

# TEAM SPEAK

on

**twitch**

1  
00:00:17,359 --> 00:00:11,150  
my father died in North Korea my mama

2  
00:00:23,990 --> 00:00:17,369  
check my caller go ahead oh hey what's

3  
00:00:28,609 --> 00:00:24,000  
up uh yeah I mean I'm in GTA 5 and

4  
00:00:30,970 --> 00:00:28,619  
there's a North Korean kid here are you

5  
00:00:33,920 --> 00:00:30,980  
going to take on North Korean yeah

6  
00:00:41,299 --> 00:00:33,930  
they're all starving and eating bananas

7  
00:00:43,670 --> 00:00:41,309  
the same time I'm drinking and watching

8  
00:00:50,150 --> 00:00:43,680  
neighbors oh nice that's a good movie

9  
00:00:58,400 --> 00:00:50,160  
learning is it's not the school of

10  
00:01:01,099 --> 00:00:58,410  
watching a green running around can you

11  
00:01:03,770 --> 00:01:01,109  
hear these kids I can't hear the kid I

12  
00:01:07,850 --> 00:01:03,780  
heard baby and I'm on get it I'm on

13  
00:01:11,300 --> 00:01:07,860

board let me ask you about a little

14

00:01:14,330 --> 00:01:11,310

movie called Mad Max fury road all that

15

00:01:18,170 --> 00:01:14,340

movie is awesome dude I can I could not

16

00:01:21,080 --> 00:01:18,180

believe it like I I i really go see

17

00:01:23,149 --> 00:01:21,090

movies at the movie theater but this one

18

00:01:25,550 --> 00:01:23,159

i carve got a little niche in my life I

19

00:01:27,800 --> 00:01:25,560

went to Philadelphia over this past week

20

00:01:29,420 --> 00:01:27,810

and we stopped in New Jersey and as soon

21

00:01:32,149 --> 00:01:29,430

as we got in i told my girlfriend we're

22

00:01:35,240 --> 00:01:32,159

gonna go see this movie right now got uh

23

00:01:38,690 --> 00:01:35,250

tickets for the the 3d I've only a few

24

00:01:41,090 --> 00:01:38,700

did she want to see this movie um she

25

00:01:43,160 --> 00:01:41,100

was kind of up near she liked bro where

26  
00:01:45,050 --> 00:01:43,170  
she like Mad Max eating the shoot she

27  
00:01:48,800 --> 00:01:45,060  
tolerates it and she likes Mel Gibson

28  
00:01:52,060 --> 00:01:48,810  
and movies so she was more on board at

29  
00:01:55,429 --> 00:01:52,070  
sea for your road than anything else so

30  
00:01:58,760 --> 00:01:55,439  
well she enjoyed it she loved it and I

31  
00:02:01,039 --> 00:01:58,770  
thought it was extraordinary Express I

32  
00:02:02,060 --> 00:02:01,049  
thought it was great and I I told

33  
00:02:06,260 --> 00:02:02,070  
feeling like we're gonna go see this

34  
00:02:09,020 --> 00:02:06,270  
movie I don't know like how were you

35  
00:02:11,479 --> 00:02:09,030  
making me watch mad backs back but it

36  
00:02:13,250 --> 00:02:11,489  
looks weird my trust me you're gonna

37  
00:02:15,860 --> 00:02:13,260  
like this and we

38  
00:02:17,780 --> 00:02:15,870

I can see it and like halfway through

39

00:02:19,369 --> 00:02:17,790

like it to be interesting I don't know

40

00:02:22,039 --> 00:02:19,379

what think of this and then happily

41

00:02:24,860 --> 00:02:22,049

through water over yeah it just wins

42

00:02:27,009 --> 00:02:24,870

people over i I don't know what the how

43

00:02:30,589 --> 00:02:27,019

to describe it it just it's so good it

44

00:02:32,449 --> 00:02:30,599

it just so honest with it violence it is

45

00:02:34,430 --> 00:02:32,459

in his heart like it doesn't give you an

46

00:02:37,069 --> 00:02:34,440

opportunity not to like it because

47

00:02:39,860 --> 00:02:37,079

everything's happening so fast and the

48

00:02:42,770 --> 00:02:39,870

story starts so abruptly you don't have

49

00:02:47,899 --> 00:02:42,780

a chance to say no I don't like it yes

50

00:02:49,490 --> 00:02:47,909

it forces you to watch it I think people

51  
00:02:51,470 --> 00:02:49,500  
are liking it because of all the

52  
00:02:53,240 --> 00:02:51,480  
practical effects on it I mean not just

53  
00:02:54,470 --> 00:02:53,250  
the performances but the type that

54  
00:02:57,440 --> 00:02:54,480  
people don't get to see that kind of

55  
00:03:00,410 --> 00:02:57,450  
movie more where two cars collide and

56  
00:03:03,410 --> 00:03:00,420  
it's not CGI blowing up you're literally

57  
00:03:05,149 --> 00:03:03,420  
watching two huge cars smack into each

58  
00:03:06,979 --> 00:03:05,159  
other and I got thousand pieces slide

59  
00:03:09,289 --> 00:03:06,989  
the air that are real peace yeah and

60  
00:03:13,430 --> 00:03:09,299  
you're watching real stunts you're not

61  
00:03:14,899 --> 00:03:13,440  
and I like I was obviously obsessed with

62  
00:03:18,259 --> 00:03:14,909  
because I just kept reading more and

63  
00:03:20,809 --> 00:03:18,269

more about it and everything I read

64

00:03:22,909 --> 00:03:20,819

