Seinfeld

"The Invitations"

1
00:00:08,419 --> 00:00:06,260
there's trouble at the apartment as

2
00:00:10,940 --> 00:00:08,429
other players have let zombies into our

3
00:00:12,980 --> 00:00:10,950
base Seinfeld's pretty much stuck on the

4
00:00:14,509 --> 00:00:12,990
roof the entire episode trying to figure

5
00:00:16,189 --> 00:00:14,519
out what's going on it's a little

6
00:00:19,609 --> 00:00:16,199
dramatic a little funny maybe a little

7
00:00:21,560 --> 00:00:19,619
boring but this is Project Zomboid talk

8
00:00:25,220 --> 00:00:21,570
you later bye someone let the zombies

9
00:00:27,710 --> 00:00:25,230
into our base on the second floor I'm

10
00:00:30,380 --> 00:00:27,720
going I'm spawning and take a look right

11
00:00:33,020 --> 00:00:30,390
now um I have to investigate this is

12
00:00:35,000 --> 00:00:33,030
what I do they're all over I don't ok

13
00:00:38,299 --> 00:00:35,010

good ki dodge I wasn't I'm running

14

00:00:42,200 --> 00:00:38,309

through them you Dane they're all

15

00:00:43,790 --> 00:00:42,210

they're all over yeah I said they got me

16

00:00:47,889 --> 00:00:43,800

I'm out look at me before I get to the

17

00:00:50,479 --> 00:00:47,899

ropes no I'm going out to the farm area

18

00:00:53,000 --> 00:00:50,489

good idea i started way back there so i

19

00:00:55,639 --> 00:00:53,010

started in I spin I started in the the

20

00:00:57,590 --> 00:00:55,649

populated room on to and built wooden

21

00:01:00,170 --> 00:00:57,600

stairs up to our place I see him and

22

00:01:02,180 --> 00:01:00,180

they're all going there right now LJ

23

00:01:04,009 --> 00:01:02,190

built the wooden stairs draw them up

24

00:01:05,450 --> 00:01:04,019

their shotguns whatever draw a huge

25

00:01:07,250 --> 00:01:05,460

group up and then would loop over to the

26

00:01:09,410 --> 00:01:07,260

Rope she'd come down make a run back

27

00:01:10,789 --> 00:01:09,420

probably group the people and they were

28

00:01:12,230 --> 00:01:10,799

just keep doing that lean up as many as

29

00:01:14,390 --> 00:01:12,240

they could until they felt they couldn't

30

00:01:17,960 --> 00:01:14,400

do it safely I'm sure they lead her in

31

00:01:19,429 --> 00:01:17,970

the house before they did that I don't

32

00:01:25,399 --> 00:01:19,439

know they might all lose this is this

33

00:01:31,669 --> 00:01:27,319

jump flushing something was running from

34

00:01:35,980 --> 00:01:31,679

West Point on the highway dragging a lot

35

00:01:42,050 --> 00:01:35,990

of zombies a lot I know my guidelines

36

00:01:45,980 --> 00:01:42,060

but already do it yeah they are going

37

00:01:48,109 --> 00:01:45,990

into the window and they see Jerry now

38

00:01:49,459 --> 00:01:48,119

um I can go in there start clearing out

39

00:01:51,980 --> 00:01:49,469

with a shotgun but it's not gonna do

40

00:01:54,709 --> 00:01:51,990

anything until we get that that that

41

00:01:56,270 --> 00:01:54,719

stairway there's yeah yeah yeah I gotta

42

00:02:00,139 --> 00:01:56,280

destroy we gotta get a sledgehammer we

43

00:02:01,999 --> 00:02:00,149

got a distributed so let me get up there

44

00:02:04,999 --> 00:02:02,009

I got a gun i'll try to shoot what I can

45

00:02:06,649 --> 00:02:05,009

and draw them away this is bigger groups

46

00:02:08,089 --> 00:02:06,659

as I can but it's gonna be a minute

47

00:02:10,520 --> 00:02:08,099

before I get up there oh my what I'm

48

00:02:19,069 --> 00:02:10,530

using what I can do i got i can i'm on

49

00:02:21,229 --> 00:02:19,079

top of the police station and i can i

50

00:02:23,559 --> 00:02:21,239

can start i can do one or two shot there

51
00:02:25,789 --> 00:02:23,569
I'd rather not shoot guns if we can

52
00:02:29,690 --> 00:02:25,799
because that will just draw more in from

53
00:02:31,250 --> 00:02:29,700
far away all right well that's what I

54
00:02:32,599 --> 00:02:31,260
mean is I want to run in shoot the gun

55
00:02:34,940 --> 00:02:32,609
get their attention and then start

56
00:02:36,800 --> 00:02:34,950
dragging them away from their dragging

57
00:02:39,080 --> 00:02:36,810
the gun fire away I want to get as many

58
00:02:41,990 --> 00:02:39,090
as I can running towards me like a large

59
00:02:43,370 --> 00:02:42,000
horde to clear out that to get somebody

60
00:02:46,339 --> 00:02:43,380
to get to be able to get to the stairs I

61
00:02:47,990 --> 00:02:46,349
guess to break the stairs yeah cuz it

62
00:02:50,449 --> 00:02:48,000
fingered him away from the stair area if

63
00:02:54,500 --> 00:02:50,459

i can get [\h__\h] i got company already out

64

00:02:56,030 --> 00:02:54,510

on the on the other farm there on the

65

00:02:58,490 --> 00:02:56,040

farm with me some Jerry's doing battle

66

00:03:01,159 --> 00:02:58,500

right now with some zombies on the forum

67

00:03:02,240 --> 00:03:01,169

on top of this police station enough you

68

00:03:04,129 --> 00:03:02,250

should be able to run around a little

69

00:03:07,400 --> 00:03:04,139

bit one by one I'm taking these [\h__\h]

