in project zomboid

3
00:00:14,709 --> 00:00:12,480
i make some really poor decisions using

4
00:00:17,590 --> 00:00:14,719
my shotgun but i learned a lot of

5
00:00:18,470 --> 00:00:17,600
lessons on how not to use guns in the

6
00:00:20,310 --> 00:00:18,480
game

7
00:00:23,029 --> 00:00:20,320
please enjoy like the video and

8
00:00:25,910 --> 00:00:23,039
subscribe talk to you later bye

9
00:00:27,429 --> 00:00:25,920
i'm not sure you want to head to but uh

10
00:00:29,189 --> 00:00:27,439
just just check out the closest house

11
00:00:30,230 --> 00:00:29,199
here first we have zombies pretty close

12
00:00:33,750 --> 00:00:30,240
to us yes we do right here they're

13
00:00:37,510 --> 00:00:35,670

you see there's just two coming in let's

14

00:00:39,430 --> 00:00:37,520

back off back off we fight him in the

15

00:00:41,350 --> 00:00:39,440

open

16

00:00:42,830 --> 00:00:41,360

god damn it

17

00:00:44,950 --> 00:00:42,840

hey we're gonna have to clear this

18

00:00:47,510 --> 00:00:44,960

neighborhood should i break up my

19

00:00:49,350 --> 00:00:47,520

shotgun at least try it out no there's

20

00:00:52,389 --> 00:00:49,360

way too many too close

21

00:00:57,990 --> 00:00:52,399

we should do it far away from our house

22

00:00:58,000 --> 00:01:02,069

you get that one yeah done

23

00:01:06,390 --> 00:01:03,349

got him all right

24

00:01:09,030 --> 00:01:06,400

check their bodies you're lucky

25

00:01:10,230 --> 00:01:09,040

your shotgun i figured i'd take it for a

26

00:01:12,149 --> 00:01:10,240

spin

27

00:01:14,149 --> 00:01:12,159

i have another box with me in my duffel

28

00:01:15,990 --> 00:01:14,159

bag in case we get up [\h__\h] creek i don't

29

00:01:18,070 --> 00:01:16,000

really know how to use it so i believe

30

00:01:20,230 --> 00:01:18,080

you just you aim it just like the bat

31

00:01:22,149 --> 00:01:20,240

and then you just yeah stick it yeah

32

00:01:28,630 --> 00:01:22,159

don't don't shoot this closer there's a

33

00:01:33,270 --> 00:01:30,230

they come in from all over when you use

34

00:01:34,950 --> 00:01:33,280

the gun yeah here's one right here

35

00:01:47,190 --> 00:01:34,960

oh there's like [\h__\h] there's a bunch you

36

00:01:49,830 --> 00:01:48,069

okay

37

00:01:52,310 --> 00:01:49,840

nice oh god they're coming out of that

38

00:01:58,630 --> 00:01:52,320

building up there are they [\h__\h]

39

00:02:02,630 --> 00:02:00,630

it's fun

40

00:02:04,230 --> 00:02:02,640

it's certainly easier to kill them

41

00:02:05,510 --> 00:02:04,240

at least i put double boards in all

42

00:02:08,070 --> 00:02:05,520

these windows

43

00:02:09,669 --> 00:02:08,080

yeah

44

00:02:11,350 --> 00:02:09,679

hear them at the door all right let's go

45

00:02:14,390 --> 00:02:11,360

take a look

46

00:02:17,110 --> 00:02:14,400

at least we gotta go search those bodies

47

00:02:19,589 --> 00:02:17,120

oh [\h__\h] there's one

48

00:02:22,869 --> 00:02:19,599

oh mike mike mike mike what

49

00:02:24,150 --> 00:02:22,879

there's a herd over there is it really

50

00:02:26,309 --> 00:02:24,160

oh [\h__\h]

