6
00:00:22,970 --> 00:00:21,240

56
00:03:22,890 --> 00:03:18,070
out of there Iran I'm i have slight

57
00:03:31,199 --> 00:03:22,900
damage um holding area do an assessment

58
00:03:33,780 --> 00:03:31,209
on yourself I'm rejoining holy [h__h] I

59
00:03:36,449 --> 00:03:33,790
didn't know they were at the jail door I

60
00:03:37,620 --> 00:03:36,459
guess there I didn't see him yeah

61
00:03:45,180 --> 00:03:37,630
neither did I thought they were at the

62
00:03:47,940 --> 00:03:45,190
hallway door holy [h__h] you know why i

63
00:03:53,420 --> 00:03:47,950

didn't i didn't see him we have like a

64

00:03:58,010 --> 00:03:53,430

seventeen hundred millisecond ping oh

65

00:04:02,070 --> 00:03:58,020

that's a problem it's a bit of a problem

66

00:04:04,320 --> 00:04:02,080

don't ask huh what's it like around you

67

00:04:05,850 --> 00:04:04,330

I just told me we spawned into a police

68

00:04:14,039 --> 00:04:05,860

station surrounded by zombies cloudy we

69

00:04:16,560 --> 00:04:14,049

died oh [h__\h] there's zombies up here I'm

70

00:04:17,940 --> 00:04:16,570

just gonna power move around him Power

71

00:04:20,430 --> 00:04:17,950

Move all you can if we can't stay here

72

00:04:22,050 --> 00:04:20,440

fine just let me know what direction

73

00:04:25,110 --> 00:04:22,060

you're coming from and we can make it

74

00:04:27,570 --> 00:04:25,120

happen we can shake on this double fence

75

00:04:31,010 --> 00:04:27,580

read by the medical place oh [h__\h] ok so

76
00:04:34,530 --> 00:04:31,020
you north of me you're not that far yeah

77
00:04:38,700 --> 00:04:34,540
things aren't render no its fastest is

78
00:04:40,290 --> 00:04:38,710
high latency is really a bro yeah we'll

79
00:04:43,409 --> 00:04:40,300
find another server here one so we meet

80
00:04:47,330 --> 00:04:43,419
up and go do one last hurrah to the

81
00:04:49,380 --> 00:04:47,340
zombies oh my god there's a lot of

82
00:04:51,630 --> 00:04:49,390
Santa's should get my shot Alex Jones

83
00:04:55,920 --> 00:04:51,640
it's fat and he's running is he exerted

84
00:04:59,310 --> 00:04:55,930
already steiff assists it's it's tough

85
00:05:02,520 --> 00:04:59,320
of fighting the info war you can see a

86
00:05:05,190 --> 00:05:02,530
the the powers that be the scum the

87
00:05:08,720 --> 00:05:05,200
globalists I think he made it out okay

88
00:05:10,740 --> 00:05:08,730

we're good why not why can't I am I

89

00:05:13,890 --> 00:05:10,750

think I'm on the road heading towards

90

00:05:15,540 --> 00:05:13,900

you so I should be good I hello canned

91

00:05:19,910 --> 00:05:15,550

food and some fresh herbs so that's good

92

00:05:22,410 --> 00:05:19,920

I just had made Alex eat half an onion

93

00:05:26,490 --> 00:05:22,420

all right I'm up the trailer park okay

94

00:05:30,810 --> 00:05:26,500

I'm in like the first one I'm reading

95

00:05:37,380 --> 00:05:30,820

some read a book trying to stay on my

96

00:05:44,490 --> 00:05:37,390

toes walking out the front door yep I

97

00:05:46,140 --> 00:05:44,500

mean that one may hear you late the

98

00:05:48,450 --> 00:05:46,150

latency shows that you're just walking

99

00:05:53,640 --> 00:05:48,460

straight into a wall our pain is like

100

00:06:01,170 --> 00:05:53,650

2,000 you want a pistol sure gonna make

101
00:06:03,270 --> 00:06:01,180
our last stand Drazen dropped pistol for

102
00:06:08,070 --> 00:06:03,280
you and I have like three canned food

103
00:06:10,350 --> 00:06:08,080
some cereal orange I'm killers and I'm

104
00:06:13,410 --> 00:06:10,360
dropping some ammo right there on the

105
00:06:15,960 --> 00:06:13,420
ground I think you got to box of nine

106
00:06:20,340 --> 00:06:15,970
millimeter and a pistol my guy died was

107
00:06:20,350 --> 00:06:28,159
yeah it's unfortunate

108
00:06:39,529 --> 00:06:32,029
alright floor loaded pistol fully loaded

109
00:06:44,119 --> 00:06:39,539
pistol you want to go try to take back

110
00:06:47,809 --> 00:06:44,129
this police station yeah as well all

111
00:06:50,749 --> 00:06:47,819
right let me make myself a little bug ya

112
00:06:52,939 --> 00:06:50,759
bottle of water or anything um I have

113
00:06:59,570 --> 00:06:52,949

one inch pipe refill it never happened

114

00:07:06,860 --> 00:06:59,580

that trailer alex change is high thirst

115

00:07:09,649 --> 00:07:06,870

hunger of course keep going up keep

116

00:07:11,360 --> 00:07:09,659

picking up from the toilet yeah alright

117

00:07:24,920 --> 00:07:11,370

well Alex Jones drinks from the toilet

118

00:07:29,149 --> 00:07:24,930

so that makes sense decent need yeah you

119

00:07:31,879 --> 00:07:29,159

