15

00:00:50,779 --> 00:00:46,460

butter knife you see that a double

16

00:00:54,770 --> 00:00:50,789

roasting pan right by cortman the double

17

00:00:58,430 --> 00:00:54,780

what this is double fenced road by

18

00:01:00,410 --> 00:00:58,440

cormac yes take that past it I'm right

19

00:01:02,930 --> 00:01:00,420

20

00:01:07,910 --> 00:01:02,940

243

00:14:01,829 --> 00:13:59,739

245

00:14:09,989 --> 00:14:05,549

frying pan that's the way is so sexist

246

00:14:12,269 --> 00:14:09,999

it is why fighting with a frying pan so

247

00:14:13,979 --> 00:14:12,279

all right let's like jeevana frame pants

248

00:14:21,590 --> 00:14:13,989

I have an extra yeah would be the frying

249

00:14:30,300 --> 00:14:24,440

equipe primary we all have frying pans I

250

00:14:32,520 --> 00:14:30,310

slow let's go find somebody and beat him

251

00:14:36,780 --> 00:14:32,530

up with a frying pan chefs with a

252

00:14:38,670 --> 00:14:36,790

vengeance she come down arla so let's

253

00:14:40,350 --> 00:14:38,680

say we get to have least this is this

254

00:14:45,030 --> 00:14:40,360

looks pretty good look at our frying pan

255

00:14:50,190 --> 00:14:45,040

pan gang Alex Jones David I can just

256

00:14:52,470 --> 00:14:50,200

even cheer yeah you don't want it ever

257

00:14:54,960 --> 00:14:52,480

well I'm look at that way oh please

258

00:14:56,970 --> 00:14:54,970

let's go in these stop stop don't go we

259

00:14:58,530 --> 00:14:56,980

hold on thankfully you can't there's

260

00:15:00,930 --> 00:14:58,540

only three and as a sheet rope of them

261

00:15:02,640 --> 00:15:00,940

yeah so we have to do this we're gonna

262

00:15:03,810 --> 00:15:02,650

Burton we're gonna fish them out one at

263

00:15:07,290 --> 00:15:03,820

stay back we're gonna fish them out one

264

00:15:09,780 --> 00:15:07,300

at a time no one panic I'm going up on a

265

00:15:14,310 --> 00:15:09,790

lead one away against you can't all do

266

00:15:14,320 --> 00:15:24,600

I want you

267

00:15:29,770 --> 00:15:27,790

okay a joke don't rush ahead hold back

268

00:15:36,190 --> 00:15:29,780

so we're gonna fish them out one at a

269

00:15:38,530 --> 00:15:36,200

time this doesn't have to be aggravate

270

00:15:41,110 --> 00:15:38,540

you know it ain't gonna be this can be

271

00:15:44,140 --> 00:15:41,120

very clean for us this can be there can

272

00:15:45,820 --> 00:15:44,150

be a strategy here so one at a time so

273

00:15:47,530 --> 00:15:45,830

as soon as they can notice you er Joe

274

00:15:53,110 --> 00:15:47,540

come back there's already one coming

275

00:15:56,310 --> 00:15:53,120

towards us yeah there's one coming

276

00:15:58,480 --> 00:15:56,320

towards us so let's fall back fall back

277

00:16:02,410 --> 00:15:58,490

thankfully you're not falling back fall

278

00:16:06,490 --> 00:16:02,420

back hike ball back pull back pull back

279

00:16:11,590 --> 00:16:06,500

I wanna kill him I didn't fall back damn

280

00:16:14,040 --> 00:16:11,600

it lke you're endangering everybody cuz

281

00:16:19,290 --> 00:16:14,050

everyone has to come out and support you

282

00:16:23,980 --> 00:16:19,300

but they have to die [h__h] fall back

283

00:16:28,720 --> 00:16:23,990

goddamn damn it David lcke is a

284

00:16:30,430 --> 00:16:28,730

reasonably new perspective unity okay so

285

00:16:32,260 --> 00:16:30,440

it is one more over here we can take out

286

00:16:35,710 --> 00:16:32,270

just planks in everything here we have

287

00:16:40,060 --> 00:16:35,720

to pick oh [h__h] um there's more around

288

00:16:44,490 --> 00:16:40,070

this way be careful you I do you have

289

00:16:49,870 --> 00:16:48,070

anxious and queasy okay well that's good

290

00:16:52,000 --> 00:16:49,880

you got to eat some stuff and all right

291

00:16:53,530 --> 00:16:52,010

inventory probably queasy because yo

292

00:16:59,810 --> 00:16:53,540

check it now we're in the middle a fight

293

00:17:02,690 --> 00:16:59,820

how do I minimize this X out yeah

294

00:17:07,610 --> 00:17:02,700

where you press I again you yelling stop

295

00:17:11,000 --> 00:17:07,620

yelling stop oh my god oh my god uq q do

296

00:17:12,530 --> 00:17:11,010

not have q I for inventory I got a fish

297

00:17:16,340 --> 00:17:12,540

some more around the side here there's

298

00:17:18,319 --> 00:17:16,350

two more be careful I be careful I need

299

00:17:29,300 --> 00:17:18,329

some help out here Jeff I'm right here

300

00:17:30,860 --> 00:17:29,310

oh my move yep fall back all that call

301

00:17:37,370 --> 00:17:30,870

backs all back anything like ball bag

302

00:17:43,370 --> 00:17:37,380

move call back yeah we gonna just one at

303

00:17:45,770 --> 00:17:43,380

a time damn it David like I didn't do

304

00:17:46,940 --> 00:17:45,780

anything this time I know but still all

305

00:17:53,930 --> 00:17:46,950

right everybody can pick a dance partner

306

00:17:56,450 --> 00:17:53,940

