00:00:21,410 --> 00:00:19,350  
this episode I start to dare Bill

7  
00:00:23,420 --> 00:00:21,420  
Clinton to eat rotten food on the ground

8  
00:00:24,920 --> 00:00:23,430  
just for shits and giggles at that point

9  
00:00:27,740 --> 00:00:24,930  
in time were pretty drunk in real life

10  
00:00:30,529 --> 00:00:27,750  
and we're just having fun also my friend

11  
00:00:33,130 --> 00:00:30,539  
Bryce is in the studio and he's joining

12  
00:00:36,110 --> 00:00:33,140  
in laughing and making fun of us I guess

13  
00:00:40,130 --> 00:00:36,120

please enjoy the episode like and

14

00:00:41,840 --> 00:00:40,140

subscribe talk to you later bye I'm at

15

00:00:43,790 --> 00:00:41,850

the bar I'll make my way towards the

16

00:00:47,360 --> 00:00:43,800

starting area you can't cuz you're not

17

00:00:53,630 --> 00:00:47,370

gonna start near me I know that oh yeah

18

00:00:56,090 --> 00:00:53,640

you know how it goes around here chris

19

00:00:59,779 --> 00:00:56,100

Christie is already looking for food is

20

00:01:00,920 --> 00:00:59,789

there any peckish well not yet but you

21

00:01:04,880 --> 00:01:00,930

can tell what's going to happen with

22

00:01:09,399 --> 00:01:04,890

chris Christie there's already somebody

23

00:01:20,770 --> 00:01:16,700

Donna Donald Trump is already in look in

24

00:01:33,460 --> 00:01:26,080

hmm oh I wonder if you don't password

25

00:01:34,780 --> 00:01:33,470

protect your characters mmm that doesn't

26  
00:01:37,090 --> 00:01:34,790  
make sense that's be unique to your IP

27  
00:01:40,120 --> 00:01:37,100  
in your character file unless they

28  
00:01:42,520 --> 00:01:40,130  
deleted they didn't mind took somebody

29  
00:01:46,560 --> 00:01:42,530  
else and give it to somebody else all

30  
00:01:50,560 --> 00:01:46,570  
right whatever Trump's the enemy now

31  
00:01:51,969 --> 00:01:50,570  
trumpets hijacked by chris Christie's a

32  
00:01:54,490 --> 00:01:51,979  
better candidate anyways if you think

33  
00:01:56,830 --> 00:01:54,500  
about it it's about time we had a low

34  
00:01:58,660 --> 00:01:56,840  
fat ass in the White House yeah ones

35  
00:02:00,719 --> 00:01:58,670  
last fat President Grover Cleveland it's

36  
00:02:04,149 --> 00:02:00,729  
been way too long this one's for Taft

37  
00:02:09,520 --> 00:02:04,159  
this is freaky you should take a giant

38  
00:02:11,440 --> 00:02:09,530

bite of ham I'm at the trailer parks no

39

00:02:19,500 --> 00:02:11,450

Gail I'm just looking around this house

40

00:02:26,670 --> 00:02:22,360

chris Christie's eating raw eggs and ice

41

00:02:31,810 --> 00:02:26,680

cream don't eat eggs is it sick you know

42

00:02:33,430 --> 00:02:31,820

they not eat all the food I should check

43

00:02:36,729 --> 00:02:33,440

all these houses yeah mom so I think

44

00:02:38,590 --> 00:02:36,739

seems to respond yeah I'm whiskey and

45

00:02:45,580 --> 00:02:38,600

get some whiskey we can get some food

46

00:02:49,690 --> 00:02:45,590

chris Christie's always hungry yeah grab

47

00:02:52,780 --> 00:02:49,700

some books while I can bunch of rotten

48

00:02:55,449 --> 00:02:52,790

food early okay I must got lucky it's

49

00:02:59,620 --> 00:02:55,459

dead rat I'd find a water bottle let me

50

00:03:00,970 --> 00:02:59,630

know actually I have pop bottles and

51  
00:03:03,520 --> 00:03:00,980  
it's ripped down an orange suit and fill

52  
00:03:09,310 --> 00:03:03,530  
it up yeah a bunch of rotten food

53  
00:03:12,009 --> 00:03:09,320  
ketchup onion crisps Christian it's

54  
00:03:14,199 --> 00:03:12,019  
chris Christie to rip down a bottle of

55  
00:03:20,940 --> 00:03:14,209  
ketchup name I done him you might down a

56  
00:03:34,420 --> 00:03:25,619  
maybe do the New Jersey challenge here's

57  
00:03:37,599 --> 00:03:36,280  
I would like to get in there weren't the

58  
00:03:39,940 --> 00:03:37,609  
start a fire and burn down [h\_\_\h]

