46

00:02:42,740 --> 00:02:40,050

we go there we go that's a big like that

47

00:02:44,780 --> 00:02:42,750

cigarettes I got like losses yeah yeah

50

00:02:51,830 --> 00:02:49,890

and definitely buying some beer yeah we

51
00:02:54,979 --> 00:02:51,840
gotta get super drunk before you fly a

52
00:02:56,990 --> 00:02:54,989
helicopter again yeah let me flick a fly

53
00:03:01,430 --> 00:02:57,000
the helicopter sure oh yeah sure it's

54
00:03:04,699 --> 00:03:01,440
perked up we got a gaya amp yeah you can

55
00:03:07,309 --> 00:03:04,709
take Mike you can take my car guys they

56
00:03:09,770 --> 00:03:07,319
hold on let me put it to everybody so

57
00:03:11,630 --> 00:03:09,780
they could put it in there yeah we just

58
00:03:15,640 --> 00:03:11,640
gotta get drunk though one on this guy

59
00:03:24,809 --> 00:03:19,330
shippers [h__\h] old I'm dead got like I

60
00:03:30,880 --> 00:03:24,819
love buck burgers I got him all night

61
00:03:36,750 --> 00:03:30,890
like beer booth killed everybody I kinda

62
00:03:36,760 --> 00:03:39,920
well

63
00:03:46,729 --> 00:03:43,640

nice oh oh my god way to get rid of this

64

00:03:49,309 --> 00:03:46,739

the other night I shake it recorded game

65

00:03:54,949 --> 00:03:49,319

clip of that goddamn it I got it I'll

66

00:04:00,520 --> 00:03:54,959

send to you I was pretty boss I took

67

00:04:04,720 --> 00:04:03,070

I heard that with these white trucks

68

00:04:06,699 --> 00:04:04,730

that's in front of us I just white truck

69

00:04:09,010 --> 00:04:06,709

you can put cars in there oh really you

70

00:04:10,960 --> 00:04:09,020

open the heat yeah you go open the lid

71

00:04:13,120 --> 00:04:10,970

of that and or the back of it and you

72

00:04:18,009 --> 00:04:13,130

completely cars in there I'd look at try

73

00:04:20,229 --> 00:04:18,019

the deck oh there you go there you go

74

00:04:22,510 --> 00:04:20,239

nice and there I'll drive the truck

75

00:04:24,940 --> 00:04:22,520

forward and then you get one of like the

76

00:04:28,210 --> 00:04:24,950

cars inside it's still not to fully open

77

00:04:34,060 --> 00:04:28,220

yet yeah I'll push it forward so the

78

00:04:36,250 --> 00:04:34,070

thing comes down ok I see yeah yeah nice

79

00:04:40,560 --> 00:04:36,260

ok so it's not all the way it's not all

80

00:04:43,180 --> 00:04:40,570

the way down yet a little bit more I I

81

00:04:44,830 --> 00:04:43,190

can't my screen is all the way down on

82

00:04:46,690 --> 00:04:44,840

how it is on your screen all right yeah

83

00:04:49,659 --> 00:04:46,700

it should work on your screen ok when we

84

00:04:55,779 --> 00:04:49,669

put your car in there yeah you have

85

00:05:04,219 --> 00:04:58,729

nice to drive in there too fast oh I

86

00:05:10,969 --> 00:05:04,229

would never do that oh god [h__h] Oh God

87

00:05:13,070 --> 00:05:10,979

Oh what's happening I the ramps not all

88

00:05:14,600 --> 00:05:13,080

the way down yet so it actually went

89

00:05:21,019 --> 00:05:14,610

underneath the rampant underneath in the

90

00:05:24,709 --> 00:05:21,029

truck I go a little slower you might hit

91

00:05:26,689 --> 00:05:24,719

them I think I don't know how to make it

92

00:05:31,699 --> 00:05:26,699

lower the trucks oh here we go here we

93

00:05:34,519 --> 00:05:31,709

go I got it Monsignor like grinding

94

00:05:39,550 --> 00:05:34,529

against that thing everything's it's all

95

00:05:46,300 --> 00:05:44,500

