6  
00:00:25,609 --> 00:00:21,900

you later bye so um real quick just to

8  
00:00:31,009 --> 00:00:29,429  
recap before i hop in Game hear you guys

9  
00:00:32,450 --> 00:00:31,019  
had quite the adventure last night it

10  
00:00:34,580 --> 00:00:32,460  
wasn't being able to be a part of it and

11  
00:00:39,500 --> 00:00:34,590  
what happened to Christine Reagan go

12  
00:00:41,540 --> 00:00:39,510  
ahead Christie um after we we have a GOP

13  
00:00:43,660 --> 00:00:41,550

headquarters in Dixie which is that rest

14

00:00:46,299 --> 00:00:43,670

stop over between Merle and West Point

15

00:00:48,529 --> 00:00:46,309

we went down to Myrtle the bill to

16

00:00:50,450 --> 00:00:48,539

rebuild for jen's which we did and after

17

00:00:52,880 --> 00:00:50,460

that uh Chris did a lot of grinding

18

00:00:54,650 --> 00:00:52,890

sawing logs love an obscure injury then

19

00:00:56,720 --> 00:00:54,660

we went on some adventures and Chris

20

00:01:00,349 --> 00:00:56,730

ended up getting bitten head and and

21

00:01:05,390 --> 00:01:00,359

Ronnie had to put him down okay and what

22

00:01:08,510 --> 00:01:05,400

happened to Ryan well after we had to

23

00:01:10,780 --> 00:01:08,520

put Christie down after we got swarmed

24

00:01:13,310 --> 00:01:10,790

we headed back up to a West Point and

25

00:01:16,580 --> 00:01:13,320

Alex Jones on the case and I was going

26

00:01:19,070 --> 00:01:16,590

up to meet him when i ran into there's

27

00:01:22,999 --> 00:01:19,080

some communist after us victor and suede

28

00:01:24,890 --> 00:01:23,009

yeah I ran into Victor but he took off

29

00:01:26,210 --> 00:01:24,900

and ran into the woods and then I was

30

00:01:29,630 --> 00:01:26,220

running up to meet with alex jones even

31

00:01:31,190 --> 00:01:29,640

the gun story you know show but i'm in

32

00:01:34,340 --> 00:01:31,200

sanctuary to someone to somebody here

33

00:01:35,810 --> 00:01:34,350

right now all right over there i mean

34

00:01:37,700 --> 00:01:35,820

i'm in the sanctuary my leg is broke he

35

00:01:39,740 --> 00:01:37,710

just could buy inventory of an axe

36

00:01:41,539 --> 00:01:39,750

alright I've got a flow loaded shotgun

37

00:01:43,819 --> 00:01:41,549

all right he's good all right we i have

38

00:01:47,120 --> 00:01:43,829

chris Christie's a legacy material it

39

00:01:49,880 --> 00:01:47,130

looks like we're just killing zombies

40

00:01:53,600 --> 00:01:49,890

downtown yeah they have a lot of them

41

00:01:55,190 --> 00:01:53,610

because i guess i'm assuming the this is

42

00:01:56,600 --> 00:01:55,200

how last night went at the end when we

43

00:01:59,240 --> 00:01:56,610

just kept running the more and more and

44

00:02:00,600 --> 00:01:59,250

then the horde came i think the admins

45

00:02:03,060 --> 00:02:00,610

are trying to get rid of the walls

46

00:02:07,130 --> 00:02:03,070

West Point but whoever did good bond a

47

00:02:10,020 --> 00:02:07,140

huge horde we should finish this wall

48

00:02:12,090 --> 00:02:10,030

this is Trump's wall come on um mother

49

00:02:14,040 --> 00:02:12,100

coming we finish the work I think we

50

00:02:19,050 --> 00:02:14,050

have to finish this wall actively the

51  
00:02:31,590 --> 00:02:19,060  
protective GOP headquarters [\h\_\_\h] yeah

52  
00:02:34,140 --> 00:02:31,600  
wrap the finishes wall [\h\_\_\h] burgers mmm

