ZOMBOD

Big Fan

1
00:00:10,820 --> 00:00:08,629
everyone JB and I are plain on spit foes

2
00:00:12,470 --> 00:00:10,830
proving ground they installed a bunch of

3
00:00:16,099 --> 00:00:12,480
mods and so we're just trying to figure

4
00:00:18,560 --> 00:00:16,109
out what to do and where to go to get

5
00:00:20,660 --> 00:00:18,570
equipment and weapons we run into a

6
00:00:25,070 --> 00:00:20,670
little bit of trouble and things don't

7
00:00:27,200 --> 00:00:25,080
work out as always please enjoy and talk

8
00:00:29,960 --> 00:00:27,210
to you later bye I don't think gave me

9
00:00:31,460 --> 00:00:29,970
an option to spawn anywhere yeah I think

10
00:00:32,900 --> 00:00:31,470
they're spawns are broken right now so

11
00:00:36,350 --> 00:00:32,910
I'm about to spawn into so we should

12
00:00:41,299 --> 00:00:36,360
spawn in the same place so they're just

13
00:00:42,920 --> 00:00:41,309

testing this out right now originally

14

00:00:44,540 --> 00:00:42,930

they weren't gonna put Hydra craft on

15

00:00:47,150 --> 00:00:44,550

there but I guess you finally realized

16

00:00:49,610 --> 00:00:47,160

that without the guys in Hydra craft but

17

00:00:58,340 --> 00:00:49,620

nobody's this dead want to go to zekes

18

00:01:00,439 --> 00:00:58,350

oh [\h__\h] hey wish me oh [\h__\h] its marked

19

00:01:03,080 --> 00:01:00,449

up in John Lennon come on it's one

20

00:01:04,789 --> 00:01:03,090

autograph come on man hey hey I just

21

00:01:07,520 --> 00:01:04,799

wanted I just want an autograph that's

22

00:01:08,870 --> 00:01:07,530

all a man will be Pat you down so okay

23

00:01:12,230 --> 00:01:08,880

we get these boxes down here at the

24

00:01:14,179 --> 00:01:12,240

bottom um I'm not sure that's about what

25

00:01:16,310 --> 00:01:14,189

the red boxes no just a boxer at the

26

00:01:20,539 --> 00:01:16,320

bottom like i love your you and your UI

27

00:01:23,120 --> 00:01:20,549

oh ok that's so you can that's the guy

28

00:01:25,940 --> 00:01:23,130

who made the map that you use Zomboid

29

00:01:28,190 --> 00:01:25,950

it's a blunt coder it's one of his mods

30

00:01:30,140 --> 00:01:28,200

where you can actually set those jockeys

31

00:01:32,749 --> 00:01:30,150

for certain items ah make sure that is

32

00:01:34,999 --> 00:01:32,759

just the one through three well mark

33

00:01:36,319 --> 00:01:35,009

david just grab some vodka and some cake

34

00:01:38,890 --> 00:01:36,329

we got to get out of this house it looks

35

00:01:45,260 --> 00:01:38,900

like well they wanted here pretty bad

36

00:01:48,380 --> 00:01:45,270

I'm gonna get a Ford yeah um there's a

37

00:01:54,020 --> 00:01:48,390

Torah back here I'm just gonna grab one

38

00:01:56,539 --> 00:01:54,030

of those I'm gonna fork right what's

39

00:02:00,410 --> 00:01:56,549

what's going on back here Oh a metal

40

00:02:03,020 --> 00:02:00,420

detector nice flying maybe I can beat

41

00:02:08,090 --> 00:02:03,030

somebody with that yeah nope

42

00:02:11,690 --> 00:02:08,100

oh there's a door right here okay oh

43

00:02:13,280 --> 00:02:11,700

crap John Lennon and Mark David Chapman

44

00:02:17,330 --> 00:02:13,290

together for the first time in a long

45

00:02:20,690 --> 00:02:17,340

time I'm gonna let you walk in front of

46

00:02:22,070 --> 00:02:20,700

me I guess it's a good idea mmm oh I

47

00:02:24,199 --> 00:02:22,080

should have got blond hair and messed up

48

00:02:26,600 --> 00:02:24,209

I've got the chops though all right he's

49

00:02:29,210 --> 00:02:26,610

old now he's older now oh boy what we

50

00:02:33,710 --> 00:02:29,220

can't walk that way oh boy there's gonna

51
00:02:36,710 --> 00:02:33,720
be a lot of zombies on your to Jon was

52
00:02:39,650 --> 00:02:36,720
John them a runner yeah he should be all

53
00:02:43,910 --> 00:02:39,660
right what's this profession did you

54
00:02:45,680 --> 00:02:43,920
make him a me a artist uh no I've made

55
00:02:50,540 --> 00:02:45,690
him a better that's probably like makes

56
00:02:55,550 --> 00:02:50,550
sense John Lennon watch out your fans

57
00:03:01,220 --> 00:02:55,560
are going crazy hmm I'm an artist I

58
00:03:02,900 --> 00:03:01,230
don't have to fight yeah this is gonna

59
00:03:05,900 --> 00:03:02,910
be a pain because I'm sure they've been

60
00:03:07,400 --> 00:03:05,910
restarting the server and stuff so that

61
00:03:08,479 --> 00:03:07,410
probably a lot of zombies and there's

62
00:03:10,310 --> 00:03:08,489
not been a lot of people on cuz they

63
00:03:13,130 --> 00:03:10,320

just I want to say they just started it

64

00:03:19,440 --> 00:03:13,140

65

00:03:24,930 --> 00:03:22,470

67

00:03:30,869 --> 00:03:27,310

69

00:03:33,059 --> 00:03:31,989

are you supposed to play how you

70

00:03:37,710 --> 00:03:33,069

supposed to play guitar with your cut

71

00:03:41,339 --> 00:03:37,720

hands oh [\h__\h] it's a deep wound to [\h__\h]

