13
00:01:21,510 --> 00:01:19,900

where we have to we have we have no

14

00:01:23,490 --> 00:01:21,520

choice with yourself player character

15

00:01:31,410 --> 00:01:23,500

behind us well let's let's keep going

16

00:01:35,160 --> 00:01:31,420

yeah he's running away there's a cleric

17

00:01:36,690 --> 00:01:35,170

here behind us yeah I saw him he was he

18

00:01:39,240 --> 00:01:36,700

must be shadowing us or something I

19

00:01:42,480 --> 00:01:39,250

don't know yeah alright we can walk walk

20

00:01:47,090 --> 00:01:42,490

let's walk don't go up that way no just

21

00:01:56,850 --> 00:01:54,450

if you get them off of us that's fine so

22

00:02:03,440 --> 00:01:56,860

I'm tissue zucchini meter zucchini real

23

00:02:06,840 --> 00:02:03,450

fast okay now move wash up like the

24

00:02:08,820 --> 00:02:06,850

bunny forever I see and they're moving

25

00:02:14,280 --> 00:02:08,830

to the north you're going where we're

26

00:02:17,670 --> 00:02:14,290

going great watch out Jeff hate those

27

00:02:19,530 --> 00:02:17,680

guys ooh there's I'm done here yeah i

28

00:02:23,790 --> 00:02:19,540

think there must have been a shot up

29

00:02:29,190 --> 00:02:23,800

there you know Sam something's going

30

00:02:31,000 --> 00:02:29,200

down up there What's Up B I decide I see

31

00:02:41,830 --> 00:02:31,010

him

32

00:02:44,380 --> 00:02:41,840

Dokus are zombies is your shotgun up yep

33

00:02:55,000 --> 00:02:44,390

okay i'm keeping my favorite PvP quite

34

00:02:57,840 --> 00:02:55,010

yet yeah I'm not there yet keep it an

35

00:03:04,830 --> 00:03:00,210

we're at the gas station i believe and

36

00:03:07,370 --> 00:03:04,840

all the zombies in the north all the

37

00:03:12,800 --> 00:03:07,380

zombies are moving north you have to

38

00:03:21,979 --> 00:03:14,930

keep your crowbar out in to get my shock

39

00:03:23,510 --> 00:03:21,989

and yeah my crowbars out stay right here

40

00:03:31,770 --> 00:03:23,520

for a second I gotta move some stuff

41

00:03:37,559 --> 00:03:33,780

he might not want to engage us since

42

00:03:41,340 --> 00:03:37,569

there's two of us there are two zombie

43

00:03:42,960 --> 00:03:41,350

directly to her ignore I gotta I gotta

44

00:03:45,870 --> 00:03:42,970

put something else in my talking

45

00:03:48,960 --> 00:03:45,880

backpack we didn't didn't see us that's

46

00:03:51,449 --> 00:03:48,970

good it's really good you want to check

47

00:03:57,710 --> 00:03:51,459

out the gas station since we're here you

48

00:04:02,500 --> 00:03:59,090

it's kind of tough to see what that

49

00:04:11,330 --> 00:04:02,510

ceiling that roof rack that's really

50

00:04:20,509 --> 00:04:11,340

[h__h] up it appears to be okay there

51
00:04:25,220 --> 00:04:20,519
were some snacks gas can empty gas can

52
00:04:27,320 --> 00:04:25,230
propane tank for painting gas can all

53
00:04:32,810 --> 00:04:27,330
right well it's a great place to get

54
00:04:37,790 --> 00:04:32,820
some fuel oh my god be shot that's it no

55
00:04:39,980 --> 00:04:37,800
that's a player character let's get the

56
00:04:45,560 --> 00:04:39,990
[h__h] out of here you shooting at us I

57
00:04:46,760 --> 00:04:45,570
don't know shotguns on we have to get

58
00:04:52,720 --> 00:04:46,770
out of here this could be a death trap

59
00:05:02,999 --> 00:04:57,170
south this way sounds like we're running

60
00:05:13,019 --> 00:05:09,959