okay perfect okay now we need to close

96

00:05:47,560 --> 00:05:46,310

it though we have to we can put two cars

97

00:05:55,870 --> 00:05:47,570

in there though let me get the station

98

00:05:57,909 --> 00:05:55,880

wagon real quick yeah grab that hey

99

00:06:01,990 --> 00:05:57,919

where hey hey Jeff are hauling trucks or

100

00:06:07,360 --> 00:06:02,000

were hauling cars ma I'm finding a

101
00:06:12,040 --> 00:06:07,370
goddamn fighter jet we're smuggling

102
00:06:14,560 --> 00:06:12,050
drugs the thin cars yes i'm in a little

103
00:06:17,140 --> 00:06:14,570
bit more speed not get that in there no

104
00:06:19,240 --> 00:06:17,150
I can get it in here just be careful

105
00:06:21,430 --> 00:06:19,250
though this could blow up though good

106
00:06:24,780 --> 00:06:21,440
yeah it's like a light touch it there's

107
00:06:27,760 --> 00:06:24,790
so many military teams coming after me

108
00:06:29,620 --> 00:06:27,770
why do you the bounty on you know me for

109
00:06:32,710 --> 00:06:29,630
stealing the car yeah it's a possibility

110
00:06:34,719 --> 00:06:32,720
yeah some some local yolk will probably

111
00:06:36,430 --> 00:06:34,729
put a bounty on me I have three thousand

112
00:06:38,860 --> 00:06:36,440
dollars honey for exist don't put that

113
00:06:41,469 --> 00:06:38,870

car in I I might let me get one more

114

00:06:46,090 --> 00:06:41,479

shot because the ramps not touching the

115

00:06:50,260 --> 00:06:46,100

floor touching the ground place about a

116

00:06:52,090 --> 00:06:50,270

Dixie horn I think the some Jerry why

117

00:06:53,320 --> 00:06:52,100

you want you I want you try to do this

118

00:06:55,090 --> 00:06:53,330

thing go ahead and try to put that

119

00:07:01,390 --> 00:06:55,100

station wagon and we need that station

120

00:07:09,640 --> 00:07:03,999

hey just don't move oh [h__h] wait hold on

121

00:07:14,080 --> 00:07:09,650

[h__h] no I'm close it down down you go

122

00:07:17,020 --> 00:07:14,090

all right you're good just stand on the

123

00:07:21,129 --> 00:07:17,030

thing yeah yeah dot this is a good plan

124

00:07:22,600 --> 00:07:21,139

this is gonna work but still for my

125

00:07:36,719 --> 00:07:22,610

screen now it's still a little bit up

126

00:07:41,770 --> 00:07:40,000

god I miss are pushing I'll get the get

127

00:07:44,230 --> 00:07:41,780

another car no get another car and push

128

00:07:48,250 --> 00:07:44,240

me is this good idea yeah got this

129

00:07:51,909 --> 00:07:48,260

forget that speed here or my zentorno

130

00:07:54,100 --> 00:07:51,919

still on how editorial on all right then

131

00:07:57,339 --> 00:07:54,110

brands of mode house medicines are now

132

00:07:58,990 --> 00:07:57,349

in passive mode here i'm getting to hit

133

00:08:02,830 --> 00:07:59,000

with another [h__h] Chuck I'm gonna come

134

00:08:06,250 --> 00:08:02,840

a come Ram all right i'm on the military

135

00:08:08,140 --> 00:08:06,260

137

00:08:17,749 --> 00:08:10,409

138

00:08:20,359 --> 00:08:17,759

we are already experienced back oh you

139

00:08:21,769 --> 00:08:20,369

142

00:08:31,879 --> 00:08:29,610

143

00:08:35,449 --> 00:08:31,889

reaching your camp just killed me up

144

00:08:40,249 --> 00:08:35,459

there head towards us in the other car I

145

00:08:45,160 --> 00:08:40,259

146

00:08:49,519 --> 00:08:45,170

155

00:09:19,610 --> 00:09:17,819

174

00:10:43,280 --> 00:10:37,750

175

00:10:49,740 --> 00:10:43,290