about it it may be like it more like how

65

00:03:24,740 --> 00:03:22,919

the guys in the back of those those cars

66

00:03:27,550 --> 00:03:24,750

on those giant poles those are actual

67

00:03:30,140 --> 00:03:27,560

real people swinging back and forth um

68

00:03:33,020 --> 00:03:30,150

that the the people on the the

69

00:03:35,470 --> 00:03:33,030

motorbikes those are real guys and

70

00:03:38,809 --> 00:03:35,480

motorbikes throwing little bombs at the

71

00:03:42,830 --> 00:03:38,819

18-wheeler and and then reading about

72

00:03:44,809 --> 00:03:42,840

George Miller and how he was a is he's a

73

00:03:47,059 --> 00:03:44,819

doctor and he took the Hippocratic oath

74

00:03:50,089 --> 00:03:47,069

to do no harm so he made sure like all

75

00:03:51,500 --> 00:03:50,099

the stunts were as carefully as executor

76  
00:03:54,740 --> 00:03:51,510  
as possible so no one no one got hurt

77  
00:03:57,229 --> 00:03:54,750  
and they only used CGI for some to add

78  
00:03:59,330 --> 00:03:57,239  
some you know extra oomph to some of the

79  
00:04:02,360 --> 00:03:59,340  
explosions and fire but beyond that it

80  
00:04:05,210 --> 00:04:02,370  
was all real what do they use CGI for is

81  
00:04:07,099 --> 00:04:05,220  
if it actually endangered ass up man and

82  
00:04:08,839 --> 00:04:07,109  
that's when they use CGI other than that

83  
00:04:11,030 --> 00:04:08,849  
if it could be done practically they did

84  
00:04:12,740 --> 00:04:11,040  
it I mean of course when they're running

85  
00:04:14,059 --> 00:04:12,750  
through tornadoes and [h\_\_\h] and they're

86  
00:04:16,310 --> 00:04:14,069  
blowing out that you know that's easy

87  
00:04:18,529 --> 00:04:16,320  
guys oh yeah yeah I me everything else

88  
00:04:20,779 --> 00:04:18,539

is just it's just amazing how they did

89

00:04:24,620 --> 00:04:20,789

it I wished I wish more movies more like

90

00:04:25,980 --> 00:04:24,630

that I i got i have done with the whole

91

00:04:29,580 --> 00:04:25,990

cgi a

92

00:04:32,909 --> 00:04:29,590

some years ago so this kind of movie I

93

00:04:34,439 --> 00:04:32,919

mean I should at once in my wife who

94

00:04:36,990 --> 00:04:34,449

didn't even want to see this movie wants

95

00:04:39,330 --> 00:04:37,000

to go see the other and i'm probably i'm

96

00:04:41,249 --> 00:04:39,340

gonna give it some money I'm gonna

97

00:04:42,749 --> 00:04:41,259

actually I really go see movies twice

98

00:04:45,150 --> 00:04:42,759

and by the way I just got blown up by an

99

00:04:47,730 --> 00:04:45,160

RPG and there's like four guys on a roof

100

00:04:49,200 --> 00:04:47,740

right now campaign that is my mission

101  
00:04:52,050 --> 00:04:49,210  
throughout this conversation to take

102  
00:04:56,490 --> 00:04:52,060  
these guys out but I think alike the

103  
00:05:01,649 --> 00:04:56,500  
last time I went to go see a movie more

104  
00:05:03,600 --> 00:05:01,659  
than once was the dark knight returns or

105  
00:05:06,230 --> 00:05:03,610  
is it dirty returning yeah it was that

106  
00:05:10,589 --> 00:05:06,240  
or is that uh which ones with the Joker

107  
00:05:13,350 --> 00:05:10,599  
God just dark knight okay yeah i saw

108  
00:05:15,270 --> 00:05:13,360  
that multiple times um and I feel the

109  
00:05:19,370 --> 00:05:15,280  
same way about this new Mad Max movie as

110  
00:05:21,899 --> 00:05:19,380  
I did all right the guy he's not good I

111  
00:05:23,580 --> 00:05:21,909  
didn't think I would like the new mad

112  
00:05:26,370 --> 00:05:23,590  
next more than I like the New Avengers

113  
00:05:28,469 --> 00:05:26,380

but it's exactly what happened I thought

114

00:05:32,700 --> 00:05:28,479

the New Avengers was like a c-plus at

115

00:05:35,249 --> 00:05:32,710

best and I think mad Maxine a it's tough

116

00:05:36,959 --> 00:05:35,259

and I you know going back to how the

117

00:05:40,469 --> 00:05:36,969

realism of the stunts and just having

118

00:05:42,810 --> 00:05:40,479

real life and props basically having

119

00:05:44,370 --> 00:05:42,820

real props well um that you know

120

00:05:47,820 --> 00:05:44,380

Christopher Nolan started that with with

121

00:05:50,790 --> 00:05:47,830

the Batman franchise yeah very real

122

00:05:53,189 --> 00:05:50,800

locations and real people interacting

123

00:05:56,010 --> 00:05:53,199

and he made every and he made everything

124

00:05:59,279 --> 00:05:56,020

like like the Batmobile he made in his

125

00:06:01,409 --> 00:05:59,289

[h\_\_\h] garage and the some of it like

126

00:06:03,719 --> 00:06:01,419

the cheap [h\_\_\h] and some the army was

127

00:06:06,480 --> 00:06:03,729

wearing is actually military-grade [h\_\_\h]

