58
00:03:31,480 --> 00:03:29,210

59
00:03:34,540 --> 00:03:31,490
I had to click the button oh ok I wasn't

60
00:03:38,200 --> 00:03:34,550
PvP to start with ok myth one's looking

61
00:03:44,680 --> 00:03:38,210

any three days George know which out

65

00:04:15,730 --> 00:04:13,900

don't hit him gut myth 1 come on all

66

00:04:19,740 --> 00:04:15,740

right time to skin your body while it's

67

00:04:23,170 --> 00:04:19,750

69

00:04:41,990 --> 00:04:33,710

70

00:04:47,090 --> 00:04:42,000

pal well go up to go to say fastest when

71

00:04:49,189 --> 00:04:47,100

I cook up handsome I got my knife okay

72

00:04:58,300 --> 00:04:49,199

you come back out here yeah we're gonna

73

00:05:05,510 --> 00:04:58,310

eat okay we all right let's get his body

74

00:05:07,520 --> 00:05:05,520

00 skinned mmm you want you want the

75

00:05:09,560 --> 00:05:07,530

ross gate there I wonder if we cook them

76
00:05:12,469 --> 00:05:09,570
and try and cook it yeah Jerry likes to

77
00:05:14,960 --> 00:05:12,479
wear the skin of dead people let me

78
00:05:16,520 --> 00:05:14,970
remove his head this is really odd

79
00:05:19,610 --> 00:05:16,530
finish that's never brought up in any of

80
00:05:26,200 --> 00:05:19,620
the episode we got but your some carcass

81
00:05:35,379 --> 00:05:31,249
hmm so let's see what cooks we got five

82
00:05:41,330 --> 00:05:35,389
odd meet steaks nice some raw skin

83
00:05:42,800 --> 00:05:41,340
that's green skinny and the head and if

84
00:05:46,399 --> 00:05:42,810
we want some ribs I got the headless

85
00:05:53,540 --> 00:05:46,409
skeleton very nice let me go cook it all

86
00:05:53,550 --> 00:05:59,519
Oh

87
00:06:06,599 --> 00:06:02,309
I left myth 1 with a couple extra MREs

88
00:06:08,009 --> 00:06:06,609

he should she'd be okay yeah I'll bring

89

00:06:12,389 --> 00:06:08,019

him up you want to bring him over for

90

00:06:14,009 --> 00:06:12,399

steak sure if he wants to has he earned

91

00:06:17,249 --> 00:06:14,019

it doe has hearing coming up here at

92

00:06:20,009 --> 00:06:17,259

that yeah all I did was get shot yeah I

93

00:06:21,419 --> 00:06:20,019

didn't really earn about of me is that

94

00:06:23,789 --> 00:06:21,429

we don't even know who he is what he

95

00:06:28,499 --> 00:06:23,799

wants he could be a DZ night we get on

96

00:06:32,909 --> 00:06:28,509

skype he could be a double agent mmm

97

00:06:34,429 --> 00:06:32,919

smell that corpse I'm running every two

98

00:06:40,889 --> 00:06:34,439

dentists office as long as it's not

99

00:06:44,669 --> 00:06:40,899

horrible maybe I just cleared it throw

100

00:06:49,799 --> 00:06:44,679

some meat down to him I'll bring them

101
00:06:53,219 --> 00:06:49,809
i'm going to bring a mistake I'm just

102
00:06:55,079 --> 00:06:53,229
worried about double agents that's why

103
00:07:03,389 --> 00:06:55,089
we have several layers of security there

104
00:07:05,009 --> 00:07:03,399
Jerry yeah the pledge house that's why I

105
00:07:06,509 --> 00:07:05,019
take an approach at the pledge out she

106
00:07:07,769 --> 00:07:06,519
push them down those knock on distant

107
00:07:10,229 --> 00:07:07,779
stairs break their leg if they stick

108
00:07:15,239 --> 00:07:10,239
around then you know they're there okay

109
00:07:17,249 --> 00:07:15,249
someone around the dental office uh

110
00:07:18,959 --> 00:07:17,259
we're not we're outside cooking abana

111
00:07:26,189 --> 00:07:18,969
just ran but someone just ran through

112
00:07:28,949 --> 00:07:26,199
the alley okay could be him so could be

113
00:07:33,890 --> 00:07:28,959

myth one you think oh [\h__\h] I got tainted

114

00:07:39,530 --> 00:07:36,409

don't drink the tea there's some pots of

115

00:07:41,240 --> 00:07:39,540

water over here my office is right

116

00:07:43,189 --> 00:07:41,250

cleared out no more suture needles in

117

