

PROJECT

ZOMBO

We are Bandits

1
00:00:09,560 --> 00:00:06,440
hey everyone welcome back to some

2
00:00:12,049 --> 00:00:09,570
project zomboid our safe house has been

3
00:00:14,720 --> 00:00:12,059
compromised prompting us to make the

4
00:00:16,790 --> 00:00:14,730
voyage north to west point we stopped

5
00:00:20,630 --> 00:00:16,800
over in a little trailer park town and

6
00:00:22,939 --> 00:00:20,640
we become looters ourselves to make do

7
00:00:26,599 --> 00:00:22,949
to survive enjoy the video please

8
00:00:29,990 --> 00:00:26,609
subscribe and like talk to you later bye

9
00:00:33,560 --> 00:00:30,000
all right north to the train tracks to

10
00:00:36,500 --> 00:00:33,570
the new city Mia me take a look at the

11
00:00:38,840 --> 00:00:36,510
sea or it's not even a city it's just um

12
00:00:40,580 --> 00:00:38,850
it just happens to have a gun store in

13
00:00:41,840 --> 00:00:40,590

it and it's by the mall which is out

14

00:00:45,229 --> 00:00:41,850

that way and the other part of the town

15

00:00:46,880 --> 00:00:45,239

picnic area gas station diner and we

16

00:00:48,770 --> 00:00:46,890

looking at that little town yeah yes

17

00:00:51,080 --> 00:00:48,780

well as they'll be a rest stop and then

18

00:00:53,660 --> 00:00:51,090

uh okay we keep going probably further

19

00:00:54,950 --> 00:00:53,670

half the way and well we're gonna if we

20

00:00:58,840 --> 00:00:54,960

can get there we're gonna hold up and

21

00:01:01,340 --> 00:00:58,850

that might be a good way point for us to

22

00:01:08,359 --> 00:01:01,350

make a base we're still looking for a

23

00:01:14,810 --> 00:01:08,369

home true yeah I think weird you go

24

00:01:16,910 --> 00:01:14,820

right here hey okay I went this way it

25

00:01:21,270 --> 00:01:16,920

looks like it's a bit more open over

26

00:01:21,280 --> 00:01:29,590

I'm just pushing through oh me too

27

00:01:29,600 --> 00:01:35,670

yeah very dangerous oh [h__h] good call

28

00:01:35,680 --> 00:01:46,100

good one I just have this new trains

29

00:01:54,080 --> 00:01:50,030

so long years for a while I know it's

30

00:01:59,900 --> 00:01:54,090

okay though we're getting out rags goes

31

00:02:04,700 --> 00:01:59,910

on here hmm I have a feeling this idea

32

00:02:08,840 --> 00:02:04,710

isn't completely original yeah so good

33

00:02:11,180 --> 00:02:08,850

work it does require a few people i

34

00:02:18,320 --> 00:02:11,190

believe to do this is I wouldn't want to

35

00:02:19,760 --> 00:02:18,330

do it by myself no personally although

36

00:02:22,640 --> 00:02:19,770

most things in this game I don't like

37

00:02:27,710 --> 00:02:22,650

doing by myself no you got to keep a

38

00:02:29,360 --> 00:02:27,720

lookout we have rated the police station

39

00:02:32,180 --> 00:02:29,370

like a few times on myself and twice

40

00:02:33,620 --> 00:02:32,190

I've died yeah like if they're like

41

00:02:36,020 --> 00:02:33,630

dormant like this we can just walk

42

00:02:41,720 --> 00:02:36,030

around them it's just when there's like

43

00:02:43,430 --> 00:02:41,730

20 of them it becomes a problem switched

44

00:02:48,610 --> 00:02:43,440

in combat you know I think they're

45

00:02:54,259 --> 00:02:51,710

it cuz once her on the ground we can

46

00:02:56,500 --> 00:02:54,269

just yeah yeah he's dead you may have

47

00:03:00,080 --> 00:02:56,510

beat him down does this thing over here

48

00:03:02,750 --> 00:03:00,090

what the hell so people okay fury roads

49

00:03:05,420 --> 00:03:02,760

not our original idea hey not untraveled

50

00:03:08,630 --> 00:03:05,430

but there it is there's a train station

51
00:03:13,730 --> 00:03:08,640
I don't see let's check out this great

52
00:03:17,400 --> 00:03:13,740
yeah I'll keep an eye out

53
00:03:19,770 --> 00:03:17,410
paper clips and paid what the [\h__\h] I'm

54
00:03:23,480 --> 00:03:19,780
gonna open up this door real quick all

55
00:03:34,520 --> 00:03:27,910
leave that door open or quick escape

56
00:03:39,970 --> 00:03:34,530
like f ed a lot of graffito in the crate

57
00:03:47,020 --> 00:03:39,980
over here nothing is in the crate ain't

58
00:03:55,450 --> 00:03:49,880
there's precisely nothing here yeah I

59
00:04:00,800 --> 00:03:55,460
just take the plan and uh crate he

60
00:04:05,650 --> 00:04:00,810
attend that great ok there's nothing out

61
00:04:12,520 --> 00:04:10,060
nope it's a shed let's investigate all

62
00:04:19,630 --> 00:04:12,530
the doors bathrooms oh nice it's like a

63
00:04:23,380 --> 00:04:19,640

[h__h] yeah yep drink water yeah you can

64

00:04:30,150 --> 00:04:23,390