got time he got time to kill some

120

00:07:34,040 --> 00:07:31,889

moderate exertion I mean how out of

121

00:07:38,480 --> 00:07:34,050

shape is he he's very out of shape he's

122

00:07:41,899 --> 00:07:38,490

a super male vitality I'm just opening

123

00:07:47,480 --> 00:07:41,909

his iodine and Mike and [h__h] now in case

124

00:07:51,910 --> 00:07:47,490

we have to eat it and it's his child

125

00:07:57,950 --> 00:07:55,490

uh-uh that's you then who walked found

126

00:07:59,480 --> 00:07:57,960

me that knows me I think it glitched out

127

00:08:01,850 --> 00:07:59,490

like when I pointed my gun at you some

128

00:08:07,460 --> 00:08:01,860

happen so like when I pointed my gun at

129

00:08:09,650 --> 00:08:07,470

you stop moving like I when I pointed my

130

00:08:12,050 --> 00:08:09,660

gun at you I like want Jeff stop moving

131

00:08:14,170 --> 00:08:12,060

I pointed my gun at you they like locked

132

00:08:17,420 --> 00:08:14,180

onto you and started moving you with me

133

00:08:20,270 --> 00:08:17,430

you see you see that you just walked

134

00:08:23,180 --> 00:08:20,280

away your you're walking just now for me

135

00:08:25,520 --> 00:08:23,190

on my screen I'm looking at you and okay

136

00:08:28,520 --> 00:08:25,530

this latency is ridiculous so let's uh

137

00:08:31,670 --> 00:08:28,530

let's go let's go to the station take it

138

00:08:34,790 --> 00:08:31,680

back here police station yeah my guys

139

00:08:36,710 --> 00:08:34,800

peckish he are I got time to eat oh my

140

00:08:39,110 --> 00:08:36,720

God he's Marta Lee exerted after running

141

00:08:43,870 --> 00:08:39,120

for when I stopping he regrets a little

142

00:08:48,710 --> 00:08:43,880

something to eat um but what's in here

143

00:08:52,190 --> 00:08:48,720

what's in the pantry kate matches eiffel

144

00:08:54,200 --> 00:08:52,200

watermelon come out to the road I just

145

00:08:55,730 --> 00:08:54,210

street and potatoes I'm taking I me

146

00:08:58,370 --> 00:08:55,740

there's a fresh watermelon on the road

147

00:09:01,250 --> 00:08:58,380

out here i just dropped for you hey stop

148

00:09:04,490 --> 00:09:01,260

running ahead of me d huh are you mind

149

00:09:06,890 --> 00:09:04,500

you oh [h__h] oh [h__h] the late fee all

150

00:09:10,970 --> 00:09:06,900

right here there they are let's do this

151
00:09:14,960 --> 00:09:10,980
here we are [h__\h] here i am rock you

152
00:09:23,270 --> 00:09:14,970
like a hurricane I'm the one you want

153
00:09:25,430 --> 00:09:23,280
zombies I'm the one you want okay

154
00:09:27,620 --> 00:09:25,440
there's so much latency explain oh I I

155
00:09:29,270 --> 00:09:27,630
can't do i I just actually ran back in

156
00:09:32,030 --> 00:09:29,280
the parking lots i have no idea what's

157
00:09:34,130 --> 00:09:32,040
going on there's so much latency i omega

158
00:09:35,990 --> 00:09:34,140
just dropped from the sky they came from

159
00:09:39,110 --> 00:09:36,000
behind Mike did it highway highway yeah

160
00:09:42,250 --> 00:09:39,120
there's there's a 50 mm yeah yep there's

161
00:09:45,240 --> 00:09:42,260
so much latency we're fighting blind

162
00:09:51,850 --> 00:09:45,250
okay

163
00:09:54,100 --> 00:09:51,860

we'll take courage keepers reshooting

164

00:09:56,680 --> 00:09:54,110

hoping he Petrine back to the other

165

00:10:00,520 --> 00:09:56,690

parking lot I can't tell what's going on

166

00:10:07,780 --> 00:10:00,530

too so it's latency you just danced it

167

00:10:09,400 --> 00:10:07,790

around I just just forget in my mind how

168

00:10:13,540 --> 00:10:09,410

fast they're moving and i don't mean I

169

00:10:21,190 --> 00:10:13,550

don't even see you oh I see there's a

170

00:10:24,220 --> 00:10:21,200

lot of them all right let's fall back a

171

00:10:30,800 --> 00:10:24,230

little bit this is the problem with

172

00:10:35,940 --> 00:10:33,960

he's still firing ugh I see him the big

173

00:10:37,740 --> 00:10:35,950

there's a big bunch of them I have no

174

00:10:38,880 --> 00:10:37,750

idea where you are i'm on my way okay

175

00:10:41,640 --> 00:10:38,890

I'm coming to the highway they're

176

00:10:45,120 --> 00:10:41,650

following you too I'm coming to the

177

00:10:47,970 --> 00:10:45,130

highway so I'm sensing their direction I

178

least six more shells plus what's in my

191

00:11:44,019 --> 00:11:42,010

this latency oh there's more coming in

192

00:11:45,910 --> 00:11:44,029

from a writer surrounded route through

193

00:11:48,780 --> 00:11:45,920

the woods behind that black light pole

194

00:11:58,870 --> 00:11:48,790

205

00:12:36,910 --> 00:12:34,570
