go d we're here to help yeah other way

13
00:00:51,290 --> 00:00:47,219

yep there is a large zombie horde

14

00:00:55,790 --> 00:00:51,300

towards our north this is right where

15

00:00:58,130 --> 00:00:55,800

anyways yeah I think other players I

16

00:01:00,410 --> 00:00:58,140

think for the most part will leave you

17

00:01:04,070 --> 00:01:00,420

alone they might follow you to see hey

18

00:01:07,870 --> 00:01:04,080

guys I love to water out like my arms

19

00:01:11,090 --> 00:01:07,880

was that your shot like five burn oh

20

00:01:12,859 --> 00:01:11,100

[h__\h] are you injured Nona right now but

21

00:01:14,929 --> 00:01:12,869

you mean our general when you played oh

22

00:01:18,320 --> 00:01:14,939

he's injured right now right now holy

23

00:01:20,719 --> 00:01:18,330

[h__\h] okay how'd you get shot a guy with

24

00:01:22,130 --> 00:01:20,729

a gun holy [h__\h] okay damn we're coming

25

00:01:24,080 --> 00:01:22,140

right towards you you're gonna be dead

26

00:01:25,429 --> 00:01:24,090

there's no way we can even get there in

27

00:01:28,039 --> 00:01:25,439

time / bleeds out unless you have

28

00:01:30,760 --> 00:01:28,049

medical equipment uh I do have some

29

00:01:34,249 --> 00:01:30,770

medical equipment I do have bandages and

30

00:01:38,510 --> 00:01:34,259

band-aids I have a first-aid kit but

31

00:01:41,289 --> 00:01:38,520

it's oh [h__h] ok goddamn Dylan kill Dylan

32

00:01:44,660 --> 00:01:41,299

okay Dylan I think something called hi

33

00:01:46,249 --> 00:01:44,670

damn okay we got a reasoning strongly we

34

00:01:49,780 --> 00:01:46,259

gotta rethink this because we're gonna

35

00:01:52,370 --> 00:01:49,790

be going up there towards yeah that area

36

00:01:54,710 --> 00:01:52,380

and we will be killed because we have no

37

00:01:58,340 --> 00:01:54,720

ammo we have no guns they're probably

38

00:02:00,600 --> 00:01:58,350

guarding the gun store gun store nice

39

00:02:06,090 --> 00:02:00,610

tell me goofed

40

00:02:07,830 --> 00:02:06,100

Martha said said North if you remember

41

00:02:11,130 --> 00:02:07,840

where you died you might be able to not

42

00:02:14,550 --> 00:02:11,140

only loot your old body but the person

43

00:02:20,310 --> 00:02:14,560

who killed you because he did die and he

44

00:02:22,740 --> 00:02:20,320

did have weapons on him yeah that's

45

00:02:29,640 --> 00:02:22,750

important party I know where I was I bed

46

00:02:31,620 --> 00:02:29,650

to the hotel okay it's rolling pin hmm I

47

00:02:38,460 --> 00:02:31,630

know you can use as melee I'll grab that

48

00:02:40,320 --> 00:02:38,470

yeah do that go I drink from rainwater

49

00:02:42,900 --> 00:02:40,330

collects and try to drink from toilets

50

00:02:44,699 --> 00:02:42,910

you know we only drink exclusively [ʌ__ʌ]