now damn zombie beat down don't want to

307

00:17:58,790 --> 00:17:56,460

hang pants quad strikes again is there

308

00:18:01,490 --> 00:17:58,800

one okay do a quick check I'm fine I'm

309

00:18:03,020 --> 00:18:01,500

fine okay Aunt Peg what's that mean and

310

00:18:05,120 --> 00:18:03,030

we can make tents pitch a tent you know

311

00:18:07,580 --> 00:18:05,130

talking about oh yeah I think I might

312

00:18:10,760 --> 00:18:07,590

have one right now narellan zombies liar

313

00:18:12,230 --> 00:18:10,770

Mike his lawyers you guys lawyer it's

314

00:18:15,680 --> 00:18:12,240

becoming night so we either make this

315

00:18:17,450 --> 00:18:15,690

run now or we wait till morning but I'd

316

00:18:20,120 --> 00:18:17,460

rather do it now you all watch Game of

317

00:18:22,760 --> 00:18:20,130

Thrones yeah we got to be like Stannis

318

00:18:26,920 --> 00:18:22,770

you know we gotta did you go for it

319

00:18:30,230 --> 00:18:26,930

let's do it let's go for it follow me

320

00:18:31,730 --> 00:18:30,240

lead IV newer the warehouse isn't it you

321

00:18:33,410 --> 00:18:31,740

want to go through yeah you and you

322

00:18:35,450 --> 00:18:33,420

ought to go through at night anyway take

323

00:18:40,010 --> 00:18:35,460

them all by surprise so follow me just

324

00:18:42,500 --> 00:18:40,020

go straight it's gonna be treacherous

325

00:18:45,820 --> 00:18:42,510

and dark you're not panic we're making a

326

00:18:51,950 --> 00:18:45,830

lot of noise by the way we do this is

327

00:18:59,810 --> 00:18:57,630

here we are remember this area now this

328

00:19:04,140 --> 00:18:59,820

is the police station up into the right

329

00:19:06,630 --> 00:19:04,150

yes Joe do not be but I see the zombies

330

00:19:08,010 --> 00:19:06,640

and let's be nice let's don't rush into

331

00:19:11,700 --> 00:19:08,020

this because there's a lot of [h__h] in

332

00:19:15,200 --> 00:19:11,710

there hopefully and we don't want to be

333

00:19:20,180 --> 00:19:15,210

too loud we can do it one at a time okay

334

00:19:22,530 --> 00:19:20,190

okay what I'm is attracting them like

335

00:19:25,980 --> 00:19:22,540

either just more inside they're coming

336

00:19:31,410 --> 00:19:25,990

out so okay we go weird on her hip and

337

00:19:34,920 --> 00:19:31,420

bash this guy in the head damn crowbar

338

00:19:37,020 --> 00:19:34,930

rocks okay so we got it I'm gonna go in

339

00:19:41,160 --> 00:19:37,030

there and take longer keeping a lookout

340

00:19:44,040 --> 00:19:41,170

look quick look around it's locked oh

341

00:19:46,170 --> 00:19:44,050

there's a lot in there but they're all

342

00:19:48,090 --> 00:19:46,180

right Jess yo come Joe come back what

343

00:19:51,150 --> 00:19:48,100

baby though open it up no they won't

344

00:19:53,870 --> 00:19:51,160

they don't they can't go watch out get

345

00:19:56,010 --> 00:19:53,880

back here get back to it towards us we

346

00:19:57,450 --> 00:19:56,020

need to create a line of defense and

347

00:19:58,800 --> 00:19:57,460

it'll come out of the window one at a

348

00:20:00,660 --> 00:19:58,810

time and then we'll smash down the door

349

00:20:04,400 --> 00:20:00,670

and get in we get in piecemeal it's

350

00:20:11,310 --> 00:20:09,240

this one's tough as [h__\h] good stuff so I

351

00:20:13,110 --> 00:20:11,320

ought to do is grab the corpse what do

352

00:20:14,550 --> 00:20:13,120

you don't want to rub don't you just eat

353

00:20:15,390 --> 00:20:14,560

literally pick it up so i just have to

354

00:20:19,980 --> 00:20:15,400

look through the window they'll come out

355

00:20:22,080 --> 00:20:19,990

00:32:54,899 --> 00:32:52,960
a heavy load uh let's go find a house

553
00:32:57,840 --> 00:32:54,909
goddamn it this guy's gonna be looking

554
00:32:59,970 --> 00:32:57,850
for us I mean I don't know if this what

555
00:33:01,740 --> 00:32:59,980
this guy's intention really was he

556
00:33:04,740 --> 00:33:01,750
dropped a lot of bullets for us but then

557
00:33:06,180 --> 00:33:04,750
I think those bullets for our three way

558
00:33:09,779 --> 00:33:06,190
I found in the [h__\h] he gave us our

559
00:33:12,330 --> 00:33:09,789
Harbor with back yes that's why I killed

560
00:33:14,720 --> 00:33:12,340
him I'd look I'm not disagreeing with

561
00:33:17,460 --> 00:33:14,730
you I think you made the right decision

562
00:33:19,620 --> 00:33:17,470
there's a guy was eluding her [h__\h] but

563
00:33:21,210 --> 00:33:19,630

564

00:33:24,779 --> 00:33:21,220

567

00:33:33,240 --> 00:33:30,429

gang oh yeah yeah it was horseshit he

568

00:33:34,950 --> 00:33:33,250

didn't want to join the gang yeah that's

569

00:33:36,750 --> 00:33:34,960

yeah join us or Die that should that's

570

00:33:39,360 --> 00:33:36,760

that's what we're doing from now on I

571

00:33:41,909 --> 00:33:39,370

wasn't gonna I'm gonna kill him I may I

572

00:33:44,820 --> 00:33:41,919
