

PROJECT

ZOMBIES

Deception

1
00:00:09,169 --> 00:00:06,769
hey everyone welcome back to some

2
00:00:12,259 --> 00:00:09,179
project zomboid we learn a lot of

3
00:00:15,289 --> 00:00:12,269
lessons in this video who to trust who

4
00:00:17,540 --> 00:00:15,299
not to when to run when to pull your gun

5
00:00:21,140 --> 00:00:17,550
thanks for watching please subscribe and

6
00:00:23,000 --> 00:00:21,150
like the video talk to you later um okay

7
00:00:25,460 --> 00:00:23,010
let's look at the map and figure out

8
00:00:27,500 --> 00:00:25,470
where we're going to go we need supplies

9
00:00:29,570 --> 00:00:27,510
and we definitely need more he's to take

10
00:00:31,970 --> 00:00:29,580
more glue and everything in food to

11
00:00:34,970 --> 00:00:31,980
maintenance supplies food and ammo if we

12
00:00:39,500 --> 00:00:34,980
can find it then we have to go to the

13
00:00:42,350 --> 00:00:39,510

storage area that's our best bet where

14

00:00:44,240 --> 00:00:42,360

we shot that guy that's probably a free

15

00:00:46,040 --> 00:00:44,250

first hour it's pretty stuff first I'll

16

00:00:47,090 --> 00:00:46,050

but we can do it I would definitely

17

00:00:48,350 --> 00:00:47,100

advocate moving through the

18

00:00:50,930 --> 00:00:48,360

neighborhoods and not trying to hit up

19

00:00:53,090 --> 00:00:50,940

the Commerce area alright let's do it

20

00:00:56,090 --> 00:00:53,100

then we'll take the tele the work as

21

00:00:58,580 --> 00:00:56,100

much as possible this is sure about that

22

00:01:02,000 --> 00:00:58,590

I but we'll compromise and not go on the

23

00:01:06,580 --> 00:01:02,010

highway and we'll go through the old

24

00:01:12,980 --> 00:01:09,530

found the zombies tend to cluster a lot

25

00:01:14,450 --> 00:01:12,990

towards the houses in this universe it

26
00:01:15,980 --> 00:01:14,460
depends there's an orientation you can

27
00:01:19,090 --> 00:01:15,990
pick a uniform distribution or you can

28
00:01:21,170 --> 00:01:19,100
have like urban centric or rural

29
00:01:26,510 --> 00:01:21,180
distribution so I think they probably

30
00:01:28,070 --> 00:01:26,520
picked urban are you guys ready yeah

31
00:01:31,700 --> 00:01:28,080
let's roll you have a campfire kid

32
00:01:33,230 --> 00:01:31,710
anybody I do okay you got one okay we

33
00:01:35,330 --> 00:01:33,240
see if I have the room I'm gonna grab a

34
00:01:39,260 --> 00:01:35,340
plank I don't even know what a campfire

35
00:01:46,270 --> 00:01:39,270
kit is so one gets cold we're able to

36
00:01:51,620 --> 00:01:49,940
we access yes yeah right let's do it you

37
00:01:56,270 --> 00:01:51,630
can get a log if we need to all right

38
00:01:58,790 --> 00:01:56,280

let us journey southwood in some

39

00:02:00,200 --> 00:01:58,800

direction oh it's dom be up here you

40

00:02:02,120 --> 00:02:00,210

00:02:10,160 --> 00:02:02,130

park my job there's a zombie right here

42

00:02:11,480 --> 00:02:10,170

I see it if you kill zombies with us i'm

43

00:02:13,970 --> 00:02:11,490

pretty sure you're gonna level up and

44

00:02:17,410 --> 00:02:13,980

get skill points pretty quickly yeah you

45

00:02:32,040 --> 00:02:17,420

um my blade accuracies almost a four

46

00:02:39,090 --> 00:02:35,520

47

00:02:43,170 --> 00:02:39,100

50

00:02:50,910 --> 00:02:49,270

birth of all the zombies black yeah

51
00:02:57,840 --> 00:02:50,920
there's a lot of black zombies up there

52
00:02:59,490 --> 00:02:57,850

60
00:03:28,830 --> 00:03:26,770
what things are dyed this exertion we