51
00:02:50,970 --> 00:02:44,709
toilets you pretty much only drink from

52
00:02:53,490 --> 00:02:50,980
toilets and sinks instructions I figure

53
00:02:55,830 --> 00:02:53,500
they'd have a hammer and it acts or

54
00:02:57,390 --> 00:02:55,840
something in there oh you're in the

55
00:02:59,040 --> 00:02:57,400
constructions no not yet we're walking

56
00:03:03,180 --> 00:02:59,050
around yet there are under our side of

57
00:03:06,810 --> 00:03:03,190
it now we're right by your motel I'm in

58
00:03:10,620 --> 00:03:06,820
the construction site ok oh ok well then

59
00:03:15,449 --> 00:03:10,630
what yeah hey what's up buddy my cat is

60
00:03:19,560 --> 00:03:15,459
a second my foot nice oh we can search

61
00:03:24,810 --> 00:03:19,570
is a area we need better weapons we need

62
00:03:27,000 --> 00:03:24,820
to see people oh nothing the only thing

63
00:03:29,759 --> 00:03:27,010

is that some garbage get our bags and

64

00:03:31,770 --> 00:03:29,769

those okay well if you already looked

65

00:03:34,699 --> 00:03:31,780

and screwed the gun store is not far

66

00:03:39,539 --> 00:03:34,709

from here we got to go for it is north

67

00:03:40,920 --> 00:03:39,549

it's uh yeah good there's parking lot up

68

00:03:43,050 --> 00:03:40,930

here but yeah it's just north my guys a

69

00:03:45,840 --> 00:03:43,060

little hungry I need to eat some chips

70

00:03:48,539 --> 00:03:45,850

or pineapple eat some of our free

71

00:03:50,520 --> 00:03:48,549

pineapple yeah it has a little hungry

72

00:03:52,800 --> 00:03:50,530

too but I have some beef jerky i'll just

73

00:03:57,210 --> 00:03:52,810

eat a little bit of that Cody I'm gonna

74

00:04:00,660 --> 00:03:57,220

75

00:04:02,850 --> 00:04:00,670

them oh boy let's go what's that I had a

76

00:04:04,140 --> 00:04:02,860

pencil before skilled okay I'm gonna

77

00:04:09,180 --> 00:04:04,150

drop you in and get you some good loot

78

00:04:10,980 --> 00:04:09,190

down here Oh Duncan Jim can I found a

79

00:04:13,770 --> 00:04:10,990

corpse of a person there is

80

00:04:22,440 --> 00:04:13,780

there's no ammo and radish so rush

81

00:04:25,470 --> 00:04:22,450

Orange Crush avocado puncher done watch

82

00:04:27,360 --> 00:04:25,480

83

00:04:29,520 --> 00:04:27,370

right he shot you in the back of the

84

00:04:31,950 --> 00:04:29,530

face run around the corner here yeah

85

00:04:34,160 --> 00:04:31,960

it's gonna sass inated are you dead no

86

00:04:38,150 --> 00:04:34,170

I'm right here I think you're behind us

87

00:04:43,350 --> 00:04:38,160

yes split off in maneuvers I've been hit

88

00:04:48,710 --> 00:04:43,360

split up goddammit there's beer injuries

89

00:04:54,090 --> 00:04:48,720

I think he's chasing me very minor been

90

00:04:59,820 --> 00:04:54,100

going down the train tracks it's eating

91

00:05:14,410 --> 00:04:59,830

all my food get out on mister fister my

92

00:05:14,420 --> 00:05:19,640

dollars

93

00:05:33,630 --> 00:05:21,320

I'm not sure if he's coming after me or

94

00:05:33,640 --> 00:05:37,920

we got there

95

00:05:47,040 --> 00:05:43,379

I gotta turn off my pvp eating food that

96

00:05:48,570 --> 00:05:47,050

can find I mean I'm in a bad way yeah

97

00:05:51,779 --> 00:05:48,580

red so if he comes around this corner I

98

00:05:55,770 --> 00:05:51,789

can weapon in the head well I'm of the

99

00:05:58,920 --> 00:05:55,780

train tracks right now so my there's no

100

00:06:04,379 --> 00:05:58,930

pending I won't I see you there you are

101