128

00:06:07,740 --> 00:06:06,490

they were researching so he may he tried

129

00:06:14,070 --> 00:06:07,750

to make that those movies as real as

130

00:06:18,149 --> 00:06:14,080

possible you can forget really bad and I

131

00:06:20,490 --> 00:06:18,159

like there it was like here's the I

132

00:06:23,430 --> 00:06:20,500

guess maybe the bad thing about Mad Max

133

00:06:25,499 --> 00:06:23,440

is that it's if there is a bad thing

134

00:06:27,990 --> 00:06:25,509

about it it is that it's another 18

135

00:06:30,390 --> 00:06:28,000

wheeler car chase you know it's another

136

00:06:33,749 --> 00:06:30,400

oh they're on another oil tanker it's

137

00:06:36,300 --> 00:06:33,759

another chase it seemed like this is

138

00:06:37,930 --> 00:06:36,310

what he wanted to do with the road where

139

00:06:39,550 --> 00:06:37,940

he just had more money behind it

140

00:06:42,670 --> 00:06:39,560

it's also there's no it's not a

141

00:06:45,160 --> 00:06:42,680

continuation of of a story it's like a

142

00:06:47,800 --> 00:06:45,170

James Bond kind of thing where it exact

143

00:06:50,350 --> 00:06:47,810

oh it's his own encapsulated episode and

144

00:06:54,190 --> 00:06:50,360

I mean there's certain callbacks to

145

00:06:56,860 --> 00:06:54,200

other parts of thunder dome or the road

146

00:06:59,410 --> 00:06:56,870

warrior it just really worked well and

147

00:07:02,230 --> 00:06:59,420

Tom Hardy did a really good job at not

148

00:07:04,360 --> 00:07:02,240

talking with and ain't good yeah he was

149

00:07:07,570 --> 00:07:04,370

so good just like he sold it on it just

150

00:07:10,120 --> 00:07:07,580

looks and the manic way he did talk when

151  
00:07:12,430 --> 00:07:10,130  
he did get a doc just just sold that

152  
00:07:15,580 --> 00:07:12,440  
part like I cannot me on my key of Mad

153  
00:07:17,770 --> 00:07:15,590  
Max now i only need no listen anymore

154  
00:07:21,070 --> 00:07:17,780  
like Tom already can be man that's not

155  
00:07:24,940 --> 00:07:21,080  
cool yeah I think you were with him

156  
00:07:28,300 --> 00:07:24,950  
though I I think I signed up for a few

157  
00:07:30,700 --> 00:07:28,310  
more movies and he'd be fool not to it's

158  
00:07:32,500 --> 00:07:30,710  
gonna be it's going to be cult status

159  
00:07:36,280 --> 00:07:32,510  
for like when it comes to movies and

160  
00:07:38,470 --> 00:07:36,290  
action action movies already there and i

161  
00:07:40,360 --> 00:07:38,480  
kind of figured out like i think some

162  
00:07:42,280 --> 00:07:40,370  
people wonder why especially maybe the

163  
00:07:46,000 --> 00:07:42,290

younger generation y is mad max so

164

00:07:48,430 --> 00:07:46,010

popular why do people like Mad Max and I

165

00:07:51,640 --> 00:07:48,440

think it's maybe for our generation it's

166

00:07:55,390 --> 00:07:51,650

because it's basically Boba Fett got a

167

00:07:58,330 --> 00:07:55,400

movie like Mad Max is Boba Fett he is a

168

00:08:00,909 --> 00:07:58,340

bounty hunter he kind of helps people

169

00:08:04,300 --> 00:08:00,919

but mostly he's in it for himself yeah

170

00:08:06,730 --> 00:08:04,310

he survived you know when you were a

171

00:08:09,760 --> 00:08:06,740

[h\_\_\h] cool outfit if he's old ones he

172

00:08:12,280 --> 00:08:09,770

did do a pretty quality of it you know

173

00:08:14,200 --> 00:08:12,290

he has a [h\_\_\h] leg brace it looks like

174

00:08:18,610 --> 00:08:14,210

a little bit of steampunk in there ya

175

00:08:20,440 --> 00:08:18,620

know this is pretty neat um he didn't

