53
00:03:44,770 --> 00:03:41,110
botched robbery sorry goddammit Colton

54
00:03:47,680 --> 00:03:44,780
action what's up dude but next time we

55
00:03:50,340 --> 00:03:47,690
do this put a bunch of cars by a gas

56
00:03:54,900 --> 00:03:50,350
station and blow it up yeah makes sense

57
00:03:54,910 --> 00:03:59,570
their hands up

58
00:04:08,340 --> 00:04:04,770
why Jimmy I didn't mean to I thought

59
00:04:09,690 --> 00:04:08,350
what i thought i had my uh that's the

60
00:04:11,010 --> 00:04:09,700
second time you've killed me I'm

61
00:04:13,800 --> 00:04:11,020
beginning to think that your version

62
00:04:15,300 --> 00:04:13,810
that a very nice guy no I thought I had

63
00:04:17,430 --> 00:04:15,310

my semi auto gun out which she's not a

64

00:04:20,729 --> 00:04:17,440

one shot and and I really had my pistol

65

00:04:23,000 --> 00:04:20,739

out we still pull the trigger yeah I

66

00:04:25,650 --> 00:04:23,010

know I wanted her hurt you not kill you

67

00:04:35,210 --> 00:04:25,660

my back tire popped for no apparent

68

00:04:40,380 --> 00:04:35,220

reason all right and my front tire got

69

00:04:42,690 --> 00:04:40,390

it 15 under smackers that's not a bad

70

00:04:46,320 --> 00:04:42,700

haul no it's not I did it the right way

71

00:04:49,350 --> 00:04:46,330

stop being Scotty bucks yeah that's the

72

00:04:51,960 --> 00:04:49,360

68 bucks I got before imagine either

73

00:04:53,730 --> 00:04:51,970

come to keep it i'll just leave 60 bucks

74

00:04:58,890 --> 00:04:53,740

is hardly worth killing you but I mean

75

00:05:12,210 --> 00:04:58,900

still something there's somebody in the

76

00:05:16,770 --> 00:05:12,220

chit oh no oh no oh no oh private jet

77

00:05:17,790 --> 00:05:16,780

yeah we are after all that's come after

78

00:05:19,580 --> 00:05:17,800

you don't have to heal we don't have a

79

00:05:22,320 --> 00:05:19,590

landing gear anymore good job clown baby

80

00:05:25,650 --> 00:05:22,330

no I mean we don't our landing gears out

81

00:05:27,210 --> 00:05:25,660

there anymore that's gone okay it's

82

00:05:29,490 --> 00:05:27,220

mostly useless you hardly ever use a

83

00:05:32,490 --> 00:05:29,500

landing gear only when you land yeah

84

00:05:34,350 --> 00:05:32,500

yeah ninety percent of time the plans do

85

00:05:36,690 --> 00:05:34,360

not use landing gear is they buy

86

00:05:39,480 --> 00:05:36,700

ninety-eight percent idle yet yeah very

87

00:05:45,720 --> 00:05:39,490

rarely are you get to going over a

88

00:05:48,120 --> 00:05:45,730

bridge um define okay over look behind

89

00:05:55,360 --> 00:05:48,130

you is there a UH a jet behind you

90

00:06:01,670 --> 00:05:58,760

it tries again new landing gear yeah uh

91

00:06:04,369 --> 00:06:01,680

sans landing gear landing on top of a

92

00:06:05,869 --> 00:06:04,379

skyscraper you go downtown where the

93

00:06:10,850 --> 00:06:05,879

skyscrapers are you'll be able to see us

94

00:06:14,689 --> 00:06:10,860

clever head thank you no oh so I'm

95

00:06:18,700 --> 00:06:14,699

taking pot shots at us yeah oh we gotta

96

00:06:23,059 --> 00:06:18,710

we get low boy we have um hostile um

97

00:06:28,309 --> 00:06:23,069

fighter aircraft coming in that's not

98

00:06:30,230 --> 00:06:28,319

good are you guys paused no I don't know

99

00:06:32,089 --> 00:06:30,240

what for you guys are okay I see you

100

00:06:34,520 --> 00:06:32,099

here you know oh we might get [h__h]

101
00:06:39,110 --> 00:06:34,530
pull up into the sky we're good pilot

102
00:06:47,240 --> 00:06:39,120
you is it this is it cut the engine so

103
00:06:51,770 --> 00:06:47,250
up clown baby oh oh cut it cut it cut it

104
00:06:51,780 --> 00:06:59,980
cut those engines Oh No speed up oh

105
00:06:59,990 --> 00:07:06,430
really you kind of look too early I

106
00:07:10,520 --> 00:07:08,210
don't know what happened if we were to

107
00:07:14,120 --> 00:07:10,530
hit the top of the building is a bit of

108
00:07:19,820 --> 00:07:14,130
a gamble build a quick cigarette you

109
00:07:21,200 --> 00:07:19,830
gotta get you some money yeah doing

110
00:07:25,270 --> 00:07:21,210
awesome stunts like that it's not gonna

111
00:07:36,120 --> 00:07:27,640
turns out these old Mustangs are pieces

112
00:07:45,490 --> 00:07:38,830
there's a boat party I'm flying over a

113
00:07:46,720 --> 00:07:45,500

boat party it's not a toilet party no

114

00:07:48,550 --> 00:07:46,730

it's not toilet part is this your

115

00:07:52,480 --> 00:07:48,560

standard boat party and a sulphur mine

116

00:08:01,610 --> 00:07:52,490

party yeah oh my god being painted I'm

117

00:08:11,689 --> 00:08:08,300

not confident nope I did jump from the

118

00:08:17,270 --> 00:08:11,699

vehicle I'm alive but they fired a

119

00:08:23,420 --> 00:08:17,280

missile at my uh my plane you know below

120

00:08:26,770 --> 00:08:23,430

me yeah well oh so climate when you left

121

00:08:29,719 --> 00:08:26,780

when you log out and left a like a

122

00:08:33,380 --> 00:08:29,729

replica of your body in the plane like

123

00:08:35,209 --> 00:08:33,390

an NPC odd person yeah he's just a pot

124

00:08:40,519 --> 00:08:35,219

person exactly and when he jumped out of

125

00:08:44,029 --> 00:08:40,529

it I killed him okay good so yeah it's

126

00:08:58,510 --> 00:08:44,039

upon people come to hear more I'm

127

00:09:04,880 --> 00:08:58,520

already there i canna cargobob JK that

128

00:09:10,040 --> 00:09:04,890

huh that clip yeah I heard it yeah

129

00:09:17,199 --> 00:09:10,050

wasn't mud I mean it is a modern is it

130

00:09:20,360 --> 00:09:17,209

modern is that a modern a monitor a

131

00:09:22,130 --> 00:09:20,370

hacker oh ha you know just i don't i

132

00:09:28,010 --> 00:09:22,140

don't know i'm a toast to this i don't

133

00:09:31,730 --> 00:09:28,020

know hey where are you having to get up

134

00:09:37,220 --> 00:09:31,740

here i mean is it's not terribly easy to

135

00:09:40,010 --> 00:09:37,230

hack an xbox one game yeah it's easier

136

00:09:56,450 --> 00:09:40,020

on a Playstation it is that a committee

137

00:10:06,750 --> 00:10:01,140

138

00:10:12,600 --> 00:10:06,760