let's get to the road road it sounded

61
00:05:14,939 --> 00:05:13,029
pretty close to us that was it was

62
00:05:31,730 --> 00:05:14,949
within 20 feet he was on the other side

63
00:05:37,260 --> 00:05:35,279

yeah who's at the gas station keep an

64

00:05:39,420 --> 00:05:37,270

eye out

65

00:05:42,720 --> 00:05:39,430

both have our shotguns out because well

66

00:05:44,490 --> 00:05:42,730

we have no choice at this point there's

67

00:05:46,500 --> 00:05:44,500

nothing really down this you know but we

68

00:05:50,300 --> 00:05:46,510

there's gonna be so many zombies going

69

00:05:54,650 --> 00:05:50,310

over there we're really up [h__h] creek I

70

00:05:57,300 --> 00:05:54,660

mean that was extremely close to us i

71

00:05:58,650 --> 00:05:57,310

Jes even Shirin Alex Jones never back

72

00:06:01,620 --> 00:05:58,660

down from a fight but we can go

73

00:06:07,050 --> 00:06:01,630

investigate he has a pistol we have two

74

00:06:08,130 --> 00:06:07,060

shotguns oh yes I'm bees I see zombies

75

00:06:13,230 --> 00:06:08,140

going over there right now towards the

76

00:06:15,180 --> 00:06:13,240

gas station I saw one or two it don't

77

00:06:19,770 --> 00:06:15,190

seen you around us so they're over there

78

00:06:24,150 --> 00:06:19,780

are right um [h__\h] show right here you

79

00:06:25,740 --> 00:06:24,160

can chill here for a second hi exertion

80

00:06:29,040 --> 00:06:25,750

fairly heavy load why do I have a heavy

81

00:06:34,890 --> 00:06:29,050

load I'll cuz I'm carry my shotgun want

82

00:06:35,820 --> 00:06:34,900

to put it back in my backpack yeah if

83

00:06:38,370 --> 00:06:35,830

you if you have anything that's

84

00:06:41,700 --> 00:06:38,380

questionable just dump it so you not

85

00:06:43,110 --> 00:06:41,710

that have to heavy load Oh looks the

86

00:06:46,230 --> 00:06:43,120

galaxy has got to get addicted to

87

00:06:48,300 --> 00:06:46,240

painkillers because he's he was he in

88

00:06:50,600 --> 00:06:48,310

pain next scratch got infected oh yeah

89

00:06:53,490 --> 00:06:50,610

thnkx rash got infected dude I just

90

00:06:56,550 --> 00:06:53,500

disinfected okay I just dis inducted it

91

00:06:58,260 --> 00:06:56,560

and it put him in a lot of pain okay so

92

00:06:59,640 --> 00:06:58,270

he's just popping percocets like his no

93

00:07:04,130 --> 00:06:59,650

one's business that's fine I got some

94

00:07:05,940 --> 00:07:04,140

extras been you yeah he's now he's fine

95

00:07:08,679 --> 00:07:05,950

sickness would have already on said if

96

00:07:14,320 --> 00:07:08,689

he's actually zombie infected so

97

00:07:19,379 --> 00:07:14,330

I cleaned them up like ladies is going

98

00:07:30,850 --> 00:07:23,379

they're dormant right now we cannot do

99

00:07:41,379 --> 00:07:30,860

this [h__h] the guy tried a lot boo shots

100

00:07:45,549 --> 00:07:41,389

really [h__h] this mmm stay right here me

101
00:07:48,069 --> 00:07:45,559
take a look at the map okay 26 shotgun

102
00:07:51,069 --> 00:07:48,079
shells 30 grounds for the pistol if we

103
00:07:52,509 --> 00:07:51,079
want to try and fight it out um I'd

104
00:07:58,540 --> 00:07:52,519
rather not waste our shotgun shells on

105
00:08:00,069 --> 00:07:58,550
that we're pretty close to the warehouse

106
00:08:03,399 --> 00:08:00,079
we might be able to walk through the

107
00:08:04,749 --> 00:08:03,409