176  
00:08:23,590 --> 00:08:20,450  
even get the driver's car that much you

177  
00:08:26,170 --> 00:08:23,600  
know here's how it kind of like did a

178  
00:08:28,150 --> 00:08:26,180  
nod to his car in that movie you say we

179  
00:08:31,090 --> 00:08:28,160  
live like being chased by then he like

180  
00:08:33,670 --> 00:08:31,100  
looks over it yeah I'm sure he was

181  
00:08:37,899 --> 00:08:33,680  
probably in billion the movies really

182  
00:08:39,790 --> 00:08:37,909  
not about Mad Max and no it's like

183  
00:08:43,149 --> 00:08:39,800  
that's what I tell people like it's

184  
00:08:45,370 --> 00:08:43,159  
really that Charlie's throne character

185  
00:08:48,340 --> 00:08:45,380  
it's really her movie she just happened

186  
00:08:50,410 --> 00:08:48,350  
to stumble across mad max yeah and he

187  
00:08:52,030 --> 00:08:50,420  
helps her out like he's just kind of

188  
00:08:54,160 --> 00:08:52,040

there at her story

189

00:08:57,249 --> 00:08:54,170

which i think is why it works so well I

190

00:09:00,910 --> 00:08:57,259

think so too and I i don't i don't buy

191

00:09:03,280 --> 00:09:00,920

all the the men's at activists and i

192

00:09:05,019 --> 00:09:03,290

think i wouldn't get that I think it's

193

00:09:07,990 --> 00:09:05,029

all fake I think that's all fake it

194

00:09:09,850 --> 00:09:08,000

can't be real I think that for the most

195

00:09:13,360 --> 00:09:09,860

part of a guy I saw the post that you

196

00:09:14,740 --> 00:09:13,370

you had a plate I think most of its fake

197

00:09:17,259 --> 00:09:14,750

I think there's probably some guys out

198

00:09:19,180 --> 00:09:17,269

there to things like [h\_\_h] limiter

199

00:09:20,889 --> 00:09:19,190

killing that max or something yes way I

200

00:09:23,860 --> 00:09:20,899

think there are some guys you think that

201  
00:09:26,230 --> 00:09:23,870  
it's quick bait for the most part yeah I

202  
00:09:28,059 --> 00:09:26,240  
think so because it's really there's so

203  
00:09:29,499 --> 00:09:28,069  
little to hate about the movie there's

204  
00:09:31,600 --> 00:09:29,509  
if you're a guy there's good looking

205  
00:09:33,340 --> 00:09:31,610  
girls and there's explosion and if

206  
00:09:35,650 --> 00:09:33,350  
you're a woman there's a strong female

207  
00:09:38,019 --> 00:09:35,660  
lead kick and ask there's multiple

208  
00:09:40,559 --> 00:09:38,029  
strong women like the entire movie is

209  
00:09:43,990 --> 00:09:40,569  
full of very strong self-sufficient

210  
00:09:45,790 --> 00:09:44,000  
kickass women that's right and if your

211  
00:09:48,809 --> 00:09:45,800  
dad I don't like a strong woman living

212  
00:09:51,040 --> 00:09:48,819  
[h\_\_h] you exactly it's loud would you

213  
00:09:53,379 --> 00:09:51,050

absolutely nothing out there's nothing

214

00:09:55,449 --> 00:09:53,389

hotter than a woman in an action movie

215

00:09:58,150 --> 00:09:55,459

just kicking ass and keeping up with all

216

00:10:00,960 --> 00:09:58,160

the guys and whoa take it out I don't

217

00:10:04,600 --> 00:10:00,970

remember anybody during t2 say oh man

218

00:10:07,150 --> 00:10:04,610

okay when the Hamilton she buggin out

219

00:10:09,819 --> 00:10:07,160

kicking ass Arnold like this people is

220

00:10:11,740 --> 00:10:09,829

that she's so awful she's so badass it

221

00:10:15,189 --> 00:10:11,750

takes me of the movie might my

222

00:10:17,170 --> 00:10:15,199

suspicious over you know I can believe

223

00:10:19,930 --> 00:10:17,180

