

The Elder Scrolls®

— O N L I N E —

**GOBLIN
SMASHER**

1
00:00:09,620 --> 00:00:06,800
you guys welcome back to some elder

2
00:00:13,039 --> 00:00:09,630
scrolls online why babe and I are just

3
00:00:15,589 --> 00:00:13,049
doing a few missions killing goblins and

4
00:00:18,529 --> 00:00:15,599
helping kings I don't know this gameplay

5
00:00:20,810 --> 00:00:18,539
is any good I don't know if it's

6
00:00:23,720 --> 00:00:20,820
entertaining to watch elder scrolls

7
00:00:27,800 --> 00:00:23,730
online I have no idea but here's some

8
00:00:29,179 --> 00:00:27,810
stuff I think I thinkwell I got to find

9
00:00:32,930 --> 00:00:29,189
the right direction now i'm going i was

10
00:00:36,819 --> 00:00:32,940
gonna join in the round rash it's not by

11
00:00:36,829 --> 00:00:48,890
I'm nearly positive uh pretty close

12
00:00:56,600 --> 00:00:53,330
I'm taking the hard way in fact I might

13
00:01:00,500 --> 00:00:56,610

die but find out it's in either side of

14

00:01:02,660 --> 00:01:00,510
town there's no ways I died oh [\h__\h] my

15

00:01:07,880 --> 00:01:02,670
equipment items have lost in durability

16

00:01:12,440 --> 00:01:07,890
I jumped off a waterfall [\h__\h] that was a

17

00:01:19,040 --> 00:01:12,450
mistake yeah that happens I had to find

18

00:01:22,550 --> 00:01:19,050
king casimir in casimir oh yeah okay so

19

00:01:27,260 --> 00:01:22,560
he's upstairs so I realized like doing

20

00:01:28,820 --> 00:01:27,270
this mission that death those keeps

21

00:01:30,250 --> 00:01:28,830
sending assassins down there but yeah

22

00:01:35,020 --> 00:01:30,260
you gotta go stairs and protected King

23

00:01:38,140 --> 00:01:35,030
help you get the King out of here go I

24

00:01:41,120 --> 00:01:38,150
don't know work he asked did went but

25

00:01:42,980 --> 00:01:41,130
he's downstairs he's come where is the

26

00:01:45,020 --> 00:01:42,990

king now I think you got to go

27

00:01:48,859 --> 00:01:45,030

downstairs and in battle and then

28

00:01:52,910 --> 00:01:48,869

they'll tell you that the there is not

29

00:01:56,540 --> 00:01:52,920

sure I don't hear him on yes look around

30

00:01:58,970 --> 00:01:56,550

with a crown uh Jeff the Kings up here

31

00:02:00,830 --> 00:01:58,980

will stand in n Goff's way you gotta

32

00:02:04,730 --> 00:02:00,840

come back up here and I'm fighting this

33

00:02:07,100 --> 00:02:04,740

Aston now gotta come up here to put

34

00:02:10,400 --> 00:02:07,110

assassin out of his misery and then all

35

00:02:12,880 --> 00:02:10,410

right I'm being chased yeah there's a

36

00:02:19,020 --> 00:02:12,890

king and his assassin right behind me

37

00:02:29,220 --> 00:02:26,070

guys a little tough be careful whoa

38

00:02:35,800 --> 00:02:29,230

circle around yeah you join back in

39

00:02:37,390 --> 00:02:35,810

let's revive here yep I'm doing some

40

00:02:48,490 --> 00:02:37,400

serious damage this dude Satan from the

41

00:02:51,270 --> 00:02:48,500

sides oh I died damn i use my abilities

42

00:02:53,710 --> 00:02:51,280

on him yeah you can he's where you have

43

00:03:03,360 --> 00:02:53,720

thought you I just hold attack and that

44

00:03:12,420 --> 00:03:08,610

yeah you got it was close to gold for

45

00:03:16,770 --> 00:03:12,430

that [\h__\h] nice no he's back he asked

46

00:03:19,410 --> 00:03:16,780

his back yeah this isn't easy for me to

47

00:03:21,600 --> 00:03:19,420

get my armor I want to apologize for

48

00:03:23,309 --> 00:03:21,610

ignoring your warning all right so after

49

00:03:25,410 --> 00:03:23,319

his quest is done we'll do something

50

00:03:27,630 --> 00:03:25,420

else I apologize if I was impertinent

51
00:03:33,750 --> 00:03:27,640
you might not get as stupid king not at

52
00:03:35,309 --> 00:03:33,760
all orison rise please in service to dr.