oh yeah don't waste our water bottles

65

00:04:39,060 --> 00:04:35,100

I mean train station that's our bad just

66

00:04:40,650 --> 00:04:39,070

in there pretty [h__h] empty it's a

67

00:04:43,530 --> 00:04:40,660

typical considering what we've

68

00:04:45,930 --> 00:04:43,540

experienced with other locations where

69

00:04:49,020 --> 00:04:45,940

they used in commerce store where

70

00:04:50,550 --> 00:04:49,030

there's at least 50 zombies outside I'm

71

00:04:55,710 --> 00:04:50,560

the butch way far left but he doesn't

72

00:05:02,210 --> 00:04:55,720

see us now I really hope this is not

73

00:05:09,870 --> 00:05:06,750

made here by 9am that's great so it took

74

00:05:13,470 --> 00:05:09,880

us almost four hours letting game time

75

00:05:17,340 --> 00:05:13,480

yeah we left around five so yeah for our

76
00:05:20,580 --> 00:05:17,350
game time walk hold up here for a second

77
00:05:22,560 --> 00:05:20,590
all right media check will get a bearing

78
00:05:26,010 --> 00:05:22,570
here so we are going to come up here to

79
00:05:27,750 --> 00:05:26,020
a little bend and bull no cover on to

80
00:05:30,090 --> 00:05:27,760
the right and then straight up and then

81
00:05:31,860 --> 00:05:30,100
we can take a direct left to the center

82
00:05:34,440 --> 00:05:31,870
of the trailer park if we want to do

83
00:05:36,930 --> 00:05:34,450
that or we go to the pink dining area or

84
00:05:42,000 --> 00:05:36,940
gas station so yeah it's all in that st.

85
00:05:44,610 --> 00:05:42,010
Mary si all right let's do this that's

86
00:06:01,890 --> 00:05:49,710
anyone he anyone on on that said their

87
00:06:08,140 --> 00:06:05,890
now we are the looters are coming up we

88
00:06:10,270 --> 00:06:08,150

don't for you blame every Jeff second

89

00:06:11,680 --> 00:06:10,280

you're there you go I just want to make

90

00:06:14,950 --> 00:06:11,690

sure we're stick blame everything on the

91

00:06:27,580 --> 00:06:14,960

Lea and we're looting people will let

92

00:06:30,939 --> 00:06:27,590

the [h__\h] out of somebody okay to write

93

00:06:36,410 --> 00:06:30,949

zombie's head to our left that's not a

94

00:06:44,370 --> 00:06:39,300

trailers yeah let's go to the trailers

95

00:06:45,480 --> 00:06:44,380

first get a sense of this town okay I'll

96

00:06:48,720 --> 00:06:45,490

take the one the right you take the one

97

00:06:55,550 --> 00:06:48,730

on the left all right smooth although

98

00:06:55,560 --> 00:06:59,620

stop beating that one

99

00:07:05,530 --> 00:07:02,980

a newspaper well I read it yeah take the

100

00:07:08,410 --> 00:07:05,540

time how'd you get yourself find out

101
00:07:10,750 --> 00:07:08,420
about the world no way the doubt goes

102
00:07:13,600 --> 00:07:10,760
down no no thousand points after the

103
00:07:19,720 --> 00:07:13,610
zombie apocalypse oh man let's fish one

104
00:07:21,640 --> 00:07:19,730
more okay so you can dance for three

105
00:07:23,470 --> 00:07:21,650
it's not too hard should be able to push

106
00:07:27,400 --> 00:07:23,480
them down that's good as fall back once

107
00:07:33,580 --> 00:07:27,410
a nice ladies coming our way possibly

108
00:07:36,520 --> 00:07:33,590
two straight Walker yeah all right going

109
00:07:45,330 --> 00:07:36,530
for the kill they'll come up and bash on

110
00:07:53,940 --> 00:07:48,070
there's clear to playing up Bottoms Up

111
00:07:57,350 --> 00:07:57,340
this is armed

112
00:08:07,630 --> 00:08:02,920
um damn okay don't go off the stair now

113
00:08:14,290 --> 00:08:07,640

we go oh I know Kevin Becker field news

114

00:08:21,189 --> 00:08:17,740

a while until I can say damn someone's

115

00:08:25,210 --> 00:08:21,199

been here I wonder if I can deconstruct

116

00:08:28,240 --> 00:08:25,220

now can't deconstruct it I don't want to

117

00:08:31,119 --> 00:08:28,250

walk up their site but that place is

118

00:08:36,449 --> 00:08:31,129

boarded up what is up there maybe they

119

00:08:44,769 --> 00:08:42,130

is there a second level take a look mmm

120

00:08:49,120 --> 00:08:44,779

doesn't look like it no it would render

121

00:08:51,699 --> 00:08:49,130

be careful good yeah you got to go back

122

00:08:54,009 --> 00:08:51,709

and forth all right yeah no second level

123

00:08:55,889 --> 00:08:54,019

maybe is this half-ass wall to keep

124

00:09:00,730 --> 00:08:55,899

zombies out and confuse them for like AI

125

00:09:03,550 --> 00:09:00,740

maybe or maybe they're in the middle

126
00:09:07,050 --> 00:09:03,560
buildings up at those half-assed stairs

127
00:09:10,389 --> 00:09:07,060
I mean there's a lot of wasted [h__h]