forest but that's not good either to

108
00:08:11,679 --> 00:08:04,759
what that we don't know what's in the

109
00:08:13,359 --> 00:08:11,689
other side we really don't um we could

110
00:08:16,329 --> 00:08:13,369
book it around them we might go to book

111
00:08:19,029 --> 00:08:16,339
it around them but we might be running

112
00:08:22,139 --> 00:08:19,039
anything mortals yeah we don't know

113
00:08:27,100 --> 00:08:25,659

let's see we danced fruitless we can't

114

00:08:28,989 --> 00:08:27,110

go so we can't go back to the gas

115

00:08:32,740 --> 00:08:28,999

station that's his area he was out there

116

00:08:37,089 --> 00:08:32,750

popping shots off so we have to make oh

117

00:08:42,999 --> 00:08:37,099

my god North is bad North is bad we

118

00:08:45,910 --> 00:08:43,009

cannot go north all right back that

119

00:08:47,319 --> 00:08:45,920

sucks we might have to go back to the

120

00:08:51,639 --> 00:08:47,329

gas station problem is there's not a lot

121

00:08:53,110 --> 00:08:51,649

of food around these parts um there's a

122

00:08:55,509 --> 00:08:53,120

diner over there but there's a ton of

123

00:08:58,809 --> 00:08:55,519

zombies over there I have I have seven

124

00:09:02,110 --> 00:08:58,819

orange sodas okay okay we're good and

125

00:09:05,410 --> 00:09:02,120

two things of chocolate okay well then a

126

00:09:08,740 --> 00:09:05,420

kit oranges so you can get a snack

127

00:09:10,569 --> 00:09:08,750

attack going hold hold up real quick we

128

00:09:14,920 --> 00:09:10,579

can try and where he's asking us where

129

00:09:18,100 --> 00:09:14,930

are you guys are you going to we can cut

130

00:09:20,590 --> 00:09:18,110

through the woods across from the police

131

00:09:23,429 --> 00:09:20,600

station and go to that little other road

132

00:09:25,809 --> 00:09:23,439

we can go trend go to the lumber camp

133

00:09:29,740 --> 00:09:25,819

yeah there's no food is definitely up

134

00:09:31,269 --> 00:09:29,750

there I'm boiling water but we could we

135

00:09:35,800 --> 00:09:31,279

could we can make it we could give it a

136

00:09:39,309 --> 00:09:35,810

go this will take us right to the lumber

137

00:09:41,290 --> 00:09:39,319

yard if we stay on this road he'll take

138

00:09:43,389 --> 00:09:41,300

us right to the access road to the

139

00:09:45,220 --> 00:09:43,399

lumber yard so we just got to go north

140

00:09:47,170 --> 00:09:45,230

what's his head north no matter what

141

00:09:51,070 --> 00:09:47,180

yeah we've done this before you north

142

00:09:59,220 --> 00:09:54,250

oh yeah fury railroad tracks the

143

00:10:01,600 --> 00:09:59,230

railroad tracks we could do this and

144

00:10:15,280 --> 00:10:01,610

thank God most of the commotions over

145

00:10:19,060 --> 00:10:15,290

there in the city this is ridiculous

146

00:10:22,300 --> 00:10:19,070

yeah Oh an axe in acts nice you want

147

00:10:27,250 --> 00:10:22,310

that act I don't get the room for it up

148

00:10:28,480 --> 00:10:27,260

my a good and there's one dump I'm not

149

00:10:31,930 --> 00:10:28,490

going up any further because it's like

150

00:10:37,570 --> 00:10:31,940

four or five zombies up there I get to

151
00:10:41,879 --> 00:10:37,580
looking at what I want to jettison well

152
00:10:53,129 --> 00:10:43,829
I'm gonna drop it you see these chips

153
00:11:04,049 --> 00:10:58,859