in terminators robots and time travel

224

00:10:23,250 --> 00:10:19,940

but a woman that can kick ass that's it

225

00:10:29,500 --> 00:10:23,260

for me that's right well yeah I can't

226

00:10:31,150 --> 00:10:29,510

enough's enough Wow as I i'm pretty sure

227

00:10:32,680 --> 00:10:31,160

they're gonna they're definitely gonna

228

00:10:34,150 --> 00:10:32,690

have a lot more mad max movies and i

229

00:10:36,550 --> 00:10:34,160

wouldn't even be surprised if they try

230

00:10:40,150 --> 00:10:36,560

to spin it off into some AMC Walking

231

00:10:44,259 --> 00:10:40,160

Dead kind of thing that'll be

232

00:10:46,360 --> 00:10:44,269

interesting yes I'm just saying I i I'd

233

00:10:49,660 --> 00:10:46,370

rather just bad back come out every once

234

00:10:51,970 --> 00:10:49,670

in a while the spin-off for walking dead

235

00:10:54,490 --> 00:10:51,980

i don't know if i can find the bed well

236

00:10:57,309 --> 00:10:54,500

i am i've seen just a teaser trailers

237

00:11:00,910 --> 00:10:57,319

for and I like everything walking dead

238

00:11:03,699 --> 00:11:00,920

even the bad the bad seasons and the

239

00:11:06,009 --> 00:11:03,709

slow yeah I like walking dead like I i

240

00:11:06,350 --> 00:11:06,019

watch it affect I had to buy it cuz I

241

00:11:12,829 --> 00:11:06,360

don't

242

00:11:15,350 --> 00:11:12,839

know if i need to spit out how much

243

00:11:18,620 --> 00:11:15,360

[h\_\_h] drama do i need we are a bit in

244

00:11:21,110 --> 00:11:18,630

a sami saturation something's you that

245

00:11:24,680 --> 00:11:21,120

you got blinded you have come off a walk

246

00:11:27,009 --> 00:11:24,690

today you have Romero's new series

247

00:11:30,079 --> 00:11:27,019

supposedly he's writing that's gonna be

248

00:11:34,009 --> 00:11:30,089

with nabis and then you have what the

249

00:11:38,110 --> 00:11:34,019

izombie you have another zombie show and

250

00:11:41,840 --> 00:11:38,120

I didn't realize a Georgia is a Romero

251

00:11:43,730 --> 00:11:41,850

yeah I didn't realize ya series yeah

252

00:11:46,160 --> 00:11:43,740

he's writing a pilot for a series right

253

00:11:50,389 --> 00:11:46,170

now it's not it hasn't been completely

254

00:11:54,050 --> 00:11:50,399

kicked out but it probably will be cuz i

255

00:11:56,750 --> 00:11:54,060

bequeath zombie shows on in the next two

256

00:11:59,500 --> 00:11:56,760

years because of the one on I believe

257

00:12:02,720 --> 00:11:59,510

the sci-fi network which is god-awful

258

00:12:06,949 --> 00:12:02,730

yeah that's the one I can be given a row

259

00:12:13,009 --> 00:12:06,959

I'm horrible it is god there's anything

260

00:12:16,009 --> 00:12:13,019

good about it well I I'm driving down

261

00:12:18,889 --> 00:12:16,019

I'm not often chaos walking good yeah I

262

00:12:21,259 --> 00:12:18,899

will tell what I it is a is we are in a

263

00:12:23,300 --> 00:12:21,269

zombie overload as a culture and some

264

00:12:25,009 --> 00:12:23,310

people lie i think i've read a lot of

265

00:12:29,600 --> 00:12:25,019

blog posts and articles that we might be

266

00:12:31,370 --> 00:12:29,610

in superhero overload as oh I think we

267

00:12:33,860 --> 00:12:31,380

are I think I didn't see her overloading

268

00:12:35,240 --> 00:12:33,870

the financial year over the sums really

269

00:12:37,519 --> 00:12:35,250

something raw like something wrong

270

00:12:41,000 --> 00:12:37,529

because I'll [h\_\_\h] love that [h\_\_\h] and

271

00:12:43,730 --> 00:12:41,010

I walked into Avengers and I might know

