

PROJECT

The Gipper

1  
00:00:11,060 --> 00:00:07,550  
hey everyone in this episode Christian

2  
00:00:13,730 --> 00:00:11,070  
Trump link up with Ronald Reagan supreme

3  
00:00:15,620 --> 00:00:13,740  
ruler of the zombie apocalypse there's a

4  
00:00:17,630 --> 00:00:15,630  
lot of action in this episode and you

5  
00:00:20,450 --> 00:00:17,640  
can hear us getting drunker and drunker

6  
00:00:23,109 --> 00:00:20,460  
as the episode goes on there's a lot of

7  
00:00:26,890 --> 00:00:23,119  
fun and a lot of excitement please enjoy

8  
00:00:30,080 --> 00:00:26,900  
talk to you later bye so chris Christie

9  
00:00:33,770 --> 00:00:30,090  
my brother has his character has a

10  
00:00:35,750 --> 00:00:33,780  
broken leg well I can fix that and he's

11  
00:00:39,850 --> 00:00:35,760  
a medical doctor but I think he broke

12  
00:00:43,760 --> 00:00:39,860  
his femur hey Ron Reagan there you are

13  
00:00:45,860 --> 00:00:43,770

hmm yeah i gotta i can get him fixed up

14

00:00:51,279 --> 00:00:45,870

so you can run around damn there's a lot

15

00:00:54,020 --> 00:00:51,289

um I'd prefer if you not waste your ammo

16

00:00:56,540 --> 00:00:54,030

if i can i can take a few of these way

17

00:01:01,340 --> 00:00:56,550

from you I got another axe if you want

18

00:01:02,900 --> 00:01:01,350

it that might chris Christie might need

19

00:01:07,070 --> 00:01:02,910

that more than I like I'm pretty good

20

00:01:09,770 --> 00:01:07,080

with a crowbar okay yeah so if you want

21

00:01:13,219 --> 00:01:09,780

to have fun later on you guys should go

22

00:01:15,289 --> 00:01:13,229

as the candidates up to West Point

23

00:01:17,990 --> 00:01:15,299

because there is a place called

24

00:01:21,230 --> 00:01:18,000

sanctuary oh nice and originally it was

25

00:01:24,499 --> 00:01:21,240

built by the admins and they kind of

26

00:01:27,200 --> 00:01:24,509

enforced and forced a no fever speed

27

00:01:29,179 --> 00:01:27,210

zone and then they kind of an abandon it

28

00:01:31,399 --> 00:01:29,189

so there's always people like trying to

29

00:01:33,890 --> 00:01:31,409

take it over or be the leader of you

30

00:01:36,560 --> 00:01:33,900

know of the sanctuary see would be

31

00:01:38,600 --> 00:01:36,570

awesome for like Bartertown we can go

32

00:01:40,670 --> 00:01:38,610

there we can go there in campaign yeah

33

00:01:42,289 --> 00:01:40,680

so it would be awesome for Trump and

34

00:01:44,600 --> 00:01:42,299

Christie to go up there what we need to

35

00:01:46,249 --> 00:01:44,610

do we need to put up sign posts you know

36

00:01:48,410 --> 00:01:46,259

you can put up signs and this one that

37

00:01:53,630 --> 00:01:48,420

says Trump or Christy and pointing arrow

38

00:01:54,800 --> 00:01:53,640

go that way to vote for us so let's take

39

00:01:58,160 --> 00:01:54,810

you down to the house where is that will

40

00:02:02,030 --> 00:01:58,170

go down go down this way y'all be

41

00:02:04,370 --> 00:02:02,040

logging in in two seconds here I have

42

00:02:05,959 --> 00:02:04,380

decent amount of medical boys you were

43

00:02:08,570 --> 00:02:05,969

not bad we need that we need to we

44

00:02:11,059 --> 00:02:08,580

actually are pretty good on certain

45

00:02:13,729 --> 00:02:11,069

things I need to UM get a few more

46

00:02:17,059 --> 00:02:13,739

p 734 nail is a hammer to pieces of glue

47

00:02:24,349 --> 00:02:17,069

nice glue to surgery to surgery needles

48

00:02:26,770 --> 00:02:24,359

585 pk's five bottles of painkillers so

49

00:02:29,750 --> 00:02:26,780

this dead guy this might be his place

50

00:02:31,099 --> 00:02:29,760

variables Gabby he's got his journal

51  
00:02:33,440 --> 00:02:31,109  
says something about day one I guess he

52  
00:02:34,970 --> 00:02:33,450  