53
00:03:36,900 --> 00:03:35,319
trattner you trained thick [h__h] the rim

54
00:03:39,030 --> 00:03:36,910
I'm gonna see if I can pick back to this

55
00:03:40,890 --> 00:03:39,040
king he's got not watch or the Knights

56
00:03:42,839 --> 00:03:40,900
can provide yeah you can't pay o'clock

57
00:03:46,080 --> 00:03:42,849
at them unless they glow and you can't

58
00:03:49,979 --> 00:03:46,090
kill him either on this thing alone damn

59
00:03:53,099 --> 00:03:49,989
it let be back at this dog dear nothing

60
00:03:59,910 --> 00:03:53,109
that's my dog oh it is ok i leave them

61
00:04:06,390 --> 00:03:59,920
alone you did a great thing all right

62
00:04:07,470 --> 00:04:06,400
we're two next one baby I think you

63
00:04:09,629 --> 00:04:07,480

still talking to the ass by

64

00:04:12,690 --> 00:04:09,639

assassinating you okay is there anything

65

00:04:14,849 --> 00:04:12,700

I can do do I want to sort or one skill

66

00:04:20,930 --> 00:04:14,859

point hmm I think I took a skill point

67

00:04:28,350 --> 00:04:23,129

I just complete question I get both

68

00:04:34,230 --> 00:04:28,360

they're mine oh yeah best place to take

69

00:04:39,810 --> 00:04:34,240

a nap it is just felt album contra pass

70

00:04:44,939 --> 00:04:39,820

that over here well see if I can pass

71

00:04:56,159 --> 00:04:44,949

out off this thing there you go remember

72

00:04:58,020 --> 00:04:56,169

amote think I'm in midair you can't fall

73

00:04:59,629 --> 00:04:58,030

off this thing that's unfortunate all

74

00:05:07,529 --> 00:04:59,639

right let's get out of your clan baby

75

00:05:15,149 --> 00:05:07,539

did you want to get my skills um what

76

00:05:18,810 --> 00:05:15,159

did I just get attacked by dude I'm like

77

00:05:20,219 --> 00:05:18,820

this bow and arrow [h__h] that's good if

78

00:05:22,230 --> 00:05:20,229

your range that'll be perfect yeah I

79

00:05:29,010 --> 00:05:22,240

always can take the first one or two

80

00:05:31,860 --> 00:05:29,020

shots yeah these shots take them down by

81

00:05:34,290 --> 00:05:31,870

half call your stun them yeah and now I

82

00:05:36,990 --> 00:05:34,300

suppose there we go yeah so my first

83

00:05:40,909 --> 00:05:37,000

shot when I'm when I'm hidden stuns them

84

00:05:46,860 --> 00:05:40,919

he was walk up there and finish them off

85

00:05:51,750 --> 00:05:46,870

perfect flowers please we're pretty

86

00:05:53,370 --> 00:05:51,760

close to the entrance I believe follow

87

00:05:56,010 --> 00:05:53,380

me that's yeah i think it's in the other

88

00:05:58,070 --> 00:05:56,020

side of this hill nothing's right here

89

00:06:04,920 --> 00:05:58,080

maybe your may actually may be right

90

00:06:08,640 --> 00:06:04,930

that's a goblin camp discovered so yeah

91

00:06:11,459 --> 00:06:08,650

don't follow me no air I can't get back

92

00:06:16,589 --> 00:06:11,469

93

00:06:19,440 --> 00:06:16,599

94

00:06:21,029 --> 00:06:19,450

127

00:09:19,180 --> 00:09:17,089

130

00:09:30,999 --> 00:09:24,740

138

00:10:18,210 --> 00:10:10,840

139

00:10:19,470 --> 00:10:18,220

[h__h] or something all right I don't know

140

00:10:20,970 --> 00:10:19,480

how to I don't I don't know why they

141

00:10:23,970 --> 00:10:20,980

arrows not every had any more but it's

142

00:10:27,540 --> 00:10:23,980

not a nice little crown every years and

143

00:10:29,790 --> 00:10:27,550

the group leader here's his jerk-off

144

00:10:31,140 --> 00:10:29,800

this is the part where I trust you what

145

00:10:32,760 --> 00:10:31,150

are you talking about I'll kill the

146

00:10:35,550 --> 00:10:32,770

goblins in the scaffolding in the next

147

00:10:37,500 --> 00:10:35,560

room you grab the gym it's in a chest on

148

00:10:39,670 --> 00:10:37,510

the floor oh yeah I'm finished GM all

149

00:10:42,700 --> 00:10:39,680

right

150

00:10:48,460 --> 00:10:42,710

meet a killer gum you don't forget about

151
00:10:49,930 --> 00:10:48,470
that now these gals are screwed 30 under

152
00:10:57,010 --> 00:10:49,940
general attack from everybody on the

153
00:11:00,160 --> 00:10:57,020
[h__h] server yeah I'm not arrows back

154
00:11:07,030 --> 00:11:00,170
of your head that's weird could be a bug

155
00:11:09,930 --> 00:11:07,040
it is gotta be all right take the dread

156
00:11:12,310 --> 00:11:09,940