272

00:12:48,019 --> 00:12:43,740

I know this is he big last one isn't he

273

00:12:49,850 --> 00:12:48,029

even in New blast happy birthday I I'm

274

00:12:51,980 --> 00:12:49,860

not even like you know maybe he needed

275

00:12:54,170 --> 00:12:51,990

didn't meant more to me I didn't already

276

00:12:58,100 --> 00:12:54,180

know of a social schedule till 2000 my

277

00:13:00,230 --> 00:12:58,110

team yeah because if I know that hot

278

00:13:02,060 --> 00:13:00,240

guys in the next Captain America but I

279

00:13:04,519 --> 00:13:02,070

know he's not gonna that I have a

280

00:13:07,900 --> 00:13:04,529

restaurant I get a real suspense for me

281

00:13:09,790 --> 00:13:07,910

yeah I guess you're kind of right there

282

00:13:11,980 --> 00:13:09,800

it does kind of you kind of know the end

283

00:13:14,590 --> 00:13:11,990

of this story before they actually

284

00:13:16,450 --> 00:13:14,600

produce it but we also know we grew up

285

00:13:17,590 --> 00:13:16,460

reading these comic books the Infinity

286

00:13:20,830 --> 00:13:17,600

Gauntlet which I just went back and

287

00:13:22,360 --> 00:13:20,840

reread and we know we know Days of

288

00:13:24,910 --> 00:13:22,370

Future past we know the age of

289

00:13:27,850 --> 00:13:24,920

apocalypse story well kind of what

290

00:13:30,900 --> 00:13:27,860

happens but we we watch anyways because

291

00:13:34,660 --> 00:13:30,910

we like the characters that's for me

292

00:13:37,450 --> 00:13:34,670

it's funny like Marvel it's kind of a

293

00:13:41,170 --> 00:13:37,460

slave to what they've done in the past

294

00:13:42,670 --> 00:13:41,180

in it and a certain point the meetings

295

00:13:44,620 --> 00:13:42,680

like I know what's going to happen like

296

00:13:46,810 --> 00:13:44,630

they've announced it I know what flat

297

00:13:48,040 --> 00:13:46,820

lines are using and I kind of know

298

00:13:50,290 --> 00:13:48,050

what's going around and when you have

299

00:13:53,170 --> 00:13:50,300

frogs we own the excellent and keeping

300

00:13:54,700 --> 00:13:53,180

it right or wrong give them [h\_\_h] because

301  
00:13:56,830 --> 00:13:54,710  
they deviate so much from the comic

302  
00:13:58,660 --> 00:13:56,840  
books right and then you're doing maybe

303  
00:13:59,830 --> 00:13:58,670  
an age of apocalypse and I have no idea

304  
00:14:02,350 --> 00:13:59,840  
what they're gonna [h\_\_h] I mean I knew

305  
00:14:04,600 --> 00:14:02,360  
the story in the comic books but they go

306  
00:14:06,850 --> 00:14:04,610  
so far away from that I have no idea

307  
00:14:08,890 --> 00:14:06,860  
what happened baby I think that you know

308  
00:14:11,890 --> 00:14:08,900  
me talking to me it's kind of good for

309  
00:14:13,600 --> 00:14:11,900  
me because I I read all that stuff and

310  
00:14:15,130 --> 00:14:13,610  
I'm goin back wall again so there's

311  
00:14:17,530 --> 00:14:15,140  
there at least or something new there at

312  
00:14:20,920 --> 00:14:17,540  
least there's something of a twist for

313  
00:14:24,670 --> 00:14:20,930

me oh and that's another thing you know

314

00:14:26,680 --> 00:14:24,680

for like I'd the Avengers are lining up

315

00:14:28,150 --> 00:14:26,690

for the Infinity Gauntlet or the

316

00:14:31,090 --> 00:14:28,160

Infinity stone which one is are they

317

00:14:33,850 --> 00:14:31,100

lining up for it including war part

318

00:14:35,200 --> 00:14:33,860

wanna look at it so this I have to be

319

00:14:38,230 --> 00:14:35,210

involved in some way but they can't