00:06:07,770 --> 00:06:04,389
okay [h__h] burgers we're very close to

102
00:06:09,240 --> 00:06:07,780
that gun store I'm dumb and [h__h] in the

103
00:06:11,430 --> 00:06:09,250
ground because i don't i'm not sure if

104
00:06:13,890 --> 00:06:11,440
I'm gonna make it you wouldn't have to

105
00:06:15,810 --> 00:06:13,900
have bandages in any whiskey we're doing

106
00:06:17,460 --> 00:06:15,820
yeah hold on a second let me do a

107
00:06:21,120 --> 00:06:17,470
medical check on you she's like and

108
00:06:25,170 --> 00:06:21,130
bandage you up are they sterilized

109
00:06:27,029 --> 00:06:25,180
bandages yes I also had some of them

110
00:06:28,260 --> 00:06:27,039
before still are you bandaged up Jeff

111
00:06:32,610 --> 00:06:28,270
where are you i can come I can come to

112
00:06:34,140 --> 00:06:32,620
you up by the construction site but it's

113
00:06:36,210 --> 00:06:34,150

towards the way we came on inside of the

114

00:06:38,879 --> 00:06:36,220

road just stand-in there off by some

115

00:06:42,029 --> 00:06:38,889

trees I can't get I'm gonna I have to

116

00:06:44,760 --> 00:06:42,039

make a gamble here and my gamble is to

117

00:06:48,270 --> 00:06:44,770

run airy well-fed and I'm sustaining

118

00:06:50,010 --> 00:06:48,280

that that's healing me but I got shot in

119

00:06:53,629 --> 00:06:50,020

the chest in the leg I gotta make it to

120

00:06:59,520 --> 00:06:53,639

that ammo store I have to oh I'm gonna

121

00:07:02,370 --> 00:06:59,530

ripping up my pants I'm running to the

122

00:07:07,770 --> 00:07:02,380

gun store right now do that now I ripped

123

00:07:11,790 --> 00:07:07,780

up my clothing so I'm done bleeding okay

124

00:07:13,469 --> 00:07:11,800

I go well fed I didn't see you go past

125

00:07:15,210 --> 00:07:13,479

pretty much my idea I went behind you

126

00:07:17,820 --> 00:07:15,220

Cody I'm going up the train tracks I'm

127

00:07:22,379 --> 00:07:17,830

going up and around I'm praying that

128

00:07:25,230 --> 00:07:22,389

there's no horizonte's up in this area

129

00:07:28,110 --> 00:07:25,240

I'm just making a guest in it of where I

130

00:07:29,279 --> 00:07:28,120

need to go I dumped my most important

131

00:07:31,110 --> 00:07:29,289

stuff I dumped on the ground in a row

132

00:07:36,670 --> 00:07:31,120

where is that so it's alright thankfully

133

00:07:42,470 --> 00:07:38,840

are you outside the gun store now yeah

134

00:07:44,480 --> 00:07:42,480

yeah there anything in here there's a

135

00:07:48,440 --> 00:07:44,490

couple boxes of ammo what kind of ammo

136

00:07:50,420 --> 00:07:48,450

what kind uh 2 to 3 30 a 9-millimeter

137

00:07:52,820 --> 00:07:50,430

one of these not all right I know meters

138

00:07:56,630 --> 00:07:52,830

gonna reload that gun you got but I need

139

00:08:00,020 --> 00:07:56,640

shotgun chills 2 to 3 i'd grab

140

00:08:01,490 --> 00:08:00,030

everything you can I grabbed everything

141

00:08:06,140 --> 00:08:01,500

that's behind I'm about ready to keel

142

00:08:13,340 --> 00:08:06,150

over yep uh what is this what did the

143

00:08:15,890 --> 00:08:13,350

server say who killed me um hill or hi

144

00:08:18,800 --> 00:08:15,900

age I how does that piece of [h__h] that

145

00:08:29,710 --> 00:08:18,810

people do not like I saw him complaining

146

00:08:44,650 --> 00:08:39,659

joining back in some spotted West Point

147

00:08:53,980 --> 00:08:44,660

we got a scope and an ammo belt that's

148

00:09:00,970 --> 00:08:53,990

