okay all

139

00:09:05,570 --> 00:09:00,560

right this is gonna be a bit of a gamble

140

00:09:10,290 --> 00:09:05,580

here well we're not doing much else no

141

00:09:13,650 --> 00:09:10,300

kind of it is do or die situation I just

142

00:09:18,480 --> 00:09:13,660

gave the [h\_\_h] old switcheroo to that

143

00:09:38,450 --> 00:09:18,490

zombie i'm having a tough time figuring

144

00:09:46,800 --> 00:09:44,550

that drop some stuff so just my power

145

00:09:50,340 --> 00:09:46,810

move there alright i'm trying to get out

146

00:09:55,350 --> 00:09:50,350

all right i just passage which I to

147

00:09:59,570 --> 00:09:55,360

climb through the window I climbed in

148

00:10:11,400 --> 00:10:04,019

got to do it though Kevin pecker feel

149

00:10:20,610 --> 00:10:13,680

okay i'm on the road i'm on the road

150

00:10:24,449 --> 00:10:20,620

again [h\_\_h] burgers there's a lot of

151

00:10:27,090 --> 00:10:24,459

zombies down this way i'll try to give

152

00:10:31,769 --> 00:10:27,100

me i'm in the purple house it doesn't

153

00:10:37,160 --> 00:10:31,779

have doors captain pecker fields doing

154

00:10:48,879 --> 00:10:39,800

doesn't have doors okay I don't think

155

00:10:59,040 --> 00:10:52,239

[h\_\_h] which way do i turn you go right

156

00:11:05,350 --> 00:11:02,160

I don't know about that Jeff [h\_\_h] I have

157

00:11:08,470 --> 00:11:07,060

she just ran straight out your house

158

00:11:14,470 --> 00:11:08,480

straight down that road when a day as

159

00:11:17,530 --> 00:11:14,480

you write and then you go left I'm a

160

00:11:23,110 --> 00:11:17,540

went the wrong direction as there's a

161

00:11:25,329 --> 00:11:23,120

I'm Kevin pecker feels so fat you can't

162

00:11:28,720 --> 00:11:25,339

run actually that roaches dead ends into

163

00:11:30,009 --> 00:11:28,730

that purple house you should just went

164

00:11:32,670 --> 00:11:30,019

straight out you Louise had to run to

165

00:11:35,410 --> 00:11:32,680

straight down the street Kevin damn it

166

00:11:40,630 --> 00:11:35,420

up there after my door now I had to run

167

00:11:46,829 --> 00:11:40,640

to hide okay so [\h\_\_\h] they're inside just

168

00:12:02,730 --> 00:11:52,150

gotta fight I'm fighting [\h\_\_\h] they're

169

00:12:06,759 --> 00:12:05,019

can't see anything I can't see anything

170

00:12:10,680 --> 00:12:06,769

I gotta climb out the window plant the

171

00:12:15,970 --> 00:12:10,690

road go go go I just know they just fell

172

00:12:17,290 --> 00:12:15,980

still lying i broke my leg well i'm

173

00:12:28,620 --> 00:12:25,830

you still alive I you have a broken leg

175

00:12:32,040 --> 00:12:28,630

176

00:12:35,880 --> 00:12:32,050

window to get out there you are Roger be

177

00:12:37,590 --> 00:12:35,890

178

00:12:40,250 --> 00:12:37,600

zombies everywhere actually come with me

179

00:12:43,380 --> 00:12:40,260

180

00:12:47,510 --> 00:12:43,390

181

00:12:49,710 --> 00:12:47,520

can do it we that's what a good left Oh

182

00:12:51,840 --> 00:12:49,720

Gavin pecker feels so [h\_\_h] hurt

183

00:12:54,420 --> 00:12:51,850

there's a trick there's a church over

184

00:12:57,660 --> 00:12:54,430

here we need a place well that has a

185

00:13:02,640 --> 00:12:57,670

door all these windows are busted up

186

00:13:06,060 --> 00:13:02,650

here we just need a goddamn door I'm

187

00:13:09,060 --> 00:13:06,070

hungry I can't run I have I'm losing

188

00:13:15,510 --> 00:13:09,070

blood that's not good oh my god there's

189

00:13:19,080 --> 00:13:15,520

zombies everywhere all right okay Ryder

190

00:13:22,230 --> 00:13:19,090

no no just trying to keep it away I'm

191

00:13:24,150 --> 00:13:22,240

I'm picking up the pace a little bit you

192

00:13:27,840 --> 00:13:24,160

have a safe house oh my god my blood I'm

193

00:13:30,690 --> 00:13:27,850

losing blood how do we stop that well

194

00:13:33,410 --> 00:13:30,700

I'll get a first aid kit we'll put some

195

00:13:37,410 --> 00:13:33,420

peanut butter on it that's all we can do

196

00:13:40,770 --> 00:13:37,420

okay all right we just need a place to

197

00:13:42,990 --> 00:13:40,780

chillax church is up over here okay you

198

00:13:44,790 --> 00:13:43,000

have to lead the way you know where

199

00:13:46,440 --> 00:13:44,800

you're going it's right over here we i

200

00:13:49,980 --> 00:13:46,450

have not been in it but it's the closest

201  
00:13:52,160 --> 00:13:49,990  
thing we have no place else to go we

202  
00:13:55,130 --> 00:13:52,170  
have no crazy we have no you're queasy

203  
00:13:59,700 --> 00:13:55,140

204  
00:14:04,530 --> 00:14:01,860  
it looks like it has windows all right

205  
00:14:05,970 --> 00:14:04,540  
cool no it doesn't it could be some

206  
00:14:10,320 --> 00:14:05,980  
zombie well there might be a basement in

207  
00:14:14,010 --> 00:14:10,330  
there or something now it doesn't have a

208  
00:14:18,000 --> 00:14:14,020  
door it's well lit yeah doesn't have a

209  
00:14:19,980 --> 00:14:18,010  
door alice is there any other rain a

210  
00:14:23,580 --> 00:14:19,990  
building next to a possible we can get

211  
00:14:25,440 --> 00:14:23,590

212  
00:14:27,210 --> 00:14:25,450  
that [h\_\_h] window well you're gonna

213  
00:14:30,990 --> 00:14:27,220