51
00:02:28,229 --> 00:02:26,319
let's go inside

52
00:02:29,830 --> 00:02:28,239
we don't want to get stuck in here we'll

53
00:02:31,350 --> 00:02:29,840
leave

54
00:02:34,150 --> 00:02:31,360
i hope

55
00:02:37,750 --> 00:02:36,309
they lost linus mike you close it you

56
00:02:40,710 --> 00:02:37,760
close it yeah that's the front door oh

57
00:02:43,910 --> 00:02:42,390
we have to lead him away from here we

58
00:02:44,949 --> 00:02:43,920
have to yeah we have to go to the side

59
00:02:52,390 --> 00:02:44,959
um

60
00:02:54,710 --> 00:02:52,400
it's it's ready

61
00:02:59,270 --> 00:02:54,720
you ready is it loaded with yeah full me

62
00:03:04,309 --> 00:03:02,070
can't open this [h__h] door

63
00:03:05,670 --> 00:03:04,319

close that door all right let's uh we

64

00:03:07,830 --> 00:03:05,680

had to book it behind this house with

65

00:03:09,509 --> 00:03:07,840

the pied piper then

66

00:03:11,110 --> 00:03:09,519

yeah there's one right there okay let's

67

00:03:13,990 --> 00:03:11,120

just kill this one that was the only one

68

00:03:19,910 --> 00:03:14,000

that saw does it look like

69

00:03:19,920 --> 00:03:23,670

oh [h__h]

