PODCAST

MISSING 411

1  
00:00:16,420 --> 00:00:06,499  
let's move on to some stuff

2  
00:00:20,779 --> 00:00:16,430  
let's get depressed alright so I've been

3  
00:00:23,750 --> 00:00:20,789  
listening to and reading up on more of

4  
00:00:25,400 --> 00:00:23,760  
the missing or one one stuff I mean

5  
00:00:27,769 --> 00:00:25,410  
listening to a lot of any interviews

6  
00:00:29,240 --> 00:00:27,779  
from but David pilato's is that his name

7  
00:00:30,950 --> 00:00:29,250  
Jeff Politis Politis

8  
00:00:34,850 --> 00:00:30,960  
David Politis we can use interviews

9  
00:00:37,880 --> 00:00:34,860  
there are YouTube oh I am just full

10  
00:00:40,520 --> 00:00:37,890  
episodes yeah they did Costa Costa yeah

11  
00:00:43,639 --> 00:00:40,530  
some reason was and I did some specific

12  
00:00:45,920 --> 00:00:43,649  
I wanted I wanted to do some some

13  
00:00:48,170 --> 00:00:45,930

research and find out so we've talked

14

00:00:50,840 --> 00:00:48,180

about some past episodes so I'll give

15

00:00:53,119 --> 00:00:50,850

you a brief rundown in Colombia we can

16

00:00:55,040 --> 00:00:53,129

correct me this guy's been doing some

17

00:00:56,750 --> 00:00:55,050

research and writing books about four or

18

00:00:58,099 --> 00:00:56,760

five them at this point for about ten

19

00:01:00,770 --> 00:00:58,109

years right yeah I do research about

20

00:01:03,349 --> 00:01:00,780

people going missing in in the North

21

00:01:05,690 --> 00:01:03,359

American continent and the world in the

22

00:01:08,570 --> 00:01:05,700

world absolutely so national parks and

23

00:01:09,859 --> 00:01:08,580

certificate there's not a lot of records

24

00:01:12,530 --> 00:01:09,869

kept on this or if they are they're very

25

00:01:13,850 --> 00:01:12,540

hard to get and it costs money and so

26  
00:01:16,910 --> 00:01:13,860  
this guy's been researching that people

27  
00:01:19,070 --> 00:01:16,920  
will vanish almost out of thin air maybe

28  
00:01:22,010 --> 00:01:19,080  
within 30 feet of a large group of

29  
00:01:23,960 --> 00:01:22,020  
people and then they'll wind up in

30  
00:01:26,300 --> 00:01:23,970  
improbable locations like up a mountain

31  
00:01:28,039 --> 00:01:26,310  
almost a mile away and the by the way

32  
00:01:30,440 --> 00:01:28,049  
the person who is missing was five years

33  
00:01:32,600 --> 00:01:30,450  
old and can traverse that kind of

34  
00:01:34,069 --> 00:01:32,610  
terrain easily so what the hell is going

35  
00:01:35,870 --> 00:01:34,079  
on and sometimes these people have their

36  
00:01:38,660 --> 00:01:35,880  
clothing turned inside out though how

37  
00:01:41,030 --> 00:01:38,670  
their shoes left behind or they'll be

38  
00:01:44,420 --> 00:01:41,040

like the shoes they'll be half naked

39

00:01:46,310 --> 00:01:44,430

yeah like no pants but a shirt or they

40

00:01:49,160 --> 00:01:46,320

will never find them at all no trace no

41

00:01:52,219 --> 00:01:49,170

bones or and they'll find the clothing

42

00:01:53,630 --> 00:01:52,229

folded in place somewhere yeah that's

43

00:01:56,030 --> 00:01:53,640

like one of the most shocking stories

44

00:01:58,850 --> 00:01:56,040

like seven years later they find the

45

00:02:02,270 --> 00:01:58,860

kids clothes they're folded they're like

46

00:02:04,219 --> 00:02:02,280

like they've never been worn inside

47

00:02:06,649 --> 00:02:04,229

somewhere yeah exactly not out in the

48

00:02:09,859 --> 00:02:06,659

weather at the top of the mountain where

49

00:02:11,720 --> 00:02:09,869

it snows every year you know and so

50

00:02:13,880 --> 00:02:11,730

there's also cases of people being

51  
00:02:16,820 --> 00:02:13,890  
discovered alive after being missing

52  
00:02:18,950 --> 00:02:16,830  
and they are incoherent and they can't

53  
00:02:20,540 --> 00:02:18,960  
speak or they're disabled in such a way

54  
00:02:22,550 --> 00:02:20,550  
that they're already disabled and they

55  
00:02:24,560 --> 00:02:22,560  
can't describe what happened to them

56  
00:02:26,990 --> 00:02:24,570  
when they were missing there was a one

57  
00:02:29,000 --> 00:02:27,000  
that was on the episode that I said I

58  
00:02:33,020 --> 00:02:29,010  
had messaged you about on mu that was a

59  
00:02:35,210 --> 00:02:33,030  
paid service episode the story that they

60  
00:02:37,520 --> 00:02:35,220  
talked about with that I think it might

61  
00:02:39,530 --> 00:02:37,530  
have been a 401 one case or was they

62  
00:02:43,180 --> 00:02:39,540  
counted as related because it was in a

63  
00:02:45,080 --> 00:02:43,190

national park guy goes hiking disappears

64

00:02:47,240 --> 00:02:45,090

wife calls the police

65

00:02:48,860 --> 00:02:47,250

she's like my husband's been missing for

66

00:02:51,170 --> 00:02:48,870

two days you guys need to go look for

67

00:02:53,240 --> 00:02:51,180

him get off your ass he's an experienced

68

00:02:54,530 --> 00:02:53,250

hiker so he told her exactly where he

69

00:02:59,390 --> 00:02:54,540

was going to be you know as an

70

00:03:01,070 --> 00:02:59,400

experienced outdoorsman they find they

71

00:03:03,199 --> 00:03:01,080

look for him they can't find him for

72

00:03:05,840 --> 00:03:03,209

like a week they eventually find him at

73

00:03:07,640 --> 00:03:05,850

the bottom of a gully like a huge gully

74

00:03:09,650 --> 00:03:07,650

like you know if you're at the Grand

75

00:03:11,870 --> 00:03:09,660

Canyon standing at the top he's at the

76  
00:03:14,330 --> 00:03:11,880  
bottom and he was looking up at people

77  
00:03:15,650 --> 00:03:14,340  
waving to get their attention they go

78  
00:03:17,000 --> 00:03:15,660  
get him and they're like where you been

79  
00:03:19,220 --> 00:03:17,010  
he's like I've only been gone for a few

80  
00:03:21,500 --> 00:03:19,230  
hours ha and they're like no you have

81  
00:03:23,990 --> 00:03:21,510  
like an entire week and then he slowly

82  
00:03:24,530 --> 00:03:24,000  
starts to remember I was walking in the

83  
00:03:26,360 --> 00:03:24,540  
woods

84  
00:03:29,270 --> 00:03:26,370  
I found these people that were dressed

85  
00:03:31,520 --> 00:03:29,280  
in these like hippie like gypsy

86  
00:03:32,810 --> 00:03:31,530  
multicolored dresses and I thought it

87  
00:03:35,780 --> 00:03:32,820  
was really weird that they would be out

88  
00:03:37,160 --> 00:03:35,790

here in this kind of weather like the

89

00:03:39,410 --> 00:03:37,170

kind of weather conditions in this kind

90

00:03:41,810 --> 00:03:39,420

of clothing and he walked they

91

00:03:43,039 --> 00:03:41,820

eventually he followed them they were

92

00:03:45,350 --> 00:03:43,049

speaking in a language he didn't

93

00:03:47,000 --> 00:03:45,360

understand he followed them into this

94

00:03:51,020 --> 00:03:47,010

area where there was more of them like

95

00:03:53,780 --> 00:03:51,030

men and women and he said that I thought

96

00:03:55,670 --> 00:03:53,790

they were camping but the feeling was

97

00:03:57,860 --> 00:03:55,680

not that I understood that they were

98

00:04:00,740 --> 00:03:57,870

camping it was that I was given the

99

00:04:03,350 --> 00:04:00,750

impression that this is what camping is

100

00:04:07,009 --> 00:04:03,360

and then I looked up and saw that there

101  
00:04:10,729 --> 00:04:07,019  
was a shining spacecraft or object in

102  
00:04:12,380 --> 00:04:10,739  
the sky above them and then he doesn't

103  
00:04:15,259 --> 00:04:12,390  
remember anything after that basically

104  
00:04:16,909 --> 00:04:15,269  
Wow until he's waving at these people to

105  
00:04:21,620 --> 00:04:16,919  
be found so he basically like walked

106  
00:04:24,350 --> 00:04:21,630  
into alien [h\_\_h] campsite that's one

107  
00:04:26,150 --> 00:04:24,360  
take from it yeah and that was one that

108  
00:04:27,250 --> 00:04:26,160  
they've mentioned it's like in the

109  
00:04:29,050 --> 00:04:27,260  
missing 401

110  
00:04:32,230 --> 00:04:29,060  
he doesn't want it he doesn't like to

111  
00:04:34,290 --> 00:04:32,240  
talk about the actual what it is but

112  
00:04:37,780 --> 00:04:34,300  
this was a case that was like this

113  
00:04:40,060 --> 00:04:37,790

particular case clearly UFO was involved

114

00:04:42,580 --> 00:04:40,070

over from what that person remember yeah

115

00:04:44,100 --> 00:04:42,590

exactly or is that a screen memory did

116

00:04:46,840 --> 00:04:44,110

something did the government abduct

117

00:04:49,270 --> 00:04:46,850

reductive so the the story I'm going to

118

00:04:50,890 --> 00:04:49,280

recount I made notes on this so I could

119

00:04:54,160 --> 00:04:50,900

be as accurate as possible because this

120

00:04:56,770 --> 00:04:54,170

seems so bizarre when someone's we have

121

00:04:59,410 --> 00:04:56,780

close to 80,000 people that go missing

122

00:05:01,780 --> 00:04:59,420

every year and not a lot of more found

123

00:05:03,430 --> 00:05:01,790

like alive I guess according to some

124

00:05:04,690 --> 00:05:03,440

reports they are according to NPR but

125

00:05:05,380 --> 00:05:04,700

according to this person who's been

126

00:05:10,870 --> 00:05:05,390

doing some research

127

00:05:12,940 --> 00:05:10,880

no not a lot so he never found at all

128

00:05:14,620 --> 00:05:12,950

so this there's a story they just call

129

00:05:17,380 --> 00:05:14,630

him John Doe he was a I think he was

130

00:05:23,980 --> 00:05:17,390

like a 13 year old kid he goes missing

131

00:05:30,280 --> 00:05:23,990

and this is in 2010 October and this was

132

00:05:33,220 --> 00:05:30,290

on Mount Shasta which has a very long as

133

00:05:35,800 --> 00:05:33,230

a torrid history of of paranormal

134

00:05:37,750 --> 00:05:35,810

activity on Mount Shasta really close to

135

00:05:39,940 --> 00:05:37,760

Lake Faygo yeah and I'll go into some of

136

00:05:41,710 --> 00:05:39,950

the the folklore from on shaft that shot

137

00:05:45,820 --> 00:05:41,720

this story because it's very interesting

138

00:05:48,550 --> 00:05:45,830

so John Doe this kid goes missing and

139

00:05:51,820 --> 00:05:48,560

they were this is a fishing area so it's

140

00:05:52,930 --> 00:05:51,830

not really what year was this 2010 you

141

00:05:55,540 --> 00:05:52,940

know what's funny I think you guys

142

00:05:57,190 --> 00:05:55,550

covered this on a previous episode the

143

00:05:59,020 --> 00:05:57,200

Jeff Martin was on because he made the

144

00:06:00,820 --> 00:05:59,030

mount fake the lake figure joke I just

145

00:06:02,830 --> 00:06:00,830

realized really I stole that joke how

146

00:06:04,150 --> 00:06:02,840

about that hmm and I think it was on a

147

00:06:06,430 --> 00:06:04,160

previous episode so we'll have to look

148

00:06:09,190 --> 00:06:06,440

through the 2010 catalog for this yeah

149

00:06:13,600 --> 00:06:09,200

please archivists look it up curator get

150

00:06:15,940 --> 00:06:13,610

on that so this is 2010 and this kid

151  
00:06:17,410 --> 00:06:15,950  
John Doe this is a case where this kid

152  
00:06:19,270 --> 00:06:17,420  
was found alive and remembers what

153  
00:06:24,040 --> 00:06:19,280  
happens to him this is what he recounts

154  
00:06:27,070 --> 00:06:24,050  
he was taken to a cave he was with a

155  
00:06:28,840 --> 00:06:27,080  
woman that looked like his grandma there

156  
00:06:31,870 --> 00:06:28,850  
were other things in a cave that look

157  
00:06:33,880 --> 00:06:31,880  
like robots but they weren't moving and

158  
00:06:36,340 --> 00:06:33,890  
when he looked at his grandma he noticed

159  
00:06:37,399 --> 00:06:36,350  
that there was a halo around her or

160  
00:06:40,459 --> 00:06:37,409  
sparks around

161  
00:06:44,600 --> 00:06:40,469  
head hmm you later believe that this

162  
00:06:47,029 --> 00:06:44,610  
woman while very nice it wasn't his

163  
00:06:48,769 --> 00:06:47,039

grandma and most likely was a robot too

164

00:06:51,259 --> 00:06:48,779

that's being pressing that he got out of

165

00:06:53,709 --> 00:06:51,269

it okay so this is very this is like a

166

00:06:57,559 --> 00:06:53,719

gray early gray abduction story

167

00:06:58,969 --> 00:06:57,569

something so he's getting it like these

168

00:07:03,559 --> 00:06:58,979

impressions these these vague

169

00:07:08,029 --> 00:07:03,569

impressions and so then his grandma

170

00:07:09,979 --> 00:07:08,039

started to become very pushy and that

171

00:07:12,319 --> 00:07:09,989

started to make him this is all very in

172

00:07:14,049 --> 00:07:12,329

line with early abduction reports it

173

00:07:18,559 --> 00:07:14,059

started to make him uncomfortable

174

00:07:20,719 --> 00:07:18,569

especially when his grandma rolled out

175

00:07:24,639 --> 00:07:20,729

some sticky paper and told him to take a

176

00:07:32,359 --> 00:07:24,649

[\h\_\_\h] on it but he didn't have to [\h\_\_\h]

