00:00:10,220 --> 00:00:07,730
hey everybody in this episode we

2
00:00:12,530 --> 00:00:10,230
slaughter well over a hundred zombies

3
00:00:15,589 --> 00:00:12,540
almost for no reason we use a lot of

4
00:00:18,320 --> 00:00:15,599
ammo there is a lot of carnage and we

5
00:00:21,140 --> 00:00:18,330
attract a lot of attention please enjoy

6
00:00:24,349 --> 00:00:21,150
subscribe and like the video talk to you

7
00:00:37,840 --> 00:00:24,359
guys later bye I'm going to try to fix

8
00:00:42,770 --> 00:00:40,220
we're running things now yeah we're

9
00:00:46,970 --> 00:00:42,780
letting it over back and we're in charge

10
00:00:52,420 --> 00:00:46,980
if you didn't know ah they said thanks

11
00:01:00,040 --> 00:00:54,529
it sounds like you got a little war

12
00:01:06,620 --> 00:01:00,050
brewing I say we make our way east

13
00:01:10,490 --> 00:01:06,630

through the the grass might as well just

14

00:01:11,240 --> 00:01:10,500

be careful we move slow through here we

15

00:01:13,750 --> 00:01:11,250

can take a look at the shipping

16

00:01:17,440 --> 00:01:13,760

container up here they look pretty oh

17

00:01:22,249 --> 00:01:17,450

[h__\h] Jeff to our to our right we have I

18

00:01:27,640 --> 00:01:22,259

don't know how many zombies oh they're

19

00:01:29,719 --> 00:01:27,650

all congregating and of course they're

20

00:01:35,440 --> 00:01:29,729

pretty garden the way to the supermarket

21

00:01:39,020 --> 00:01:35,450

so I don't know what we should do

22

00:01:41,710 --> 00:01:39,030

there's a lot we can't really pick them

23

00:01:45,490 --> 00:01:43,960

once coming over our way but he's

24

00:01:50,380 --> 00:01:45,500

leaving he's like getting he's like

25

00:01:53,440 --> 00:01:50,390

we're getting close and as we get close

26
00:01:56,170 --> 00:01:53,450
they'll come towards us and then mmm we

27
00:01:58,630 --> 00:01:56,180
try to find another way around but it

28
00:02:00,550 --> 00:01:58,640
has to be but regardless of the fact

29
00:02:07,060 --> 00:02:00,560
they're gonna see us when we go to the

30
00:02:12,400 --> 00:02:07,070
supermarket ah we might just want to mow

31
00:02:14,470 --> 00:02:12,410
him down out here yeah we have more oh

32
00:02:21,790 --> 00:02:14,480
there's North yet to the northwest is a

33
00:02:22,690 --> 00:02:21,800
lot um if we want to fight oh yeah if

34
00:02:25,840 --> 00:02:22,700
you want to fight him we do in this

35
00:02:29,440 --> 00:02:25,850
parking lots it's open this is gonna be

36
00:02:34,840 --> 00:02:29,450
insane pleasantly hard time I guess they

37
00:02:38,900 --> 00:02:34,850
got my best let's go take a look at him

38
00:02:45,089 --> 00:02:43,440

you say they moved up or down I don't

39

00:02:47,160 --> 00:02:45,099

see any with an eye sight down there

40

00:02:53,220 --> 00:02:47,170

make sure we don't get a surprise work

41

00:02:56,880 --> 00:02:53,230

heard of them oh there they are how many

42

00:02:59,369 --> 00:02:56,890

43

00:03:01,680 --> 00:02:59,379

44

00:03:03,449 --> 00:03:01,690

45

00:03:06,710 --> 00:03:03,459

wanna get them bunched I know I'm [h__h]