70

00:03:23,680 --> 00:03:26,710

i hate the head

71

00:03:26,720 --> 00:03:35,430

yeah the orientation sucks

72

00:03:35,440 --> 00:03:41,750

okay

73

00:03:45,509 --> 00:03:44,070

nothing on it

74

00:03:48,309 --> 00:03:45,519

i want to get your shotgun out though

75

00:03:52,309 --> 00:03:50,390

all right i'll do it

76
00:03:54,309 --> 00:03:52,319
here comes wait keep wait here comes oh

77
00:03:55,750 --> 00:03:54,319
here comes two where

78
00:03:58,830 --> 00:03:55,760
right here don't use your shotgun oh

79
00:04:03,350 --> 00:04:01,110
four like if we can hurt them all

80
00:04:05,190 --> 00:04:03,360
together back here i can maybe get

81
00:04:14,470 --> 00:04:05,200
a good shot on him

82
00:04:19,270 --> 00:04:16,710
back off fire

83
00:04:21,189 --> 00:04:19,280
open fire

84
00:04:24,550 --> 00:04:21,199
they're gonna start streaming in i know

85
00:04:28,550 --> 00:04:26,629
i'm not gonna waste my

86
00:04:30,710 --> 00:04:28,560
oh mike mike we have a big problem who's

87
00:04:34,230 --> 00:04:30,720
that

88
00:04:37,189 --> 00:04:35,430

oh no

89

00:04:40,629 --> 00:04:37,199

we've made too much noise haven't we oh

90

00:04:44,950 --> 00:04:42,550

they're everywhere we got to come back

91

00:04:48,469 --> 00:04:44,960

this way we have to run this way

92

00:04:53,670 --> 00:04:50,710

as fast as you can go

93

00:04:58,390 --> 00:04:57,430

that was a power move oh no

94

00:04:59,590 --> 00:04:58,400

um

95

00:05:01,749 --> 00:04:59,600

i told you

96

00:05:05,590 --> 00:05:01,759

they attracted a lot of attention they

97

00:05:06,790 --> 00:05:05,600

they attracted every one um we gotta

98

00:05:09,510 --> 00:05:06,800

let's get on the other side of this

99

00:05:11,270 --> 00:05:09,520

fence yeah let's get to that

100

00:05:12,310 --> 00:05:11,280

the purple oh yeah oh my god they're

101
00:05:13,909 --> 00:05:12,320
following

102
00:05:16,310 --> 00:05:13,919
that's the another group trying to get

103
00:05:16,320 --> 00:05:20,790
he's going outside of his fence

104
00:05:26,070 --> 00:05:24,390
[h__h] that was close

105
00:05:28,390 --> 00:05:26,080
this isn't one right we can't can't

106
00:05:30,150 --> 00:05:28,400
worry about those

107
00:05:33,029 --> 00:05:30,160
um

108
00:05:39,029 --> 00:05:33,039
this this house doesn't have any doors

109
00:05:42,629 --> 00:05:41,110
i have no idea how far that herd got

110
00:05:46,070 --> 00:05:42,639
where they went

111
00:05:48,230 --> 00:05:46,080
i see the bodies out front of our house

112
00:05:51,350 --> 00:05:48,240
those are the ones we killed manually

113
00:05:55,029 --> 00:05:51,360

[h__h] they're all there

114

00:05:57,909 --> 00:05:56,710

this is do or die situation jeff they

115

00:06:00,550 --> 00:05:57,919

see me

116

00:06:02,070 --> 00:06:00,560

you get your shotgun i'm ready

117

00:06:04,469 --> 00:06:02,080

you have to get real close and shoot the

118

00:06:07,749 --> 00:06:04,479

main group

119

00:06:07,759 --> 00:06:13,749

i'm going in

120

00:06:17,430 --> 00:06:15,430

behind us

121

00:06:18,550 --> 00:06:17,440

back up

122

00:06:22,469 --> 00:06:18,560

there's one coming up the street i'm

123

00:06:25,189 --> 00:06:23,990

uh back down this way we can dodge these

124

00:06:28,390 --> 00:06:25,199

guys

125

00:06:30,629 --> 00:06:28,400

oh [h__h]

126

00:06:31,590 --> 00:06:30,639

oh no oh

127

00:06:33,029 --> 00:06:31,600

no

128

00:06:37,110 --> 00:06:33,039

we're getting them away from the house

129

00:06:40,870 --> 00:06:38,230

uh

130

00:06:42,629 --> 00:06:40,880

how many were by that medical place

131

00:06:43,430 --> 00:06:42,639

there are quite a few but we can go up

132

00:06:45,510 --> 00:06:43,440

here

133

00:06:47,110 --> 00:06:45,520

and go left we'll just circle around the

134

00:06:48,469 --> 00:06:47,120

block real quick

135

00:06:49,990 --> 00:06:48,479

yeah hopefully we don't encounter too

136

00:06:51,510 --> 00:06:50,000

many you want to if we find a little

137

00:06:53,029 --> 00:06:51,520

quiet spot i can cover you while you

138

00:06:55,430 --> 00:06:53,039

reload your shotgun

139

00:06:57,749 --> 00:06:55,440

i put all the rest of the shells inside

140

00:07:01,589 --> 00:06:57,759

only brought six shots with me jesus

141

00:07:03,909 --> 00:07:01,599

christ why would you because i am stupid

142

00:07:11,350 --> 00:07:03,919

i'll have a pistol get your baseball bat

143

00:07:17,990 --> 00:07:14,710

okay let's uh let's cut left

144

00:07:22,070 --> 00:07:18,000

well they're going out towards the road

145

00:07:26,629 --> 00:07:23,589

okay uh they're still all in front of

146

00:07:28,309 --> 00:07:26,639

our house we got to go for it

147

00:07:30,390 --> 00:07:28,319

we need to log off somewhere else we

148

00:07:33,510 --> 00:07:30,400

can't yeah you're right we have to get

149

00:07:37,350 --> 00:07:34,629

let's just go in the house across

150

00:07:38,550 --> 00:07:37,360

the street no we can log off there

151
00:07:39,670 --> 00:07:38,560
oh [h__h]

152
00:07:41,749 --> 00:07:39,680
yeah mike

153
00:07:42,870 --> 00:07:41,759
yeah what were you thinking

154
00:07:44,230 --> 00:07:42,880
oh my god

155
00:07:47,909 --> 00:07:44,240
i just yelled at him just to get their

156
00:07:52,150 --> 00:07:49,589
oh my god

157
00:07:53,830 --> 00:07:52,160
you did not see that entire herd no

158
00:07:55,110 --> 00:07:53,840
oh my god

159
00:07:56,309 --> 00:07:55,120
don't get the house across the street

160
00:07:58,629 --> 00:07:56,319
this is ducking right here there's

161
00:08:00,790 --> 00:07:58,639
fences and everything

162
00:08:05,990 --> 00:08:00,800
so i actually have to log off right now

163
00:08:06,000 --> 00:08:11,589

let's go into this bathroom

164

00:08:15,749 --> 00:08:14,150

you in here i'm in here all right jesus

165

00:08:17,670 --> 00:08:15,759

christ we're gonna have to find food and

166

00:08:20,950 --> 00:08:17,680

take back our house the next time we log

167

00:08:22,390 --> 00:08:20,960

yeah oh boy a lot of work to do