jam and then we gotta kill the king Oh

157
00:11:16,860 --> 00:11:12,320
some poultry I can make some soup now

158
00:11:21,100 --> 00:11:16,870
great poultry [h__h] it's a mint

159
00:11:24,850 --> 00:11:21,110
mint berry courage do you get hit up

160
00:11:33,240 --> 00:11:24,860
these like this pork sword at work cuz

161
00:11:36,040 --> 00:11:33,250
what beats beats Dwight Schrute grab it

162
00:11:51,150 --> 00:11:36,050
I'm to vork I'm just going to be taking

163
00:12:10,269 --> 00:11:55,009

oh and I aren't curious that's not

164

00:12:13,900 --> 00:12:12,429

I need some Tomatoes I can make this

165

00:12:23,760 --> 00:12:13,910

deer soup that actually boosts their

166

00:12:30,850 --> 00:12:26,110

all right now we're gonna go do

167

00:12:32,530 --> 00:12:30,860

something this god damn gym um-hmm you

168

00:12:36,220 --> 00:12:32,540

did kill the Goblin King though don't go

169

00:12:38,200 --> 00:12:36,230

down yet there's a there's a separate

170

00:12:45,760 --> 00:12:38,210

path we can take in there yeah I guess

171

00:12:50,680 --> 00:12:45,770

put the Goblin King mission on ya if

172

00:12:57,760 --> 00:12:50,690

your assembly tarnish ground and we both

173

00:13:00,910 --> 00:12:57,770

go back inside this place hmm no we're

174

00:13:02,800 --> 00:13:00,920

this directing us killed the King didn't

175

00:13:04,870 --> 00:13:02,810

take his crown so tarnished a crown is

176

00:13:11,030 --> 00:13:04,880

the low low it says below ok let's just

177

00:13:26,749 --> 00:13:22,579

ah back kids been this way there's more

178

00:13:30,769 --> 00:13:26,759

you could open up um I guess we can go

179

00:13:33,139 --> 00:13:30,779

back out this way got mine we'll see

180

00:13:34,670 --> 00:13:33,149

maybe we're going it Amy here yeah we

181

00:13:47,240 --> 00:13:34,680

can go this way yeah thought there was a

182

00:13:47,250 --> 00:14:04,400

level up

183

00:14:23,400 --> 00:14:07,860

people fear defeat friendly for the most

184

00:14:31,440 --> 00:14:23,410

part now I thought there was a separate

185

00:14:36,090 --> 00:14:31,450

way we could have went it's leading us

186

00:14:49,350 --> 00:14:36,100

right away I am I have my uh Yassir up

187

00:15:07,830 --> 00:14:49,360

here we just wasted them oh there's an

188

00:15:16,480 --> 00:15:10,090

all right we're just going the long way

189

00:15:24,600 --> 00:15:16,490

then whatever there's a second here we

190

00:15:32,110 --> 00:15:27,490

swear we came in well there was a

191

00:15:34,180 --> 00:15:32,120

secondary way you could have wind came

192

00:15:58,009 --> 00:15:34,190

in we ran up here just leave me this way

193

00:16:06,960 --> 00:16:03,269

maybe this is different entrance yet all

194

00:16:26,400 --> 00:16:06,970

right level up a bit that's on us go

195

00:16:37,259 --> 00:16:26,410

with sweet maple bow that's more

196

00:16:39,600 --> 00:16:37,269

[h__\h] over here now they both dead

197

00:16:49,650 --> 00:16:39,610

yeah I get why put an arrow in each of

198

00:17:08,769 --> 00:16:54,870

I see the Goblin King dad right outside

199

00:17:16,010 --> 00:17:13,639

wasted up just a maple bow a battered

200

00:17:17,929 --> 00:17:16,020

crown right let the battery crown off of

201
00:17:24,699 --> 00:17:17,939
them yep took everything we need that

202
00:17:32,690 --> 00:17:28,639
dear so much for a king I didn't have

203
00:17:35,510 --> 00:17:32,700
[h__h] you're gonna go turn that one in

204
00:17:47,810 --> 00:17:35,520

211
00:18:37,210 --> 00:18:31,159

212
00:18:39,789 --> 00:18:37,220

213
00:18:48,210 --> 00:18:39,799

close to them and i retake the mind it's

214

00:19:00,190 --> 00:18:57,190

it's gonna go around this thing team

215

00:19:01,690 --> 00:19:00,200

said the one guys this way yeah if he's

216

00:19:04,060 --> 00:19:01,700

through there yeah he's through here

217

00:19:09,399 --> 00:19:04,070

he's this way over and I think he's

218

00:19:11,529 --> 00:19:09,409

222

00:19:41,440 --> 00:19:36,830

he may be maybes in here I can't open

223

00:19:49,120 --> 00:19:41,450

this thing seems so far away um I'll go

224

00:19:56,080 --> 00:19:49,130

around the side pretty sure he is used

225

00:19:58,000 --> 00:19:56,090

to some guy dying by around yeah it

226

00:19:59,980 --> 00:19:58,010
