remember that zombie a zombie I couldn't

92

00:05:59,359 --> 00:05:55,889

hit for a good 30 shots so uh George

93

00:06:01,790 --> 00:05:59,369

actually you laid an outline around the

94

00:06:03,320 --> 00:06:01,800

building yeah because it might I don't

95

00:06:07,459 --> 00:06:03,330

know if I'm going to do it or not but in

96

00:06:11,419 --> 00:06:07,469

case i want to put log walls around the

97

00:06:14,329 --> 00:06:11,429

compound i see how do you lay down

98

00:06:16,760 --> 00:06:14,339

something that quickly like that I just

99

00:06:18,109 --> 00:06:16,770

had a [h__h] ton of that's why I'm gonna

100

00:06:19,429 --> 00:06:18,119

kill all the zombies I just ripped up a

101
00:06:21,739 --> 00:06:19,439
bunch of sheets and then I just dropped

102
00:06:26,809 --> 00:06:21,749
and ran as he marked off pointed

103
00:06:29,899 --> 00:06:26,819
territory for the van buren boys Oh was

104
00:06:38,419 --> 00:06:29,909
then just do three behind me it's a

105
00:06:40,040 --> 00:06:38,429
ghost so they hit the door help is just

106
00:06:43,209 --> 00:06:40,050
my dogs in the kennel the right next to

107
00:06:48,459 --> 00:06:43,219
me but it sounded like it was behind me

108
00:06:52,909 --> 00:06:48,469
the call is coming from in the house oh

109
00:06:55,040 --> 00:06:52,919
and the low and the IP of the killer one

110
00:07:00,170 --> 00:06:55,050

injuries oh my god right ok so you eat

229

00:14:23,919 --> 00:14:22,009

food and then if you don't go up to ok

230

00:14:26,379 --> 00:14:23,929

you go to minor damage it means you're

231

00:14:28,119 --> 00:14:26,389

gonna turn before you get anxious before

232

00:14:33,879 --> 00:14:28,129

278

00:17:22,230 --> 00:17:19,680

right way nah eep we all just shoot them

279

00:17:24,300 --> 00:17:22,240

281

00:17:30,780 --> 00:17:27,339