61
00:03:30,450 --> 00:03:28,840

62
00:03:34,770 --> 00:03:30,460
go here we go we play it pretty cautious

63
00:03:36,780 --> 00:03:34,780

105
00:06:12,050 --> 00:06:09,000
you keep eating a fourth bag of chips

106
00:06:13,850 --> 00:06:12,060
like every minute or so you stay

107
00:06:15,529 --> 00:06:13,860

108
00:06:16,969 --> 00:06:15,539

116

00:06:41,209 --> 00:06:39,539

third man always turns into a zombie but

117

00:06:43,010 --> 00:06:41,219

there's no telling that that's gonna

118

00:06:45,529 --> 00:06:43,020

happen to you what we need to do is load

119

00:06:51,920 --> 00:06:45,539

222

00:17:36,850 --> 00:17:51,240

263

00:20:57,140 --> 00:20:52,620

sacrifice won't be in vain now kind of

264

00:21:02,210 --> 00:20:57,150

is because we're [h__h] metal Devin

265

00:21:03,920 --> 00:21:02,220

267

00:21:15,990 --> 00:21:14,460

Alex Jones lungs are burning yeah okay

268

00:21:19,080 --> 00:21:16,000

god I can well i'm watching all the

269

00:21:24,120 --> 00:21:19,090

thoughts go after you guys actually okay

270

00:21:26,790 --> 00:21:24,130

we they have the main horde on them this

271

00:21:31,890 --> 00:21:26,800

is insane I'm gonna shoot her she keeps

272

00:21:34,410 --> 00:21:31,900

doing this I've never she has like like

273

00:21:37,500 --> 00:21:34,420

level 10 sprint and we don't we're what

274

00:21:40,320 --> 00:21:37,510

your [h__h] stuff bad alex jones and

275

00:21:41,730 --> 00:21:40,330

jesse ventura trying to make it happen

276

00:21:44,190 --> 00:21:41,740

fine they want to go north they're fine

277

00:21:49,710 --> 00:21:44,200

that's a distraction this has to be like

278

00:21:50,730 --> 00:21:49,720

100 zombies oh my oh my god so how're we

279

00:21:53,280 --> 00:21:50,740

supposed to get into the warehouse and

280

00:21:55,320 --> 00:21:53,290

this is happening we need to get off

281

00:21:58,410 --> 00:21:55,330

this [h__h] highway yeah who's too many

282

00:22:00,870 --> 00:21:58,420

of them actually if you keep going south

283

00:22:04,970 --> 00:22:00,880

oh there won't be any yeah we can kind

284

00:22:11,630 --> 00:22:08,299

can u lq all right yep just splitting

285

00:22:12,919 --> 00:22:11,640

the d Alex she owns his findings in the

286

00:22:18,890 --> 00:22:12,929

parking lot now just clear around that

287

00:22:21,380 --> 00:22:18,900

horrid I'll marrow if you soon get your

288

00:22:32,620 --> 00:22:21,390

shocking with you yes I do and I might

289

00:22:52,970 --> 00:22:38,000

[h__h] this is the gas station we can make

290

00:22:54,980 --> 00:22:52,980

it oh my god Alex Jones he's good he

291

00:22:58,880 --> 00:22:54,990

just ran through that horn but I'm right

292

00:23:04,780 --> 00:22:58,890

be I'm I'm right behind you right behind

293

00:23:08,710 --> 00:23:04,790

you Just Dance it around these zombies

294

00:23:11,180 --> 00:23:08,720

all right I think we kind of lost them

295

00:23:12,320 --> 00:23:11,190

we keep lost the other thing I'm more

296

00:23:13,880 --> 00:23:12,330

afraid of the humans now than the

297

00:23:25,560 --> 00:23:13,890

zombies they're all coming out of the

298

00:23:25,570 --> 00:23:46,250

OMG stop shooting oh my god oh my god

299

00:23:57,799 --> 00:23:53,400

he went to go pvp run away from them you

300

00:24:02,700 --> 00:23:57,809

what the pvp I'm making the new tune

301

00:24:11,299 --> 00:24:02,710

shooting at us he killed me like he's

302

00:24:11,309 --> 00:24:19,919

I'm dead I couldn't get my shotgun off