didn't last long got some awesome stuff

53  
00:02:37,459 --> 00:02:34,980  
in a warehouse I don't know where but

54  
00:02:39,830 --> 00:02:37,469  
check it out it's surrounded by a wire

55  
00:02:43,490 --> 00:02:39,840  
fence hmm no wonder why you die it's a

56  
00:02:45,500 --> 00:02:43,500  
quick sec poor zack god bless that soul

57  
00:02:47,720 --> 00:02:45,510  
but this one let's voter they with

58  
00:02:50,559 --> 00:02:47,730  
campaign to but it's one less footer

59  
00:02:53,119 --> 00:02:50,569  
that can vote against us it is fruit

60  
00:02:55,580 --> 00:02:53,129  
exact guys areas and there's a barbed

61  
00:02:57,589 --> 00:02:55,590  
wire fence around there and if you look

62  
00:03:00,039 --> 00:02:57,599  
to the house to our right it's been

63  
00:03:05,990 --> 00:03:00,049

boarded up as well so that's his uh i

64

00:03:12,309 --> 00:03:06,000

guess this is maids house [h\_\_h] one

65

00:03:20,410 --> 00:03:16,709

kristie you walk there he'll be fine

66

00:03:22,420 --> 00:03:20,420

he's in minor pain but i can guess when

67

00:03:28,209 --> 00:03:22,430

they got this rush limbaugh level Thank

68

00:03:30,729 --> 00:03:28,219

You leurs for nice I asked an extra for

69

00:03:31,869 --> 00:03:30,739

you if you need them Donald Trump was

70

00:03:36,780 --> 00:03:31,879

thinking about being addicted to

71

00:03:36,790 --> 00:03:43,550

nice stop

72

00:03:49,520 --> 00:03:46,190

so do you have a secondary weapon in a

73

00:03:52,640 --> 00:03:49,530

primary uh yeah my pistol is my

74

00:03:55,809 --> 00:03:52,650

secondary and then use the access so how

75

00:03:58,010 --> 00:03:55,819

do you choose which one you use to show

76

00:04:00,050 --> 00:03:58,020

depending like it's why only the

77

00:04:03,559 --> 00:04:00,060

equipment my pistol max so you just hit

78

00:04:05,089 --> 00:04:03,569

one for your primary and then two will

79

00:04:06,500 --> 00:04:05,099

pull up the pistol or whatever weapon

80

00:04:08,449 --> 00:04:06,510

what are the gun you have when I makes

81

00:04:09,530 --> 00:04:08,459

complete sense hmm and then I think

82

00:04:10,880 --> 00:04:09,540

three pulls up like if you have a

83

00:04:13,759 --> 00:04:10,890

screwdriver or something like that or a

84

00:04:15,500 --> 00:04:13,769

knife I gotta pull that up nice let's

85

00:04:18,199 --> 00:04:15,510

get to know because we've never done

86

00:04:20,240 --> 00:04:18,209

that before no never that's why Ronnie

87

00:04:29,159 --> 00:04:20,250

Reagan is here too and we don't know

88

00:04:38,269 --> 00:04:33,600

Oh person person wish I got I got it

89

00:04:45,839 --> 00:04:38,279

covered alrighty coming up behind us

90

00:04:48,110 --> 00:04:45,849

I'll kill zombie this is la la oh this

91

00:04:51,629 --> 00:04:48,120

might be somebody doing the place here

92

00:05:00,119 --> 00:04:51,639

Ron Reagan all right I'll see we can

93

00:05:10,200 --> 00:05:00,129

little bishop let's negotiate so we're

94

00:05:18,809 --> 00:05:10,210

here to deal oh she might be injured

95

00:05:26,550 --> 00:05:18,819

she's not running Ronald Reagan's quick

96

00:05:37,090 --> 00:05:29,920

how weird is kind of stalking this this

97

00:05:41,379 --> 00:05:37,100

this person but I mean we haven't gone

98

00:05:44,470 --> 00:05:41,389

PvP so let's let her go we're driving

99

00:05:46,360 --> 00:05:44,480

her North that's fine hmm she might not

100

00:05:48,520 --> 00:05:46,370

speak English oh that's because that's

101  
00:05:51,310 --> 00:05:48,530  
true but the name is called little

102  
00:05:53,170 --> 00:05:51,320  
bishop so I'm assuming that probably

103  
00:05:56,200 --> 00:05:53,180  
their favorite pop song from English a

104  
00:05:58,390 --> 00:05:56,210  
little [h\_\_h] up i love that group it's

105  
00:06:01,290 --> 00:05:58,400  