177

00:07:34,909 --> 00:07:32,369

that's what's making that up I'm not

178

00:07:37,459 --> 00:07:34,919

going for a joke that's exactly how he

179

00:07:40,609 --> 00:07:37,469

recounts that he was asked to take a

180

00:07:43,129 --> 00:07:40,619

[\h\_\_\h] on the sticky paper that was rolled

181

00:07:47,389 --> 00:07:43,139

out for him his grandma grandma was like

182

00:07:50,859 --> 00:07:47,399

please just make waste make waste make

183

00:07:53,509 --> 00:07:50,869

doo-doo for Grandma

184

00:07:55,249 --> 00:07:53,519

these other robots are gonna watch don't

185

00:07:59,149 --> 00:07:55,259

pay attention close your eyes they're

186

00:08:03,769 --> 00:07:59,159

not here over that Gloria lie mean thing

187

00:08:04,879 --> 00:08:03,779

in the wall making motions with their

188

00:08:08,569 --> 00:08:04,889

hands

189

00:08:10,999 --> 00:08:08,579

he also recounts that there were small

190

00:08:12,709 --> 00:08:11,009

firearms laying around well I guess what

191

00:08:14,269 --> 00:08:12,719

he looked like small firearms likes

192

00:08:15,889 --> 00:08:14,279

pistols he really going to too much

193

00:08:17,499 --> 00:08:15,899

detail there like we just have a lot of

194

00:08:20,209 --> 00:08:17,509

guns so we don't know how they work

195

00:08:23,119 --> 00:08:20,219

they're more like ornaments so it turns

196

00:08:26,089 --> 00:08:23,129

out after investigating us a little bit

197

00:08:29,059 --> 00:08:26,099

more his grandmother was at this exact

198

00:08:32,120 --> 00:08:29,069

campsite three weeks previous to his

199

00:08:34,429 --> 00:08:32,130

disappearance and she brought this up

200

00:08:36,019 --> 00:08:34,439

because the this guy David always asked

201  
00:08:38,329 --> 00:08:36,029  
hey is there anything out of the

202  
00:08:39,920 --> 00:08:38,339  
ordinary that is not in the report that

203  
00:08:42,439 --> 00:08:39,930  
you just found to be curious and I like

204  
00:08:45,170 --> 00:08:42,449  
some high strangeness yeah coincidence

205  
00:08:47,269 --> 00:08:45,180  
and she recounts that while camping

206  
00:08:49,670 --> 00:08:47,279  
there three weeks previous to john doe's

207  
00:08:50,420 --> 00:08:49,680  
disappearance that she recounts getting

208  
00:08:53,690 --> 00:08:50,430  
a waffle

209  
00:08:57,860 --> 00:08:53,700  
being entertained that she felt a

210  
00:08:59,840 --> 00:08:57,870  
pinprick on the back of her neck and she

211  
00:09:02,570 --> 00:08:59,850  
woke up in her husband and investigated

212  
00:09:05,180 --> 00:09:02,580  
it was bloody like she would been

213  
00:09:08,480 --> 00:09:05,190

inserted with something like hole does

214

00:09:10,550 --> 00:09:08,490

this grandmother she's still up and ball

215

00:09:12,260 --> 00:09:10,560

up into your 80s do you want to I mean I

216

00:09:13,520 --> 00:09:12,270

plan on it I mean I mean basically did

217

00:09:14,900 --> 00:09:13,530

candle when you're 80 years going out

218

00:09:18,050 --> 00:09:14,910

there to die essentially you're

219

00:09:20,030 --> 00:09:18,060

basically saying wolves take me hey

220

00:09:21,770 --> 00:09:20,040

maybe it was a retirement but I mean if

221

00:09:24,530 --> 00:09:21,780

she got a pinprick on the back of her

222

00:09:26,990 --> 00:09:24,540

neck and it in a in a tent

223

00:09:29,060 --> 00:09:27,000

you could almost make it a leap in logic

224

00:09:33,200 --> 00:09:29,070

you're saying well maybe they harvested

225

00:09:36,200 --> 00:09:33,210

her DNA and assumed her identity to draw

226

00:09:38,150 --> 00:09:36,210

and draw this kid into a cave for

227

00:09:40,790 --> 00:09:38,160

whatever reason uses somebody saw

228

00:09:44,870 --> 00:09:40,800

something familiar I think more likely

229

00:09:48,760 --> 00:09:44,880

that she was abducted in her own right

230

00:09:52,220 --> 00:09:48,770

and maybe the screen memory or the

231

00:09:54,440 --> 00:09:52,230

neural ization yeah we say to use an MIB

232

00:09:56,960 --> 00:09:54,450

term from the movie that Will Smith was

233

00:09:58,910 --> 00:09:56,970

in but this is very very strong in her

234

00:10:01,300 --> 00:09:58,920

because I feel like especially in these

235

00:10:04,100 --> 00:10:01,310

early abduction reports like in the 50s

236

00:10:10,490 --> 00:10:04,110

there's a lot of this where you look at

237

00:10:15,190 --> 00:10:10,500

cases where the abductees they perceive

238

00:10:18,140 --> 00:10:15,200

the the creatures to look a certain way

239

00:10:20,240 --> 00:10:18,150

but they don't it doesn't really make

240

00:10:22,880 --> 00:10:20,250

sense it's as if they are projecting

241

00:10:25,310 --> 00:10:22,890

into your mind what it should what what

242

00:10:27,470 --> 00:10:25,320

they think you should see of them yeah

243

00:10:30,740 --> 00:10:27,480

to make you feel more calm but they're

244

00:10:32,600 --> 00:10:30,750

not good at understanding us because

245

00:10:34,070 --> 00:10:32,610

they don't understand camping they don't

246

00:10:35,360 --> 00:10:34,080

understand camping like even than that

247

00:10:36,920 --> 00:10:35,370

other story it's like this is not

248

00:10:38,360 --> 00:10:36,930

camping you know like they don't

249

00:10:39,680 --> 00:10:38,370

understand how to socially interact with

250

00:10:41,270 --> 00:10:39,690

you but they know that they can read

251  
00:10:44,330 --> 00:10:41,280  
your mind or something which is another

252  
00:10:47,210 --> 00:10:44,340  
popular theory with the greys is that

253  
00:10:49,790 --> 00:10:47,220  
the greys have this telepathic

254  
00:10:53,210 --> 00:10:49,800  
communication and ability to kind of

255  
00:10:56,090 --> 00:10:53,220  
project and and create impressions and

256  
00:10:59,660 --> 00:10:56,100  
stuff and read your impressions like if

257  
00:11:02,040 --> 00:10:59,670  
you look at the wake not wake

258  
00:11:04,019 --> 00:11:02,050  
now there's an underground base one

259  
00:11:05,519 --> 00:11:04,029  
that's very popular it I'm pretty sure

260  
00:11:09,269 --> 00:11:05,529  
it's all [h\_\_\h] but and that guy's

261  
00:11:10,950 --> 00:11:09,279  
storyline dole sure Dolce Dolce or

262  
00:11:13,380 --> 00:11:10,960  
something yes so underground base

263  
00:11:15,240 --> 00:11:13,390

supposedly a bunch of [\h\_\_\h] yes bunch

264

00:11:17,730 --> 00:11:15,250

of aliens hang out there there's grace

265

00:11:19,470 --> 00:11:17,740

reptilians and Nordics and humans all

266

00:11:22,290 --> 00:11:19,480

working together on secret scientific

267

00:11:23,730 --> 00:11:22,300

projects let's just set that aside for a

268

00:11:25,230 --> 00:11:23,740

minute yeah but the gentleman who is

269

00:11:29,610 --> 00:11:25,240

supposedly the whistleblower in this

270

00:11:32,460 --> 00:11:29,620

storyline who's probably Bull shoes he

271

00:11:35,010 --> 00:11:32,470

in his storyline the greys have the

272

00:11:37,290 --> 00:11:35,020

ability to read your impressions and

273

00:11:39,060 --> 00:11:37,300

your intentions and your words but the

274

00:11:45,060 --> 00:11:39,070

way that you get around that is you yell

275

00:11:47,430 --> 00:11:45,070

at them so you're just like clean and

276

00:11:48,960 --> 00:11:47,440

they'll be like I do not understand and

277

00:11:50,550 --> 00:11:48,970

they'll start cleaning things because

278

00:11:52,769 --> 00:11:50,560

you just yelled with them so they're

279

00:11:54,269 --> 00:11:52,779

used to taking orders yeah exactly but

280

00:11:57,960 --> 00:11:54,279

they have this ability to read

281

00:12:00,240 --> 00:11:57,970

impressions and possibly project yes so

282

00:12:03,090 --> 00:12:00,250

Alex Jones would be impervious to these

283

00:12:05,190 --> 00:12:03,100

guys he would just immediately be he's

284

00:12:06,990 --> 00:12:05,200

impious the way the Google thing you

285

00:12:09,420 --> 00:12:07,000

guys played he's like impervious to them

286

00:12:11,579 --> 00:12:09,430

he's like yes well get the cops and he's

287

00:12:13,769 --> 00:12:11,589

like I don't understand because I he's

288

00:12:21,900 --> 00:12:13,779

like he's Miskin Bob you lating their

289

00:12:25,800 --> 00:12:21,910

mind with confucian yeah Pilates Pilates

290

00:12:27,210 --> 00:12:25,810

I think he did stumble on two accidental

291

00:12:29,730 --> 00:12:27,220

alien abduction he doesn't want to call

292

00:12:31,650 --> 00:12:29,740

it that he's actively strayed away from

293

00:12:33,660 --> 00:12:31,660

this because right now it's completely

294

00:12:35,760 --> 00:12:33,670

legitimate he's doing I think the only

295

00:12:37,980 --> 00:12:35,770

one who organized this database of

296

00:12:40,220 --> 00:12:37,990

missing people from from parks but he

297

00:12:42,750 --> 00:12:40,230

has come up with some interesting things

298

00:12:44,670 --> 00:12:42,760

he's found a lot of high strangeness and

299

00:12:48,390 --> 00:12:44,680

it's like is it Bigfoot is that the

300

00:12:50,160 --> 00:12:48,400

military is it aliens and I think for

301

00:12:51,990 --> 00:12:50,170

him and I understand his position on

302

00:12:53,910 --> 00:12:52,000

this he doesn't necessarily want to come

303

00:12:55,350 --> 00:12:53,920

out and say it's [\h\_\_\h] aliens because

304

00:12:57,060 --> 00:12:55,360

then no one's gonna pay attention to

305

00:12:59,130 --> 00:12:57,070

this and they're just gonna say it's all

