1  
00:00:17,420 --> 00:00:14,120  
okay look we have a hostage armor plates

2  
00:00:20,480 --> 00:00:17,430  
are up this is this window like they

3  
00:00:22,310 --> 00:00:20,490  
can't come to that window right no they

4  
00:00:30,500 --> 00:00:22,320  
don't do any window unless it's got

5  
00:00:33,229 --> 00:00:30,510  
higher the metal yeah the iron and if

6  
00:00:35,950 --> 00:00:33,239  
you put the metal wall up fake its they

7  
00:00:38,060 --> 00:00:35,960  
can still get through it but it's harder

8  
00:00:40,130 --> 00:00:38,070  
so we should try to meddle up the

9  
00:00:50,810 --> 00:00:40,140  
hostage riverfest oh [h\_\_\h] they've got

10  
00:00:52,430 --> 00:00:50,820  
the UM we've got this stupid thing I'm

11  
00:00:57,139 --> 00:00:52,440  
gonna put a little metal thing up to

12  
00:00:59,630 --> 00:00:57,149  
protect the hostage [h\_\_\h] right they're

13  
00:01:03,380 --> 00:00:59,640

14

00:01:06,219 --> 00:01:03,390

15

00:01:09,130 --> 00:01:06,229

wooden window back here sucks i hate it

16

00:01:12,289 --> 00:01:09,140

Jim I think we just did something like

17

00:01:14,870 --> 00:01:12,299

whoever ran in front of me yeah we

18

00:01:17,179 --> 00:01:14,880

already a dancer there's a cardiac sense

19

00:01:26,639 --> 00:01:17,189

for work I can't see [h\_\_h] I've never

20

00:01:39,510 --> 00:01:30,480

we can't tell how far this thing goes

21

00:01:41,800 --> 00:01:39,520

the Cardiac Center dim stitching them up

22

00:01:44,490 --> 00:01:41,810

Mike watch it you're gonna walk in the

23

00:01:50,620 --> 00:01:44,500

gym wanna fire yeah I certainly did

24

00:01:52,929 --> 00:01:50,630

sorry now Shane Hayes do okay all right

25

00:01:54,520 --> 00:01:52,939

if you hit the reloads and also there's

26  
00:01:57,249 --> 00:01:54,530  
armor plate here in case anyone hasn't

27  
00:02:00,029 --> 00:01:57,259  
gotten any you can we get another metal

28  
00:02:03,130 --> 00:02:00,039

29  
00:02:08,800 --> 00:02:03,140  
there's some commenters this [h\_\_\h]

30  
00:02:11,470 --> 00:02:08,810

32  
00:02:16,569 --> 00:02:14,810  
corner here I'm like I think it's good

33  
00:02:18,729 --> 00:02:16,579  
that you're out there just make sure you

34  
00:02:19,809 --> 00:02:18,739  
don't walk in front of gym they're gonna

35  
00:02:21,729 --> 00:02:19,819

40

00:02:52,390 --> 00:02:42,530

he's like I'm having a cup of coffee I

146

00:12:57,470 --> 00:12:40,060

knew you guys will rescue me reinforcing

147

00:13:06,240 --> 00:13:03,090

used any of my super barriers yet a few

148

00:13:09,720 --> 00:13:06,250

good what is this gym doing like this I

149

00:13:11,819 --> 00:13:09,730

don't even know how to honestly you've

150

00:13:15,420 --> 00:13:11,829

up the wall and you press X if you want

151  
00:13:17,460 --> 00:13:15,430  
to reinforce know but like this guy has

152  
00:13:20,280 --> 00:13:17,470  
like super barricades and I it never

153  
00:13:26,809 --> 00:13:20,290  
lets me reinforce like normal you know

154  
00:13:40,340 --> 00:13:31,590

155  
00:13:49,050 --> 00:13:45,540

reloading shield guy coming in through

158  
00:13:58,960 --> 00:13:56,769  
my barricade he's about to come through

159  
00:14:05,269 --> 00:14:02,780  
yeah that I think it's shield guys about

160  
00:14:06,920 --> 00:14:05,279  
to bust through that barricade yeah

161  
00:14:16,000 --> 00:14:06,930  
their bathroom look out and gonna blow

162  
00:14:27,800 --> 00:14:20,569