70

00:03:11,809 --> 00:03:07,410

down yeah dr. muffin mukhde Ragan was

71

00:03:14,360 --> 00:03:11,819

running from West Point I don't know who

72

00:03:21,860 --> 00:03:14,370

that is so supposedly the new Denver

73

00:03:32,720 --> 00:03:24,710

we're going to watch out for them you

74

00:03:34,580 --> 00:03:32,730

know what Tony determine how bad this

75

00:03:38,569 --> 00:03:34,590

turns out we might want to make a small

76

00:03:40,280 --> 00:03:38,579

truce with watertown I think gb's gonna

77

00:03:41,240 --> 00:03:40,290

get on and sort of murdering the mall we

78

00:03:43,039 --> 00:03:41,250

don't know who's responsible for this

79

00:03:44,720 --> 00:03:43,049

though it they're not responsible for

80

00:03:47,920 --> 00:03:44,730

this than our friends and a new v denver

81

00:03:50,569 --> 00:03:47,930

people are much more of a threat this is

82

00:03:53,960 --> 00:03:50,579

but I can sign sense well but I could

83

00:03:57,380 --> 00:03:53,970

see a watertown doing this accusing us

84

00:03:59,330 --> 00:03:57,390

for what crazy Joe tavola did alright

85

00:04:03,440 --> 00:03:59,340

well that's what he'll do is completely

86

00:04:05,720 --> 00:04:03,450

they have walls and I mean if they think

87

00:04:07,640 --> 00:04:05,730

we did it they have walls around their

88

00:04:08,990 --> 00:04:07,650

base you can stop the zombies that they

89

00:04:11,000 --> 00:04:09,000

literally a little bit unlike us

90

00:04:12,530 --> 00:04:11,010

building stairs up over the walls and

91

00:04:14,059 --> 00:04:12,540

leading all the zombies and son yeah we

92

00:04:18,080 --> 00:04:14,069

did not do that you know we have no

93

00:04:20,420 --> 00:04:18,090

knowledge of crazy Joe's actions crazy

94

00:04:24,740 --> 00:04:20,430

Joe was was totally amateur compared to

95

00:04:28,520 --> 00:04:24,750

this this was this is a pro job and they

96

00:04:34,010 --> 00:04:28,530

sought to hurt and destroy us and kill

97

00:04:36,050 --> 00:04:34,020

us yeah crazy Joe destroy a helmet or

98

00:04:41,300 --> 00:04:36,060

two but the exam bees into your house

99

00:04:49,400 --> 00:04:46,670

this is a man's home they mess with how

100

00:04:51,770 --> 00:04:49,410

you ain't in there Jerry I'm good yeah

101
00:04:54,890 --> 00:04:51,780
then I tried booting swallows and then

102
00:05:05,450 --> 00:04:54,900
keep them clean I'm gonna try using as a

103
00:05:13,620 --> 00:05:09,690
the drop our one week into the family

104
00:05:16,710 --> 00:05:13,630
have is that we have let's go flirt and

105
00:05:22,890 --> 00:05:16,720
can't play all day true that's our

106
00:05:37,800 --> 00:05:22,900
downfall is that we have real jobs god

107
00:05:40,800 --> 00:05:37,810
dammit Obama yes Andy capitalism I don't

108
00:05:47,250 --> 00:05:40,810
think this is sludge I found a

109
00:05:53,070 --> 00:05:47,260
screwdriver Lonnie did it maybe I've

110
00:06:11,000 --> 00:05:53,080
never seen Lonnie talking Chad widowhood

111
00:06:26,090 --> 00:06:15,440
no matter I think I think he did it

112
00:06:31,190 --> 00:06:26,100
backwards up humans on the move oops

113
00:06:33,600 --> 00:06:31,200

[h__\h] j peterman brooke is like oh yeah

114

00:06:39,360 --> 00:06:33,610

how'd you do that I guess I was

115

00:06:43,560 --> 00:06:39,370

panicking i hit the wrong ah it's