128
00:09:13,810 --> 00:09:10,399
that'll disinfectant someone lives here

129
00:09:19,120 --> 00:09:13,820
yes sleeping tab or cigarette for planks

130
00:09:21,760 --> 00:09:19,130
with candle for planks food rotten but

131
00:09:23,319 --> 00:09:21,770
bottle of water half full we can use

132
00:09:26,440 --> 00:09:23,329
these four planks aboard up one of our

133
00:09:28,870 --> 00:09:26,450
water we can drink look at this next

134
00:09:31,329 --> 00:09:28,880
room more for more planks all these

135
00:09:33,819 --> 00:09:31,339
planks are in here twenty planks live

136
00:09:36,100 --> 00:09:33,829
planks you planks chips down sheet rope

137
00:09:39,250 --> 00:09:36,110
wrap crate yep someone's here some of

138
00:09:41,440 --> 00:09:39,260

them lives here yeah bottle or bag my

139

00:09:43,690 --> 00:09:41,450

guys unpleasantly hot it was mine I'm

140

00:09:48,040 --> 00:09:43,700

gonna take off my shirt and exactly how

141

00:09:54,400 --> 00:09:48,050

to put my vest okay my sweater so yeah

142

00:09:56,319 --> 00:09:54,410

someone lives here um just so many

143

00:09:58,630 --> 00:09:56,329

planks actually yes there's a lot

144

00:10:00,010 --> 00:09:58,640

explains why bit oh you know they did

145

00:10:05,910 --> 00:10:00,020

they probably lost your cases to level

146

00:10:09,540 --> 00:10:07,620

say what am I do though we gotta pick

147

00:10:11,280 --> 00:10:09,550

out a house I'm well you just walk with

148

00:10:12,870 --> 00:10:11,290

me I'll just grab 20 planks and we'll

149

00:10:14,639 --> 00:10:12,880

just walk really slow we cleared out

150

00:10:17,550 --> 00:10:14,649

everything to the south but do we want

151

00:10:19,280 --> 00:10:17,560

to make a trailer our 4 trailer fortress

152

00:10:21,840 --> 00:10:19,290

maybe it might work for a night but

153

00:10:24,360 --> 00:10:21,850

there's so many planks here yeah I'm

154

00:10:31,290 --> 00:10:24,370

grabbing some we're gonna need it stupor

155

00:10:35,490 --> 00:10:31,300

window at least what some only one

156

00:10:42,689 --> 00:10:35,500

person grab planks 20 here trying to

157

00:10:44,790 --> 00:10:42,699

move them i'm grabbin some it won't let

158

00:10:47,189 --> 00:10:44,800

me I have a very heavy load I won't let

159

00:10:49,740 --> 00:10:47,199

me do anything how many you got three

160

00:10:53,759 --> 00:10:49,750

well I'll tell you what we do this Lord

161

00:10:55,860 --> 00:10:53,769

him up and come back let's um books

162

00:10:57,269 --> 00:10:55,870

magazines this is someone's this is

163

00:10:59,220 --> 00:10:57,279

someone's we need to investigate this

164

00:11:01,680 --> 00:10:59,230

after he bored something up yeah we go

165

00:11:05,400 --> 00:11:01,690

drop our stuff at some place drop off

166

00:11:07,259 --> 00:11:05,410

our backpacks and come back and grab all

167

00:11:09,199 --> 00:11:07,269

the planets if you just go south back to

168

00:11:11,670 --> 00:11:09,209

the trailer park we just cleared yeah

169

00:11:14,040 --> 00:11:11,680

good call we know it's kind of safe down

170

00:11:18,480 --> 00:11:14,050

there it will come back up here just a

171

00:11:21,870 --> 00:11:18,490

couple of shirtless do day just kick an

172

00:11:30,060 --> 00:11:21,880

ass oh this one's empty um how about

173

00:11:38,270 --> 00:11:32,180

ok

174

00:11:42,560 --> 00:11:38,280

that's good IV yeah where'd you go to

175

00:11:45,920 --> 00:11:42,570

South you know they're here yeah that

176

00:11:52,880 --> 00:11:45,930

one yeah it's it looks like somebody

177

00:11:57,460 --> 00:11:52,890

already was kind of here so I just and

178

00:12:02,840 --> 00:11:57,470

these windows are some are locked okay

179

00:12:04,400 --> 00:12:02,850

um I mean we have to pick a trailers are

180

00:12:06,260 --> 00:12:04,410