306

00:13:01,769 --> 00:12:59,140

[\h\_\_\h] but the fact that that many

307

00:13:05,100 --> 00:13:01,779

people go missing in our national parks

308

00:13:06,960 --> 00:13:05,110

and nobody the government I mean a

309

00:13:08,260 --> 00:13:06,970

forest ranger is essentially like a

310

00:13:10,450 --> 00:13:08,270

sheriff yeah

311

00:13:12,550 --> 00:13:10,460

shredder there a federal level officer

312

00:13:18,640 --> 00:13:12,560

with the ability to carry a gun and

313

00:13:22,180 --> 00:13:18,650

arrest at least in some like instances

314

00:13:24,070 --> 00:13:22,190

but they're not writing down people that

315

00:13:25,750 --> 00:13:24,080

go missing that they investigate find

316

00:13:27,130 --> 00:13:25,760

hard to believe yeah where's all the

317

00:13:28,690 --> 00:13:27,140

paperwork this is supposed to be a

318

00:13:30,850 --> 00:13:28,700

government office there's supposed to be

319

00:13:34,000 --> 00:13:30,860

red tape and pencil pushers out the

320

00:13:36,070 --> 00:13:34,010

wazoo you know I have even have an Excel

321

00:13:38,200 --> 00:13:36,080

spreadsheet made yeah or and you know my

322

00:13:40,630 --> 00:13:38,210

counter-argument to that is I did go to

323

00:13:43,060 --> 00:13:40,640

school in college with a girl who wanted

324

00:13:45,130 --> 00:13:43,070

to become a forest ranger and not a lot

325

00:13:46,690 --> 00:13:45,140

of people want to become forest rangers

326

00:13:48,400 --> 00:13:46,700

and most people

327

00:13:49,780 --> 00:13:48,410

well they'll take anybody and I think a

328

00:13:52,150 --> 00:13:49,790

lot of people who want to become forest

329

00:13:54,430 --> 00:13:52,160

rangers our conservationists they're not

330

00:13:58,150 --> 00:13:54,440

thinking about like hey I might be

331

00:14:00,550 --> 00:13:58,160

hiking in like one of the many miles of

332

00:14:02,680 --> 00:14:00,560

the park and see a [h\_\_\h] Bigfoot like

333

00:14:05,860 --> 00:14:02,690

there is a Bigfoot story where Park

334

00:14:08,800 --> 00:14:05,870

Ranger happens upon hairy creature dude

335

00:14:10,930 --> 00:14:08,810

is like [h\_\_\h] trapped in a bear trap

336

00:14:14,380 --> 00:14:10,940

now the guy was out in the woods they

337

00:14:16,590 --> 00:14:14,390

were tagging bison population yeah Park

338

00:14:18,820 --> 00:14:16,600

it's in the middle of the winter I think

339

00:14:21,160 --> 00:14:18,830

I'm gonna get back to this before ok so

340

00:14:23,260 --> 00:14:21,170

yeah that's finish yours I don't I want

341

00:14:25,570 --> 00:14:23,270

to rail go down this path

342

00:14:28,060 --> 00:14:25,580

so yeah this guy discovered a

343

00:14:29,800 --> 00:14:28,070

correlation the brighter the clothing

344

00:14:32,350 --> 00:14:29,810

you wear out of the woods the more

345

00:14:34,870 --> 00:14:32,360

likely you are to be taken which I found

346

00:14:36,610 --> 00:14:34,880

it be interesting so typically you know

347

00:14:38,020 --> 00:14:36,620

you want to wear bright clothes in the

348

00:14:40,770 --> 00:14:38,030

the woods so people can find you in case

349

00:14:43,300 --> 00:14:40,780

you're lost but now everyone combined

350

00:14:45,280 --> 00:14:43,310

you don't want to wear bright clothes in

351  
00:14:45,700 --> 00:14:45,290  
the National Park and I'm gonna tell you

352  
00:14:48,820 --> 00:14:45,710  
why

353  
00:14:52,060 --> 00:14:48,830  
ok not only will you a be seen and be

354  
00:14:55,060 --> 00:14:52,070  
able to be taken in Boy Scouts I think

355  
00:14:56,800 --> 00:14:55,070  
they taught us this too you carry you

356  
00:14:58,600 --> 00:14:56,810  
should always carry a flare gun if

357  
00:15:01,030 --> 00:14:58,610  
you're going on a long hiking trip and

358  
00:15:03,370 --> 00:15:01,040  
yet a deep part of the woods five dude

359  
00:15:05,020 --> 00:15:03,380  
we should at least carry one okay you

360  
00:15:07,990 --> 00:15:05,030  
don't got a flare gun you should at

361  
00:15:10,570 --> 00:15:08,000  
least have some hunting safe clothing

362  
00:15:13,030 --> 00:15:10,580  
that you can use as a flag yeah or

363  
00:15:15,820 --> 00:15:13,040

something white but the only reason that

364

00:15:18,370 --> 00:15:15,830

you need to wear bright colors ie orange

365

00:15:20,770 --> 00:15:18,380

or hunting safe colors is if you are in

366

00:15:23,410 --> 00:15:20,780

an area where there is hunting and

367

00:15:24,910 --> 00:15:23,420

one thing is not legal in almost all of

368

00:15:26,920 --> 00:15:24,920

our names well I like the we're all pink

369

00:15:28,300 --> 00:15:26,930

when I go out there messes me yeah what

370

00:15:29,890 --> 00:15:28,310

I mean well that would make sense why

371

00:15:32,020 --> 00:15:29,900

children are taking them yeah they wear

372

00:15:34,270 --> 00:15:32,030

lots of bright colors they do love

373

00:15:36,010 --> 00:15:34,280

bright colors right color clothing cuz

374

00:15:37,180 --> 00:15:36,020

you know it's easier just spot your kid

375

00:15:38,980 --> 00:15:37,190

if they're running around we're in a pro

376

00:15:39,730 --> 00:15:38,990

my child to be wearing a full ghillie

377

00:15:41,320 --> 00:15:39,740

suit yeah

378

00:15:43,930 --> 00:15:41,330

I'm gonna have my kid that's molesta

379

00:15:49,390 --> 00:15:43,940

below that what I say full-scale mail

380

00:15:56,670 --> 00:15:49,400

armor bright pink scale mail armor you

381

00:15:59,680 --> 00:15:56,680

have book baby that's the pressure

382

00:16:02,260 --> 00:15:59,690

Christmas the interviews have been very

383

00:16:05,950 --> 00:16:02,270

very compelling and you ever send me

384

00:16:08,110 --> 00:16:05,960

that link right though the - I listen do

385

00:16:10,660 --> 00:16:08,120

up on the other links on the the are big

386

00:16:12,340 --> 00:16:10,670

de Montcalm website sweet and I was

387

00:16:14,770 --> 00:16:12,350

tapping into that there are some other

388

00:16:17,110 --> 00:16:14,780

things that that he started has started

389

00:16:18,280 --> 00:16:17,120

to do he's been asked to hey why you go

390

00:16:21,460 --> 00:16:18,290

ahead and take a look at some of the

391

00:16:23,410 --> 00:16:21,470

missing people in the city's urban areas

392

00:16:25,240 --> 00:16:23,420

he's like no no no I'm not doing that

393

00:16:27,700 --> 00:16:25,250

but the more he started to look into it

394

00:16:30,070 --> 00:16:27,710

the more he started to find interesting

395

00:16:31,950 --> 00:16:30,080

cluster so he found closer he's almost

396

00:16:34,330 --> 00:16:31,960

done with the four one one series

397

00:16:36,370 --> 00:16:34,340

national parks books yes he's gonna move

398

00:16:38,860 --> 00:16:36,380

on to some how so he needs the cities he

399

00:16:40,930 --> 00:16:38,870

found clusters that that being a cluster

400

00:16:42,370 --> 00:16:40,940

is a group of children will go missing

401  
00:16:43,810 --> 00:16:42,380  
in a certain area or a group of old

402  
00:16:47,260 --> 00:16:43,820  
people go missing a certain area he

403  
00:16:50,140 --> 00:16:47,270  
thought within urban areas that the

404  
00:16:52,600 --> 00:16:50,150  
these are this is a criteria for you to

405  
00:16:54,790 --> 00:16:52,610  
be abducted in the urban area they're

406  
00:16:58,090 --> 00:16:54,800  
mostly white they're athletic

407  
00:17:00,310 --> 00:16:58,100  
the disappearance involves alcohol these

408  
00:17:02,620 --> 00:17:00,320  
people are found dead by a river or a

409  
00:17:06,160 --> 00:17:02,630  
large body of water and they're of

410  
00:17:08,440 --> 00:17:06,170  
German descent alright so that means

411  
00:17:11,020 --> 00:17:08,450  
that I need to stay pleasantly plump yes

412  
00:17:13,570 --> 00:17:11,030  
because I am very German yes and I do

413  
00:17:17,050 --> 00:17:13,580

like to drink thinking about quitting

414

00:17:19,210 --> 00:17:17,060

drinking recently just straight

415

00:17:22,060 --> 00:17:19,220

marijuana all the time these are college

416

00:17:26,830 --> 00:17:22,070

aged men and I'm almost out of that

417

00:17:29,590 --> 00:17:26,840

range good but there's a story I post up

418

00:17:31,750 --> 00:17:29,600

on a website of a back in 2006 here in

419

00:17:32,280 --> 00:17:31,760

Columbus someone went missing out of the

420

00:17:37,200 --> 00:17:32,290

blue

421

00:17:39,540 --> 00:17:37,210

they're at the bar here the saloon the

422

00:17:43,110 --> 00:17:39,550

ugly tuna gentleman has never been found

423

00:17:45,720 --> 00:17:43,120

and he disappeared in this he lifted the

424

00:17:47,940 --> 00:17:45,730

club there's this there's a video every

425

00:17:51,090 --> 00:17:47,950

day of this bar it is a total you see

426  
00:17:52,710 --> 00:17:51,100  
him he just campus bar in a brand new at

427  
00:17:55,380 --> 00:17:52,720  
the time was a brand spanking new

428  
00:17:58,890 --> 00:17:55,390  
development building specifically for

429  
00:18:00,870 --> 00:17:58,900  
shopping terrible chain bar people were

430  
00:18:04,140 --> 00:18:00,880  
going there to get drunk because they

431  
00:18:06,330 --> 00:18:04,150  
got cheap margaritas and like fruity

432  
00:18:09,090 --> 00:18:06,340  
banana twins drinks going on but when

433  
00:18:11,100 --> 00:18:09,100  
yeah this guy disappeared it panicked a

434  
00:18:13,590 --> 00:18:11,110  
lot of people this year the [h\_\_h] out of