116

00:06:49,989 --> 00:06:43,570

happened zombies come how are you in the

117

00:06:55,309 --> 00:06:53,959

actually just all right so I'm gonna try

118

00:06:57,589 --> 00:06:55,319

to come give you support I don't know

119

00:06:59,480 --> 00:06:57,599

how to get down though now I'm good I

120

00:07:08,540 --> 00:06:59,490

there's only two of me now and I have an

121

00:07:11,119 --> 00:07:08,550

axe oh man there's a lot o fire are you

122

00:07:12,679 --> 00:07:11,129

is that you ever just yes sir no no not

123

00:07:15,739 --> 00:07:12,689

me who's liar head but there's someone

124

00:07:19,489 --> 00:07:15,749

with pvp us out of our base shut the

125

00:07:21,439 --> 00:07:19,499

[h__\h] up shoot in you do there's okay

126

00:07:25,850 --> 00:07:21,449

there warlords around here whoever just

127

00:07:28,850 --> 00:07:25,860

killed me what swalz people out here

128

00:07:31,939 --> 00:07:28,860

swallow huh eat a dead man yeah he's uh

129

00:07:34,999 --> 00:07:31,949

he's not he's by the police station you

130

00:07:38,300 --> 00:07:35,009

don't have nothing man I'm exhausted

131

00:07:39,559 --> 00:07:38,310

where were you at exactly Peterman where

132

00:07:41,600 --> 00:07:39,569

were you right there you see my boss I

133

00:07:43,969 --> 00:07:41,610

the oldest tree with all the blood yep I

134

00:07:50,769 --> 00:07:43,979

see it I call me right when I'm drawn

135

00:07:56,179 --> 00:07:54,019

there's a crowd on me see Peterman's

136

00:08:02,240 --> 00:07:56,189

body though I'm gonna watch out for

137

00:08:06,200 --> 00:08:02,250

those freakin weirdos [h__h] Jerry there's

138

00:08:10,629 --> 00:08:06,210

one on your journey I know oh oh I saw

139

00:08:13,760 --> 00:08:10,639

it too late [h__h] I'm okay I'm okay I

140

00:08:15,230 --> 00:08:13,770

can't get down there it's tough to get

141

00:08:18,139 --> 00:08:15,240

down there there's zombies all around

142

00:08:19,969 --> 00:08:18,149

Peterman yeah I know there's there's

143

00:08:24,230 --> 00:08:19,979

this crowd and taking this crap about

144

00:08:28,909 --> 00:08:24,240

here I can't run anymore alright so now

145

00:08:32,120 --> 00:08:28,919

get this crowd away were lured joinder

146

00:08:34,250 --> 00:08:32,130

chat yeah he's telling him to join the

147

00:08:37,519 --> 00:08:34,260

chat with whoever they're in well that

148

00:08:41,509 --> 00:08:37,529

means that there's more than yeah this

149

00:08:44,389 --> 00:08:41,519

yet yeah yeah this is swallows little

150

00:08:46,100 --> 00:08:44,399

attempt here to do it as a rogue agent

151

00:08:48,410 --> 00:08:46,110

so that Bartertown isn't getting

152

00:08:50,900 --> 00:08:48,420

anything so these are kruton whoever you

153

00:08:53,650 --> 00:08:50,910

can ok there's you get a hand now you

154

00:08:54,820 --> 00:08:53,660

got a chance looks like I'm gonna try it

155

00:08:59,110 --> 00:08:54,830

get it

156

00:09:01,840 --> 00:08:59,120

okay Seinfeld be careful yeah cuz

157

00:09:03,670 --> 00:09:01,850

there's a warlords around there and so

158

00:09:05,650 --> 00:09:03,680

as well as they're probably trying to l

159

00:09:06,670 --> 00:09:05,660

don't know you should try and grief the

160

00:09:10,180 --> 00:09:06,680

[h__\h] out of us because they're [h__\h]