like Little Richard but uh huh this

106  
00:06:07,750 --> 00:06:01,300  
thing it's like they look at how thick I

107  
00:06:11,469 --> 00:06:07,760  
can't get this crawler here nice so what

108  
00:06:16,000 --> 00:06:11,479  
level is Ronnie he is uh he's pretty

109  
00:06:19,300 --> 00:06:16,010  
high up is he yep what the hell is going

110  
00:06:24,550 --> 00:06:19,310  
on over here yeah that's something look

111  
00:06:31,450 --> 00:06:24,560  
at that there's a she trip over the phat

112  
00:06:33,550 --> 00:06:31,460  
diem White House let's get up there go

113  
00:06:35,260 --> 00:06:33,560

for it that's our only way out cut go

114

00:06:38,200 --> 00:06:35,270

from the devil we have no chance get up

115

00:06:44,399 --> 00:06:38,210

the rope like three of them there's too

116

00:06:44,409 --> 00:06:53,590

all right no check it out I'm going

117

00:06:57,700 --> 00:06:56,440

so below this is a warehouse or next to

118

00:07:06,640 --> 00:06:57,710

it this is I think this is a controller

119

00:07:08,760 --> 00:07:06,650

key nice ooh fresh cooked chicken

120

00:07:10,780 --> 00:07:08,770

there's a lot of fresh cut food here so

121

00:07:14,100 --> 00:07:10,790

they might be around here somewhere

122

00:07:18,790 --> 00:07:14,110

you're close you know what you're right

123

00:07:26,170 --> 00:07:18,800

so keep your guard up Krista get your

124

00:07:34,890 --> 00:07:26,180

shocking out okay yeah they've been

125

00:07:41,530 --> 00:07:37,810

yeah this top floor is completely empty

126

00:07:45,940 --> 00:07:41,540

and so check out the warehouse next door

127

00:07:56,950 --> 00:07:52,120

chips pickles alright not dammit Chrissy

128

00:08:02,910 --> 00:07:56,960

you eating pickles got him pickle

129

00:08:14,239 --> 00:08:05,970

all right it's a check out that

130

00:08:23,299 --> 00:08:19,219

Oh somebody's outside oh yeah somebody's

131

00:08:27,429 --> 00:08:23,309

come up the sheet rope all right I'm

132

00:08:36,379 --> 00:08:27,439

gonna go PvP okay sobbing yelling at me

133

00:08:41,469 --> 00:08:36,389

I'm going PvP he just he just ran oh my

134

00:08:48,519 --> 00:08:41,479

god fiery get up there Don who's firing

135

00:09:03,249 --> 00:08:55,939

righto did you kill somebody god damn it

136

00:09:08,840 --> 00:09:03,259

Ron holy [h\_\_h] wrong oh my god we [h\_\_h]

137

00:09:10,819 --> 00:09:08,850

you killed him Trevor loves it we got a

138

00:09:12,799 --> 00:09:10,829

lot of people down there a lot of

139

00:09:17,269 --> 00:09:12,809

zombies let a voter yeah time to give

140

00:09:20,679 --> 00:09:17,279

your campaign speech where'd you guys go

141

00:09:30,619 --> 00:09:20,689

we're overlooking the zombies who are

142

00:09:31,759 --> 00:09:30,629

congregating it's a campaign rally so

143

00:09:33,350 --> 00:09:31,769

there's a back way out of here don't

144

00:09:36,470 --> 00:09:33,360

worry about it def thurs come voters

145

00:09:38,569 --> 00:09:36,480

vote for me we're talking about new job

146

00:09:40,220 --> 00:09:38,579

romantic I panic so hard when I ran in

147

00:09:44,689 --> 00:09:40,230

that room and I shut the door d opening

148

00:09:46,249 --> 00:09:44,699

your head your pistol their PvP I gotta

149

00:09:50,030 --> 00:09:46,259

imma know I'm gonna way from my pair

150

00:09:53,600 --> 00:09:50,040

this with my pvp to turn off here for a

151

00:09:56,480 --> 00:09:53,610

second but turn it off we're not going

152

00:09:58,260 --> 00:09:56,490

to take over I'm gonna be on for like 20

153

00:10:02,220 --> 00:09:58,270

minutes

154

00:10:04,710 --> 00:10:02,230

I mean they're coming in yeah well we

155

00:10:14,610 --> 00:10:04,720

gotta a good fence down there solid

156

00:10:16,620 --> 00:10:14,620

fence we built the wall big ball oh [h\_\_h]