435  
00:18:15,120 --> 00:18:13,600  
people yeah and did I tell you on I

436  
00:18:18,900 --> 00:18:15,130  
think I was on an episode where I told

437  
00:18:20,160 --> 00:18:18,910  
you so I think that we can talk about

438  
00:18:25,070 --> 00:18:20,170

this because they're listenership is

439

00:18:29,460 --> 00:18:25,080

slim especially in the local area my

440

00:18:32,070 --> 00:18:29,470

family member is or was a professional

441

00:18:34,890 --> 00:18:32,080

hair stylist all night and she used to

442

00:18:37,680 --> 00:18:34,900

cut a member of one of the sheriff's

443

00:18:39,870 --> 00:18:37,690

offices in Franklin or Fair Franklin

444

00:18:43,200 --> 00:18:39,880

County right it's Columbus's yeah County

445

00:18:44,790 --> 00:18:43,210

and he said around this time this is

446

00:18:48,540 --> 00:18:44,800

shortly after would have been a few

447

00:18:50,670 --> 00:18:48,550

years after he said that they are they

448

00:18:52,920 --> 00:18:50,680

have been actively investigating there

449

00:18:57,420 --> 00:18:52,930

is a number of disappearances on campus

450

00:19:01,770 --> 00:18:57,430

in that area right there on high and

451  
00:19:03,750 --> 00:19:01,780  
right around 11 yeah he they think that

452  
00:19:06,630 --> 00:19:03,760  
there is a guy that is a serial killer

453  
00:19:07,860 --> 00:19:06,640  
that has been operating for possibly two

454  
00:19:11,160 --> 00:19:07,870  
decades Wow

455  
00:19:13,920 --> 00:19:11,170  
just very slow they they think that for

456  
00:19:16,260 --> 00:19:13,930  
sure there's seven because they found

457  
00:19:17,850 --> 00:19:16,270  
IDs okay and they think that's his

458  
00:19:21,270 --> 00:19:17,860  
calling card as he leaves like a piece

459  
00:19:22,980 --> 00:19:21,280  
of clothing and an ID and that's what

460  
00:19:25,770 --> 00:19:22,990  
they find and they never find the people

461  
00:19:28,230 --> 00:19:25,780  
but this guy they did not find his ID

462  
00:19:30,150 --> 00:19:28,240  
but at the time you know that was the

463  
00:19:32,280 --> 00:19:30,160

conversation around the city is like oh

464

00:19:33,600 --> 00:19:32,290

you know this guy went missing what

465

00:19:35,370 --> 00:19:33,610

happened to him because there's video

466

00:19:37,800 --> 00:19:35,380

footage of him entering the place and

467

00:19:39,790 --> 00:19:37,810

there's videos on all the exits he never

468

00:19:42,550 --> 00:19:39,800

left that bar it's

469

00:19:44,350 --> 00:19:42,560

I so this is one of the more difficult

470

00:19:46,480 --> 00:19:44,360

things that they have to traverse is

471

00:19:48,040 --> 00:19:46,490

that there's like a lot of local law

472

00:19:49,840 --> 00:19:48,050

enforcement who want to attribute some

473

00:19:53,620 --> 00:19:49,850

of these missing people to a serial

474

00:19:56,050 --> 00:19:53,630

killer obviously but there's no there's

475

00:19:57,610 --> 00:19:56,060

no evidence left behind because typical

476

00:19:59,110 --> 00:19:57,620

I mean you're human you're gonna leave

477

00:20:00,520 --> 00:19:59,120

tracks somewhere you're gonna leave

478

00:20:02,020 --> 00:20:00,530

evidence somewhere you'll eventually be

479

00:20:03,790 --> 00:20:02,030

caught I mean unless they're really

480

00:20:04,990 --> 00:20:03,800

[h\_\_h] good yeah I guess unless you're

481

00:20:06,370 --> 00:20:05,000

really good we don't know if they have

482

00:20:09,850 --> 00:20:06,380

been caught because if they're so good

483

00:20:12,160 --> 00:20:09,860

but most likely humans make errors so

484

00:20:15,340 --> 00:20:12,170

yeah some of it could be serial killers

485

00:20:17,620 --> 00:20:15,350

but not to this scale not 80,000 people

486

00:20:19,090 --> 00:20:17,630

kind of [h\_\_h] that's insane and the

487

00:20:20,620 --> 00:20:19,100

military knows about this

488

00:20:21,760 --> 00:20:20,630

they're keeping quiet the government

489

00:20:24,280 --> 00:20:21,770

knows about this the FBI knows about

490

00:20:26,770 --> 00:20:24,290

this they're keeping quiet so either

491

00:20:31,600 --> 00:20:26,780

it's some kind of paranormal weird

492

00:20:34,600 --> 00:20:31,610

bizarre crazy [h\_\_h] or we have an

493

00:20:36,160 --> 00:20:34,610

organized ring of basically safety a

494

00:20:38,560 --> 00:20:36,170

satanic cult that is abducting people

495

00:20:40,630 --> 00:20:38,570

you don't paint this as Satanism I'm not

496

00:20:42,550 --> 00:20:40,640

I'm just I'm saying don't sweep this up

497

00:20:45,400 --> 00:20:42,560

into say there's only so maintenance

498

00:20:48,300 --> 00:20:45,410

they're not doing this bryce let me

499

00:20:50,200 --> 00:20:48,310

finish my sentence there's only so many

500

00:20:53,470 --> 00:20:50,210

different avenues you can go down

501  
00:20:56,350 --> 00:20:53,480  
because gonna tell you it's the gradient

502  
00:20:58,450 --> 00:20:56,360  
treaty the gradient treaty yes what's

503  
00:21:02,500 --> 00:20:58,460  
that eisenhower signed a deal with the

504  
00:21:04,540 --> 00:21:02,510  
greys and we have so many people every

505  
00:21:07,360 --> 00:21:04,550  
year to them for their technology but

506  
00:21:08,890 --> 00:21:07,370  
wait look if they wanted if they wanted

507  
00:21:10,330 --> 00:21:08,900  
they're gonna abduct people and tell

508  
00:21:12,250 --> 00:21:10,340  
them take your [h\_\_h] it's not a piece of

509  
00:21:14,470 --> 00:21:12,260  
paper want this go down to the local

510  
00:21:16,360 --> 00:21:14,480  
outhouse like any other pervert and jump

511  
00:21:17,680 --> 00:21:16,370  
in there and then you have all the [h\_\_h]