00:07:47,210 --> 00:07:43,199

there yeah cuz I just cleared out this

118

00:07:48,620 --> 00:07:47,220

morning ah dish it be some upstairs I

119

00:07:51,409 --> 00:07:48,630

found him I was just rying to get more

120

00:07:56,360 --> 00:07:51,419

oh there's a couple grab my grab three

121

00:07:59,060 --> 00:07:56,370

of them and so who wants the head and

122

00:08:01,909 --> 00:07:59,070

who wants the skin Peterman already has

123

00:08:05,749 --> 00:08:01,919

a head in his fridge so Jerry one is

124

00:08:11,960 --> 00:08:05,759

Geralyn skin ok I give you the skin with

125

00:08:18,920 --> 00:08:11,970

this big don't get too close still

126

00:08:23,480 --> 00:08:18,930

filling caught himself on fire oh my the

127

00:08:26,450 --> 00:08:23,490

lessons we learn I can build the table

128

00:08:29,629 --> 00:08:26,460

over then you won't walk into it too bad

129

00:08:35,830 --> 00:08:29,639

none of the potatoes already meat and

130

00:08:42,820 --> 00:08:37,870

looks like meets back in the menu boys

131

00:08:49,900 --> 00:08:42,830

okay van Buren boys quote Martin Van

132

00:08:53,110 --> 00:08:49,910

Buren all right heard you guys want to

133

00:08:54,970 --> 00:08:53,120

eat right here's fine okay look eating

134

00:08:58,050 --> 00:08:54,980

outdoors look a larva tears little

135

00:09:02,710 --> 00:08:58,060

Terrace picnic yeah there's the stakes

136

00:09:06,130 --> 00:09:02,720

ok there's the ribs ok and let's go

137

00:09:11,380 --> 00:09:06,140

there's the head I want the head I eat

138

00:09:16,780 --> 00:09:11,390

the head I can't eat the head I'm gonna

139

00:09:21,970 --> 00:09:16,790

take one of the stakes grab one the odd

140

00:09:28,870 --> 00:09:21,980

meat made me a little sad you gotta mix

141

00:09:32,230 --> 00:09:28,880

it in with some peterman knows he's had

142

00:09:33,820 --> 00:09:32,240

this before he had this in Burma didn't

143

00:09:35,950 --> 00:09:33,830

make me sad filled me up and I was

144

00:09:38,710 --> 00:09:35,960

hungry hey Jerry ate it went down pretty

145

00:09:43,770 --> 00:09:38,720

good for Jerry you need the whole steak

146

00:09:50,860 --> 00:09:48,820

just a little tricks of Sodor eat some

147

00:09:53,920 --> 00:09:50,870

chocolate you'd be fine yeah I have his

148

00:09:55,870 --> 00:09:53,930

head I'm gonna put put his head my

149

00:09:59,640 --> 00:09:55,880

150

00:10:03,550 --> 00:09:59,650

seinfeld apartment has a head in there

151
00:10:05,530 --> 00:10:03,560

153
00:10:10,720 --> 00:10:08,150
general store oh yeah a little bit

154
00:10:12,910 --> 00:10:10,730
zombie issue yeah Jerry's looking at

155
00:10:17,890 --> 00:10:12,920
that right now you might turn it on

156
00:10:22,500 --> 00:10:17,900
Costanza all right i'll turn it on and

157
00:10:22,510 --> 00:10:30,079
we're going live

158
00:10:38,540 --> 00:10:32,880
all Peterman's got his FN five-seven

159
00:10:38,550 --> 00:10:53,500
he's so lucky guys back

160
00:11:01,690 --> 00:10:56,520
I know

161
00:11:15,560 --> 00:11:01,700
[h__h] wearing them this is not good hang

162
00:11:27,759 --> 00:11:18,130
why can you guys have a mic in the back

163
00:11:27,769 --> 00:11:38,269

here's not a good job

164

00:11:38,279 --> 00:11:53,700

there is definitely not a good shot

165

00:11:53,710 --> 00:12:22,630

come on out the woods a little bit

166

00:12:22,640 --> 00:12:27,890

oh my god

167

00:12:27,900 --> 00:12:34,060

what it is

168

00:12:34,070 --> 00:12:45,950

the idea

169

00:12:45,960 --> 00:12:52,759

really need to find a cross yep

170

00:12:52,769 --> 00:13:01,369

you

171

00:13:13,680 --> 00:13:04,430

to unbox the memo

172

00:13:28,260 --> 00:13:15,600

oh yes we can turn down this the level

173

00:13:32,850 --> 00:13:28,270

of the game real quick is it a general

174

00:13:36,060 --> 00:13:32,860

175

00:13:38,180 --> 00:13:36,070