161

00:09:11,980 --> 00:09:10,190

douchebags alright so I'm trying to make

162

00:09:15,160 --> 00:09:11,990

my way back towards the base and I do

163

00:09:16,570 --> 00:09:15,170

those guys all a little bit it's just a

164

00:09:19,410 --> 00:09:16,580

lot of like there's still a lot out

165

00:09:22,480 --> 00:09:19,420

front man there's still a lot yeah I

166

00:09:27,840 --> 00:09:22,490

[h__h] i do what i can and i thought that

167

00:09:32,380 --> 00:09:27,850

group should be moving one large group I

168

00:09:35,710 --> 00:09:32,390

need a rest need to rest bad I wish I

169

00:09:38,470 --> 00:09:35,720

could help you man but I'm no no you

170

00:09:41,500 --> 00:09:38,480

stay you stay you stay I'm gonna do what

171

00:09:43,420 --> 00:09:41,510

I can okay I gotta run right oh my god I

172

00:09:45,790 --> 00:09:43,430

gotta walk I'm gonna walk my little ass

173

00:09:47,170 --> 00:09:45,800

off go go go go I believe they're

174

00:09:48,520 --> 00:09:47,180

inside the police station there they are

175

00:09:51,220 --> 00:09:48,530

lined up against the wall so if you're

176

00:09:53,650 --> 00:09:51,230

shooting on the opposite side of the

177

00:09:56,680 --> 00:09:53,660

base it's not working because they're

178

00:09:58,750 --> 00:09:56,690

all huddled around the stairs now I'm

179

00:10:01,690 --> 00:09:58,760

all I'm here comes warlord of pvp on

180

00:10:03,580 --> 00:10:01,700

Jerry watch out we're at where's yet by

181

00:10:04,910 --> 00:10:03,590

my body by might finally course unity

182

00:10:06,980 --> 00:10:04,920

shooting at me yeah

183

00:10:09,829 --> 00:10:06,990

he wants your [h__h] cords he once said

184

00:10:12,230 --> 00:10:09,839

yeah I'm running to the top left on my

185

00:10:15,519 --> 00:10:12,240

screen which I'm calling the northwest I

186

00:10:17,810 --> 00:10:15,529

got day or I'm just running just running

187

00:10:18,829 --> 00:10:17,820

and firing some shots but I don't want

188

00:10:20,120 --> 00:10:18,839

to fire too many because I don't want

189

00:10:26,600 --> 00:10:20,130

those assets were loads coming up your

190

00:10:32,509 --> 00:10:26,610

way my wine Samson yeah me I don't know

191

00:10:35,360 --> 00:10:32,519

I can't run let's he sees me he's got

192

00:10:41,079 --> 00:10:35,370

pvp on you can shoot him yeah I know but

193

00:10:46,790 --> 00:10:44,780

you might the kill him let the try well

194

00:10:49,340 --> 00:10:46,800

I'll try oh don't get me wrong i will

195

00:10:52,670 --> 00:10:49,350

try i'll try if i have met with a hammer

196

00:10:54,620 --> 00:10:52,680

shot with my hands I'm literally

197

00:10:57,019 --> 00:10:54,630

entrapped on top of the police station I

198

00:11:05,990 --> 00:10:57,029

just want to log off there I'm probably

199

00:11:21,199 --> 00:11:12,680

so he's on the highway unfortunately we

200

00:11:26,269 --> 00:11:24,160

only people that I know don't be killed

201

00:11:28,939 --> 00:11:26,279

yeah a little Jerry's gonna have to sign

202

00:11:32,989 --> 00:11:28,949

off because uh I can't do anything and

203

00:11:36,319 --> 00:11:32,999

there are zombies that i Kenned is not I

204

00:11:42,590 --> 00:11:36,329

can't battle it's just too many they're

205

00:11:45,109 --> 00:11:42,600

just trickling in yeah like it's a

206

00:11:46,340 --> 00:11:45,119

never-ending battle on top of the on the