320

00:14:41,200 --> 00:14:38,240

because they're involved with Fox yeah

321

00:14:44,080 --> 00:14:41,210

so they're going to rewrite bit there

322

00:14:45,940 --> 00:14:44,090

have to write out the x-men yeah I mean

323

00:14:47,800 --> 00:14:45,950

they just won't even tell you exactly

324

00:14:52,090 --> 00:14:47,810

what Marvel's trying to do this data can

325

00:14:55,180 --> 00:14:52,100

be people I license plate don't own the

326

00:14:57,850 --> 00:14:55,190

rights to the x-men movie wives and they

327

00:15:00,940 --> 00:14:57,860

don't own the rights to Fantastic Four

328

00:15:03,190 --> 00:15:00,950

in the universe they are pretty much

329

00:15:06,790 --> 00:15:03,200

canceling these comics or downplaying

330

00:15:08,410 --> 00:15:06,800

one so they've already canceled the

331

00:15:09,460 --> 00:15:08,420

fantastic four comics a lot of people

332

00:15:11,080 --> 00:15:09,470

are speculating because they don't have

333

00:15:12,850 --> 00:15:11,090

the movie rights they do in the secret

334

00:15:15,130 --> 00:15:12,860

war thing and after the secret war

335

00:15:17,770 --> 00:15:15,140

happens they're going to put the

336

00:15:19,270 --> 00:15:17,780

Inhumans up front and center and the

337

00:15:21,140 --> 00:15:19,280

name of the Inhumans book is going to be

338

00:15:23,720 --> 00:15:21,150

called the uncanny Inhumans

339

00:15:25,070 --> 00:15:23,730

interest anyway that reads Marvel Comics

340

00:15:27,860 --> 00:15:25,080

knows that it's always been the uncanny

341

00:15:29,420 --> 00:15:27,870

x-men yes you know so now picking the

342

00:15:31,610 --> 00:15:29,430

uncanny humans and they're going to push

343

00:15:32,990 --> 00:15:31,620

the Inhumans outside because you have

344

00:15:36,500 --> 00:15:33,000

any when you think about it Burt they're

345

00:15:37,820 --> 00:15:36,510

almost like Utahns here alters the

346

00:15:38,900 --> 00:15:37,830

purposes they could be meeting so

347

00:15:40,760 --> 00:15:38,910

they're doing they're gonna push to the

348

00:15:43,400 --> 00:15:40,770

extent and they're gonna they're gonna

349

00:15:45,290 --> 00:15:43,410

marginalize the actual x-men comic book

350

00:15:47,570 --> 00:15:45,300

I mean you can see what they're doing I

351  
00:15:51,260 --> 00:15:47,580  
mean it's took their Deadpool make sure

352  
00:15:53,420 --> 00:15:51,270  
Wolverine in the comics they killed I

353  
00:15:56,060 --> 00:15:53,430  
don't know they don't suppose I guess

354  
00:15:57,320 --> 00:15:56,070  
careful it's not sure you're blowing my

355  
00:15:59,210 --> 00:15:57,330  
mind haven't read the comics in a long

356  
00:16:01,940 --> 00:15:59,220  
time how did Wolverine die what happened

357  
00:16:04,040 --> 00:16:01,950  
I did you know I don't know I just read

358  
00:16:06,110 --> 00:16:04,050  
that they're gonna kill him and then a

359  
00:16:07,790 --> 00:16:06,120  
buddy of mines in read it like he's

360  
00:16:10,550 --> 00:16:07,800  
young he's still the kind of books like

361  
00:16:12,800 --> 00:16:10,560  
oh yeah the small body like I think I

362  
00:16:16,250 --> 00:16:12,810  
think it just do me a big old pool

363  
00:16:18,890 --> 00:16:16,260

animated animation ok that works as

364

00:16:20,930 --> 00:16:18,900

every time I got I'm like well if that

365

00:16:23,150 --> 00:16:20,940

works unless you know that's what you

366

00:16:26,630 --> 00:16:23,160

gonna do but I don't know how they

367

00:16:29,830 --> 00:16:26,640

killed that pool is it wasn't like any

