

PROJECT

Gang War

1  
00:00:11,240 --> 00:00:07,670  
hey everyone we are playing in Bedford

2  
00:00:15,110 --> 00:00:11,250  
Falls and I could be one of the worst

3  
00:00:17,810 --> 00:00:15,120  
Project Zomboid players ever I pick a

4  
00:00:21,349 --> 00:00:17,820  
fight and it doesn't really work out for

5  
00:00:26,000 --> 00:00:21,359  
us thanks for watching and enjoy the

6  
00:00:35,530 --> 00:00:26,010  
video bye so the military base is up

7  
00:00:47,619 --> 00:00:40,120  
is this a pretty much shoot on sight

8  
00:00:52,280 --> 00:00:50,180  
you know Doc Brown's not a combat

9  
00:00:59,119 --> 00:00:52,290  
veteran I should tell you that I

10  
00:00:59,840 --> 00:00:59,129  
he's a repairman scientist he's a

11  
00:01:02,600 --> 00:00:59,850  
scientist

12  
00:01:04,609 --> 00:01:02,610  
oh [h\_\_h] this guy oh he's a he's a

13  
00:01:14,230 --> 00:01:04,619

[h\_\_h] griefer all right take him to a

14

00:01:23,510 --> 00:01:17,360

whoops I wasn't jump doctor I wasn't

15

00:01:30,050 --> 00:01:23,520

quick enough oh no it might have a skull

16

00:01:31,510 --> 00:01:30,060

above my head no no oh my god no that

17

00:01:35,150 --> 00:01:31,520

was your mistake

18

00:01:47,600 --> 00:01:35,160

shut the [h\_\_h] up Salinger what time it's

19

00:01:48,830 --> 00:01:47,610

time to pay the piper I'm not gonna do

20

00:01:50,870 --> 00:01:48,840

triage in the middle of [h\_\_h] street

21

00:01:55,969 --> 00:01:50,880

me still around you're wounded yeah go

22

00:01:56,499 --> 00:01:55,979

this way into the woods let me hide in

23

00:02:02,480 --> 00:01:56,509

this tree

24

00:02:18,979 --> 00:02:02,490

not now no further just come in here my

25

00:02:25,550 --> 00:02:18,989

Doc Brown says oh no come in I'm gonna

26  
00:02:29,990 --> 00:02:25,560  
come back to life perks you taking so he

27  
00:02:31,520 --> 00:02:30,000  
has so I'm deaf I'm overweight slow

28  
00:02:33,410 --> 00:02:31,530  
learner claustrophobic conspicuous

29  
00:02:35,570 --> 00:02:33,420  
clumsy and a slow reader but he has

30  
00:02:37,400 --> 00:02:35,580  
cat's eyes he's brave he's lucky he's a

31  
00:02:40,660 --> 00:02:37,410  
runner he's an adrenaline junkie and

32  
00:02:46,280 --> 00:02:40,670  
he's honor and a fitness instructor so

33  
00:02:47,930 --> 00:02:46,290  
yeah he's doing normal everyday guy hmm

34  
00:02:50,180 --> 00:02:47,940  
Casper's mad cuz I pulled the same [h\_\_\h]