512  
00:21:19,390 --> 00:21:17,690  
you need from humans why do you need to

513  
00:21:20,710 --> 00:21:19,400

abduct the kid and come to [h\_\_h] in a

514

00:21:23,170 --> 00:21:20,720

cave I don't even really think it's

515

00:21:25,930 --> 00:21:23,180

aliens honestly you know I think that

516

00:21:28,300 --> 00:21:25,940

there's other forces at play here that

517

00:21:30,700 --> 00:21:28,310

we do not yet understand that have been

518

00:21:34,240 --> 00:21:30,710

here for eons I think you're right

519

00:21:37,240 --> 00:21:34,250

they're the the the mythologies the pan

520

00:21:39,400 --> 00:21:37,250

the the god of the forest the trickster

521

00:21:41,770 --> 00:21:39,410

spirit and the jinns apparent yes the

522

00:21:44,440 --> 00:21:41,780

jinns the loom Aryans yes this all of

523

00:21:46,330 --> 00:21:44,450

these things that we have different

524

00:21:48,070 --> 00:21:46,340

names for they're all the same thing I

525

00:21:49,900 --> 00:21:48,080

don't want to cut you off or anything

526

00:21:51,220 --> 00:21:49,910

claw baby but you might if I read some

527

00:21:52,120 --> 00:21:51,230

folklore

528

00:21:53,799 --> 00:21:52,130

I don't know if you have anything to add

529

00:21:58,150 --> 00:21:53,809

to this before I read some vocal about

530

00:22:00,299 --> 00:21:58,160

Mount Shasta and and want to be able the

531

00:22:02,200 --> 00:22:00,309

only other thing I want to bring up was

532

00:22:02,860 --> 00:22:02,210

this one guy that went missing in

533

00:22:06,850 --> 00:22:02,870

Pittsburgh

534

00:22:08,590 --> 00:22:06,860

okay please yeah bring up this is it

535

00:22:15,280 --> 00:22:08,600

mysterious circumstances surrounding his

536

00:22:18,520 --> 00:22:15,290

disappearance into a concert that I was

537

00:22:19,900 --> 00:22:18,530

at you should have the story years ago

538

00:22:22,150 --> 00:22:19,910

that's why yeah that's what he just show

539

00:22:30,730 --> 00:22:22,160

prep climb baby come on I had it I close

540

00:22:32,110 --> 00:22:30,740

that I close the tab come on man what's

541

00:22:34,750 --> 00:22:32,120

that remember when the football guy

542

00:22:36,310 --> 00:22:34,760

wasn't messing like just a year ago yeah

543

00:22:39,250 --> 00:22:36,320

Michigan game and they found him in the

544

00:22:43,150 --> 00:22:39,260

dumpster dead oh yeah he shot himself

545

00:22:45,850 --> 00:22:43,160

but I was like this is it

546

00:22:47,620 --> 00:22:45,860

this is the beginning of the people are

547

00:22:49,830 --> 00:22:47,630

gonna be like oh [h\_\_\h] cuz now somebody

548

00:22:52,510 --> 00:22:49,840

actually cares cuz it's about football

549

00:22:55,450 --> 00:22:52,520

typically these people in males are

550

00:22:57,760 --> 00:22:55,460

found near body water the funny thing is

551  
00:22:59,470 --> 00:22:57,770  
though not funny the interesting part is

552  
00:23:03,760 --> 00:22:59,480  
is that they've been missing for six

553  
00:23:05,650 --> 00:23:03,770  
days and they may been dead for say four

554  
00:23:07,419 --> 00:23:05,660  
but the two days but they've only been

555  
00:23:09,970 --> 00:23:07,429  
in water for one of them so their body

556  
00:23:14,919 --> 00:23:09,980  
is obviously obviously been moved it was

557  
00:23:17,260 --> 00:23:14,929  
yeah it was moved between the two so

558  
00:23:20,409 --> 00:23:17,270  
yeah this guy James slack after a

559  
00:23:21,760 --> 00:23:20,419  
concert about two months later he

560  
00:23:23,620 --> 00:23:21,770  
disappeared they found at the body in

561  
00:23:26,650 --> 00:23:23,630  
the Ohio River it had all of his cash

562  
00:23:29,560 --> 00:23:26,660  
wallet and cell phone on him apparently

563  
00:23:30,820 --> 00:23:29,570

he had told his friends he was out he

564

00:23:33,460 --> 00:23:30,830

got separated with his friends the

565

00:23:36,460 --> 00:23:33,470

concert and then he called him saying he

566

00:23:37,960 --> 00:23:36,470

was out partying or something and then

567

00:23:40,060 --> 00:23:37,970

they never heard from him again and then

568

00:23:43,060 --> 00:23:40,070

he just washes up in the river two

569

00:23:44,890 --> 00:23:43,070

months later she found in a body 185

570

00:23:46,390 --> 00:23:44,900

years old that's that's the typical age

571

00:23:48,880 --> 00:23:46,400

is he of German descent

572

00:23:54,049 --> 00:23:48,890

I know it's just lack is that it I don't

573

00:23:58,710 --> 00:23:56,730

we do a little more research on it and

574

00:24:03,450 --> 00:23:58,720

you can find him background I'm read

575

00:24:06,060 --> 00:24:03,460

about them Mount Shasta Norse origin so

576

00:24:07,740 --> 00:24:06,070

it's Germanic yeah okay he fits the

577

00:24:12,150 --> 00:24:07,750

criteria was the athletic was he built

578

00:24:13,680 --> 00:24:12,160

good yeah one picture I saw no he's in

579

00:24:16,140 --> 00:24:13,690

decent shape and he was definitely

580

00:24:19,500 --> 00:24:16,150

drinking that night though built good

581

00:24:22,770 --> 00:24:19,510

and he winds up in water I'm 27

582

00:24:25,970 --> 00:24:22,780

sorry it's actually 25 okay my love

583

00:24:28,410 --> 00:24:25,980

Daniel II this is 27 all right I'm 27

584

00:24:33,810 --> 00:24:28,420

so here's a little bit about Mount

585

00:24:35,490 --> 00:24:33,820

Shasta the area where the epic the the

586

00:24:38,160 --> 00:24:35,500

kid I was talking about disappeared so

587

00:24:40,500 --> 00:24:38,170

here's some American Indian legends

588

00:24:43,380 --> 00:24:40,510

about this according to local engine

589

00:24:44,460 --> 00:24:43,390

tribes Indian tribes I'm sorry I'll be

590

00:24:46,710 --> 00:24:44,470

nice

591

00:24:50,280 --> 00:24:46,720

Mount Shasta is inhabited by the spirit

592

00:24:52,169 --> 00:24:50,290

chief skel who descended from heaven to

593

00:24:55,799 --> 00:24:52,179

the mountains summit skull fought with

594

00:25:01,260 --> 00:24:55,809

spirit of the below world now who

595

00:25:03,210 --> 00:25:01,270

resides on Mount Mazama by throwing hot

596

00:25:05,310 --> 00:25:03,220

rocks and lava probably representing the

597

00:25:09,480 --> 00:25:05,320

volcanic eruptions at both mountains

598

00:25:11,310 --> 00:25:09,490

okay so there's also a legend of Lemuria

599

00:25:14,400 --> 00:25:11,320

you know what illumina's it's like it

600

00:25:18,780 --> 00:25:14,410

was an ancient mythical civilization

601  
00:25:19,650 --> 00:25:18,790  
like lemurians and lumeria you made fun

602  
00:25:22,380 --> 00:25:19,660  
of my people

603  
00:25:23,760 --> 00:25:22,390  
did it really there's a Satanist I

604  
00:25:26,580 --> 00:25:23,770  
thought you were gonna go for when

605  
00:25:29,160 --> 00:25:26,590  
dingos there no I didn't make fun Europe

606  
00:25:32,310 --> 00:25:29,170  
that was deep I was Jamie are you are

607  
00:25:33,690 --> 00:25:32,320  
you a you an Indian no I didn't make fun

608  
00:25:36,330 --> 00:25:33,700  
of the engines I was just insulting them

609  
00:25:38,340 --> 00:25:36,340  
a little bit I apologize I apologize who

610  
00:25:39,720 --> 00:25:38,350  
are then luminaire and Lou Mary and I

611  
00:25:41,130 --> 00:25:39,730  
I'm gonna apologize to you Native

612  
00:25:43,680 --> 00:25:41,140  
Americans the first people here I

613  
00:25:45,030 --> 00:25:43,690

apologize I'm sorry I'll never do that

614

00:25:47,549 --> 00:25:45,040

again okay

615

00:25:50,880 --> 00:25:47,559

I think you probably have a very nice

616

00:25:51,390 --> 00:25:50,890

ass as well okay you probably do the Lou

617

00:25:53,370 --> 00:25:51,400

Marian's

618

00:25:56,430 --> 00:25:53,380

so Mount Shasta has also been been a

619

00:25:59,700 --> 00:25:56,440

focus for non Native American legend

620

00:26:02,190 --> 00:25:59,710

centered on a hidden city of advanced

621

00:26:03,480 --> 00:26:02,200

beings from the lost continent of

622

00:26:06,180 --> 00:26:03,490

Lemuria

623

00:26:06,970 --> 00:26:06,190

the legend grew I think I'm pronouncing

624

00:26:13,120 --> 00:26:06,980

this correctly

625

00:26:18,610 --> 00:26:13,130

it's like an alternate Atlantis

626

00:26:21,880 --> 00:26:18,620

I guess the legend grew from an offhand

627

00:26:26,110 --> 00:26:21,890

mention of lumeria and the 1880s 8 in 18

628

00:26:28,750 --> 00:26:26,120

in the 1880s in 1899 Frederick Spencer

629

00:26:31,210 --> 00:26:28,760

Oliver published a dweller on two

630

00:26:34,030 --> 00:26:31,220

planets which claimed that survivors

631

00:26:37,600 --> 00:26:34,040

from the sunken continent called Lemuria

632

00:26:40,360 --> 00:26:37,610

were living in or on Mount Shasta

633

00:26:42,520 --> 00:26:40,370

Oliver Lou Marian's lived in a condo in

634

00:26:45,280 --> 00:26:42,530

complex tunnels beneath the mountain and

635

00:26:49,480 --> 00:26:45,290

occasionally were seen walking the

636

00:26:53,610 --> 00:26:49,490

surface dressed in white robes in 1931

637

00:26:57,220 --> 00:26:53,620

Harvey Spencer Lewis using the pseudonym

638

00:26:59,919 --> 00:26:57,230

you know crowd C pseudonym is very

639

00:27:04,840 --> 00:26:59,929

important here is it really yeah I just

640

00:27:08,560 --> 00:27:04,850

there's some parallels and some others

641

00:27:10,600 --> 00:27:08,570

things that I was listening to in the in

642

00:27:13,270 --> 00:27:10,610

the European continent where like these

643

00:27:17,200 --> 00:27:13,280

guys would present ideas and they'd be

644

00:27:19,210 --> 00:27:17,210

like this is quote unquote real but it's

645

00:27:20,620 --> 00:27:19,220

getting published as fiction and they

646

00:27:22,799 --> 00:27:20,630

publish it under the pseudonym because

647

00:27:26,789 --> 00:27:22,809

they don't want to get like you know

648

00:27:30,880 --> 00:27:26,799

this guy's name is Whistler a Whizzer

649

00:27:33,220 --> 00:27:30,890

Whizzer spleen sir Val

650

00:27:35,980 --> 00:27:33,230

Wizards of Waverly Place I guess I wrote

651  
00:27:38,320 --> 00:27:35,990  
a book published by the same process

652  
00:27:41,740 --> 00:27:38,330  
about the hidden loom Aryans of Mount

653  
00:27:44,020 --> 00:27:41,750  
Shasta that a big bibliography of

654  
00:27:46,990 --> 00:27:44,030  
monterossa described as responsible for

655  
00:27:48,370 --> 00:27:47,000  
the legends widespread popularity this

656  
00:27:52,350 --> 00:27:48,380  
belief has been incorporating to

657  
00:27:55,590 --> 00:27:52,360  
numerous occult religions including I am

658  
00:27:59,919 --> 00:27:55,600  
activity the summit Lighthouse Church

659  
00:28:01,840 --> 00:27:59,929  
Universal and triumphant and kraan all

660  
00:28:03,880 --> 00:28:01,850  
