15

00:01:07,310 --> 00:01:05,670

it's cuz he was freezing okay but he can

16

00:01:10,910 --> 00:01:07,320

run a little bit still that's good we

17

00:01:14,510 --> 00:01:10,920

18

00:01:17,060 --> 00:01:14,520

that thing in the back I will how about

20

00:01:23,679 --> 00:01:21,400

that but about

00:01:54,789 --> 00:01:52,280
more orange soda I want to grab all the

28
00:01:57,249 --> 00:01:54,799

00:02:17,440 --> 00:02:14,660
sitting around eating cabbage grant have

36
00:02:20,500 --> 00:02:17,450
to go through nice cabbage [h__h] happenin

37
00:02:25,360 --> 00:02:20,510
candy chocolate yeah there's some chips

38
00:02:27,490 --> 00:02:25,370

back here in mint candy I have one

39

00:02:30,610 --> 00:02:27,500

baggage ships and there's a few quite a

40

00:02:35,380 --> 00:02:30,620

few more around here grab all managed so

41

00:02:37,770 --> 00:02:35,390

much good like the shelves are pretty

42

00:02:44,970 --> 00:02:41,190

I don't want to be that guy but we've

43

00:02:46,949 --> 00:02:44,980

enforced in this position here are

44

00:02:50,430 --> 00:02:46,959

scavengers now yeah we don't build

45

00:02:53,250 --> 00:02:50,440

things we take okay my guy is really

46

00:02:54,690 --> 00:02:53,260

happy unhappy and the board so find a

47

00:03:01,680 --> 00:02:54,700

newspaper let me know I got to read that

48

00:03:05,010 --> 00:03:01,690

[h__h] um always could use painkillers

49

00:03:08,510 --> 00:03:05,020

suit your needle aggregative tweezers so

50

00:03:12,990 --> 00:03:08,520

it's good the water faucet in here works

51
00:03:18,300 --> 00:03:13,000
good and he's advantages a bottle of

52
00:03:22,229 --> 00:03:18,310
disinfectant antidepressants as well as

53
00:03:29,150 --> 00:03:22,239
necessary back to better take one right

54
00:03:32,340 --> 00:03:29,160
now some guy I'm a little sad vintages

55
00:03:35,280 --> 00:03:32,350
these painkillers yeah Alex Jones

56
00:03:39,530 --> 00:03:35,290
addicted to painkillers he pretty sure

57
00:03:42,030 --> 00:03:39,540
he isn't this game yeah he's ahead of

58
00:03:48,110 --> 00:03:42,040
its always trying to find some sneak

59
00:03:50,520 --> 00:03:48,120
some in I'm still I'm just a little sad

60
00:03:51,900 --> 00:03:50,530
but it takes to be newspaper there too

61
00:03:58,530 --> 00:03:51,910
there was a newspaperman read that book

62
00:04:02,729 --> 00:03:58,540
real quick it was an uplifting book was

63
00:04:05,220 --> 00:04:02,739

not like had grapes wrath oh god they're

64

00:04:08,550 --> 00:04:05,230

gonna make me happy or how to read this

65

00:04:11,190 --> 00:04:08,560

in the Acadia zombie apocalypse [h__h] you

66

00:04:15,900 --> 00:04:11,200

get that oh no why would you pick a

67

00:04:20,670 --> 00:04:15,910

Holocaust I have to hunting knives would

68

00:04:23,610 --> 00:04:20,680

you like one Evelyn actually you have an

69

00:04:25,740 --> 00:04:23,620

ugly station yeah that actually might be

70

00:04:27,840 --> 00:04:25,750

nice to give to somebody we find on the

71

00:04:29,460 --> 00:04:27,850

road oh I still have this note from the

72

00:04:35,159 --> 00:04:29,470

church let's go ahead and read this this

73

00:04:37,140 --> 00:04:35,169

church note again um this is a note we

74

00:04:39,090 --> 00:04:37,150

found on the floor or on the ground

75

00:04:43,860 --> 00:04:39,100

pretty close to the church says the

76