46

00:03:10,830 --> 00:03:06,720

47

00:03:20,200 --> 00:03:10,840

don't know about that Jeff there's no we

48

00:03:26,980 --> 00:03:22,570

what can you do with these guys we could

49

00:03:31,000 --> 00:03:26,990

lead them around in the circle lets

50

00:03:37,450 --> 00:03:31,010

51
00:03:39,130 --> 00:03:37,460

52
00:03:40,600 --> 00:03:39,140
gonna try to get a bigger following his

53
00:03:46,270 --> 00:03:40,610
positive we're gonna pull Pied Piper

54
00:03:48,930 --> 00:03:46,280
here and then yes exactly okay we're

55
00:03:53,520 --> 00:03:48,940

56
00:03:55,600 --> 00:03:53,530
we're gonna head south and see if we can

57
00:03:58,390 --> 00:03:55,610
we gonna pick a direction here come on

58
00:04:00,250 --> 00:03:58,400

59
00:04:02,520 --> 00:04:00,260

116

00:09:04,660 --> 00:09:02,390

119

00:09:17,970 --> 00:09:09,470

reloading I'm switching from the pistol

120

00:09:23,780 --> 00:09:17,980

to bat we created quite a mess already

121

00:09:23,790 --> 00:09:30,590

tone or give up come up

122

00:09:42,920 --> 00:09:34,400

129
00:10:11,329 --> 00:10:05,290
have ten bullets in the pistol so right

130
00:10:11,339 --> 00:10:21,710
God be on my side

131
00:10:21,720 --> 00:10:26,260
last one

132
00:10:33,560 --> 00:10:30,770
it's it alright switching over to

133
00:10:35,930 --> 00:10:33,570
baseball bat we can I think we can I

134
00:10:38,510 --> 00:10:35,940
think if we do this correctly we can we

135
00:10:42,470 --> 00:10:38,520
can do this holy [\h__\h] look at the

136
00:10:46,000 --> 00:10:42,480
destruction all right let's it was a

137
00:10:49,970 --> 00:10:46,010
massacre do a hit-and-run hit-and-run

138
00:10:51,500 --> 00:10:49,980

actually let's put my pistol and how we

139

00:11:04,000 --> 00:10:51,510

going to do this I have to I've ten

140

00:11:06,980 --> 00:11:04,010

rounds back up back up he's panicking

141

00:11:12,350 --> 00:11:06,990

00:11:22,620 --> 00:11:12,360

head back up my guy is freaking the [h__h]