let's take care of it nice and this

154
00:11:07,259 --> 00:11:04,059
[h__h] door is wide open be careful

155
00:11:11,519 --> 00:11:07,269
what you say holy [h__h] jack [h__h] does

156
00:11:13,679 --> 00:11:11,529
lie it was just standard room yo stand

157
00:11:17,099 --> 00:11:13,689
back and see what happens it's Q so

158
00:11:21,389 --> 00:11:17,109
close hi wouldn't you want it to be

159
00:11:24,869 --> 00:11:21,399
dealt why BL so you don't you can I

160
00:11:31,470 --> 00:11:24,879
think maybe remap the key like em or

161
00:11:39,780 --> 00:11:31,480
something as am just [h__h] all right I

162
00:11:44,309 --> 00:11:39,790
don't see I said maybe huh could be okay

163
00:11:47,970 --> 00:11:44,319

we might be all right battery charcoal

164

00:11:53,069 --> 00:11:47,980

sandbag nothing looking for another

165

00:11:59,879 --> 00:11:53,079

racks and probably be run into some

166

00:12:07,499 --> 00:12:02,069

I'd rather not run so I can save my

167

00:12:09,720 --> 00:12:07,509

strength I feel like this is a shitty

168

00:12:12,809 --> 00:12:09,730

predator movie with Alex Jones ingesting

169

00:12:14,129 --> 00:12:12,819

insurer with their shirts off Jeff these

170

00:12:18,590 --> 00:12:14,139

bodies a wide berth we don't know if

171

00:12:21,329 --> 00:12:18,600

they're alive or dead they might be

172

00:12:23,369 --> 00:12:21,339

checking these are the ones we killed no

173

00:12:36,479 --> 00:12:23,379

we didn't come down this road yeah we

174

00:12:38,280 --> 00:12:36,489

did behind us yo keep in mind yep I

175

00:12:41,840 --> 00:12:38,290

can't swing this thing this thing's not

176

00:12:49,840 --> 00:12:44,509

uh that was a player characters corpse

177

00:12:57,699 --> 00:12:55,069

orange giggles there's a can of gas i

178

00:13:00,379 --> 00:12:57,709

put back in the building we can make a

179

00:13:03,379 --> 00:13:00,389

get drunk and making some small tops

180

00:13:06,350 --> 00:13:03,389

let's go do that real quick yeah it's

181

00:13:14,930 --> 00:13:06,360

back here I put up at the gas can back

182

00:13:59,140 --> 00:13:14,940

183

00:14:19,309 --> 00:14:01,040

okay you can let him doing a little

184

00:14:19,319 --> 00:14:22,639

let's go

185

00:14:30,730 --> 00:14:26,179

we can go low we had gas back that way

186

00:14:36,139 --> 00:14:30,740

and lentils well whatever I don't know

187

00:14:39,139 --> 00:14:36,149

rectangle with them you got the harder

188

00:14:42,650 --> 00:14:39,149

component to find a shar-pei I gotta get

189

00:14:46,220 --> 00:14:42,660

my sledgehammer equipped again what was

190

00:14:49,699 --> 00:14:46,230

following him exactly and so we're gonna

191

00:14:53,840 --> 00:14:49,709

have to find out we should have killed

192

00:14:57,949 --> 00:14:53,850

that guy okay so we gotta walk through

193

00:15:01,669 --> 00:14:57,959

the woods a little bit here does is go

194

00:15:05,299 --> 00:15:01,679

straight yeah we are this is gonna be a

195

00:15:14,499 --> 00:15:05,309

little dangerous oh my god runs great

196

00:15:20,749 --> 00:15:18,530

we can fight them we have the recourses

197

00:15:24,949 --> 00:15:20,759

198

00:15:29,329 --> 00:15:24,959

199

00:15:33,619 --> 00:15:29,339

300

00:22:31,980 --> 00:22:30,820

to South let's keep going south we're

301

00:22:37,020 --> 00:22:31,990

just leading them down the highway

302

00:22:38,940 --> 00:22:37,030