00:04:46,890 --> 00:04:43,870
church want you but of that day and hour

77
00:04:50,050 --> 00:04:46,900
knoweth no individual no not the angels

78
00:04:54,400 --> 00:04:50,060
of heaven but the Holy spoon

79
00:04:57,100 --> 00:04:54,410
only cutlery 24 36 on the coming of

80
00:04:59,200 --> 00:04:57,110
rapture hello do you have a moment to

81
00:05:02,020 --> 00:04:59,210
read about the had you read about our

82
00:05:03,909 --> 00:05:02,030
Lord and Savior the most stainless

83
00:05:08,770 --> 00:05:03,919
utensil so this goes on and on this is

84
00:05:15,730 --> 00:05:08,780
10 pages about the apocalypse utensils

85
00:05:17,080 --> 00:05:15,740
and thus the Holy spoon um Jeff can you

86
00:05:21,150 --> 00:05:17,090
ask people in chat if they've heard

87
00:05:31,750 --> 00:05:21,160
about the the Holy spoon of the church

88
00:05:34,330 --> 00:05:31,760

I'll ask as well to youth except mal

89

00:05:40,690 --> 00:05:34,340

children say yeah is it when I heard

90

00:05:42,940 --> 00:05:40,700

about the Holy spoon we'll see if they

91

00:05:46,530 --> 00:05:42,950

bite um maybe wish you actually go to

92

00:05:55,750 --> 00:05:52,750

what do you say ouch uh-huh yeah long as

93

00:05:58,420 --> 00:05:55,760

we don't let me keep you always died any

94

00:05:59,950 --> 00:05:58,430

time so we can die 24-7 all the time I

95

00:06:02,620 --> 00:05:59,960

have a few more things I gotta I gotta

96

00:06:05,710 --> 00:06:02,630

get out of my personal belongings so I

97

00:06:09,490 --> 00:06:05,720

can free up I'll just a little bit of

98

00:06:12,100 --> 00:06:09,500

weight there we go perfect I'm good we

99

00:06:13,779 --> 00:06:12,110

got to go south anyways because the

100

00:06:19,700 --> 00:06:13,789

church is down there and we also we want

101
00:06:26,340 --> 00:06:22,910
then for ventures maybe hit a

102
00:06:29,010 --> 00:06:26,350
construction lumberyard that's going to

103
00:06:31,020 --> 00:06:29,020
take a little bit of tenacity and will

104
00:06:32,670 --> 00:06:31,030
we've never hit the lumberyard and I

105
00:06:38,510 --> 00:06:32,680
don't think we've done that and build 32

106
00:06:40,410 --> 00:06:38,520
yet I believe we did this when we got um

107
00:06:42,120 --> 00:06:40,420
this before you're killed by metal

108
00:06:43,950 --> 00:06:42,130
definite Oracle made a bunch of shotguns

109
00:06:45,780 --> 00:06:43,960
and shotgun rounds me a big battle in

110
00:06:49,860 --> 00:06:45,790
the highway you're right yeah you're

111
00:06:52,200 --> 00:06:49,870
right it wasn't easy yeah we had an ax

112
00:06:53,970 --> 00:06:52,210
first of all we had access access make

113
00:06:57,270 --> 00:06:53,980

everything a little easier it was check

114

00:07:00,540 --> 00:06:57,280

that [\h__\h] out real quick hey this guy

115

00:07:04,950 --> 00:07:00,550

visit may I like sheds different shed a

116

00:07:13,200 --> 00:07:04,960

lot of stuff out here charcoal lots of

117

00:07:16,290 --> 00:07:13,210

charcoal my propane tanks looks like we

118

00:07:18,890 --> 00:07:16,300

should blow them all up it's a unabomber

119

00:07:25,590 --> 00:07:21,390

we're gonna find better weapons to these

120

00:07:29,990 --> 00:07:25,600

frying pans well okay they're not ideal

121

00:07:33,740 --> 00:07:32,060

the condition on the mistakes out pretty

122

00:07:36,800 --> 00:07:33,750

pretty good but the oh we can make

123