right so the thing that I was

661  
00:28:04,930 --> 00:28:03,890  
referencing I kind of remembered a

662  
00:28:07,360 --> 00:28:04,940  
little bit more about this since you

663  
00:28:10,270 --> 00:28:07,370

said Kate under now underground cave

664

00:28:12,190 --> 00:28:10,280

networks yeah so I can't remember

665

00:28:14,549 --> 00:28:12,200

exactly what it is but it's the guy that

666

00:28:17,730 --> 00:28:14,559

comes up with the idea of the word drill

667

00:28:20,520 --> 00:28:17,740

drill drill which is the

668

00:28:25,500 --> 00:28:20,530

essence of life which is what good old

669

00:28:27,840 --> 00:28:25,510

madame blavatsky grabbed on to and said

670

00:28:31,440 --> 00:28:27,850

that was like the basis for her ideas

671

00:28:34,200 --> 00:28:31,450

that were eventually published in astara

672

00:28:38,070 --> 00:28:34,210

which is what inspired our good friend

673

00:28:40,260 --> 00:28:38,080

Hitler in the future so but this guy

674

00:28:44,900 --> 00:28:40,270

that wrote this other book that also did

675

00:28:51,510 --> 00:28:44,910

the pseudonym thing he was talking about

676

00:28:52,980 --> 00:28:51,520

guys like nephal Nephilim in the angel

677

00:28:55,140 --> 00:28:52,990

yeah I know people that are left over

678

00:28:57,030 --> 00:28:55,150

but he kind of calls them aliens and

679

00:28:58,500 --> 00:28:57,040

they're winged creatures and they live

680

00:29:01,530 --> 00:28:58,510

underground and they have the ability to

681

00:29:03,270 --> 00:29:01,540

control this energy called Vril okay not

682

00:29:07,440 --> 00:29:03,280

the force yeah it's got like the force

683

00:29:08,790 --> 00:29:07,450

yes okay sorry a little side note many

684

00:29:11,669 --> 00:29:08,800

listeners are really interested in that

685

00:29:15,150 --> 00:29:11,679

and if you look up mr. Watts key and

686

00:29:17,850 --> 00:29:15,160

kind of like delve into the the SS

687

00:29:20,430 --> 00:29:17,860

occult beginnings and you look deeper

688

00:29:22,020 --> 00:29:20,440

where that stuff came from and then

689

00:29:23,820 --> 00:29:22,030

where that came from

690

00:29:26,010 --> 00:29:23,830

you'll see this guy come up that

691

00:29:27,390 --> 00:29:26,020

published this book about the winged

692

00:29:29,700 --> 00:29:27,400

people living under the ground this

693

00:29:32,040 --> 00:29:29,710

isn't like the 1700s I believe just go

694

00:29:34,620 --> 00:29:32,050

back to Hollow Earth theory you know

695

00:29:36,570 --> 00:29:34,630

yeah yeah it starts it starts to go into

696

00:29:38,580 --> 00:29:36,580

the Hollow Earth theory actually if you

697

00:29:40,890 --> 00:29:38,590

just want to you know what a lot of this

698

00:29:42,299 --> 00:29:40,900

I know is from last podcast on the left

699

00:29:44,070 --> 00:29:42,309

they have a episode about the Hollow

700

00:29:45,270 --> 00:29:44,080

Earth and then they also have a really

701

00:29:46,980 --> 00:29:45,280

great episode about the Nulty

702

00:29:49,140 --> 00:29:46,990

not see a cult they do some good stuff

703

00:29:52,350 --> 00:29:49,150

over there I don't think they I don't

704

00:29:54,960 --> 00:29:52,360

like when they they have a very comedy

705

00:29:59,060 --> 00:29:54,970

element to it yeah they do good research

706

00:30:01,080 --> 00:29:59,070

I think yeah it's it's pretty good stuff

707

00:30:04,680 --> 00:30:01,090

Thanksgiving I went to see the live show

708

00:30:06,630 --> 00:30:04,690

I get to meet Henry Zebrowski and do Dan

709

00:30:08,100 --> 00:30:06,640

Castle I did not get to talk to Marcus

710

00:30:09,930 --> 00:30:08,110

but I've messaged him on Facebook a

711

00:30:13,590 --> 00:30:09,940

couple times good people they're awesome

712

00:30:15,210 --> 00:30:13,600

yeah I really liked them a lot I mean

713

00:30:17,100 --> 00:30:15,220

they definitely have shaped me a lot I

714

00:30:18,900 --> 00:30:17,110

think their podcast is really great and

715

00:30:21,000 --> 00:30:18,910

it started from nothing it started from

716

00:30:22,680 --> 00:30:21,010

yeah kind of what yours was like they

717

00:30:25,260 --> 00:30:22,690

were doing it's a passion project just

718

00:30:28,799 --> 00:30:25,270

they're just much larger podcasts and we

719

00:30:29,960 --> 00:30:28,809

are very very they're only larger and

720

00:30:31,730 --> 00:30:29,970

they got

721

00:30:33,050 --> 00:30:31,740

right up in a magazine now that's all

722

00:30:34,880 --> 00:30:33,060

take some time and they have a really

723

00:30:37,030 --> 00:30:34,890

active Facebook group yeah that's all it

724

00:30:39,920 --> 00:30:37,040

takes is one good write-up and that can

725

00:30:43,220 --> 00:30:39,930

boost you once you do that also they

726

00:30:45,140 --> 00:30:43,230

have like Henry is a personality and in

727

00:30:47,960 --> 00:30:45,150

there they're comedians to like some are

728

00:30:51,220 --> 00:30:47,970

Henry was in wolf of Wall Street as a

729

00:30:54,830 --> 00:30:51,230

side character he's also had a show on

730

00:30:57,380 --> 00:30:54,840

Adult Swim Ben Kessel's on Fox News a

731

00:30:59,330 --> 00:30:57,390

couple times on red I don't mean to make

732

00:31:01,640 --> 00:30:59,340

this about their podcast you are you you

733

00:31:04,010 --> 00:31:01,650

know we've talked about how we talk

734

00:31:05,900 --> 00:31:04,020

about all media here sure because this

735

00:31:07,370 --> 00:31:05,910

podcast is about everything I don't feel

736

00:31:09,590 --> 00:31:07,380

threatened by other podcast you

737

00:31:14,600 --> 00:31:09,600

shouldn't I don't I don't know why [h\_\_h]

738

00:31:19,610 --> 00:31:14,610

yours is just no no maybe I don't know I

739

00:31:21,710 --> 00:31:19,620

do one up so before we wrap up this they

740

00:31:23,600 --> 00:31:21,720

live underground right these people the

741

00:31:25,250 --> 00:31:23,610

new Marian's yes is there anymore is

742

00:31:31,580 --> 00:31:25,260

that all the Wikipedia's guy well on

743

00:31:34,060 --> 00:31:31,590

that brief description of the Marion

744

00:31:41,630 --> 00:31:37,100

okay so scientific origins it goes back

745

00:31:44,480 --> 00:31:41,640

to 1864 the zoologist and biographer

746

00:31:46,760 --> 00:31:44,490

Phillip scatterer wrote an article on

747

00:31:48,470 --> 00:31:46,770

the mammals of Madagascar in the

748

00:31:51,760 --> 00:31:48,480

quarterly Journal of science using a

749

00:31:55,460 --> 00:31:51,770

classification he referred to as lemurs

750

00:31:58,520 --> 00:31:55,470

lemurs so I this is there's just so much

751

00:32:00,740 --> 00:31:58,530

going into it's like blue Marian's I'm

752

00:32:04,250 --> 00:32:00,750

have to do a lot more research on Lulu

753

00:32:07,630 --> 00:32:04,260

Marian's and according to Wikipedia the

754

00:32:10,430 --> 00:32:07,640

ancient continent actually is in the

755

00:32:12,410 --> 00:32:10,440

Pacific or was in the Pacific at some

756

00:32:14,270 --> 00:32:12,420

time so it's like the Pacific version of

757

00:32:16,220 --> 00:32:14,280

Atlantis Atlantis yeah because it Lance

758

00:32:17,540 --> 00:32:16,230

is supposedly in the Atlantic someone

759

00:32:20,300 --> 00:32:17,550

yep that's correct

760

00:32:24,050 --> 00:32:20,310

ah perhaps it's on the other vial or to

761

00:32:27,980 --> 00:32:24,060

see yeah I all this kind of stuff is

762

00:32:32,720 --> 00:32:27,990

very intriguing I have to dig more into

763

00:32:35,240 --> 00:32:32,730

Lemuria it's a it's insanity actually

764

00:32:38,060 --> 00:32:35,250

soon to be in the Indian Ocean it could

765

00:32:42,040 --> 00:32:38,070

be all the same thing

766

00:32:44,050 --> 00:32:42,050

it could be wiping remember I

767

00:32:46,720 --> 00:32:44,060

there's some versions of the Atlantis

768

00:32:49,450 --> 00:32:46,730

ideal that the the city actually moved

769

00:32:50,980 --> 00:32:49,460

that it was a spaceship that it was like

770

00:32:55,120 --> 00:32:50,990

an object they could move about the

771

00:32:57,970 --> 00:32:55,130

planet and these these so up until you

772

00:33:00,250 --> 00:32:57,980

know the I guess the turn of century in

773

00:33:01,600 --> 00:33:00,260

1900 all these weird things that people

774

00:33:03,840 --> 00:33:01,610

would see they would be witches or

775

00:33:06,700 --> 00:33:03,850

there'd be fairies or there would be

776

00:33:10,380 --> 00:33:06,710

devils and then they transformed into

777

00:33:12,790 --> 00:33:10,390

their UFOs because it seems like these

778

00:33:14,890 --> 00:33:12,800

paranormal sightings are keeping up with

779

00:33:16,840 --> 00:33:14,900

the technology at the time and the I

780

00:33:19,690 --> 00:33:16,850

think it's our understanding you know

781

00:33:21,730 --> 00:33:19,700

it's like some dudes see something is

782

00:33:23,590 --> 00:33:21,740

like ah clear that was the newfangled

783

00:33:26,110 --> 00:33:23,600

invention light bulb strapped to a

784

00:33:28,480 --> 00:33:26,120

object in the sky yeah it was a flaming

785

00:33:30,730 --> 00:33:28,490

wheel so I think it keeps evolving or

786

00:33:34,660 --> 00:33:30,740

people's perception of it keeps evolving

787

00:33:36,340 --> 00:33:34,670

because people perceive the same event a

788

00:33:39,010 --> 00:33:36,350

little differently especially UFO

789

00:33:40,480 --> 00:33:39,020

sightings from what I've read so it's a

790

00:33:42,670 --> 00:33:40,490

person's perception what they're willing

791

00:33:44,500 --> 00:33:42,680

to accept into their mind is what

792

00:33:45,880 --> 00:33:44,510

they're going to process hence maybe

793

00:33:48,040 --> 00:33:45,890

what yeah why this kid saw his

794

00:33:49,930 --> 00:33:48,050

grandmother and not an alien because

795

00:33:53,410 --> 00:33:49,940

that's what he could accept I think that

796

00:33:56,290 --> 00:33:53,420

plays very well along with a little

797

00:33:59,430 --> 00:33:56,300

comment that was on another thing I

798

00:34:02,050 --> 00:33:59,440

listen to where they were saying that

799

00:34:04,210 --> 00:34:02,060

you know if you look at the African

800

00:34:07,420 --> 00:34:04,220

airplane cults where these indigenous

801  
00:34:09,940 --> 00:34:07,430  
people like built airplanes and worship

802  
00:34:12,070 --> 00:34:09,950  
them and thought if they built the you

803  
00:34:13,930 --> 00:34:12,080  
know the tarmac for the plane land on

804  
00:34:15,669 --> 00:34:13,940  
that their gods would come down because

805  
00:34:18,669 --> 00:34:15,679  
we were like dropping [h\_\_h] food and

806  
00:34:21,450 --> 00:34:18,679  
[h\_\_h] to them but we were doing like Bill