good all right I think we should get out

149

00:09:07,330 --> 00:09:00,980

of here Cody follow me we're gonna go

150

00:09:11,080 --> 00:09:07,340

down the tracks that's a big board up

151
00:09:12,580 --> 00:09:11,090
north okay going this way yeah this this

152
00:09:21,250 --> 00:09:12,590
neighborhoods a little dicey at times

153
00:09:29,140 --> 00:09:21,260
but pretty sure we can get past much of

154
00:09:38,880 --> 00:09:32,730
I think this Mike knows is not her house

155
00:09:41,860 --> 00:09:38,890
that's not our house our house like we

156
00:09:44,590 --> 00:09:41,870
for really like we'd like we took it

157
00:09:48,730 --> 00:09:44,600
over we did was living there was

158
00:09:50,530 --> 00:09:48,740
hopefully they're not there even if they

159
00:09:54,430 --> 00:09:50,540
are kind of funny if we knew where the

160
00:09:56,800 --> 00:09:54,440
base was just by I sorted in the other

161
00:10:01,600 --> 00:09:56,810
down mmm I'm gonna lie for a while

162
00:10:03,250 --> 00:10:01,610
started in Yorktown ok so did we yeah

163
00:10:07,510 --> 00:10:03,260

weird enroll dry or whatever it's called

164

00:10:10,180 --> 00:10:07,520

for a while but did you make your way

165

00:10:11,740 --> 00:10:10,190

over here yeah yeah we walk the train

166

00:10:17,440 --> 00:10:11,750

tracks with your trailer park took the

167

00:10:19,360 --> 00:10:17,450

rest stops all right front doors open we

168

00:10:25,720 --> 00:10:19,370

didn't leave it in some did we um maybe

169

00:10:28,150 --> 00:10:25,730

because way that's not good yeah i'm

170

00:10:34,800 --> 00:10:28,160

yeah you know what it could be zombies

171

00:10:41,160 --> 00:10:34,810

in here we're here now so all right

172

00:10:48,040 --> 00:10:44,680

see here I could bear it where we're at

173

00:10:49,510 --> 00:10:48,050

where we can get well if we need guns

174

00:10:56,560 --> 00:10:49,520

you can go to the school might be some

175

00:11:01,840 --> 00:10:56,570

guns there or the playground or the

176

00:11:04,870 --> 00:11:01,850

farmer's house all right I think we need

177

00:11:07,600 --> 00:11:04,880

to get down to the farmer's house me see

178

00:11:13,030 --> 00:11:07,610

where you're looking at it is to the

179

00:11:15,040 --> 00:11:13,040

northwest right down the main road so on

180

00:11:18,310 --> 00:11:15,050

I made a mistake in character creation

181

00:11:21,160 --> 00:11:18,320

oh yeah a Miss click and click

182

00:11:26,030 --> 00:11:21,170

illiterate instead of

183

00:11:31,090 --> 00:11:26,040

you can't read huh you're a litter all

184

00:11:34,490 --> 00:11:31,100

right sir I'm so evening farmhouse yeah

185

00:11:40,640 --> 00:11:34,500

over there by crate shed and church and

186

00:11:43,720 --> 00:11:40,650

cemetery yeah right down the road you

187

00:11:46,280 --> 00:11:43,730

can check it out let's go forward I

188

00:11:48,050 --> 00:11:46,290

think we just go down this road gonna

189

00:11:57,940 --> 00:11:48,060

pop this vest off so I can draw on the

190

00:12:06,190 --> 00:12:00,769

roving gangs of homosexual men have been

191

00:12:09,680 --> 00:12:06,200

looted the city I'm hoping that this

192

00:12:11,090 --> 00:12:09,690

farmhouse has a couple rifles it will

193

00:12:13,370 --> 00:12:11,100

never hurt up here to the left shotgun

194

00:12:15,050 --> 00:12:13,380

shell yeah yeah well you'd think a

195

00:12:24,220 --> 00:12:15,060

farmer would have at least a shotgun

196

00:12:27,290 --> 00:12:24,230

yeah die [h__\h] die [h__\h]