00:07:40,210 --> 00:07:36,810

wooden Spears that's right [\h__\h] ok let's

124

00:07:42,650 --> 00:07:40,220

try to do that we need planks and um

125

00:07:50,150 --> 00:07:42,660

actually Jeff think that's it let's use

126

00:07:53,210 --> 00:07:50,160

our craft menu real quick um so what

127

00:07:55,100 --> 00:07:53,220

does it take wouldn't spear I'm looking

128

00:07:58,160 --> 00:07:55,110

at the craft menu there's general

129

00:08:06,710 --> 00:07:58,170

carpentry ok mean Billy Culloden spear

130

00:08:08,270 --> 00:08:06,720

ice need the tree branch make do you

131

00:08:11,659 --> 00:08:08,280

have a hunting knife kitchen knife for I

132

00:08:16,190 --> 00:08:11,669

have a honey knife I have one too i can

133

00:08:18,290 --> 00:08:16,200

make a wooden ok now my wooden spear ok

134

00:08:22,040 --> 00:08:18,300

there we go just a hunting knife make

135

00:08:24,400 --> 00:08:22,050

one what the hell will sit here in the

136

00:08:27,890 --> 00:08:24,410

middle of road while you make a spear

137

00:08:29,630 --> 00:08:27,900

all right he's pretty clear actually

138

00:08:32,719 --> 00:08:29,640

price you going now it's just a little

139

00:08:35,060 --> 00:08:32,729

particularly are you just made one see

140

00:08:37,070 --> 00:08:35,070

how long ya see ya all right looks like

141

00:08:42,500 --> 00:08:37,080

a pool cue what's the damage on it does

142

00:08:46,340 --> 00:08:42,510

it say um you look at the it's like a

143

00:08:49,970 --> 00:08:46,350

quarter bar I gotta eat some more than

144

00:08:52,490 --> 00:08:49,980

the frying pan ok what's more of more

145

00:08:55,250 --> 00:08:52,500

damage than the frying pan great ok well

146

00:08:58,569 --> 00:08:55,260

if you find another Road twig make me a

147

00:09:09,429 --> 00:09:05,590

if we should go down the back roads okay

148

00:09:11,679 --> 00:09:09,439

we were there down around okay we're

149

00:09:16,600 --> 00:09:11,689

actually oh you know what we're coming

150

00:09:18,759 --> 00:09:16,610

up on that shed excellent and we've

151
00:09:20,739 --> 00:09:18,769
actually missed the church but we're

152
00:09:23,439 --> 00:09:20,749
coming up on I think we're closer to

153
00:09:28,210 --> 00:09:23,449
that shed so let's go investigate that

154
00:09:33,489 --> 00:09:28,220
shed of the guy who we accidentally home

155
00:09:40,329 --> 00:09:33,499
invaded at least twice let's go see this

156
00:09:42,639 --> 00:09:40,339
home need a lot of stuff in there we

157
00:09:46,150 --> 00:09:42,649
made no moves we made no aggressive

158
00:09:49,720 --> 00:09:46,160
moves toward towards him so I took his

159
00:09:52,090 --> 00:09:49,730
golf all you did his balls on but well

160
00:09:54,489 --> 00:09:52,100
son I took that he didn't know what we

161
00:09:56,410 --> 00:09:54,499
had he didn't know we're capable of and

162
00:10:01,389 --> 00:09:56,420
so we just decided to climb back out the

163
00:10:04,449 --> 00:10:01,399

window we're just gonna leave we're just

164

00:10:06,639 --> 00:10:04,459

gonna go back out the window here it is

165

00:10:10,389 --> 00:10:06,649

this is his shed you look at it he's

166

00:10:13,840 --> 00:10:10,399

always look at that he sent some work

167

00:10:24,639 --> 00:10:17,199

locked let's go to the whip make sure

168

00:10:27,400 --> 00:10:24,649

you um clear it out it's pretty filthy

169

