3  
00:00:17,269 --> 00:00:14,009  
poison gas we got booby traps we got a

4  
00:00:22,550 --> 00:00:17,279  
[h\_\_\h] giant machine gun I like it I

5  
00:00:23,779 --> 00:00:22,560  
like it things should go well and we're

6  
00:00:29,750 --> 00:00:23,789  
battling terrorists or terrorist

7  
00:00:33,560 --> 00:00:29,760  
battling us I think we're battling

8  
00:00:39,580 --> 00:00:33,570  
terrorists who the kitchen great [h\_\_\h]

9  
00:00:42,319 --> 00:00:39,590  
kitchen Oh what can i reinforce

10  
00:00:44,510 --> 00:00:42,329  
virtually everything every wall fall you

11  
00:00:49,810 --> 00:00:44,520  
can I knew them i think there's also a

12  
00:00:53,740 --> 00:00:49,820  
ceiling we only have ten seconds great

13  
00:01:01,630 --> 00:00:57,940

I was reinforced doors I love notta

14

00:01:04,259 --> 00:01:01,640

lotta love planning this [\h\_\_\h] suspect

15

00:01:09,760 --> 00:01:04,269

and there is actually going to use it

16

00:01:12,969 --> 00:01:09,770

there is a portal hold above us that

17

00:01:17,100 --> 00:01:12,979

they can come down doesn't matter with

18

00:01:19,450 --> 00:01:17,110

finite amount of reloads yes where's the

24

00:01:57,500 --> 00:01:55,080

25

00:01:59,930 --> 00:01:57,510

there was a is right I think by the

26

00:02:03,440 --> 00:01:59,940

rebuilding it holla yeah it's by the bed

27

00:02:04,820 --> 00:02:03,450