807  
00:34:24,550 --> 00:34:21,460  
Clinton land on a mare eventually

808  
00:34:26,110 --> 00:34:24,560  
anyways like the Star Trek idea where

809  
00:34:28,030 --> 00:34:26,120  
it's like oh we can hang out but we

810  
00:34:29,590 --> 00:34:28,040  
can't interact with the people so

811  
00:34:31,000 --> 00:34:29,600  
they're like oh my god

812  
00:34:33,310 --> 00:34:31,010  
spaceship in the skies they're just

813  
00:34:37,870 --> 00:34:33,320

gonna drop bombs and food yes it's like

814

00:34:39,159 --> 00:34:37,880

is art is the modern idea you know as

815

00:34:43,240 --> 00:34:39,169

you're saying it's evolving it's like

816

00:34:45,820 --> 00:34:43,250

now the UFO UFO cults the same thing and

817

00:34:48,070 --> 00:34:45,830

maybe these intelligent ideas are out

818

00:34:49,800 --> 00:34:48,080

there these entities and they're going I

819

00:34:51,899 --> 00:34:49,810

look at these stupid I think

820

00:34:53,399 --> 00:34:51,909

Venis people if they're if they're

821

00:34:55,470 --> 00:34:53,409

around and these if these are counts are

822

00:34:57,300 --> 00:34:55,480

true then they can read our minds and so

823

00:34:58,980 --> 00:34:57,310

they they know we're capable thinking at

824

00:35:02,190 --> 00:34:58,990

this point some of them can read our

825

00:35:03,750 --> 00:35:02,200

minds the reptilians can't tell the

826

00:35:05,370 --> 00:35:03,760

reptilians I can I get a whole big thing

827

00:35:06,870 --> 00:35:05,380

in the reptilians then break down you

828

00:35:11,490 --> 00:35:06,880

want to talk about that come on baby

829

00:35:13,890 --> 00:35:11,500

what do you got to say I don't know I

830

00:35:15,390 --> 00:35:13,900

think if you didn't sign up a sudden in

831

00:35:18,030 --> 00:35:15,400

the marion's that'd be pretty sweet yeah

832

00:35:19,860 --> 00:35:18,040

I really when you did the the Nibiru

833

00:35:23,400 --> 00:35:19,870

episode that was awesome it has a very

834

00:35:25,380 --> 00:35:23,410

deep profound hips plenty accents some

835

00:35:27,750 --> 00:35:25,390

people are saying hey December is the

836

00:35:30,750 --> 00:35:27,760

this is the month December 2015 this is

837

00:35:39,690 --> 00:35:30,760

the month of Planet X so we'll see if we

838

00:35:43,350 --> 00:35:39,700

all die are you with us you doing okay

839

00:35:45,000 --> 00:35:43,360

buddy damn fine sir clown okay can we

840

00:35:47,220 --> 00:35:45,010

transition to the reptilians I mean

841

00:35:51,300 --> 00:35:47,230

clown baby city had a whole article on

842

00:35:54,390 --> 00:35:51,310

the reptilians I do on the I have a

843

00:35:56,130 --> 00:35:54,400

whole link on the reptilians day night I

844

00:35:59,520 --> 00:35:56,140

started to investigate the reptilians a

845

00:36:01,860 --> 00:35:59,530

little bit and people believe it people

846

00:36:03,390 --> 00:36:01,870

in the UFO community believe that the

847

00:36:05,790 --> 00:36:03,400

reptilians are the ones running the

848

00:36:08,730 --> 00:36:05,800

joint and that these greys are actually

849

00:36:10,950 --> 00:36:08,740

biological androids and they were built

850

00:36:13,560 --> 00:36:10,960

by the the reptilians to come down here

851  
00:36:14,520 --> 00:36:13,570  
and do the dirty work I think you're you

852  
00:36:17,580 --> 00:36:14,530  
have a misconception

853  
00:36:20,730 --> 00:36:17,590  
maybe I mean look the greys were built

854  
00:36:22,230 --> 00:36:20,740  
by the Pelagians okay and the Pelagians

855  
00:36:22,920 --> 00:36:22,240  
and the reptilians they don't like each

856  
00:36:25,710 --> 00:36:22,930  
other very much

857  
00:36:28,650 --> 00:36:25,720  
I don't know my alien cultures but they

858  
00:36:31,290 --> 00:36:28,660  
hang together they hang out at the Dulce

859  
00:36:36,840 --> 00:36:31,300  
facility because they need the grey is

860  
00:36:38,700 --> 00:36:36,850  
to do the jalal che dolce for the the

861  
00:36:40,260 --> 00:36:38,710  
greys to do the biological experiments

862  
00:36:42,120 --> 00:36:40,270  
because the reptilians are just not

863  
00:36:44,580 --> 00:36:42,130

interested they go clubbing together

864

00:36:48,540 --> 00:36:44,590

they really they just like to hang out

865

00:36:50,520 --> 00:36:48,550

and be like giant [h\_\_h] basically

866

00:36:52,410 --> 00:36:50,530

they're like Klingons would you say the

867

00:36:58,060 --> 00:36:52,420

when the reptilians walk into joint

868

00:37:03,610 --> 00:37:00,900

finishing use of the alien races okay

869

00:37:13,960 --> 00:37:03,620

typically reptilians are described as

870

00:37:15,940 --> 00:37:13,970

sixty people are you gray typically

871

00:37:20,170 --> 00:37:15,950

reptilians are described as 60 feet tall

872

00:37:24,370 --> 00:37:20,180

bipedal having scaly green skin oh my

873

00:37:28,270 --> 00:37:24,380

god no no my god no I am NOT gonna do it

874

00:37:31,660 --> 00:37:28,280

I will do it yeah green skin have a bad

875

00:37:34,420 --> 00:37:31,670

odor have large eyes usually yellow or

876

00:37:37,330 --> 00:37:34,430

gold with vertical pupils they have

877

00:37:39,220 --> 00:37:37,340

sometimes they're sometimes linked to

878

00:37:40,870 --> 00:37:39,230

myths about internationals who literally

879

00:37:43,060 --> 00:37:40,880

came to earth to see the planet and

880

00:37:46,660 --> 00:37:43,070

promised one day to return that would be

881

00:37:48,520 --> 00:37:46,670

the key so I started to look into the

882

00:37:51,340 --> 00:37:48,530

reptilians for a potential

883

00:37:52,900 --> 00:37:51,350

shape-shifting alien race and these guys

884

00:37:54,520 --> 00:37:52,910

did come up a little bit as the

885

00:37:56,860 --> 00:37:54,530

potential of shape-shifting yeah they

886

00:38:00,550 --> 00:37:56,870

also supposedly have the ability to trap

887

00:38:04,330 --> 00:38:00,560

Souls and I look at the Edmund and plant

888

00:38:05,680 --> 00:38:04,340

their own Souls within and use human

889

00:38:07,890 --> 00:38:05,690

bodies as puppets

890

00:38:11,550 --> 00:38:07,900

this sounds like demon possession to me

891

00:38:14,380 --> 00:38:11,560

yeah pretty similar thing man you know

892

00:38:17,320 --> 00:38:14,390

demonology bro but I sort of look at

893

00:38:19,540 --> 00:38:17,330

this the shape-shifting aspect for this

894

00:38:22,960 --> 00:38:19,550

reason when these people go missing in

895

00:38:25,510 --> 00:38:22,970

these national forests that one they

896

00:38:28,240 --> 00:38:25,520

maybe take the form of a person's loved

897

00:38:30,400 --> 00:38:28,250

one a relative to lure him into cave to

898

00:38:31,870 --> 00:38:30,410

take a [h\_\_h] on of his paper that's a

899

00:38:33,520 --> 00:38:31,880

there's a very crucial point so maybe

900

00:38:35,410 --> 00:38:33,530

they can shape-shift into the they're

901  
00:38:36,880 --> 00:38:35,420  
really in the Chicago Sun rooms is that

902  
00:38:38,410 --> 00:38:36,890  
what you're saying no I'm just saying

903  
00:38:40,300 --> 00:38:38,420  
you know I was thinking you're going to

904  
00:38:42,490 --> 00:38:40,310  
the angles like the reptilians are like

905  
00:38:44,830 --> 00:38:42,500  
they they use us like a Hertz rental

906  
00:38:46,840 --> 00:38:44,840  
service they're like we trap the soul

907  
00:38:49,240 --> 00:38:46,850  
make them think they [h\_\_h] on a piece of

908  
00:38:50,920 --> 00:38:49,250  
paper but really we need Johnny's body

909  
00:38:55,210 --> 00:38:50,930  
to go to a really important business

910  
00:38:57,910 --> 00:38:55,220  
meeting I think that they could it be if

911  
00:39:00,940 --> 00:38:57,920  
there are shapeshifters the that they

912  
00:39:05,650 --> 00:39:00,950  
might either be a part of the search

913  
00:39:06,720 --> 00:39:05,660

party or taking the form of a loved one

914

00:39:08,609 --> 00:39:06,730

to draw them out so

915

00:39:11,010 --> 00:39:08,619

they always like there's many reports in

916

00:39:12,870 --> 00:39:11,020

this missing 401 where there's a search

917

00:39:14,970 --> 00:39:12,880

party they've searched an area very

918

00:39:17,849 --> 00:39:14,980

thoroughly then they come back again and

919

00:39:19,920 --> 00:39:17,859

the body turns up so so almost like it's

920

00:39:21,330 --> 00:39:19,930

an inside job like maybe someone within

921

00:39:23,280 --> 00:39:21,340

the search party is like oh look look

922

00:39:26,460 --> 00:39:23,290

what I found we just searched it yeah

923

00:39:28,920 --> 00:39:26,470

yeah so I was gonna say what happened to

924

00:39:30,930 --> 00:39:28,930

Johnny the the kid did he take the [h\_\_h]

925

00:39:33,330 --> 00:39:30,940

or not oh no he did not take a [h\_\_h]

926

00:39:36,090 --> 00:39:33,340

because he didn't know here that's

927

00:39:38,099 --> 00:39:36,100

interesting because the idea of the wind

928

00:39:41,130 --> 00:39:38,109

ingo which is a Native American

929

00:39:44,640 --> 00:39:41,140

mythology which is a shapeshifter it is

930

00:39:47,700 --> 00:39:44,650

a human that consumes the flesh of a

931

00:39:51,930 --> 00:39:47,710

relative doing a cannibalistic rituals

932

00:39:54,390 --> 00:39:51,940

so I'd come a witch he has the ability

933

00:39:56,670 --> 00:39:54,400

to shape-shift but one of the things

934

00:39:59,790 --> 00:39:56,680

that they do to gain control of your

935

00:40:04,080 --> 00:39:59,800

soul is that they offer you something

936

00:40:06,210 --> 00:40:04,090

and if you take it from them you will be

937

00:40:08,520 --> 00:40:06,220

possessed like a new car sound like that

938

00:40:11,900 --> 00:40:08,530

yeah usually it's something like money

939

00:40:14,550 --> 00:40:11,910

like there's a story where a guy met a

940

00:40:18,630 --> 00:40:14,560

older Native American man and he left

941

00:40:20,160 --> 00:40:18,640

this silver note that's far and he like

942

00:40:21,480 --> 00:40:20,170

left it out there but he was like trying

943

00:40:24,450 --> 00:40:21,490

to get the guy he was like hey I know

944

00:40:27,090 --> 00:40:24,460

where there's more of these if you like

945

00:40:28,560 --> 00:40:27,100

take this from me and help me out I'll

946

00:40:31,410 --> 00:40:28,570

make you really rich it's kind of like

947

00:40:33,060 --> 00:40:31,420

the old vampire in your house yeah kind

948

00:40:35,370 --> 00:40:33,070

of it's like that but it's like I can

949

00:40:38,310 --> 00:40:35,380

give you fortune but you gotta like take

950

00:40:41,220 --> 00:40:38,320

this money but this time they were like

951  
00:40:50,190 --> 00:40:41,230  
we really want your [\h\_\_\h] yeah they

952  
00:40:53,340 --> 00:40:50,200  
needed that [\h\_\_\h] yeah to see if maybe

953  
00:40:54,960 --> 00:40:53,350  
possibly there there's any history of

954  
00:40:56,430 --> 00:40:54,970  
them abducting people this blatantly

955  
00:40:59,160 --> 00:40:56,440  
like doing the dirty work going down

956  
00:41:00,780 --> 00:40:59,170  
there and doing it but most of the alien

957  
00:41:03,150 --> 00:41:00,790  
abductions that I read about it always

958  
00:41:05,970 --> 00:41:03,160  
comes back to the the greys not doing

959  
00:41:07,410 --> 00:41:05,980  
the dirty work and the grays and or if

960  
00:41:11,280 --> 00:41:07,420  
you look at the really early report

961  
00:41:13,560 --> 00:41:11,290  
reports it'll be Nordic like aliens are

962  
00:41:17,550 --> 00:41:13,570  
also a great eye but much taller and

963  
00:41:20,529 --> 00:41:17,560

they will be dressed as Nazis really I

964

00:41:23,409 --> 00:41:20,539

didn't know that Wow very early

965

00:41:25,569 --> 00:41:23,419

the fifties reports say hmm oh there was

966

00:41:29,349 --> 00:41:25,579

a Nazi there was a guy dressed in a Nazi

967

00:41:31,329 --> 00:41:29,359

uniform hmm yeah Hitler's behind this

968

00:41:32,640 --> 00:41:31,339

Hitler subducting your I don't know if

969

00:41:34,959 --> 00:41:32,650

it's Hitler are you doing it's like

970

00:41:38,919 --> 00:41:34,969

Gorbals or something yeah hanging out

971

00:41:47,309 --> 00:41:38,929

with the gray is gerbils gerbils it's

972

00:41:55,569 --> 00:41:50,140

that's all I really have on this right

973

00:41:56,919 --> 00:41:55,579

now it's a missing part one stuff the

974

00:41:59,049 --> 00:41:56,929

guy even mentions that on the interviews

975

00:42:00,759 --> 00:41:59,059

hey don't don't buy my books from Amazon

976

00:42:04,150 --> 00:42:00,769

there were price hit the website so he's

977

00:42:06,039 --> 00:42:04,160

a acknowledging that and via youtube or

978

00:42:07,569 --> 00:42:06,049

our website there are links to two of

979

00:42:10,870 --> 00:42:07,579

his more recent interviews that he's

980

00:42:12,759 --> 00:42:10,880

done on cuzco sam extremely fascinating

981

00:42:14,769 --> 00:42:12,769

and if you can support him and he is

982

00:42:16,179 --> 00:42:14,779

making a documentary right now his son

983

00:42:17,709 --> 00:42:16,189

that is supposed to come out next year

984

00:42:20,229 --> 00:42:17,719

so this guy's actually going out to all

985

00:42:22,959 --> 00:42:20,239

spots I would say if you have a couple

986

00:42:24,870 --> 00:42:22,969

dollars to throw at him it's worth it or

987

00:42:28,799 --> 00:42:24,880

buy one of the books because this is

988

00:42:32,620 --> 00:42:28,809

this to me beyond the possible alien

989

00:42:35,109 --> 00:42:32,630

sasquatch military whatever just the

990

00:42:37,269 --> 00:42:35,119

fact that this amount of people over

991

00:42:39,370 --> 00:42:37,279

this long of time period have been going

992

00:42:42,099 --> 00:42:39,380

missing and nobody seems to give a [h\_\_\h]