53  
00:02:39,090 --> 00:02:34,150  
a lot of liberal coming yeah he's

54  
00:02:43,410 --> 00:02:39,100  
[\h\_\_\h] hippies get out of here we're

55  
00:02:48,150 --> 00:02:43,420  
not raising the minimum wage it's not

56  
00:02:51,780 --> 00:02:48,160  
gonna happen all right was getting doors

57  
00:02:53,370 --> 00:02:51,790  
real quick and dry off and then we can

58  
00:02:57,510 --> 00:02:53,380  
start this finished that wall after

59  
00:03:00,360 --> 00:02:57,520  
that's not a bad idea need to get turtle

60  
00:03:07,020 --> 00:03:00,370  
first he's making her way he he can make

61  
00:03:12,900 --> 00:03:07,030  
his way here oh yeah Mia I'm Brad turtle

62  
00:03:16,130 --> 00:03:12,910  
is dead Alex tunes getting a roller

63  
00:03:19,320 --> 00:03:16,140

image pretty close to the motel I think

64

00:03:38,510 --> 00:03:19,330

you're at the motel copy that pretty

65

00:03:42,530 --> 00:03:40,700

get clear but uh looks like it's been

66

00:03:44,120 --> 00:03:42,540

pretty rifled through when has a refund

67

00:03:49,640 --> 00:03:44,130

are you talking about those plenty of

68

00:03:51,830 --> 00:03:49,650

magazines here hustler hustlers back to

69

00:03:56,780 --> 00:03:51,840

our Cowboys this is what already can we

70

00:03:59,780 --> 00:03:56,790

board off this door up here in the front

71

00:04:06,620 --> 00:03:59,790

yeah make a new door and so people can't

72

00:04:09,500 --> 00:04:06,630

get in or what about a wall somehow like

73

00:04:12,350 --> 00:04:09,510

to wall it off so they can't get in and

74

00:04:17,000 --> 00:04:12,360

let must have a sledgehammer you can act

75

00:04:19,580 --> 00:04:17,010

down player made wall well okay I'm a

76

00:04:26,379 --> 00:04:19,590

shotgun or a sling okay so I can't have

77

00:04:33,369 --> 00:04:28,809

forgive me though in valley station near

78

00:04:35,969 --> 00:04:33,379

the shooting range oh nice it probably

79

00:04:38,709 --> 00:04:35,979

where he's gonna be hanging out around

80

00:04:42,850 --> 00:04:38,719

if there's a shooting I won't that is

81

00:04:45,959 --> 00:04:42,860

drawing zombies my bed has all the ammo

82

00:04:49,209 --> 00:04:45,969

I looted this place before I die oh

83

00:04:51,730 --> 00:04:49,219

that's why it's cleaned out I'm gonna

84

00:04:54,820 --> 00:04:51,740

watch fear of the walking dead even

85

00:04:58,689 --> 00:04:54,830

though it sucks um it went to suck mode

86

00:05:00,189 --> 00:04:58,699

now is so incredibly slow ah seems like

87

00:05:02,439 --> 00:05:00,199

they have the same Raiders the the

88

00:05:05,640 --> 00:05:02,449

military's moved in there's martial law

89

00:05:12,929 --> 00:05:05,650

but everyone is still kind of in

90

00:05:15,519 --> 00:05:12,939

disbelief oh my god I'll turn around I I

91

00:05:17,170 --> 00:05:15,529

want to see what I want to see what Alex

92

00:05:19,089 --> 00:05:17,180

you in transparency you know your

93

00:05:21,610 --> 00:05:19,099

martial law cancer rates off the chart

94

00:05:23,829 --> 00:05:21,620

you know you know diabetes you were

95

00:05:25,959 --> 00:05:23,839

going crazy everyone's still in denial

96

00:05:27,850 --> 00:05:25,969

that in that in that series that

97

00:05:29,439 --> 00:05:27,860

anything they know something's amiss I

98

00:05:30,969 --> 00:05:29,449

don't know how you can be in denial once

99

00:05:35,829 --> 00:05:30,979

the government declares martial law but

100

00:05:39,629 --> 00:05:35,839

whatever i guess they're in denial of

101  
00:05:42,909 --> 00:05:39,639  
the government's role or responsibility

102  
00:05:44,889 --> 00:05:42,919  
nation martial law just for fun yeah I

103  
00:05:48,100 --> 00:05:44,899  
mean there's implicitly trusting them

104  
00:05:50,800 --> 00:05:48,110  
and I guess I get that but there's this

105  
00:05:52,149 --> 00:05:50,810  
makes stupid-ass mistakes 24-7 and that

106  
00:05:57,219 --> 00:05:52,159  
thing but I guess that's what a [h\_\_\h]