73

00:03:48,839 --> 00:03:47,019

74

00:03:52,670 --> 00:03:48,849

a frying pan and a rolling pin grab them

75

00:03:54,750 --> 00:03:52,680

both yeah slowly cuz my hands [\h__\h] oh

76

00:04:04,380 --> 00:03:54,760

cool in the bathrooms you can find some

77

00:04:06,330 --> 00:04:04,390

the woods I know where we're going but

98

00:05:11,510 --> 00:05:08,610

this is probably not the best way to go

99

00:05:13,490 --> 00:05:11,520

through the woods well we'll be all

100

00:05:14,629 --> 00:05:13,500

taking a zombie peace and love peace and

155
00:09:25,880 --> 00:09:22,560
love oh the other worst part about

156
00:09:29,180 --> 00:09:25,890
having a hand wound is [ʌh__ʌh] suck with

157
00:09:33,490 --> 00:09:29,190
weapons oh really hmm it's like it takes

158
00:09:39,080 --> 00:09:33,500
forever knock somebody down bag of chips

159
00:09:51,520 --> 00:09:39,090
wax paper fortune cookie ah pushing

160
00:09:55,160 --> 00:09:51,530
becky trail mix gummy worms chips crab

161
00:09:59,260 --> 00:09:55,170
garlic jar pickles jar pickle somebody

162
00:10:06,950 --> 00:10:02,650
mark david chapman loves pickles a

163
00:10:12,760 --> 00:10:06,960

little-known fun fact about one of the

164

00:10:18,080 --> 00:10:12,770

America's most hated killers I got some

165

00:10:21,260 --> 00:10:18,090

pickles and toward teaches nice mix

166

00:10:27,530 --> 00:10:21,270

candy oh there's other job pickles oh

167

00:10:29,360 --> 00:10:27,540

this is mine I only job you might need

168

00:10:34,850 --> 00:10:29,370

this pickles they were things there on

169

00:10:39,140 --> 00:10:34,860

the floor yup mmm fish food hot sauce

170

00:10:43,070 --> 00:10:39,150

yep Merc did Kevin love's eat hot sauce

171

00:10:47,030 --> 00:10:45,590

all right we could try to miss head to

172

00:10:50,960 --> 00:10:47,040

the police station like headed in that

173

00:10:54,170 --> 00:10:50,970

direction yeah we're not therefore I

174

00:10:58,940 --> 00:10:54,180

don't think no mrs. warehouse one way

175

00:11:00,890 --> 00:10:58,950

there are some end I think just to the

176

00:11:04,580 --> 00:11:00,900

north station to school we might find

177

00:11:05,600 --> 00:11:04,590

some backpacks mm-hmm so the warehouse

178

00:11:11,780 --> 00:11:05,610

down there there might be a lot of good

179

00:11:13,850 --> 00:11:11,790

[h__h] cuz i want to say Tony Soprano was

180

00:11:18,680 --> 00:11:13,860

based out of there last night oh yeah

181

00:11:21,530 --> 00:11:18,690

okay yeah but all the maps went on last

182

00:11:24,290 --> 00:11:21,540

night and I think they wipe the server

183

00:11:26,030 --> 00:11:24,300

before they put the maps on I don't know

184

00:11:27,920 --> 00:11:26,040

if he's still there I don't want to be

185

00:11:30,410 --> 00:11:27,930

walking in the mob territory but I'll do

186

00:11:31,820 --> 00:11:30,420

it if I have to it's cool man to get

187

00:11:34,520 --> 00:11:31,830

John Lennon with you that's true

188

00:11:38,840 --> 00:11:34,530

everyone likes him well I'm not everyone

189

00:11:42,140 --> 00:11:38,850

I got uh what is it Silvio Dante in

190

00:11:45,830 --> 00:11:42,150

South Mulder oh nice I got Paulie

191

00:11:51,620 --> 00:11:45,840

walnuts in West Point Paulie walnuts big

192

00:11:53,780 --> 00:11:51,630

[h__h] I'll be big [h__h] that's stupid

193

00:11:59,870 --> 00:11:53,790

warehouse to the neck right to the north

194

00:12:01,730 --> 00:11:59,880

bus up there nothing's in there silver

195

00:12:06,320 --> 00:12:01,740

Banshee in them I been up at the walking

196

00:12:12,470 --> 00:12:06,330

dead prison or near that area which is

197

00:12:20,960 --> 00:12:12,480

behind McCoy logging in Mulder okay so

198

00:12:24,230 --> 00:12:20,970

this was Sopranos territory I don't know

199

00:12:29,720 --> 00:12:24,240

how much he's done since the wipe and

200

00:12:32,600 --> 00:12:29,730

211
00:13:30,119 --> 00:13:23,689