157

00:10:20,550 --> 00:10:16,630

they're coming in you're right this is

158

00:10:28,130 --> 00:10:20,560

no good how do we get out of here holy

159

00:10:35,960 --> 00:10:31,740

Ronald Reagan's a madman oh yeah they

160

00:10:41,160 --> 00:10:35,970

don't have this wall over here all right

161

00:10:43,080 --> 00:10:41,170

which way all I saw was a rapid voter

162

00:10:44,280 --> 00:10:43,090

chasing after she should watch it watch

163

00:10:50,940 --> 00:10:44,290

it watch out watch out watch out oh

164

00:10:52,620 --> 00:10:50,950

shoot whoo as the threat be careful not

165

00:10:56,670 --> 00:10:52,630

to get too close to each other guys he's

166

00:11:01,170 --> 00:10:56,680

still PvP so you can do a lot of damage

167

00:11:02,850 --> 00:11:01,180

time streaming sex that doesn't look

168

00:11:04,440 --> 00:11:02,860

like the right place to go there well

169

00:11:06,720 --> 00:11:04,450

alright that's that's the way out

170

00:11:10,560 --> 00:11:06,730

alright I'll lead them away you guys you

171

00:11:14,580 --> 00:11:10,570

guys head down to the bottom all right

172

00:11:17,700 --> 00:11:14,590

you got him run um [h\_\_h] I guess there's

173

00:11:18,810 --> 00:11:17,710

a way out over there ah got him oh no

174

00:11:19,950 --> 00:11:18,820

they're all streaming around five

175

00:11:23,100 --> 00:11:19,960

there's a fact you can jump at the

176

00:11:24,360 --> 00:11:23,110

bottom bottom left corner so I'm gonna

177

00:11:30,030 --> 00:11:24,370

182

00:11:44,640 --> 00:11:41,800

fence [h\_\_h] oh my god we gotta get the

183

00:11:47,520 --> 00:11:44,650

[h\_\_h] out of here we gotta find a way

184

00:11:52,040 --> 00:11:47,530

jumping a fence there's a small fence if

185

00:11:54,120 --> 00:11:52,050

you go to it's on the bottom towards the

186

00:11:57,150 --> 00:11:54,130

I'm gonna have to Scott on the top of

187

00:11:58,170 --> 00:11:57,160

the screen I got it I got it okay so let

188

00:12:01,780 --> 00:11:58,180

me know what you guys are trying over

189

00:12:03,920 --> 00:12:01,790

the sheet rope go for it

190

00:12:06,230 --> 00:12:03,930

they're coming after me they're coming

191

00:12:18,590 --> 00:12:06,240

up to Donald Trump I got rabbit voters

192

00:12:25,140 --> 00:12:21,270

did you guys go down and sheet rope no

193

00:12:31,290 --> 00:12:25,150

there's some people on front I don't

194

00:12:42,360 --> 00:12:31,300

know what it should do all right follow

195

00:12:46,230 --> 00:12:42,370

me okay dragon oh there's a [h\_\_\h] door

196

00:12:49,170 --> 00:12:46,240

oh come in here I'm come come in here I

197

00:12:50,790 --> 00:12:49,180

gotta take I gotta take a breather okay

198

00:12:53,250 --> 00:12:50,800

you breathe it up I'll keep him occupied

199

00:12:54,540 --> 00:12:53,260

up hold up to the busstop corner my GF

200

00:12:57,750 --> 00:12:54,550

just called me I'm on the third floor

201

00:13:02,730 --> 00:12:57,760

hurt I'm right by the sheet rope I think

202

00:13:04,620 --> 00:13:02,740

I can I think I can make it all right go

203

00:13:08,580 --> 00:13:04,630

ahead stay out there I'm gonna jump the

204

00:13:12,890 --> 00:13:08,590

fence and then I'll lead them away or

205

00:13:18,950 --> 00:13:12,900

I'm gonna come down holy [\h\_\_\h] all right

206

00:13:29,340 --> 00:13:26,880

they see you cool all right I i'm at the

207

00:13:32,580 --> 00:13:29,350

sheet rope right now hang on I'm coming

208

00:13:34,440 --> 00:13:32,590

that way to lead them away we get if we

209

00:13:37,080 --> 00:13:34,450