remote if you can reload as we go yep I

303

00:22:43,350 --> 00:22:38,950

have 30 volts for the pistol so the

304

00:22:45,870 --> 00:22:43,360

pistol is still um what's mixed next

305

00:22:48,000 --> 00:22:45,880

left to see a shotgun 16 shells on the

306

00:22:51,000 --> 00:22:48,010

person next left we can take we take it

307

00:23:04,660 --> 00:22:51,010

308

00:23:20,210 --> 00:23:17,450

all right Oh God all right yeah my guys

309

00:23:23,710 --> 00:23:20,220

310

00:23:26,000 --> 00:23:23,720

path with the find a path find a path

311

00:23:28,460 --> 00:23:26,010

let's save the rest for a shotgun shells

312

00:23:31,220 --> 00:23:28,470

I have seven left have another round I

313

00:23:33,740 --> 00:23:31,230

can do 12 6 in the shotgun I have 10

314

00:23:38,090 --> 00:23:33,750

reserve plus pistol we got to go further

315

00:23:40,700 --> 00:23:38,100

south I believe yeah let's try not make

316

00:23:44,020 --> 00:23:40,710

so much noise that just disturbed the

317

00:23:46,250 --> 00:23:44,030

entire county yes so listen we got it I

318

00:23:50,900 --> 00:23:46,260

ain't even looked at Chad I thought

319

00:23:53,510 --> 00:23:50,910

people were talking edge her [h__\h] we may

320

00:23:59,570 --> 00:23:53,520

even burn enough away from everybody we

321

00:24:02,720 --> 00:23:59,580

can go down here yeah my pants back on I

322

00:24:06,200 --> 00:24:02,730

don't know leave them off since I get my

323

00:24:08,000 --> 00:24:06,210

characters cold so okay we have we have

324

00:24:14,409 --> 00:24:08,010

a little breather here put it back on we

325

00:24:16,210 --> 00:24:14,419

can I'm keeping a lookout sweater

326

00:24:23,680 --> 00:24:16,220

328

00:24:31,269 --> 00:24:27,460

329

00:24:32,619 --> 00:24:31,279

330

00:24:34,509 --> 00:24:32,629

keep mine on shotgun you want to go

331

00:24:47,549 --> 00:24:34,519

melee with your axe grant yeah i got my

332

00:24:51,180 --> 00:24:49,529

well the good thing is a lot of more

333

00:24:56,119 --> 00:24:51,190

we're on the highway and probably headed

334

00:25:01,080 --> 00:24:56,129

north and we kind of gave me old Juke

335

00:25:03,779 --> 00:25:01,090

duck and dive oh my god they're going

336

00:25:06,330 --> 00:25:03,789

south let's go up here now we're no this

337

00:25:09,659 --> 00:25:06,340

is good we had to stay on this when I

338

00:25:14,430 --> 00:25:09,669

would stay yep there's some behind oh my

339

00:25:18,810 --> 00:25:14,440

god there Mike yeah yeah yeah we're

340

00:25:21,389 --> 00:25:18,820

gonna there's a there's a barrier where

341

00:25:24,090 --> 00:25:21,399

you want to cut in or out let's cut in

342

00:25:26,700 --> 00:25:24,100

cut in there's less there's less zombies

343

00:25:28,049 --> 00:25:26,710

inside to the starting area yeah we

344

00:25:31,590 --> 00:25:28,059

actually need to run sir kind of

345

00:25:35,100 --> 00:25:31,600

building nah palace that's fine oh my

346

00:25:41,970 --> 00:25:35,110

347

00:25:46,350 --> 00:25:41,980

349

00:25:49,980 --> 00:25:48,639

we've something in front of us it's

350

00:25:57,850 --> 00:25:49,990

alright it's not much what's keeping on

351

00:26:11,540 --> 00:26:01,760

352

00:26:18,460 --> 00:26:11,550

354

00:26:41,009 --> 00:26:32,659

we can't use these shotguns anymore

355

00:26:49,610 --> 00:26:41,019

everyone knows the south [\h__\h] X is

356