35  
00:02:53,340 --> 00:02:50,190  
that he does kind of just walk away and

36  
00:03:03,790 --> 00:03:01,090  
with somebody here yeah here's the

37  
00:03:09,280 --> 00:03:03,800  
garbage bag so you can make yourself a

38  
00:03:17,980 --> 00:03:09,290

poncho want me to [h\_\_h] this thing do it

39

00:03:20,800 --> 00:03:17,990

pledge I ain't a knife this is where I

40

00:03:22,090 --> 00:03:20,810

murdered a shade after he tried to shoot

41

00:03:30,250 --> 00:03:22,100

me good times

42

00:03:31,900 --> 00:03:30,260

yes oh honey now if I can use that make

43

00:03:34,770 --> 00:03:31,910

rain poncho done all right

44

00:03:36,970 --> 00:03:34,780

let's let's get on them get on the move

45

00:03:45,290 --> 00:03:36,980

let me drink some when we have some

46

00:03:54,050 --> 00:03:50,070

okay we got a 44 Magnum with somebody's

47

00:03:56,339 --> 00:03:54,060

name on it yeah that's gonna be you know

48

00:03:57,150 --> 00:03:56,349

I'm not a good shot I'm a fitness

49

00:04:00,089 --> 00:03:57,160

instructor

50

00:04:01,770 --> 00:04:00,099

I don't know Casper shadow is his

51  
00:04:05,580 --> 00:04:01,780  
[h\_\_h] murderer stalled so he's

52  
00:04:12,240 --> 00:04:05,590  
probably gonna high aim no we got the

53  
00:04:15,080 --> 00:04:12,250  
ghost stories all fired up now so crazy

54  
00:04:21,060 --> 00:04:15,090  
to even try it

55  
00:04:42,350 --> 00:04:21,070  
open on second um Ghostbuster you know

56  
00:04:46,830 --> 00:04:44,880  
knock Browns an [h\_\_h] he's because

57  
00:04:49,080 --> 00:04:46,840  
he's deaf but he's a fitness instructor

58  
00:04:52,410 --> 00:04:49,090  
hey this is kind of where I died right

59  
00:04:57,210 --> 00:04:52,420  
no you know okay good

60  
00:04:58,830 --> 00:04:57,220  
that memories you just thought you died

61  
00:05:02,460 --> 00:04:58,840  
on this street except on the other side

62  
00:05:04,320 --> 00:05:02,470  
okay well your sister Street over here

63  
00:05:09,930 --> 00:05:04,330

zombies are following us they want a

64

00:05:19,149 --> 00:05:09,940

party going to a kegger come on let's do

65

00:05:24,609 --> 00:05:21,969

so this Casper this the guy I tried to

66

00:05:26,559 --> 00:05:24,619

shoot there's that Casper that's what we

67

00:05:28,659 --> 00:05:26,569

ran into afterwards and then I started

68

00:05:30,909 --> 00:05:28,669

out late into a many combat log battle

69

00:05:33,549 --> 00:05:30,919

does he run with any friends would you

70

00:05:37,959 --> 00:05:33,559

be part of a gang Casper's alone alone

71

00:05:40,689 --> 00:05:37,969

for so Salinger okay bad furred false

72

00:05:44,499 --> 00:05:40,699

runs with he's part of the bloodhounds

73

00:05:46,689 --> 00:05:44,509

so that's like metal Devin him there's

74

00:05:47,979 --> 00:05:46,699

like three other dudes Rumpy CEO they

75

00:05:50,469 --> 00:05:47,989

should know that that they're going up

76  
00:05:56,049 --> 00:05:50,479  
against the Brotherhood of pain oh [h\_\_h]

77  
00:05:57,369 --> 00:05:56,059  
here we go yeah well I got I just

78  
00:06:03,579 --> 00:05:57,379  
thought watch my back I can't hear

79  
00:06:13,410 --> 00:06:03,589  
anything least you won't heal them here

80  
00:06:26,580 --> 00:06:25,290  
and there we go we pick the fight piece

81  
00:06:29,850 --> 00:06:26,590  
of [h\_\_h] so it doesn't really matter

82  
00:06:30,930 --> 00:06:29,860  
you're getting into semantics here it

83  
00:06:35,750 --> 00:06:30,940  
doesn't matter who started we're

84  
00:06:43,710 --> 00:06:38,160  
you know Casper log back in to heal

85  
00:06:51,270 --> 00:06:43,720  
itself himself [h\_\_h] up [h\_\_h] was just