303

00:24:19,929 --> 00:24:27,500

yeah he killed me

304

00:24:27,510 --> 00:24:32,899

no okay

305

00:24:39,440 --> 00:24:36,589

we'll shoot them on sight next time yeah

306

00:24:43,009 --> 00:24:39,450

[\h__\h] those guys did babies [\h__\h] we

307

00:24:45,310 --> 00:24:43,019

should have murdered him that's a shame

308

00:24:53,349 --> 00:24:45,320

how god how long were you guys alive for

309

00:24:53,359 --> 00:24:58,210

[\h__\h] dude

310

00:25:04,149 --> 00:24:59,799

they were trying to kill us from the

311

00:25:08,500 --> 00:25:04,159

get-go yep you think yeah i thought

312

00:25:17,440 --> 00:25:08,510

they're gonna play nice but no I'm kind

313

00:25:22,720 --> 00:25:17,450

of jacked up dude I'm pissed now max

314

00:25:23,710 --> 00:25:22,730

good it's kind of [h__h] shitty yeah

315

00:25:26,320 --> 00:25:23,720

they were just trying to get eaten by

316

00:25:27,789 --> 00:25:26,330

zombies but we were actually pretty well

317

00:25:36,549 --> 00:25:27,799

skilled in that fact that we dodged them

318

00:25:39,159 --> 00:25:36,559

all no yeah that we were actually that's

319

00:25:41,680 --> 00:25:39,169

that's exactly what tried to uh they

320

00:25:43,950 --> 00:25:41,690

tried to do was to draw a lot of

321

00:25:49,570 --> 00:25:43,960

attention and get us eaten by zombies

322

00:25:52,029 --> 00:25:49,580

and um all right uh I'm gonna take a

323

00:25:54,010 --> 00:25:52,039

break Jeff all right and walk the dog

324

00:25:55,779 --> 00:25:54,020

and then we're gonna go back in there I

325

00:25:58,810 --> 00:25:55,789

line them and let him do whatever the

326

00:26:01,630 --> 00:25:58,820

[\h__\h] they're doing the probably oh [\h__\h]

327

00:26:04,779 --> 00:26:01,640

we got it uh mmm [\h__\h] those guys dude

328

00:26:07,029 --> 00:26:04,789

[\h__\h] need a lot of good stuff on us

329

00:26:09,430 --> 00:26:07,039

but what's the trying hit up that

330

00:26:14,140 --> 00:26:09,440

warehouse we were trying to go to we had

331

00:26:15,909 --> 00:26:14,150

axes guns ammo they were looking for us

332

00:26:21,370 --> 00:26:15,919

dude those two people were looking for

333

00:26:23,950 --> 00:26:21,380

us i'm actually at a house with power

334

00:26:27,010 --> 00:26:23,960

and everything now are you in the same

335

00:26:28,899 --> 00:26:27,020

server yeah i'm on the same server and

336

00:26:31,630 --> 00:26:28,909

everything try and go find our bodies

337

00:26:35,770 --> 00:26:31,640

see if you can get guns [\h__\h] alright

338

00:26:37,270 --> 00:26:35,780

well [\h__\h] them dude they were did you

339

00:26:41,620 --> 00:26:37,280

know that was [\h__\h] that was

340

00:26:46,680 --> 00:26:41,630

straight-up [\h__\h] you know what it's

341

00:26:54,460 --> 00:26:50,020

kind of they also killed us so it's

342

00:26:56,380 --> 00:26:54,470

really their fault that we died um he

343

00:26:58,090 --> 00:26:56,390

switched on his PvP and he murdered you

344

00:27:00,340 --> 00:26:58,100

as soon as I soon as he did that I knew

345

00:27:01,899 --> 00:27:00,350

it was oh yeah I and I couldn't switch

346

00:27:04,450 --> 00:27:01,909

when I'm running I could not switch over

347

00:27:06,010 --> 00:27:04,460

to my shotgun I switched over to PvP but

348

00:27:08,350 --> 00:27:06,020

I said my axe out I should have had my

349

00:27:09,669 --> 00:27:08,360

shotgun on I don't you know what they

350

00:27:10,430 --> 00:27:09,679

might not have tried to pull that if we