00:10:36,309 --> 00:10:27,410

this is horrible this guy lives like a

170

00:10:38,019 --> 00:10:36,319

pack rat this is no way to live you see

171

00:10:45,670 --> 00:10:38,029

anything of value in here he may have

172

00:10:47,410 --> 00:10:45,680

abandoned this rod food right yeah he

173

00:10:52,090 --> 00:10:47,420

puts his potatoes in the floor that's

174

00:10:56,019 --> 00:10:52,100

what its tourism this is awful yeah he's

175

00:11:02,559 --> 00:10:56,029

not here anymore good we not stay with

176

00:11:04,180 --> 00:11:02,569

his bathroom though ah well he can't

177

00:11:05,889 --> 00:11:04,190

even drink from his bathroom what kind

178

00:11:07,900 --> 00:11:05,899

of place is this you can't even drink

179

00:11:11,590 --> 00:11:07,910

from a toilet can drink from a man's

180

00:11:13,749 --> 00:11:11,600

toilet wait hello is this I just saw the

181

00:11:15,550 --> 00:11:13,759

ground Oh a butter knife I said

182

00:11:18,970 --> 00:11:15,560

butterfly knives me I maybe I'd be

183

00:11:24,639 --> 00:11:18,980

cleansing you're staying gone back

184

00:11:28,030 --> 00:11:24,649

through this window all right to the

185

00:11:29,559 --> 00:11:28,040

church so we go on to this road and we

186

00:11:31,740 --> 00:11:29,569

ghostly disturbed ground it looks like

187

00:11:35,170 --> 00:11:31,750

he might still be living here who knows

188

00:11:39,490 --> 00:11:35,180

well if he does he needs to get a maid

189

00:11:41,199 --> 00:11:39,500

because that place is disgusting florges

190

00:11:42,429 --> 00:11:41,209

full of garbage watch what happens when

191

00:11:45,340 --> 00:11:42,439

you live like a bachelor you kind of

192

00:11:46,900 --> 00:11:45,350

don't take care of yourself and you know

193

00:11:49,120 --> 00:11:46,910

it's kind of hard to get girls over in

194

00:11:54,249 --> 00:11:49,130

the exam be apocalypse oh oh my god Jeff

195

00:11:57,639 --> 00:11:54,259

we got oh we can completely avoid these

196

00:11:59,410 --> 00:11:57,649

if we go back at the way we came yeah we

197

00:12:01,510 --> 00:11:59,420

can go up and around

198

00:12:03,880 --> 00:12:01,520

I don't know if there really is a holy

199

00:12:10,030 --> 00:12:03,890

spoon and quite frankly know what I

200

00:12:11,800 --> 00:12:10,040

would do with one yeah if it's player

201
00:12:14,620 --> 00:12:11,810
made content than Phi something just

202
00:12:16,360 --> 00:12:14,630
going to merge the church yeah that

203
00:12:19,810 --> 00:12:16,370
could be actually people there waiting

204
00:12:21,190 --> 00:12:19,820
to murder us that's what actually most

205
00:12:23,200 --> 00:12:21,200
of this game is there are people just it

206
00:12:25,600 --> 00:12:23,210
everywhere waiting to murder you oh yes

207
00:12:28,150 --> 00:12:25,610
yeah all right well let's head down to

208
00:12:33,190 --> 00:12:28,160
the police station it's probably gonna

209
00:12:34,780 --> 00:12:33,200
be no picnic Leah still gonna I gotta

210
00:12:39,190 --> 00:12:34,790

211
00:12:42,970 --> 00:12:39,200

212
00:12:44,800 --> 00:12:42,980
take some beta blockers or something it

213
00:12:46,720 --> 00:12:44,810

even sure is an old man which needs to

214

00:12:48,730 --> 00:12:46,730

take pills goodies he's taking a hater

215

00:12:53,370 --> 00:12:48,740

blockers complain advice hungry he's

216

00:12:55,240 --> 00:12:53,380