368

00:16:33,260 --> 00:16:29,840

vegetable or a movie which was god-awful

369

00:16:35,780 --> 00:16:33,270

which one Oliver will rehab upset that

370

00:16:39,530 --> 00:16:35,790

first Wolverine movie yeah doesn't see

371

00:16:42,290 --> 00:16:39,540

much and it kind of lost me when they

372

00:16:45,050 --> 00:16:42,300

started when the effects kind of got a

373

00:16:47,660 --> 00:16:45,060

little goofy maybe they got some because

374

00:16:51,350 --> 00:16:47,670

Spencer me like I had got a big crush on

375

00:16:56,480 --> 00:16:51,360

Lion Reynolds myself who does he I know

376

00:16:58,940 --> 00:16:56,490

I anyone so bad but I I oh I thought I

377

00:17:00,680 --> 00:16:58,950

buy it because the whole excellent

378

00:17:02,930 --> 00:17:00,690

series was on sale and blu-ray for like

379

00:17:04,760 --> 00:17:02,940

twenty dollars I like the [h\_\_h] I'm gonna

380

00:17:06,530 --> 00:17:04,770

buy that and I got the first mover a

381

00:17:08,360 --> 00:17:06,540

movie by school even though me it I

382

00:17:12,050 --> 00:17:08,370

haven't good enough have you have you

383

00:17:15,680 --> 00:17:12,060

seen the days of future past yes what

384

00:17:17,300 --> 00:17:15,690

you think I like it i'm like like i like

385

00:17:21,140 --> 00:17:17,310

i thought they did a really good job i

386

00:17:22,910 --> 00:17:21,150

think that that Fassbender yeah I think

387

00:17:24,740 --> 00:17:22,920

he does a really good job as may need oh

388

00:17:27,920 --> 00:17:24,750

I'd like to see him play bond at some

389

00:17:30,080 --> 00:17:27,930

point but I mean the cast is so good and

390

00:17:32,840 --> 00:17:30,090

Bryan Singer's such a good director it's

391

00:17:34,250 --> 00:17:32,850

good not to like those movies I knew

392

00:17:34,910 --> 00:17:34,260

that jennifer lawrence you got Hugh

393

00:17:37,730 --> 00:17:34,920

Jackman and there

394

00:17:39,470 --> 00:17:37,740

like you know how do you know yes I

395

00:17:41,090 --> 00:17:39,480

didn't think I was gonna like x-men

396

00:17:43,430 --> 00:17:41,100

first class as much as i did but i'm

397

00:17:45,890 --> 00:17:43,440

glad they found a way to merge those two

398

00:17:48,110 --> 00:17:45,900

cast the old and new together and worked

399

00:17:50,080 --> 00:17:48,120

out perfectly and they include you know

400

00:17:52,850 --> 00:17:50,090

the Sentinels which worked and

401  
00:17:54,920 --> 00:17:52,860  
everything about the movie worked yeah

402  
00:17:58,040 --> 00:17:54,930  
it's kind of like Mad Max it just kind

403  
00:18:00,200 --> 00:17:58,050  
of won me over cuz I 18 and a source

404  
00:18:02,120 --> 00:18:00,210  
classified what are we doing it just

405  
00:18:04,100 --> 00:18:02,130  
doesn't make any sense for the timeline

406  
00:18:07,280 --> 00:18:04,110  
and then I you know I saw it and liked

407  
00:18:10,280 --> 00:18:07,290  
happy feeling like this works and then

408  
00:18:11,960 --> 00:18:10,290  
when the William magneto went until

409  
00:18:16,790 --> 00:18:11,970  
those couple of Germans in the bar like

410  
00:18:18,830 --> 00:18:16,800  
damn this is great wow this is awesome

411  
00:18:21,020 --> 00:18:18,840  
yeah that's what got me on board I was

412  
00:18:23,420 --> 00:18:21,030  
like I'm into killing Nazis let's do

413  
00:18:25,070 --> 00:18:23,430

this any movie where they're killing

414

00:18:28,340 --> 00:18:25,080

nazis is good I mean that's what makes

415

00:18:30,740 --> 00:18:28,350

any Energon so would ya if he was just