993

00:42:44,529 --> 00:42:42,109

that you know register yeah that's

994

00:42:47,109 --> 00:42:44,539

important we need to be thinking about

995

00:42:50,469 --> 00:42:47,119

this and I think his point of view is I

996

00:42:52,569 --> 00:42:50,479

don't want to come out and say hey Lee

997

00:42:54,339 --> 00:42:52,579

this is this is an opinion on it he's

998

00:42:56,529 --> 00:42:54,349

just interested in presenting the fact

999

00:42:59,349 --> 00:42:56,539

and it's the best way to do it in order

1000

00:43:01,630 --> 00:42:59,359

to get NPR articles that's what a real

1001  
00:43:04,299 --> 00:43:01,640  
[h\_\_\h] documentary is it's not that's

1002  
00:43:06,390 --> 00:43:04,309  
what he's also working on that movie yes

1003  
00:43:09,579 --> 00:43:06,400  
so if you guys if listeners out there

1004  
00:43:12,130 --> 00:43:09,589  
you're interested in this at all this is

1005  
00:43:13,870 --> 00:43:12,140  
the best way the guy \$1.00 yeah this is

1006  
00:43:16,179 --> 00:43:13,880  
actually the best way to total of

1007  
00:43:18,039 --> 00:43:16,189  
dollars a book not only not that bad not

1008  
00:43:21,279 --> 00:43:18,049  
only paranormal activity but also

1009  
00:43:24,039 --> 00:43:21,289  
government complacency or cooperation

1010  
00:43:25,929 --> 00:43:24,049  
and in some way we don't know there's

1011  
00:43:28,390 --> 00:43:25,939  
stories in there that the Green Berets

1012  
00:43:30,110 --> 00:43:28,400  
get involved yeah and there and Mike is

1013  
00:43:33,140 --> 00:43:30,120

talked about yeah I'm the

1014

00:43:34,730 --> 00:43:33,150

FBI knows what I said before there is no

1015

00:43:37,310 --> 00:43:34,740

acknowledgement of it there's a there's

1016

00:43:39,950 --> 00:43:37,320

a this has a lot of flavors of what goes

1017

00:43:43,670 --> 00:43:39,960

on the Franklin can be RC cover-up book

1018

00:43:45,530 --> 00:43:43,680

also that the FBI is clearly complacent

1019

00:43:47,390 --> 00:43:45,540

and they do not give a [h\_\_\h]

1020

00:43:50,330 --> 00:43:47,400

well there's one there's one FBI this

1021

00:43:52,760 --> 00:43:50,340

guy there's one FBI agent that that

1022

00:43:54,830 --> 00:43:52,770

David talks about that it shows up on a

1023

00:43:56,240 --> 00:43:54,840

good number of these missing person

1024

00:43:59,120 --> 00:43:56,250

cases he's that he's there on the ground

1025

00:44:01,700 --> 00:43:59,130

and apparently that this must have got

1026  
00:44:04,160 --> 00:44:01,710  
to him because he committed suicide so

1027  
00:44:05,840 --> 00:44:04,170  
yeah yeah I wonder if that's like a FBI

1028  
00:44:08,630 --> 00:44:05,850  
thing cuz you know that with the plane

1029  
00:44:10,670 --> 00:44:08,640  
thing a lot cops commit suicide yeah

1030  
00:44:13,160 --> 00:44:10,680  
yeah the plane thing also the recent

1031  
00:44:15,380 --> 00:44:13,170  
plane explosion the guy that they had on

1032  
00:44:18,170 --> 00:44:15,390  
the major news is the same guy reported

1033  
00:44:20,300 --> 00:44:18,180  
on another plane blowing up yours ago I

1034  
00:44:21,800 --> 00:44:20,310  
don't know I don't know if they often

1035  
00:44:24,740 --> 00:44:21,810  
wear heels is too much for him to take

1036  
00:44:26,990 --> 00:44:24,750  
mentally but I think that's a that's a

1037  
00:44:29,450 --> 00:44:27,000  
big indicator like this is much bigger

1038  
00:44:31,310 --> 00:44:29,460

and if you could just imagine

1039

00:44:32,810 --> 00:44:31,320

year after year after year you've seen

1040

00:44:34,670 --> 00:44:32,820

all these missing persons report you're

1041

00:44:38,000 --> 00:44:34,680

there for 10 years is almost amounted to

1042

00:44:39,440 --> 00:44:38,010

a million people have disappeared in ten

1043

00:44:42,470 --> 00:44:39,450

years and they don't know what's going

1044

00:44:44,930 --> 00:44:42,480

on because 80 koklos all the numbers

1045

00:44:46,760 --> 00:44:44,940

I've seen almost 80,000 people go

1046

00:44:50,390 --> 00:44:46,770

missing a year more people go missing

1047

00:44:52,130 --> 00:44:50,400

than our shot it's yeah insane that's

1048

00:44:54,110 --> 00:44:52,140

not on the news that knows talking about

1049

00:44:58,370 --> 00:44:54,120

that no one's the protesting that

1050

00:45:00,440 --> 00:44:58,380

yeah there's gone yeah and regarding the

1051  
00:45:03,590 --> 00:45:00,450  
high strangeness and the coincidences

1052  
00:45:05,660 --> 00:45:03,600  
there is a guy who was a detective that

1053  
00:45:07,340 --> 00:45:05,670  
recently wrote a book about past life

1054  
00:45:12,830 --> 00:45:07,350  
regression mmm-hmm he was a non-believer

1055  
00:45:15,620 --> 00:45:12,840  
and he did a whole book about his past

1056  
00:45:17,960 --> 00:45:15,630  
life regression and he studied it as a

1057  
00:45:19,880 --> 00:45:17,970  
homicide detective would he went he

1058  
00:45:21,320 --> 00:45:19,890  
gathered some facts from his regression

1059  
00:45:23,840 --> 00:45:21,330  
and went through and tried to disprove

1060  
00:45:26,630 --> 00:45:23,850  
it he couldn't and he couldn't yeah he

1061  
00:45:29,420 --> 00:45:26,640  
found every single thing lined up to

1062  
00:45:31,970 --> 00:45:29,430  
this recent past life regression that he

1063  
00:45:33,950 --> 00:45:31,980

found that he was this person right that

1064

00:45:36,920 --> 00:45:33,960

aside one of the statements he said the

1065

00:45:38,540 --> 00:45:36,930

in police detective work there is no

1066

00:45:42,440 --> 00:45:38,550

such thing as a coincidence

1067

00:45:43,230 --> 00:45:42,450

there is only information that leads you

1068

00:45:46,170 --> 00:45:43,240

to

1069

00:45:48,990 --> 00:45:46,180

truth yeah so you can only look at

1070

00:45:50,910 --> 00:45:49,000

everything you have and follow that back

1071

00:45:52,560 --> 00:45:50,920

until you find the truth because there's

1072

00:45:55,740 --> 00:45:52,570

no such thing as coincidence and police

1073

00:45:57,720 --> 00:45:55,750

work one last thing before I move on I

1074

00:45:59,580 --> 00:45:57,730

promise I promise we're gonna move on to

1075

00:46:00,870 --> 00:45:59,590

some stuff and clown baby if you want to

1076  
00:46:05,040 --> 00:46:00,880  
get some articles ready that you want to

1077  
00:46:07,830 --> 00:46:05,050  
talk about please do so this guy from is

1078  
00:46:09,780 --> 00:46:07,840  
missing foreign one he's a player now

1079  
00:46:11,910 --> 00:46:09,790  
where he wants to try some remote

1080  
00:46:13,800 --> 00:46:11,920  
viewings and he's active active and

1081  
00:46:15,840 --> 00:46:13,810  
actively trying to get with some people

1082  
00:46:17,700 --> 00:46:15,850  
I'm down with the system yeah that's

1083  
00:46:19,730 --> 00:46:17,710  
good let's get it on let's use remote

1084  
00:46:24,450 --> 00:46:19,740  
viewing let's use paranormal definitely

1085  
00:46:27,840 --> 00:46:24,460  
there's a I think mu also they just did

1086  
00:46:30,120 --> 00:46:27,850  
a thing dude is using remote viewing for

1087  
00:46:31,980 --> 00:46:30,130  
UFO specific yeah and that's a variance

1088  
00:46:34,290 --> 00:46:31,990

because the the remote viewing thing has

1089

00:46:37,260 --> 00:46:34,300

just come out recently that the CIA that

1090

00:46:39,950 --> 00:46:37,270

was just not too long ago like ten years

1091

00:46:42,840 --> 00:46:39,960

ago yeah basically the CIA and they

1092

00:46:44,760 --> 00:46:42,850

revealed her know is the military

1093

00:46:46,770 --> 00:46:44,770

revealed that we've had the CIA black

1094

00:46:48,630 --> 00:46:46,780

budget project we were remote viewing

1095

00:46:52,260 --> 00:46:48,640

the Russians were doing it so we had to

1096

00:46:54,120 --> 00:46:52,270

do it it was site Wars whatever we had

1097

00:46:55,710 --> 00:46:54,130

some sort of success rate with it and

1098

00:46:58,320 --> 00:46:55,720

now all those dudes are allowed to talk

1099

00:47:00,690 --> 00:46:58,330

about it so right now all of the

1100

00:47:02,730 --> 00:47:00,700

paranormal community all of the people

1101  
00:47:05,910 --> 00:47:02,740  
that are interested in anything like

1102  
00:47:07,800 --> 00:47:05,920  
missing people anything they are looking

1103  
00:47:09,030 --> 00:47:07,810  
to this going hell yeah I want to get

1104  
00:47:11,220 --> 00:47:09,040  
remote viewers because these guys have

1105  
00:47:14,760 --> 00:47:11,230  
success rates yeah and they do it in

1106  
00:47:16,320 --> 00:47:14,770  
groups they remote view like different

1107  
00:47:18,000 --> 00:47:16,330  
sections and they bring the information

1108  
00:47:19,920 --> 00:47:18,010  
together and look at that and now you

1109  
00:47:21,780 --> 00:47:19,930  
have a new lead I'm still reading

1110  
00:47:23,070 --> 00:47:21,790  
through the book I have the problem with

1111  
00:47:27,150 --> 00:47:23,080  
it is it doesn't go through a lot of

1112  
00:47:29,580 --> 00:47:27,160  
cases in this 6/16 way it goes into a

1113  
00:47:31,920 --> 00:47:29,590

lot of background of how this guy met

1114

00:47:35,220 --> 00:47:31,930

other people and got to where he is but

1115

00:47:38,820 --> 00:47:35,230

be very interested to see what David

1116

00:47:42,500 --> 00:47:38,830

Pilates learned since than his name but

1117

00:47:44,880 --> 00:47:42,510

what is the lightest what he learns from

1118

00:47:47,270 --> 00:47:44,890

the missing people with remote viewing

1119

00:47:51,330 --> 00:47:47,280

but we have to move on now

1120

00:48:00,990 --> 00:47:55,580

I have a few clips here from Alex

1121

00:48:03,560 --> 00:48:01,000

Tiberius Jones and with let's go or thil

1122

00:48:05,340 --> 00:48:03,570

be known as Alexander Tiberius Jones

1123

00:48:10,860 --> 00:48:05,350

here we go

1124

00:48:15,420 --> 00:48:10,870

your devil cult will fall forever your

1125

00:48:19,160 --> 00:48:15,430

next fault is for you won't rise from

1126

00:48:24,440 --> 00:48:22,579

he's very angry about the the climate