hungry he's queasy and he's taking

217

00:12:58,900 --> 00:12:55,250

antidepressants tough get him queasy

218

00:13:05,410 --> 00:12:58,910

again you need some more of this dog

219

00:13:08,740 --> 00:13:05,420

food Jesse I love that's how to break

220

00:13:16,330 --> 00:13:08,750

your ankle look at that actually we

221

00:13:21,769 --> 00:13:18,890

no you want to see we can get up there

222

00:13:25,850 --> 00:13:21,779

yeah i just right clicked what I just

223

00:13:32,800 --> 00:13:25,860

right click walk to get to do welcome to

224

00:13:41,350 --> 00:13:37,300

I look further up on the steps you're

225

00:13:42,910 --> 00:13:41,360

right I tried I'm just tell them go back

226

00:13:44,610 --> 00:13:42,920

down yeah let's go back one of us the

227

00:13:47,230 --> 00:13:44,620

only one of us needs to break our way

228

00:13:50,980 --> 00:13:47,240

yeah I'm going back down just click on

229

00:13:53,170 --> 00:13:50,990

the ground yeah we've broken too many

230

00:13:58,720 --> 00:13:53,180

legs doing this look hey look a sheet

231

00:14:00,610 --> 00:13:58,730

rope oh that's right here oh yeah we

232

00:14:04,750 --> 00:14:00,620

could just we do this climb the sheet

233

00:14:06,700 --> 00:14:04,760

rope just once are you going up yeah all

234

00:14:08,560 --> 00:14:06,710

right go commando actually let me know

235

00:14:12,730 --> 00:14:08,570

what you find up there I'm gonna people

236

00:14:14,860 --> 00:14:12,740

watch out here be careful when you land

237

00:14:17,310 --> 00:14:14,870

down it could be a booby trap the floor

238

00:14:25,150 --> 00:14:17,320

can be absolutely baking all around you

239

00:14:31,360 --> 00:14:25,160

metal Devon's here you have that maltov

240

00:14:35,590 --> 00:14:33,670

by my seed someone two someone's base

241

00:14:41,200 --> 00:14:35,600

for sure thing about to see the sox

242

00:14:45,310 --> 00:14:41,210

jones this is BS infowar center a bunch

243

00:14:47,700 --> 00:14:45,320

of rotten food a bunch of planks yeah

244

00:14:53,590 --> 00:14:47,710

they're building something big obviously

245

00:15:05,810 --> 00:14:53,600

i'll try grab some planks yeah we could

246

00:15:11,330 --> 00:15:08,330

comes down here eating chips just

247

00:15:17,180 --> 00:15:11,340

features even watch eat some chips and

248

00:15:21,650 --> 00:15:20,150

trying to remain somewhat well-fed got

249

00:15:24,440 --> 00:15:21,660

two planks do we just need we just need

250

00:15:27,410 --> 00:15:24,450

one plank to make a sphere one plank for

251

00:15:30,260 --> 00:15:27,420

spear two planks for a campfire kit I

252

00:15:32,960 --> 00:15:30,270

believe okay well I'll grab four planks

253

00:15:38,510 --> 00:15:32,970

and if you can carry that much great but

254

00:15:41,720 --> 00:15:38,520

it seems like a lot of weight very heavy

255

00:15:43,630 --> 00:15:41,730

load well just get down that ladder or

256

00:15:49,550 --> 00:15:43,640

get down that the sheet rope and

257

00:15:52,390 --> 00:15:49,560

actually can I just build make camp fire

258

00:15:56,390 --> 00:15:52,400

kit I'll just have him do that right now

259

00:15:58,130 --> 00:15:56,400

can't let that reduce the load she by a

260

00:15:59,960 --> 00:15:58,140

lot less time we spent here the better

261

00:16:02,300 --> 00:15:59,970

because eventually someone's going to

262

00:16:08,150 --> 00:16:02,310