86  
00:06:53,010 --> 00:06:51,280  
lazy spoons there be bees BB's this had

87  
00:06:58,980 --> 00:06:53,020  
to be a BB gun no one took this much

88  
00:07:00,120 --> 00:06:58,990

time to do this yes someone did tell us

89

00:07:12,960 --> 00:07:00,130

where we found all the bras and panties

90

00:07:16,860 --> 00:07:12,970

oh yeah sweet [\h\_\_\h] vada zombies yeah

91

00:07:19,380 --> 00:07:16,870

shoot them no bar you can have you on I

92

00:07:21,420 --> 00:07:19,390

mean we can run around him there we go

93

00:07:23,460 --> 00:07:21,430

it's the apocalypse but it's still

94

00:07:23,880 --> 00:07:23,470

America you can do what you want yeah

95

00:07:26,550 --> 00:07:23,890

dude

96

00:07:29,280 --> 00:07:26,560

pretty wasabi apocalypse with the US

97

00:07:31,770 --> 00:07:29,290

Constitution's too

98

00:07:43,589 --> 00:07:31,780

Charlton Heston you could probably you

99

00:07:55,859 --> 00:07:45,629

oh they might wait for us to leave then

100

00:07:57,989 --> 00:07:55,869

shoot us but which way Darko I got work

101

00:07:59,399 --> 00:07:57,999

where's yes the roof go go the way

102

00:08:01,529 --> 00:07:59,409

you're running he's on the roof puppy

103

00:08:08,850 --> 00:08:01,539

he's on the roof he's on the roof of

104

00:08:10,829 --> 00:08:08,860

what critical injuries this is bad he's

105

00:08:12,419 --> 00:08:10,839

on the roof of the military base no he's

106

00:08:14,429 --> 00:08:12,429

on the roof just south when we came out

107

00:08:16,709 --> 00:08:14,439

[h\_\_\h] he was waiting for us just like I

108

00:08:25,330 --> 00:08:16,719

thought I told you batchford fossils

109

00:08:36,820 --> 00:08:29,480

almost clown baby okay I got shot a

110

00:08:46,760 --> 00:08:39,649

let me go check my door real quick

111

00:08:52,370 --> 00:08:46,770

who shot him what happened I'm deaf yeah

112

00:08:54,920 --> 00:08:52,380

he's on the roof I see him I got him

113

00:08:57,290 --> 00:08:54,930

there's a building directly see if he

114

00:08:59,570 --> 00:08:57,300

left that it was directly just go to the

115

00:09:01,040 --> 00:08:59,580

bottom of your window half you half a

116

00:09:04,850 --> 00:09:01,050

screen he said he's just sitting up

117

00:09:06,139 --> 00:09:04,860

there he's just gonna snipe you so I

118

00:09:07,400 --> 00:09:06,149

tried to think of a different tactic and

119

00:09:12,139 --> 00:09:07,410

how to get to him I'm coming through the

120

00:09:14,780 --> 00:09:12,149

woods so y'all get murdered yet I'm not

121

00:09:15,500 --> 00:09:14,790

I'm actually in the building I went

122

00:09:19,820 --> 00:09:15,510

through the woods I'm actually

123

00:09:20,900 --> 00:09:19,830

underneath of this guy like I'm on the

124

00:09:25,340 --> 00:09:20,910

first floor I think he's still in the

125

00:09:31,610 --> 00:09:25,350

roof the chance really liven up quite a

126

00:09:34,310 --> 00:09:31,620

bit so he's got a long-range weapon well

127

00:09:49,519 --> 00:09:34,320

yeah he does that's what I was hoping to

128

00:09:56,150 --> 00:09:54,710

I take it beater pumper died oh yeah he

129

00:10:00,199 --> 00:09:56,160

went back and he's the one who told me

130

00:10:04,579 --> 00:10:00,209

he was on the roof and kind of gave me

131

00:10:08,420 --> 00:10:04,589

the location school I don't know how he

132

00:10:11,960 --> 00:10:08,430

got on the roof yeah being deaf is not

133

00:10:20,389 --> 00:10:11,970

good it's not beneficial in the

134

00:10:28,389 --> 00:10:20,399

apocalypse yeah so I know I'm near the

135

00:10:34,939 --> 00:10:30,860

sorry if somebody just ran past me I

136

00:10:41,030 --> 00:10:34,949

don't know but I can't tell if I shot or

137

00:10:50,250 --> 00:10:41,040

not because I can't I can't hear

138

00:10:57,480 --> 00:10:53,220

I can't hear a goddamn thing I'm going

139

00:11:04,640 --> 00:10:57,490

PvP I'm going in I don't know if I

140

00:11:04,650 --> 00:11:29,390

you charged him back in there

141

00:11:32,810 --> 00:11:31,280

how do what's his balls know we were at

142

00:11:35,240 --> 00:11:32,820

the military base another guy who shot

143

00:11:37,400 --> 00:11:35,250

us with the other guy Pyrus cuz he's

144

00:11:40,790 --> 00:11:37,410

probably friends with a bad furred falls

145

00:11:45,920 --> 00:11:40,800

four foot bong hit on Steam on PvP I'm

146

00:11:49,480 --> 00:11:45,930

running around the school I'm slowly

147

00:11:52,490 --> 00:11:49,490

running up to the goddamn police station

148

00:12:02,470 --> 00:11:52,500

[h\_\_h] you slow piece of [h\_\_h] level up

149

00:12:10,730 --> 00:12:04,370

you sure Doc Brown

150

00:12:17,900 --> 00:12:10,740

yeah I'm somehow still alive it was

151  
00:12:20,060 --> 00:12:17,910  
Pyrus he's another veteran of Zeke's I'm

152  
00:12:23,269 --> 00:12:20,070  
in the school a lot of zombies around

153  
00:12:28,160 --> 00:12:23,279  
but I'm a minute managing to stay ahead

154  
00:12:30,590 --> 00:12:28,170  
of him dodge him my keen eyesight allows

155  
00:12:33,140 --> 00:12:30,600  
me to see the zombies but my ears allow

156  
00:12:35,690 --> 00:12:33,150  
me to not hear the awful sounds and

157  
00:12:41,620 --> 00:12:35,700  
screams and whether or not if I shot or

158  
00:12:51,519 --> 00:12:45,460  
oh I just walked into a bunch of zombies

159  
00:12:54,129 --> 00:12:51,529  
sleep you know I'm actually gonna I

160  
00:12:55,809 --> 00:12:54,139  
think by doing I'm acting to save my

161  
00:12:58,749 --> 00:12:55,819  
character the Doc Brown is logging off

162  
00:13:02,680 --> 00:12:58,759  
in the bathroom in this school it's

163  
00:13:05,170 --> 00:13:02,690

actually a pretty good location the door

164

00:13:08,680 --> 00:13:05,180

shut I'm in a stall and I'm gonna go