107  
00:06:00,969 --> 00:05:57,229  
horror movie or TV show does vitamin you

108  
00:06:03,100 --> 00:06:00,979  
say that we're going to need troops more

109  
00:06:05,829 --> 00:06:03,110  
than vitamins up here rear why i got i

110  
00:06:09,939 --> 00:06:05,839  
invited my channel we're in a miniature

111  
00:06:11,769 --> 00:06:09,949  
sellers off only free safety here and

112  
00:06:13,990 --> 00:06:11,779  
here they come this is gonna be a long

113  
00:06:15,760 --> 00:06:14,000

three if you go up I'm gonna go take the

114

00:06:23,390 --> 00:06:15,770

back should we just break out her guns

115

00:06:27,870 --> 00:06:26,490

back up you're a dangerous fighter

116

00:06:31,080 --> 00:06:27,880

you're gonna get us all killed Christie

117

00:06:33,780 --> 00:06:31,090

was a bit we had way more than that

118

00:06:36,480 --> 00:06:33,790

though yeah yeah this is how it began

119

00:06:39,420 --> 00:06:36,490

though what spread out a little bit on

120

00:06:43,050 --> 00:06:39,430

his top of his head get put into a

121

00:06:46,680 --> 00:06:43,060

zombie arm lock or a headlock was a

122

00:06:49,770 --> 00:06:46,690

zombie leg drop them yeah it was zombie

123

00:06:53,070 --> 00:06:49,780

Hulk Hogan how'd white you brother got

124

00:06:56,130 --> 00:06:53,080

powder I by a zombie how much farther we

125

00:06:58,620 --> 00:06:56,140

had to go oh not much further good we're

126

00:07:00,480 --> 00:06:58,630

cup the corner we just take a real quick

127

00:07:04,080 --> 00:07:00,490

jog through the woods this is where

128

00:07:09,439 --> 00:07:04,090

Ronald rapes us all she's like

129

00:07:16,159 --> 00:07:12,730

Oh Rick's got a gift for us though boy

130

00:07:21,980 --> 00:07:16,169

we got a ram on it all right cut my

131

00:07:30,170 --> 00:07:21,990

shotgun oh [\h\_\_\h] Hubble done um Rick

132

00:07:34,489 --> 00:07:30,180

could have a bomb Rick friendly or a

133

00:07:36,019 --> 00:07:34,499

tango have no idea questionable all

134

00:07:37,579 --> 00:07:36,029

right gift same thing run straight

135

00:07:41,659 --> 00:07:37,589

through here to be real quick and the

136

00:07:43,730 --> 00:07:41,669

other side of the gun range um treat it

137

00:07:47,450 --> 00:07:43,740

was just treat rick is hostile unless uh

138

00:07:50,149 --> 00:07:47,460

you know Rick though personally don't

139

00:07:52,640 --> 00:07:50,159

you lot oh you don't know Rick

140

00:08:07,470 --> 00:07:52,650

personally just looking for Devon wall

141

00:08:13,120 --> 00:08:10,060

hello you're at the airport there's at

142

00:08:15,820 --> 00:08:13,130

the airport this is the gun range the

143

00:08:18,580 --> 00:08:15,830

airport's wipeout was Rick not expecting

144

00:08:26,920 --> 00:08:18,590

for people I thought oh no the group

145

00:08:42,570 --> 00:08:26,930

comin Rick around hahaha he doesn't know

146

00:08:42,580 --> 00:08:48,150

you

147

00:08:56,639 --> 00:08:53,490

this is Bohemian Grove over here what

148

00:09:05,329 --> 00:08:56,649

he's young he's trying to draw zombies

149

00:09:15,540 --> 00:09:11,400

vibranium no he doesn't a pvp on don't

150

00:09:17,309 --> 00:09:15,550

do anything what is your gift and I want

151  
00:09:20,699 --> 00:09:17,319  
to be pause now he thought there'd be

152  
00:09:23,990 --> 00:09:20,709  
zombies here he says he has a gift he

153  
00:09:29,400 --> 00:09:24,000  
thought there was gonna be zombies here

154  
00:09:36,040 --> 00:09:29,410  
but there's not hahaha did he take out

155  
00:09:42,890 --> 00:09:38,390  
I'll just kill them

156  
00:09:44,240 --> 00:09:42,900  
his people inside jaja SI me I just went

157  
00:09:49,520 --> 00:09:44,250  
inside while he was just being an idiot

158  
00:09:50,840 --> 00:09:49,530  
uh yeah and draw zombie yeah he's trying

159  
00:09:54,440 --> 00:09:50,850  
to draw attention I think we should just

160  
00:10:08,090 --> 00:09:54,450  
ice and buy some stop oh just um stop

161  
00:10:17,449 --> 00:10:08,100  
yelling hey box of shotgun shells thanks

162  
00:10:23,960 --> 00:10:20,150  
he has nothing out here we're taking

163  
00:10:26,449 --> 00:10:23,970

this place there's an ax in here a

164

00:10:29,319 --> 00:10:26,459

hunting rifles and bullets he's got some

165

00:10:33,230 --> 00:10:29,329

stuff I was a lot of rifles and stuff

166

00:10:34,699 --> 00:10:33,240

one watch the pistol inside them so I

167

00:10:35,960 --> 00:10:34,709

cleared have to play so it would reboot

168

00:10:38,419 --> 00:10:35,970

that's why all those traits are those

169

00:10:45,619 --> 00:10:38,429

traits are full of rifles and rifle

170

00:10:47,150 --> 00:10:45,629

bullets yep walk home wrightwood wants

171

00:10:50,290 --> 00:10:47,160

to team up with us wife so he can kill

172

00:10:54,619 --> 00:10:50,300

us no take him down we don't know him

173

00:10:57,139 --> 00:10:54,629

shoot him in the head if I go then take

174

00:10:59,239 --> 00:10:57,149

him well you go to no no back off turtle

175

00:11:01,309 --> 00:10:59,249

first of all you're not in pvp if you

176

00:11:03,290 --> 00:11:01,319

swing away our intentions is back off

177