come home the three bears are gonna come

263

00:16:21,240 --> 00:16:08,160

home again find us a sacking there I'm

264

00:16:21,250 --> 00:16:29,350

how to eat some chips

265

00:16:34,569 --> 00:16:30,790

looks like someone's doing some

266

00:16:40,079 --> 00:16:34,579

remodeling in there oh good must be a

267

00:16:54,250 --> 00:16:48,389

duo I hear more yeah I uh yeah here good

268

00:16:57,970 --> 00:16:54,260

couple up three let's back off a little

269

00:17:16,470 --> 00:16:57,980

bit we'll see if we can split up for you

270

00:17:24,610 --> 00:17:20,890

271

00:17:27,160 --> 00:17:24,620

hurt I'm hurt I need to eat all my

272

00:17:30,490 --> 00:17:27,170

chocolate right now minor injuries if

273

00:17:33,790 --> 00:17:30,500

this this is disgusting no eat it this

274

00:17:36,520 --> 00:17:33,800

is disgusting Aegis did you a minor

275

00:17:40,720 --> 00:17:36,530

damage but again you made it you yeah

276

00:17:45,580 --> 00:17:40,730

well the bottle of disinfectant I should

277

00:17:47,620 --> 00:17:45,590

drink that Oh orange soda my frying pan

278

00:17:55,120 --> 00:17:47,630

tofu to a better eat this tofu I still

281

00:18:04,330 --> 00:18:01,850

use it for a zucchini stir-fry though oh

282

00:18:07,620 --> 00:18:04,340

good what can you make that stir fry

283

00:18:11,200 --> 00:18:07,630

right now yeah it's on the ground do it

284

00:18:14,740 --> 00:18:11,210

you drop it there you go zucchini stir

285

00:18:16,180 --> 00:18:14,750

fry you made it yep I'm not sure if it's

286

00:18:19,510 --> 00:18:16,190

cooked but it doesn't have any negative

287

00:18:24,460 --> 00:18:19,520

modifiers so meet half the zucchini stir

288

00:18:26,529 --> 00:18:24,470

fry okay

289

00:18:31,270 --> 00:18:26,539

going here and check it out you're gonna

294

00:18:46,480 --> 00:18:44,990

295

00:18:54,580 --> 00:18:46,490

296

00:19:11,640 --> 00:18:54,590

woods you got him yeah I got two coming

297

00:19:11,650 --> 00:19:14,640

298

00:19:22,050 --> 00:19:19,000

run run I just need metal Devon metal

299

00:19:39,280 --> 00:19:22,060

301
00:19:55,960 --> 00:19:53,270
me he got me yeah [h__h] dish yep we

302
00:19:57,100 --> 00:19:55,970
can't play on a server anymore I think

303
00:20:03,430 --> 00:19:57,110
he just looks for us purposely to kill

304
00:20:04,840 --> 00:20:03,440
us both yeah that's all he does he's not

305
00:20:09,550 --> 00:20:04,850
even taking our equipment or anything

306
00:20:11,170 --> 00:20:09,560
he's just killing us well that in a

307
00:20:13,390 --> 00:20:11,180
buddy that body is unrecoverable now

308
00:20:16,330 --> 00:20:13,400
yeah mine I died right in front of a

309
00:20:19,540 --> 00:20:16,340
police station and all he's probably due

310
00:20:22,000 --> 00:20:19,550
to spawn campus isn't he an admin he's

311
00:20:23,080 --> 00:20:22,010
friends with the admin Oracle yeah I

312
00:20:27,520 --> 00:20:23,090
don't know if he I don't know if he's

313
00:20:29,500 --> 00:20:27,530

mad men but um he certainly is friends

314

00:20:30,670 --> 00:20:29,510

with the Oracle was an admin so he's

315

00:20:33,760 --> 00:20:30,680

kind of appeared there I didn't know

316

00:20:37,570 --> 00:20:33,770

where yeah he was I i well he had a

317

00:20:42,740 --> 00:20:37,580

newer of our location so he had to he

318

00:20:48,390 --> 00:20:45,630

I'm gonna log there and he's back back