143

00:11:27,040 --> 00:11:25,030

all right I'm not on the bat now too but

144

00:11:34,710 --> 00:11:27,050

I got three of them I don't know how we

145

00:11:41,530 --> 00:11:38,370

got to get these guys separated in a way

146

00:11:45,820 --> 00:11:41,540

there's two of us so use it as a crawler

147

00:11:52,750 --> 00:11:45,830

right behind you ok let's go up north

148

00:11:54,130 --> 00:11:52,760

here um we could if we stand separated

149

00:12:01,660 --> 00:11:54,140

we can might be able to device at me

150

00:12:10,240 --> 00:12:03,400

now you come up behind him you kill it

151

00:12:13,180 --> 00:12:10,250

154

00:12:55,869 --> 00:12:34,800

ok

155

00:13:06,160 --> 00:12:55,879

split up from the main group I'm just

156

00:13:12,789 --> 00:13:06,170

whacking him in the [h__\h] head mmm

157

00:13:15,980 --> 00:13:12,799

this is not good usually we need to do

158

00:13:19,250 --> 00:13:15,990

we need have them in one group and then

159

00:13:20,780 --> 00:13:19,260

I'll try it when we knock him down other

160

00:13:22,220 --> 00:13:20,790

person will go take the not care of the

161

00:13:36,960 --> 00:13:22,230

00:14:43,480 --> 00:14:40,460

just [h__h] decimated so many zombies

177

00:14:46,990 --> 00:14:43,490

right now uh we killed over 50 for sure

178

00:14:55,240 --> 00:14:47,000

my god oh [h__h] that one was a crawler

179

00:14:55,250 --> 00:15:00,630

this

180

00:15:07,170 --> 00:15:05,520

the gods are smiling on us that day dot

181

00:15:09,810 --> 00:15:07,180

damn good job though we actually we

182

00:15:12,180 --> 00:15:09,820

didn't panic yeah well our characters

183

00:15:15,360 --> 00:15:12,190

did but we didn't we stayed calm we

184

00:15:18,390 --> 00:15:15,370

fought through that there's bodies

185

00:15:20,550 --> 00:15:18,400

everywhere hopefully that guy logs

186

00:15:25,770 --> 00:15:20,560

anything he's good we just did all his

187

00:15:31,200 --> 00:15:25,780

work for him oh my god what happened out

188

00:15:32,700 --> 00:15:31,210

here but now we're completely

189

00:15:36,990 --> 00:15:32,710

defenseless against other players

190

00:15:38,820 --> 00:15:37,000

because we do not have any more ammo um

191

00:15:41,220 --> 00:15:38,830

and we're gonna be shot on sight because

192

00:15:44,670 --> 00:15:41,230

I said the beard Roberts retracting yeah

193

00:15:46,230 --> 00:15:44,680

um yeah let's a school I'm a walk pass

194

00:15:53,210 --> 00:15:46,240

over these bodies again just to see if

195

00:16:03,510 --> 00:15:56,220

we're dicks that's right we're in charge

196

00:16:09,150 --> 00:16:03,520

now okay he said we're [h__h] actually

197

00:16:13,200 --> 00:16:09,160

so serious we're in charge now yeah come

198

00:16:17,100 --> 00:16:13,210

past tribute Tom we started a game

199

00:16:21,120 --> 00:16:17,110

called the Brotherhood of pain is that

200

00:16:23,550 --> 00:16:21,130

you typed in brood hood oh [h__h] it's

201
00:16:28,440 --> 00:16:23,560
fresher the bridge it's the brutal bit

202
00:16:37,140 --> 00:16:28,450
of pain goddammit little hungover plus a

203
00:16:39,300 --> 00:16:37,150
0 ken what a hoodie that says that would

204
00:16:41,990 --> 00:16:39,310
you pay do you like something you'd see

205
00:16:48,990 --> 00:16:42,000
like in the market in China ya miss me

206
00:16:52,560 --> 00:16:49,000
okay okay uh-huh if we walk down that

207
00:16:54,810 --> 00:16:52,570
road we could make it oh it's by the

208
00:16:58,470 --> 00:16:54,820
river to that might be a better area to

209
00:17:02,450 --> 00:16:58,480
live in that town probably the big town

210
00:17:04,949 --> 00:17:02,460
is just yeah she's got looted so often

211
00:17:05,670 --> 00:17:04,959
yeah big city really took advantage of

212
00:17:12,320 --> 00:17:05,680
us

213
00:17:18,300 --> 00:17:16,950

we have to make a gamble um go back to

214

00:17:20,760 --> 00:17:18,310

the house and grab whatever you can and

215

00:17:22,440 --> 00:17:20,770

start making our way north Yeah right

216

00:17:25,950 --> 00:17:22,450

amateu in this area there's no one

217

00:17:29,280 --> 00:17:25,960

there's no more ammo around here oh my

218

00:17:31,410 --> 00:17:29,290

god I think someone got fed up and

219

00:17:36,240 --> 00:17:31,420

killed some zombies or the guy at that

220

00:17:38,640 --> 00:17:36,250

store went north you stay away from the

221

00:17:41,280 --> 00:17:38,650

tree oh Sh like we're just gonna have

222

00:17:42,750 --> 00:17:41,290

come completa you go south I'll go no

223

00:17:46,170 --> 00:17:42,760

yeah i'ma split them split difference

224