59  
00:03:41,440 --> 00:03:39,950  
Constantinople once we get enough for

60  
00:03:44,229 --> 00:03:41,450  
supplies to make some fire we're going

61  
00:03:46,599 --> 00:03:44,239  
to burn down that fence I have a nailed

62  
00:03:48,220 --> 00:03:46,609  
plank in the camp fire kit let's put the

63  
00:03:54,429 --> 00:03:48,230

camp park it right next to it and start

64

00:03:56,890 --> 00:03:54,439

burning it this is how you get a engine

65

00:03:58,470 --> 00:03:56,900

starts well we're just gonna start a

66

00:04:03,789 --> 00:03:58,480

little fire you got enough supplies to

67

00:04:11,920 --> 00:04:03,799

really make it blaze I have one plank

68

00:04:14,850 --> 00:04:11,930

okay that'll do and me just keeping

69

00:04:14,860 --> 00:04:20,550

fire mateen very well it's okay

70

00:04:27,629 --> 00:04:23,250

probably think I found a meteor might be

71

00:04:30,629 --> 00:04:27,639

a stick over here now broken fork I'll

72

00:04:36,939 --> 00:04:35,050

fire terials I just drop top of them I

73

00:04:47,800 --> 00:04:36,949

think that's a build fire place it right

74

00:04:51,070 --> 00:04:47,810

next offense and all right all right

75

00:05:06,040 --> 00:04:51,080

keep the planks yeah we furnish it a

76

00:05:06,050 --> 00:05:10,870

there we go

77

00:05:19,900 --> 00:05:14,920

I don't know this is I don't know this

78

00:05:23,440 --> 00:05:19,910

is going to do anything or not but are

79

00:05:27,100 --> 00:05:23,450

they all in there now I'm letting one by

80

00:05:31,030 --> 00:05:27,110

one try to add another one I am should

81

00:05:37,210 --> 00:05:31,040

make it here I'm unpacking so I'm adding

82

00:05:43,519 --> 00:05:37,220

another one right now and on a flank and

83

00:05:53,719 --> 00:05:50,119

ok this is hot it is going to get I just

84

00:05:59,809 --> 00:05:57,489

no I'm like a log no one's let it burn

85

00:06:02,209 --> 00:05:59,819

follow me I found a house that was

86

00:06:06,700 --> 00:06:02,219

boarded up says found some good stuff in

87

00:06:09,110 --> 00:06:06,710

there it's a murse the house of like

88

00:06:12,679 --> 00:06:09,120

it's been her we know her camp market

89

00:06:14,029 --> 00:06:12,689

it's only right there someone will

90

00:06:19,399 --> 00:06:14,039

probably see as well where to see what

91

00:06:21,619 --> 00:06:19,409

we're doing and there's also the

92

00:06:24,820 --> 00:06:21,629

warehouse out of town which we haven't

93

00:06:26,959 --> 00:06:24,830

gone to yet which I think we can make

94

00:06:29,260 --> 00:06:26,969

we've never been to the warehouse out of

95

00:06:32,059 --> 00:06:29,270

town I think we should go for that

96

00:06:34,070 --> 00:06:32,069

sounds good I'm going to what's duck

97

00:06:35,389 --> 00:06:34,080

into David Ickes house when I make a

98

00:06:40,549 --> 00:06:35,399

drink real quick I'll be right back all

99

00:06:42,170 --> 00:06:40,559

right someone built afford it the last

100

00:06:44,959 --> 00:06:42,180

respond to your last yeah that's right

101  
00:06:50,510 --> 00:06:44,969  
the execution she yeah put her firing

102  
00:06:55,010 --> 00:06:50,520  
squad oh so we got some zombies out it's

103  
00:06:59,510 --> 00:06:55,020  
in parking lot left unless this going

104  
00:07:07,640 --> 00:07:03,439  
my pink still good okay let's take it as

105  
00:07:13,640 --> 00:07:07,650  
a blessing zombies in here let's get out

106  
00:07:19,700 --> 00:07:13,650  
I make my thing with zinc let's just do

107  
00:07:21,290 --> 00:07:19,710  
this were they i don't know yet i'm in

108  
00:07:25,730 --> 00:07:21,300  
diamonds out of there in the bathroom

109  
00:07:30,469 --> 00:07:25,740  
hit there's one i'm in the closet or

110  
00:07:37,960 --> 00:07:30,479  
behind you and looted there's nothing in

111  
00:07:47,450 --> 00:07:41,930  
there's nothing here ok lesson not

112  
00:07:51,350 --> 00:07:47,460  
respond the hyundai knife i guess i got

113  
00:07:54,370 --> 00:07:51,360

i threw the honey knife that's it ok gas

114

00:08:03,770 --> 00:07:58,770

watch out for zombies on her braid it

115

00:08:11,610 --> 00:08:08,100

your stuff in here there's Brad's and

