00:00:35,690 --> 00:00:31,170
deal with them is run past them right

9
00:00:38,780 --> 00:00:35,700

25

00:01:47,450 --> 00:01:42,539

26

00:01:59,480 --> 00:01:47,460

all these doors are locked blocked macho

27

00:02:09,050 --> 00:02:05,640

alright we're on the tracks where ru

28

00:02:17,120 --> 00:02:09,060

Kramer it's getting crazy over here

29

00:02:17,130 --> 00:02:20,940

helicopter great

30

00:02:28,080 --> 00:02:24,839

00:02:34,930 --> 00:02:31,880

you don't hear like I do I just I didn't

33

00:02:38,050 --> 00:02:34,940

know that was on our side or yours on

34

00:02:41,860 --> 00:02:38,060

your side whoo what the hell's going to

35

00:02:45,759 --> 00:02:41,870

leave us alone g Peterman is that your

36

00:02:52,420 --> 00:02:45,769

copter unfortunately Cosmo mine's still

37

00:02:55,120 --> 00:02:52,430

in Burma goddammit and might be Trump's

38

00:02:56,710 --> 00:02:55,130

copter he might have actually won and

39

00:03:00,820 --> 00:02:56,720

caused the zombie apocalypse that could

40

00:03:05,979 --> 00:03:00,830

be almost headed up your way bed mmm i

41

00:03:09,820 --> 00:03:05,989

hope the [h__h] not help you go round him

42

00:03:15,890 --> 00:03:09,830

up ya know I might attract your

43

00:03:23,660 --> 00:03:21,080

oh [h__h] heard that they're all headed

44

00:03:26,119 --> 00:03:23,670

towards your direction yep the game in

45

00:03:28,280 --> 00:03:26,129

game sounds it actually helped us out

46

00:03:30,170 --> 00:03:28,290

quite a bit oh I'm glad it helped you

47

00:03:31,100 --> 00:03:30,180

out but not really because they're

48

00:03:35,899 --> 00:03:31,110

actually heading in the direction we

49

00:03:37,520 --> 00:03:35,909

need to go just blend in yeah I guess we

50

00:03:41,089 --> 00:03:37,530

just walk with them yeah like Shaun of

51
00:03:43,130 --> 00:03:41,099
the Dead mm-hmm hi Jeff you nervous

52
00:03:45,440 --> 00:03:43,140
police station is yeah we're by the

53
00:03:47,509 --> 00:03:45,450
construction site I just really let that

54
00:03:48,979 --> 00:03:47,519
all blow over good it's like ease or

55
00:03:57,800 --> 00:03:48,989
something real quick I don't know if we

56
00:03:59,149 --> 00:03:57,810
have an opportunity to do that we're

57
00:04:02,899 --> 00:03:59,159
going against we're swimming upstream

58
00:04:05,720 --> 00:04:02,909
here Wow the tushy tropes the dive I

59
00:04:08,199 --> 00:04:05,730
exertions I really can't run far yeah

60
00:04:10,369 --> 00:04:08,209
we're going right into all the zombies

61
00:04:14,449 --> 00:04:10,379
okay they're running back through him oh

62
00:04:16,400 --> 00:04:14,459
[h__h] this is getting bad alright let's

63
00:04:25,580 --> 00:04:16,410

slow down we can maybe follow him a

64

00:04:29,240 --> 00:04:25,590

little bit Peterman's making poor

65

00:04:37,750 --> 00:04:29,250

decisions she's on things he's on opium

66

00:04:37,760 --> 00:04:47,390

burmese opium joints f

67

00:04:52,320 --> 00:04:50,309

where the sheet rope set ones in the

68

00:04:55,290 --> 00:04:52,330

window and ones in the hallway I would

69

00:04:56,909 --> 00:04:55,300

suggest holy [h__h] the one in the window

70

00:05:03,119 --> 00:04:56,919

I'm gonna try and drama way by the

71

00:05:11,339 --> 00:05:03,129

72

00:05:22,740 --> 00:05:11,349

102
00:07:45,320 --> 00:07:42,509