00:17:56,460 --> 00:17:46,180

and make the run and there's two more in

225

00:18:08,870 --> 00:18:01,200

we're gonna have a damn Jaden oh boy up

226

00:18:14,349 --> 00:18:11,529

there's more

227

00:18:25,720 --> 00:18:14,359

we can walk past this he's a little

228

00:18:35,090 --> 00:18:31,880

damn long mm-hmm my people can't take

229

00:18:38,120 --> 00:18:35,100

this journey just keel over you almost

230

00:18:39,530 --> 00:18:38,130

do need to people because you can go

231

00:18:44,810 --> 00:18:39,540

south and go north and kind of splits

232

00:18:46,400 --> 00:18:44,820

the zombies up it's almost necessary and

233

00:18:49,400 --> 00:18:46,410

so we can look at your check in the map

234

00:18:51,020 --> 00:18:49,410

yeah I don't know people use the map the

235

00:18:53,480 --> 00:18:51,030

way we do I'm the only i watch some

236

00:18:56,660 --> 00:18:53,490

zombie videos on youtube I don't see any

237

00:19:02,270 --> 00:18:56,670

kind of interactivity of people point up

238

00:19:05,930 --> 00:19:02,280

a map and doing that yeah apparently in

239

00:19:07,820 --> 00:19:05,940

the only one which is good because

240

00:19:11,990 --> 00:19:07,830

people can see what exactly we're

241

00:19:13,370 --> 00:19:12,000

planning and to see if Oh what we say

242

00:19:19,850 --> 00:19:13,380

we're gonna do actually works out lets

243

00:19:23,600 --> 00:19:19,860

this road here I'll check alright stop

244

00:19:26,060 --> 00:19:23,610

here look good um this is a this road

245

00:19:29,210 --> 00:19:26,070

goes straight to the Middletown and goes

246

00:19:34,430 --> 00:19:29,220

past piece of world and zippy market we

247

00:19:35,630 --> 00:19:34,440

can go down one more and go past we can

248

00:19:37,520 --> 00:19:35,640

go down one more if you want this goes

249

00:19:41,780 --> 00:19:37,530

straight to the center of town what on

250

00:19:44,600 --> 00:19:41,790

second me and we can hop right into a

251
00:19:46,670 --> 00:19:44,610
neighborhood too okay but if we go down

252
00:19:48,920 --> 00:19:46,680
further we'll be in the middle of the

253
00:19:52,090 --> 00:19:48,930
Commerce area post office hardware store

254
00:19:54,440 --> 00:19:52,100
and food market a closer to that stuff

255
00:19:56,630 --> 00:19:54,450
now let's get to a [h__h] house first

256
00:20:01,920 --> 00:19:56,640
we need to true let's do this let's take

257
00:20:21,590 --> 00:20:07,120
yeah how many gonna call here funny good

258
00:20:25,700 --> 00:20:24,500
asking jeff words everyone bait where

259
00:20:27,560 --> 00:20:25,710
every person you have their Bey's

260
00:20:31,970 --> 00:20:27,570
where's everyone at so we can come take

261
00:20:33,380 --> 00:20:31,980
your stuff you want to take a look in

262
00:20:35,480 --> 00:20:33,390
here real quick that's the zombie right

263
00:20:40,010 --> 00:20:35,490

there I just let's keep traveling to get

264

00:20:42,409 --> 00:20:40,020

to a house stick to the mission once you

265

00:20:50,320 --> 00:20:42,419

get a home base to operate out of then

266

00:20:58,220 --> 00:20:54,529

this house to our right yeah we're gonna

267

00:21:00,620 --> 00:20:58,230

go in there oh let me sort it up and

268

00:21:03,620 --> 00:21:00,630

there's some zombies oh the ropes yep we

269

00:21:05,000 --> 00:21:03,630

have no investigate that yes we do like

270

00:21:12,000 --> 00:21:05,010

you're walking towards Mars on another

271

00:21:19,400 --> 00:21:14,090

ok

272

00:21:20,950 --> 00:21:19,410

is rope yeah we uh want right uh we got

273

00:21:24,049 --> 00:21:20,960

the state stick up the zombie right now

274

00:21:27,740 --> 00:21:24,059

you some spring cleaning hear ya this is

275

00:21:31,490 --> 00:21:27,750

our new house I think that God windows

276

00:21:38,590 --> 00:21:31,500

277

00:21:58,270 --> 00:21:38,600

off my uh my shits dead broke yep a

278

00:21:58,280 --> 00:22:02,920

goddamn this scent

279

00:22:14,860 --> 00:22:11,800

oh damn suck it was tough just made

280

00:22:16,300 --> 00:22:14,870

anything even sounds at me no there's

281

00:22:18,040 --> 00:22:16,310

nothing hopefully or something in this

282

00:22:19,360 --> 00:22:18,050

now we just check around back the house

283

00:22:20,920 --> 00:22:19,370

because I remember there there about

284

00:22:26,560 --> 00:22:20,930

five zombies around this immediately

285

00:22:30,160 --> 00:22:26,570

around this thing yeah my stupid hammer

286

00:22:32,470 --> 00:22:30,170

I think she came around front doing the

287

00:22:36,070 --> 00:22:32,480

289

00:22:48,039 --> 00:22:43,899