116

00:08:12,990 --> 00:08:11,620

this is a safe house well they're

117

00:08:18,720 --> 00:08:13,000

stopping here is like a bunch of rotten

118

00:08:21,360 --> 00:08:18,730

stuff well some rotten bread come on

119

00:08:22,440 --> 00:08:21,370

Chris we need some rotten bread what

120

00:08:24,810 --> 00:08:22,450

we're trying this wait out the light

121

00:08:31,560 --> 00:08:24,820

it's midnight right now that's why we

122

00:08:38,940 --> 00:08:31,570

should stayed in the shack did you

123

00:08:42,810 --> 00:08:38,950

actually take a power nap yeah you buy

124

00:08:45,870 --> 00:08:42,820

better I I don't know you sound a little

125

00:08:50,220 --> 00:08:45,880

bit more coherent that's no what's the

126

00:08:54,480 --> 00:08:50,230

start I guess so you start drinking

127

00:08:57,030 --> 00:08:54,490

again uh just about like 20 minutes ago

128

00:08:58,050 --> 00:08:57,040

see there you go you're back down now

129

00:08:59,670 --> 00:08:58,060

you're backed out you're going to go

130

00:09:05,730 --> 00:08:59,680

back down to incoherency we probably got

131

00:09:10,020 --> 00:09:05,740

a good hour with you Chris could open

132

00:09:12,120 --> 00:09:10,030

the door I don't know if I to you

133

00:09:16,260 --> 00:09:12,130

Christy I'm trying to cool it off in

134

00:09:21,350 --> 00:09:16,270

here now what does that attract dombey's

135

00:09:23,640 --> 00:09:21,360

that noise I wouldn't be surprised Wow

136

00:09:25,860 --> 00:09:23,650

maybe they'll light shooting out of the

137

00:09:31,139 --> 00:09:25,870

door is that your cuts your visible yes

138

00:09:37,150 --> 00:09:35,710

you're leaving it open I'm sorry all

139

00:09:40,689 --> 00:09:37,160

right we're on I get the splash screen

140

00:09:42,549 --> 00:09:40,699

up okay so we'll see how fast it's all

141

00:09:48,329 --> 00:09:42,559

good see what are you doing removing

142

00:09:51,879 --> 00:09:48,339

broken glass you made such a loud noise

143

00:09:57,400 --> 00:09:51,889

you too common I'm removing broken glass

144

00:10:09,759 --> 00:09:57,410

Tommy's can't hear that [h\_\_h] safety

145

00:10:13,720 --> 00:10:09,769

first why yelling there's no one around

146

00:10:16,989 --> 00:10:13,730

to even hear us there's no one around so

147

00:10:18,280 --> 00:10:16,999

you might as well yodel I can fire off

148

00:10:23,939 --> 00:10:18,290

my shotgun is not gonna make a

149

00:10:32,650 --> 00:10:23,949

difference we'll see oh my guys thirsty

150

00:10:35,639 --> 00:10:32,660

Christie's thirsty let's see yeah i'ma

151  
00:10:58,980 --> 00:10:35,649  
have to get some water yeah but I have a

152  
00:11:03,090 --> 00:11:01,350  
see here I got one water bottle I got a

153  
00:11:20,930 --> 00:11:03,100  
lot of shotgun shells which is pretty

154  
00:11:30,320 --> 00:11:25,820  
every set yet hmm no we're good need a

155  
00:11:33,020 --> 00:11:30,330  
goddamn light of day let's got their

156  
00:11:34,490 --> 00:11:33,030  
investigate this shotgun equipped yeah

157  
00:11:36,040 --> 00:11:34,500  
you know what good idea have your

158  
00:11:43,430 --> 00:11:36,050  
shotgun out I'll get mine out and

159  
00:11:44,780 --> 00:11:43,440  
honestly I'm gonna go PvP ready okay hey

160  
00:11:49,250 --> 00:11:44,790  
we got that sledgehammer we can get in

161  
00:11:52,370 --> 00:11:49,260  
here yes we can I can't leave us out

162  
00:11:54,680 --> 00:11:52,380  
imagine all the good things in there you

163  
00:11:56,480 --> 00:11:54,690

stay PvP bread you equip the shotgun

164

00:11:58,310 --> 00:11:56,490

come a sledgehammer actually that's

165

00:12:03,320 --> 00:11:58,320

legit right here yet this this area

166

00:12:05,210 --> 00:12:03,330

right here or I'm at bash this apart all

167

00:12:12,790 --> 00:12:05,220

right coming in quite conscious

168

00:12:18,290 --> 00:12:12,800

unpacking I'm looking around crowbar

169

00:12:18,300 --> 00:12:29,449

we're going in heavy

170

00:12:36,919 --> 00:12:32,210

right here no the place where I was

171

00:12:43,340 --> 00:12:36,929

right here yeah this is a sud I've been

172

00:12:46,730 --> 00:12:43,350
