2  
00:00:12,440 --> 00:00:09,870  
are back in project zomboid and we're

3  
00:00:14,480 --> 00:00:12,450  
tired of being pushed around we go on

4  
00:00:16,849 --> 00:00:14,490  
the offensive we find some other players

5  
00:00:18,380 --> 00:00:16,859  
we have a lot of loot we take them out

6  
00:00:20,960 --> 00:00:18,390  
we're not very good at killing people

7  
00:00:24,980 --> 00:00:20,970  
please enjoy the video like and

8  
00:00:28,009 --> 00:00:24,990  
subscribe talk to you later oh yeah I'm

9  
00:00:31,040 --> 00:00:28,019  
at medical facility and someone's build

10  
00:00:33,830 --> 00:00:31,050  
a wall all the way around it our use of

11  
00:00:36,290 --> 00:00:33,840  
them are you here I'm almost there we're

12  
00:00:39,799 --> 00:00:36,300  
gonna need that crowbar I almost built

13  
00:00:43,940 --> 00:00:39,809

this thing out eating some rotten

14

00:00:50,240 --> 00:00:43,950

zucchini cuz I gotta keep his health up

15

00:00:55,380 --> 00:00:50,250

up into Isis I'll be real quick oh [h\_\_\h]

16

00:00:55,390 --> 00:01:02,200

we're going to need that crowbar

17

00:01:09,410 --> 00:01:07,429

someone has fortified the medical

18

00:01:13,880 --> 00:01:09,420

facility or whatever reason now we can't

19

00:01:19,399 --> 00:01:13,890

even get in here we have to go around

20

00:01:23,480 --> 00:01:19,409

the side sup chris you keep i'll just

21

00:01:25,070 --> 00:01:23,490

can't walk in can you use your crowbar

22

00:01:27,170 --> 00:01:25,080

to get that thing out they gotta be

23

00:01:28,609 --> 00:01:27,180

lacking beat on it yeah i can go make

24

00:01:35,330 --> 00:01:28,619

sure those zombies come in go through

25

00:01:39,040 --> 00:01:35,340

the [h\_\_\h] windows i'm going in through

26  
00:01:44,359 --> 00:01:39,050  
the window oh damn it's messy in here

27  
00:01:47,899 --> 00:01:44,369  
lion it's going down here and this place

28  
00:01:49,190 --> 00:01:47,909  
has been cleared out I mean Chris gotta

29  
00:01:50,719 --> 00:01:49,200  
keep eating them because he's not going

30  
00:01:56,870 --> 00:01:50,729  
to be some rotten chicken on the floor

31  
00:02:03,499 --> 00:01:56,880  
over here good check the upstairs

32  
00:02:05,449 --> 00:02:03,509  
apartment yeah just we can't go anywhere

33  
00:02:08,930 --> 00:02:05,459  
here I think we have to go back out the

34  
00:02:14,880 --> 00:02:08,940  
window I'm removing these curtains these

35  
00:02:14,890 --> 00:02:24,680

36  
00:02:34,490 --> 00:02:27,320  
looks like is there electricity in here

37  
00:02:40,430 --> 00:02:34,500

38  
00:02:43,040 --> 00:02:40,440

food too good whoa is that you know some

39

00:02:48,340 --> 00:02:43,050

40

00:02:56,210 --> 00:02:48,350

41

00:02:57,710 --> 00:02:56,220

00:03:10,000 --> 00:03:04,260

pounding on door well I'm grabbing this

45

00:03:14,570 --> 00:03:10,010

46

00:03:22,280 --> 00:03:14,580

bottle of water taking it eating all

47

00:03:24,980 --> 00:03:22,290

that food taking one cigarette 16 oh hey

48

00:03:27,680 --> 00:03:24,990

a bunch of medical school wise all right

49

00:03:31,610 --> 00:03:27,690

where's Lutin somebody spouts red wine

50

00:03:35,690 --> 00:03:31,620

54  
00:03:50,120 --> 00:03:45,300

62  
00:04:31,200 --> 00:04:28,570  
let's get out of here we probably took

63  
00:04:33,930 --> 00:04:31,210

65

00:04:38,280 --> 00:04:35,920

exerted a little bit well chris christie

66

00:04:43,350 --> 00:04:38,290

67

00:04:44,700 --> 00:04:43,360

pistol ready I don't know what they I

68

00:04:48,120 --> 00:04:44,710

70

00:04:56,040 --> 00:04:51,570

book it what do you said you want to uh

71

00:04:59,400 --> 00:04:56,050

75

00:05:10,260 --> 00:05:07,690

we go straight at them we take over the

76

00:05:12,840 --> 00:05:10,270

medical facility at this point we take

77

00:05:19,080 --> 00:05:12,850

it over we go on we go up there at PvP

78

00:05:22,590 --> 00:05:19,090
