have to I think it's probably a good

77

00:06:57,580 --> 00:06:55,040

idea to cover our tracks i mean we check

78

00:07:00,490 --> 00:06:57,590

out the chat i cover that track i could

79

00:07:02,620 --> 00:07:00,500

80

00:07:05,830 --> 00:07:02,630

turtle was terminal uh he went on his

88

00:07:30,220 --> 00:07:28,700

that was him turn into a zombie now I

89

00:07:32,200 --> 00:07:30,230

thought there's part of the gunshot

91

00:07:36,960 --> 00:07:33,770