crawl down we can just run this is much

210

00:13:39,750 --> 00:13:37,090

better it's much better at the [\h\_\_\h] rope

211

00:13:43,050 --> 00:13:39,760

than it is where you're at ya ready can

212

00:13:44,940 --> 00:13:43,060

take in the other direction god damn it

213

00:13:46,650 --> 00:13:44,950

right away from the shooter I'm pulling

214

00:13:48,900 --> 00:13:46,660

away from the sheet rope into the woods

215

00:13:54,600 --> 00:13:48,910

and your goddamn cowboy diplomacy isn't

216

00:13:57,300 --> 00:13:54,610

working I'm gonna make a crazy loom for

217

00:13:58,740 --> 00:13:57,310

the sheets avail mostly enough there at

218

00:14:01,380 --> 00:13:58,750

the bottom but some we're gonna follow

219

00:14:03,420 --> 00:14:01,390

me but here we go oh my god we made it

220

00:14:07,250 --> 00:14:03,430

we made it and they're gonna follow you

221

00:14:11,490 --> 00:14:09,540

where's chris christie he's up here I'm

222

00:14:13,740 --> 00:14:11,500

glad he's just took off we gotta make it

223

00:14:19,920 --> 00:14:13,750

to the medical facility yeah he's not in

224

00:14:23,040 --> 00:14:19,930

that way holy [h\_\_h] fish Chris Chris he's

225

00:14:24,590 --> 00:14:23,050

all tired and fat watch out is a zombie

226

00:14:26,880 --> 00:14:24,600

227

00:14:28,590 --> 00:14:26,890

mm-hmm now you've got your military

228

00:14:36,330 --> 00:14:28,600

experience there Christy and Trump yep

229

00:14:38,370 --> 00:14:36,340

finally mm okay thank you good walk all

230

00:14:40,410 --> 00:14:38,380

00:14:44,850 --> 00:14:40,420

exactly weirdo shop hey here we are to

232

00:14:46,080 --> 00:14:44,860

campaign boom boom boom look through

233

00:14:50,130 --> 00:14:46,090

that gun store letter already know

234

00:14:51,630 --> 00:14:50,140

what's uh what's going on if you got

235

00:14:55,740 --> 00:14:51,640

your weapon i would suggest now's the

236

00:15:02,720 --> 00:14:55,750

time to pull it out crystal oh yeah all

237

00:15:08,840 --> 00:15:04,970

when they get a full realtor shucks and

238

00:15:11,629 --> 00:15:08,850

ready we're going to Thunderdome and

239

00:15:15,139 --> 00:15:11,639

make sure it's loaded oh my pistols

240

00:15:17,840 --> 00:15:15,149

loaded I think you can just Ted augury

241

00:15:22,100 --> 00:15:17,850

loads and ignore the zombies yeah I

242

00:15:27,110 --> 00:15:22,110

think we've ignored of zombies as long

243

00:15:34,400 --> 00:15:27,120

as you're quick enough Christy you piece

244

00:15:37,280 --> 00:15:34,410

245

00:15:43,400 --> 00:15:37,290

business guys they're gone commie

246

00:15:46,460 --> 00:15:43,410

bastards to look at that we already

247

00:15:49,129 --> 00:15:46,470

drawn a crowd campaign rally coming up

248

00:15:55,699 --> 00:15:49,139

this is the big supermarket to the left

249

00:16:01,910 --> 00:15:55,709

nice i loves tumor and then the bars up

250

00:16:07,980 --> 00:16:05,850

251  
00:16:16,440 --> 00:16:07,990

252  
00:16:19,949 --> 00:16:16,450

253  
00:16:21,389 --> 00:16:19,959  
be huge trap um a lot of people a lot of

254  
00:16:27,660 --> 00:16:21,399  
people hang out there for the guns or

255  
00:16:29,100 --> 00:16:27,670  
run in and out of it so oh yeah your

256  
00:16:32,880 --> 00:16:29,110  
campaign stuff will be much better at

257  
00:16:39,350 --> 00:16:32,890  
the sanctuary now look we go into the

258  
00:16:42,060 --> 00:16:39,360

265

00:17:24,549 --> 00:17:17,819

267

00:17:31,360 --> 00:17:29,990

268

00:17:35,049 --> 00:17:31,370  
outside watching to see if they come

269

00:17:39,000 --> 00:17:35,059