197

00:12:32,960 --> 00:12:27,300

we can pry can sneak up and kill this

198

00:12:36,260 --> 00:12:32,970

guy someone all right no one injured um

199

00:12:39,980 --> 00:12:36,270

fragile I'm good well not anymore BAM

200

00:12:42,890 --> 00:12:39,990

brain that guy yeah he's just has some

201
00:12:44,930 --> 00:12:42,900
pants right here we are someone walled

202
00:12:49,020 --> 00:12:44,940
off the farmer sauce because probably a

203
00:12:58,050 --> 00:12:56,130
there's a farm that spells out help it's

204
00:13:00,240 --> 00:12:58,060
boarded up upstairs and downstairs you

205
00:13:04,110 --> 00:13:00,250
can break we can break this this fence

206
00:13:06,420 --> 00:13:04,120
can be broken with an axe can it oh yeah

207
00:13:09,050 --> 00:13:06,430
let's not break it yet because we might

208
00:13:11,790 --> 00:13:09,060
want to use it I'm hearing screaming

209
00:13:13,740 --> 00:13:11,800
there has to be downstairs windows yeah

210
00:13:16,290 --> 00:13:13,750
others yeah there is I'm did I see one

211
00:13:18,980 --> 00:13:16,300
right now right here on the side and

212
00:13:21,180 --> 00:13:18,990
there's a door right here nothing's open

213
00:13:24,060 --> 00:13:21,190

Alice see how it's not break it down an

214

00:13:27,090 --> 00:13:24,070

ax yet wow so this uh oh is everything

215

00:13:31,890 --> 00:13:27,100

in here food is stored in this area over

216

00:13:37,500 --> 00:13:31,900

here in gemstones is rip sheets don't

217

00:13:42,870 --> 00:13:37,510

your food rotted on it and there's a and

218

00:13:45,930 --> 00:13:42,880

there's a garden back can you break down

219

00:13:48,150 --> 00:13:45,940

stairs I don't know i believe yes you

220

00:13:52,950 --> 00:13:48,160

can then I know where the stairs are

221

00:13:57,150 --> 00:13:52,960

used to be oh really right here in this

222

00:13:58,920 --> 00:13:57,160

hallway that leads nowhere ok yeah ok

223

00:14:00,480 --> 00:13:58,930

well they have to be able to get up

224

00:14:01,830 --> 00:14:00,490

there somehow you're going on take a

225

00:14:03,840 --> 00:14:01,840

look around back to there's a rope they

226

00:14:06,630 --> 00:14:03,850

probably have a sheet rope on one

227

00:14:08,580 --> 00:14:06,640

windows upstairs that they have down

228

00:14:11,550 --> 00:14:08,590

when they're on and when they go off

229

00:14:14,970 --> 00:14:11,560

they go up it and then bring it up and

230

00:14:17,520 --> 00:14:14,980

go offline yeah I see it it's in the

231

00:14:18,870 --> 00:14:17,530

side to the side you get it's on the

232

00:14:24,000 --> 00:14:18,880

roof of the garage for you stand where

233

00:14:27,150 --> 00:14:24,010

I'm standing and look back ok where is

234

00:14:31,170 --> 00:14:27,160

it I'm trying to see it across it's in

235

00:14:33,250 --> 00:14:31,180

the garage it's yeah that's can you get

236

00:14:35,830 --> 00:14:33,260

300

00:17:58,890 --> 00:17:49,400

on time trying to fix it right now I'm

301

00:18:09,570 --> 00:18:07,170

stitching it right now and it's it's how

302

00:18:11,280 --> 00:18:09,580

do you not have a bandage I don't know

303

00:18:13,340 --> 00:18:11,290

I'm banishing I'm stitching it's i

304

00:18:18,990 --> 00:18:13,350

stitched it then i bandaged it so

305

00:18:23,270 --> 00:18:19,000

clasper better because i write something

306

00:18:32,370 --> 00:18:23,280

on empty notebook this is me titled a

307

00:18:36,150 --> 00:18:32,380

dear dear tenants is that we doing yeah

308

00:18:41,850 --> 00:18:36,160

your tenant I wouldn't know did you

309

00:18:49,380 --> 00:18:41,860

write that I saw there for the arrival

310

00:18:56,600 --> 00:18:49,390

of the Brotherhood of pain the brute out

311

00:19:01,190 --> 00:18:59,390

we also are also very thankful he's

312

00:19:10,480 --> 00:19:01,200

prepared for the arrival of the brood

313

00:19:17,840 --> 00:19:10,490

hood of pain we will be checking in and

314

00:19:19,580 --> 00:19:17,850

from time to time although we may not

315

00:19:23,960 --> 00:19:19,590

want to do this because well if they

316

00:19:25,690 --> 00:19:23,970

remove their their rope ladder well it's

317

00:19:28,220 --> 00:19:25,700

all right now we can log off up here

318

00:19:31,730 --> 00:19:28,230

well we can remove the loop rope ladder

319

00:19:37,870 --> 00:19:31,740

and log off up here that might be a good

320

00:19:41,720 --> 00:19:37,880

idea take it over we're really just

321

00:19:46,460 --> 00:19:41,730

[h__h] people over most of the garden

322

00:19:49,250 --> 00:19:46,470

is infected with disease okay and just

323

00:19:51,830 --> 00:19:49,260

to think they have the audacity to claim

324

00:19:58,250 --> 00:19:51,840

this farm as their own when they didn't
